

CORPORATE REPORT

NO: R103 COUNCIL DATE: June 19, 2023

REGULAR COUNCIL

TO: Mayor & Council DATE: June 15, 2023

FROM: General Manager, Finance FILE: 1880-20

SUBJECT: 2022 Statement of Financial Information

RECOMMENDATION

The Finance Department recommends that Council:

- 1. Receive this report for information; and
- 2. Approve the 2022 Statement of Financial Information that is attached to this report as Appendix "I".

INTENT

The purpose of this report is to fulfill the annual *Financial Information Act* (the "Act") requirement to report publicly, the Statement of Financial Information ("SOFI").

BACKGROUND

The Financial Information Act was enacted in the fall of 1993 and requires all municipalities to provide the Province of British Columbia with a SOFI on an annual basis. The SOFI is to include, for the year being reported, the City's audited financial statements along with information regarding the remuneration paid to the Mayor and each Councillor, the name of and the remuneration paid to each employee who received more than \$75,000 from the City, the name of and the amount paid to each supplier of goods and/or services to whom the City paid more than \$25,000, and grants paid by the City exceeding \$25,000.

The Act requires that Council approve the SOFI prior to its submission to the Province of British Columbia. The Act also requires that the SOFI be made available to the public before June 30th of the year following the year to which the information in the SOFI applies.

DISCUSSION

The 2022 SOFI has been prepared in accordance with the Act and is attached as Appendix "I" to this report. The SOFI includes the 2022 audited consolidated financial statements, which were adopted by Council on May 1, 2023.

The remuneration, taxable benefits and expenses paid to City staff are reported in the SOFI under three categories as follows:

- **Base Salary Remuneration**: This is the salary that the employee earned in 2022;
- **Taxable Benefit and Other**: This includes any payout of earned time related to vacations, gratuity payments, pay for performance, lump sum payments, banked overtime, retirement and/or vehicle allowances; and
- **Expenses**: This includes amounts paid by the City to or for the employee in performing their job function, including annual professional association and membership fees, conferences, training, seminars, and travel related to City business.

As part of our ongoing efforts to be an open, transparent, and accessible government, staff will post this report to the Financial Documents section of the City's website.

CONCLUSION

The Act requires that municipalities provide to the Province of British Columbia, a SOFI for each calendar year. This SOFI is to be approved by Council before it is forwarded to the Province. The Act stipulates that the SOFI is to be made available to the public before June 30th of the year following the year to which the information in the statement applies. Based on the above discussion, it is recommended that Council approve the 2022 SOFI that is attached as Appendix "I" to this report and which has been prepared in accordance with the requirements of the Act.

Brenda Locke Mayor, City of Surrey	Kam Grewal, BBA, CPA, CMA CFO/General Manager, Finance
June, 2023	

The Financial Statements contained in this Statement of Financial Information under the *Financial Information Act* have been prepared by management in accordance with Canadian Public Sector Accounting Standards as prescribed by the Public Sector Accounting Board ("PSAB"), an independent standard-setting body, of the Chartered Professional Accountants of Canada. The integrity and objectivity of these statements are management's responsibility. Management is also responsible for all statements and schedules, and for ensuring that this information is consistent, where appropriate, with the information contained in the audited financial statements.

Management is also responsible for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

City Council, through the Audit Committee, is responsible for ensuring that management fulfils its responsibilities for financial reporting and internal controls. The Audit Committee achieves this through the review of the audited financial statements and other financial information, the audit process and compliance of financial internal controls. The Audit Committee meets with management and the external auditors as required.

The external auditors, BDO Canada LLP, conduct an independent examination, in accordance with generally accepted auditing standards, and express their opinion on the financial statements. Their examination does not relate to the other schedules and statements required by the Financial Information Act. Their examination includes a review and evaluation of the City's system of internal controls and appropriate tests and procedures to provide reasonable assurance that the financial statements are presented fairly. The external auditors have full and fair access to the Audit Committee.

On behalf of The City of Surrey

Kam Grewal, CPA, CMA CFO/General Manager, Finance June _____, 2023

Prepared under the Financial Information Regulation, Schedule 1, sections 2 and 3.

