**SUBJECT: TRAFFIC OBSTRUCTION PERMIT FEE**

The traffic obstruction permit fee has been updated for 2017, as indicated below:

### New Rates:

<u>Road Classification</u>	<u>General</u>	<u>Servicing Agreement</u>
• Arterial/Collector Road	\$170.00	\$365.00
• Local Road:		
▪ Significant Obstruction	\$170.00	\$365.00
▪ Minor Obstruction	\$ 60.00	\$120.00

For permits with multiple road classifications, fees are based on the highest road classification.

### Process Change:

For permits related to a Servicing Agreement, fees will now be collected from the contractor once the traffic management plan has been reviewed. An invoice will be emailed to the contractor indicating the outstanding amount. The fees must be paid at the cashier located on the second floor at City Hall or via a mailed cheque prior to the pre-construction meeting. All Servicing Agreements issued after January 1, 2017 will be subject to this new process.
