COUNCIL DATE: June 19, 2023

REGULAR COUNCIL

TO: **Mayor & Council**

DATE: **June 15, 2023**

FROM: **General Manager, Finance**

FILE: **0560-01; 1880-20**

SUBJECT: **Report of Council Remuneration and Expense Payments for 2022**

RECOMMENDATION

The Finance Department recommends that Council receive this report for information, which lists the remuneration and expenses for each member of current Council and former Council, for the year 2022, as contained in Appendices “I” to “XVI”.

BACKGROUND

Section 168 of the *Community Charter* requires that a report be presented to Council at least once a year that separately lists, for each member of Council, the following information:

- The total amount of remuneration paid to each Council member for the discharge of the duties of office including any amount specified as an expense;
- The total amount of expense payments for each Council member when representing the City, engaging in City business, or attending a meeting, course, or convention;
- The total amount of any benefits including insurance policies and policies for medical or dental services provided to each Council member or Council member’s dependants; and
- The details of any municipal contract with Council members as reported under Section 107 of the *Community Charter*.

DISCUSSION

The 2022 remuneration and expenses for each Council member have been prepared in accordance with Section 168 of the *Community Charter*. The information documented in Appendices “I” to “XVI” attached to this report for Council members satisfies that requirement. The information included within this report is also included in the Statement of Financial Information that is included in the Financial Documents section on the City’s website.

As part of our ongoing efforts to be an open, transparent, and accessible government, staff continue to work toward improvements on reporting. The Mayor and Councillor expenses are published on the City's website on a quarterly basis which exceeds the requirements that are outlined in Section 168 of the *Community Charter*. This practice supports the City's vision of being an open, transparent, and accessible government.

CONCLUSION

The *Community Charter* requires that municipalities present a report to Council at least once a year that separately lists each member of Council, their remuneration, expenses, and benefits, as well as details of any municipal contracts. Based on the aforementioned discussion, it is recommended that Council receive this report for information.