FINANCIAL STATEMENTS

FORTHEYEAR ENDED DECEMBER 31, 2022

AUDIT COMMITTEE

Councillor Pardeep Kooner, Chair

Councillor Rob Stutt, Vice-Chair

The primary function of the Audit Committee is to represent and assist City Council in fulfilling oversight responsibilities in relation to the internal control environment in place at the City, including the review of the audited financial statements and other financial information, and liaising with the City Manager and CFO/General Manager, Finance in relation to financial and internal controls and business improvement opportunities.

FINANCIAL MANAGEMENT AND CONTROL

CORPORATE PLANNING PROCESS

Surrey City Council approved the Surrey Sustainability Charter 2.0 as the City's overarching policy document. This sets out a vision for the community, a mission statement and a set of corporate goals and strategies. With the Sustainability Charter 2.0 setting the guideposts, along with the other strategic plans and direction from City Council, a Financial Plan is developed each year that presents both the Capital Budget and the Operating Budget.

The Capital Budget is developed based on City Council's current priorities and the ongoing requirements to maintain civic service levels. The resulting five-year plan strives to match the various sources of funds to required projects.

The Operating Budget allocates resources based on delivering services at existing levels, issues raised by City Council, through public consultation, and administrative requirements. It also considers changes for specific programs based on growth, usage, demand, ability to pay, business case, etc.

FINANCIAL REPORTS

Financial reports are presented to City Council for its information and review. These include reports on quarterly financial status for general operations and the annual financial report. The annual financial report includes consolidated financial statements audited by the City's appointed external auditor.

FINANCIAL POLICIES

The City of Surrey utilizes a number of financial policies, some of which have received formal approval by City Council; others are based on fiscal responsibility, legislative requirements, and public sector accounting standards. The following lists several of these key policies.

Expense Policy

The City of Surrey utilizes a number of financial policies, some of which have received formal approval by City Council. Others are based on fiscal responsibility, legislative requirements, and public sector accounting standards. The following lists several of these key policies.

Investment Policy

This policy provides guidelines for employees and other authorized individuals with respect to travel and expense reimbursements. It defines approval authorities, per diem allowances, ineligible costs, and expense reimbursement requirements. Reserve and Surplus Policy This policy directs the establishment and maintenance of reserves, and appropriations of surplus, as well as the use of reserves and appropriations of surplus in meeting the short and long-term financial goals of the City. The policy states guiding principles, objectives, criteria, and procedures, including allowable minimum and maximum reserve and surplus balances.

Reserve and Surplus Policy

This policy directs the establishment and maintenance of reserves, and appropriations of surplus, as well as the use of reserves and appropriations of surplus in meeting the short and long-term financial goals of the City. The policy states

guiding principles, objectives, criteria, and procedures, including allowable minimum and maximum reserve and surplus balances.

Tax Exemption Policy

This policy provides guidance to Council in the processing of applications for exemption from property taxes. Though the Community Charter states that exemptions are at the discretion of Council, this policy establishes principles which serve as a guide in the evaluation of applicants.

Cash Handling Policy

This policy specifies the requirements staff must meet when handling tender, from the initial point of collection through the reconciliation and deposit process.

Debt Management Guidelines

The City of Surrey strives to operate under a "pay-as-you-go" philosophy, where facilities and infrastructure are built based on current and projected funding sources and reserves.

Capital project funding may dictate that borrowing is preferred, either due to an immediate need or if funds are not available from existing reserves or through external sources, or it makes sense to use financing to spread the cost of major initiatives across present and future users.

REPORT FROM THE GENERAL MANAGER, FINANCE

MAY 8, 2023

To Mayor Brenda Locke and Members of City Council

It is my pleasure to present the Annual Financial Report for the year ended December 31, 2022. The purpose of this report is to publish the Consolidated Financial Statements and the Independent Auditor's Report for the City of Surrey, pursuant to Section 167 of the Community Charter. The following report provides a financial overview of the year ended along with a brief outlook to the future.

The City of Surrey's management are responsible for the preparation of the consolidated financial statements, which are approved by City Council.

The financial statements and related information have been prepared in accordance with Canadian Public Sector Accounting Standards as prescribed by the Public Sector Accounting Board (PSAB) of the Chartered Professional Accountants of Canada (CPA Canada). Management is also responsible for ensuring that the City remains fiscally prudent and financially sustainable through the ongoing monitoring of all the City's financial affairs. The City maintains a system of internal accounting controls designed to provide reasonable assurances for the safeguarding of assets and the reliability of financial records. In addition to the City of Surrey, the reporting entity comprises all organizations, boards, and enterprises financially accountable to the City of Surrey. This includes the Surrey Police Service (SPS), the Surrey Public Library, the Surrey Homelessness and Housing Society and the Surrey City Development Corporation.

The public accounting firm of BDO Canada LLP, which was appointed by City Council as independent external auditor, has expressed that, in their professional opinion, the Consolidated Financial Statements present fairly, in all material respects, the consolidated financial position of the City of Surrey as at December 31, 2022, including its consolidated results of operations, its changes in net consolidated financial assets, and its consolidated cash flows for the year then ended in accordance with Canadian Public Sector Accounting Standards.

FINANCIAL OVERVIEW

2022 In Review

As 2022 began, the Province took steps to ease certain COVID-19 restrictions impacting indoor and outdoor gatherings, including activities related to fitness, aquatics and rinks. As a result, all Parks, Recreation & Culture ("PRC") programs resumed operations, close to pre-pandemic levels. Despite challenges associated with staffing capacity and resources, Libraries' programs were administered while incorporating community use patterns. All Surrey Library branches returned to full-service hours and all PRC facilities reopened, adjusted to community needs and activity levels. The City continued to monitor capacity levels and hire and train staff to restore operations.

The economic environment during 2022 experienced significant changes as the Bank of Canada ("BOC") sought to temper the effects of high inflation through aggressive and swift increases to its key interest rate. The Canadian Consumer Price Index ("CPI") reached a 30-year high of 8.1% in June 2022. In response, the BOC added 3.75% to its Target Overnight Rate between March and December of last year, raising it up to 4.25%. As a result, the Prime Rate at Canadian Financial Institutions climbed to 6.45%, the highest level over the past 20-plus years. Inflationary pressures increased the cost of goods and services procured by the City. At the same time, the rapid rate increases proved beneficial for the City's investment portfolio, yielding a year-over-year investment income increase of \$22 million for 2022.

At the end of last year, the single-family building permit processing time was just under seven weeks, significantly less than the established guaranteed target of 10 weeks. Similar positive results were seen in tenant improvement, and single-family, multi-family, commercial, & industrial rezoning permits with all categories reporting processing times less than guaranteed targets. Demand for development remained high in Surrey and improvements in the City's development approval processes continued to provide significant positive impacts on regional and provincial growth and overall community access to housing.

Surrey experienced strong development activity in 2022. Building permits with a construction value of \$2.1 billion were issued during the year. The development community continues to see Surrey as an attractive place to invest. The real estate market remains active with Surrey continuing its appeal as an affordable destination for young families to settle and thrive. The City also provides a welcoming environment for businesses to grow and thrive. Business license revenue increased by 15% in 2022, as compared to the prior year.

The City is undertaking significant capital investments to enhance the thriving landscape of Surrey by providing citizens with access to safe, inviting, high quality facilities, programs and services. In 2022, construction commenced for the Cloverdale Sport & Ice Complex, Bear Creek Athletics Centre, and the Newton Community Centre. In addition to producing tangible benefits that support a healthy and vibrant lifestyle for our citizens, investing in major capital projects spurs economic activity that can catalyze growth while supporting our vision of a thriving, green and inclusive community.

In December 2022, Council approved a plan to retain Surrey RCMP as Police of Jurisdiction ("POJ"). Through a detailed financial analysis, it was determined that keeping the RCMP would result in total estimated cost savings of \$235.4 million over a five-year period. The plan was provided to the Province of British Columbia's ("BC") Solicitor General and Minister of Public Safety for endorsement of Council's decision.

Financial Position

CONSOLIDATED STATEMENT OF FINANCIAL POSITION

For the year ended December 31 (amounts in \$ millions)

	2022 Actual	2021 Actual	Change
Financial Assets	\$ 1,910.2	\$ 1,768.8	\$ 141.4
Liabilities	(1,456.8)	(1,490.8)	(34.0)
Net Financial Assets	453.4	278.0	175.4
Tangible Capital Assets	9,934.4	9,631.9	302.5
Inventories of Supplies	1.9	1.2	0.7
Prepaid Expenses	7.5	6.8	0.7
Non-Financial Assets	9,943.8	9,639.9	303.9
Accumulated Surplus	\$ 10,397.2	\$ 9,917.9	\$ 479.3

The financial position is calculated as financial assets less liabilities and results in either a net financial asset or a net financial debt. A net financial asset position is an indicator of the funds available for future expenditures, and a net financial debt position is an indicator of funds required to pay for past expenditures.

In 2022, the City's financial position increased by \$175.4 million resulting in a net financial asset position of \$453.4 million.

The City's non-financial assets increased in 2022 by \$303.9 million, bringing the total to over \$9.9 billion. The increase is the net result of capital additions of physical assets in the year, offset by disposals and amortization expense.

The result of these increases in financial position and non-financial assets was accumulated surplus increasing by \$479.3 million in 2022 to \$10.4 billion (2021 - \$9.9 billion). Overall, the City continues to maintain a strong financial position.

CONSOLIDATED STATEMENT OF OPERATIONS

For the year ended December 31 (amounts in \$ millions)

	2022 Actual	2021 Actual	Change
Revenues	\$ 1,424.5	\$ 1,183.1	\$ 241.40
Expenses	(945.2)	(877.6)	(67.60)
Annual Surplus	\$ 479.3	\$ 305.5	\$ 173.80

The City's revenues in 2022 totaled \$1.4 billion, which is an increase compared to revenues of \$1.2 billion in 2021. The year-over-year growth was attributable to increased Taxation Revenue (\$14.6 million), Developer Contributions, including Community Amenity Contributions & Bonus Density payments (\$43.1 million), Utility Rates and Fees (\$8.1 million), Sales of Goods and Services (\$17.8 million), Transfers from Other Governments and Other Revenues (\$33.1 million), and Gain on Disposal of Assets (\$24.9 million), deferred Development Cost Charge revenue (\$77.8 million) and higher Investment Income (\$22.0 million). Growth in Developer Contributions reflects strong development activity throughout the City with additional revenues and contributed assets received from developers during 2022. Sales of Goods and Services were supported by PRC revenues, Surrey Fire Service dispatch services revenues and proceeds from statutory right of ways. In accordance with the 2022 - 2026 adopted financial plan, the additional revenue generated from increased property taxation was required to support budgeted increases in the City's robust capital program and related operating programs including funding supported labour and inflationary cost increases and other various corporate requirements.

The City's expenses totaled \$945.2 million in 2022, which was an increase in comparison to expenses of \$877 million in 2021. This year-over-year change was primarily attributable to increases in Police and Fire services, Planning & Development, Parks, Recreation & Culture, Roads & Traffic safety and in the cost of Water, Sewer, and Drainage.

REPORT FROM THE GENERAL MANAGER, FINANCE CONTINUED

Investments

City staff diligently continue to administer our investment portfolio, generating a very important revenue stream to support City services. The administration of the portfolio adheres to the City's investment policy, which complies with Community Charter requirements. The policy outlines how City funds are to be invested in a manner which will allow for reasonable returns and security while meeting the City's cash flow requirements. The average portfolio balance related to the City's investments during 2022 was \$1.5 billion (\$994.0 million in 2021). During 2022 the City earned \$40.0 million from investment income (\$18.0 million in 2021) of which \$0.8 million was earned specifically for deferred development cost charges (\$0.9 million in 2021). The average portfolio yield during 2022 on the City's investment portfolio was 2.27% (1.73% in 2021). The higher overall return is a direct result of rapid interest rate increases throughout 2022, leading to enhanced yields on investment products, positively impacting our interest income.

Reserve Funds

The City's statutory and discretionary reserves, on a net basis, amounted to \$263.4 million at the end of 2022 compared to a balance of \$149.0 million at the end of 2021. The Deferred Development Cost Charges (DCCs) balance at the end of 2022 was \$333.6 million, which is an decrease from the balance of \$371.7 million at the end of 2021. This decrease is attributable to less DCCs levied for the year, along with a greater amount of DCC revenue recognized to fund the General, Water, Sewer, and Drainage capital programs will be used to fund future capital projects that are listed in the City's current Five-Year (2023-2027) Capital Financial Plan as well as future financial plans.

THE FUTURE

Following the 2022 municipal election, one of new Surrey City Council's identified priorities was to seek community input on the City's Financial Plan. This included consideration of opportunities for residents and stakeholders across city communities to provide input and feedback. An engagement process for the 2023 operating and capital budgets, including an online survey and five open houses, was successfully completed at the beginning of this year. The City connected with the community and solicited meaningful feedback on budget priorities and preferred funding methods. In the second half of this year, an engagement process will be launched for the 2024 budget, building on the success of the 2023 budget engagement process, providing further opportunities for citizens to voice their preferences.

2023 will bring revitalization to City subsidiaries. Council has initiated a recruitment process for the appointment of volunteer community Board members to the Surrey Homelessness and Housing Society (SHHS) to strengthen the organization's ability to achieve its goal of minimizing homelessness or risk of homelessness in Surrey. Additionally, Council has initiated the process of re-operationalizing Surrey City Development Corporation (SCDC) as a for-profit development company. Independent

Board members will be recruited and the necessary corporate infrastructure will be reconstituted to once again allow for SCDC to act as a catalyst for positive development that will support and accelerate the City's social, cultural, community, economic and environmental objectives.

As the fastest-growing municipality in Metro Vancouver, nearly \$90 million in funding was awarded to the City through the Province of BC's Growing Communities Fund. This funding will have an immediate positive impact towards supporting and maintaining high quality City facilities and amenities, such as recreation centres, parks, and transportation infrastructure. New investments in the 2023 Five-Year (2023-2027) Financial Plan — Capital Program include an additional third sheet of ice at the Cloverdale Sport & Ice Complex to meet demand for ice sports and dry-floor use. This, along with other continued capital investments, will ensure Surrey continues to advance as one of Canada's most vibrant, livable cities.

In April 2023, after reviewing reports provided by the City, RCMP, and SPS, the Minister of Public Safety and Solicitor General acknowledged that the final decision on choosing the POJ remains with the City of Surrey. The Province released a report prepared by the Director of Police Services which provided, information, advice, and recommendations to the Minister on whether an adequate and effective level of policing can be maintained in Surrey and throughout the Province if the Minister endorses Council's decision to retain the RCMP as POJ. City staff will work with Mayor and Council to review the report's recommendations and come to a resolution on the policing transition, with a view towards eliminating financial uncertainty and providing the most cost-effective option for taxpayers.

During the course of 2022, the City strengthened its financial position and is well poised to continue delivering a high quality of service to our residents and businesses in 2023 and years beyond.

Respectfully submitted,

Kam Grewal, BBA, CPA, CMA CFO/General Manager, Finance **CITY OF SURREY**

Tel: 604 688 5421 Fax: 604 688 5132 vancouver@bdo.ca www.bdo.ca BDO Canada LLP Unit 1100 - Royal Centre 1055 West Georgia Street Vancouver BC V6E 3P3 Canada

Independent Auditor's Report

To the Mayor and Council of the City of Surrey

Opinion

We have audited the consolidated financial statements of the City of Surrey and its controlled entities (the "City") which comprise the Consolidated Statement of Financial Position as at December 31, 2022 and the Consolidated Statements of Operations, Changes in Net Financial Assets, and Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the City financial statements present fairly, in all material respects, the financial position of the City as at December 31, 2022 and its results of operations, its changes in net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the City in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the City's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the City, or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the City's financial reporting process.

BDO Canada LLP, a Canadian limited liability partnership, is a member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally-accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements. As part of an audit in accordance with Canadian generally-accepted auditing standards we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that
 are appropriate in the circumstances. But not for the purpose of expressing an opinion on the effectiveness
 of the City's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the City's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However future events or conditions may cause the City to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including
 the disclosures, and whether the consolidated financial statements represent the underlying transactions
 and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business
 activities within the Consolidated Entity to express an opinion on the consolidated financial statements. We
 are responsible for the direction, supervision and performance of the group audit. We remain solely
 responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS CITY OF SURREY

For the year ended December 31, 2022 [tabular amounts in thousands of dollars]

GENERAL

The City of Surrey (the "City") is incorporated under the Local Government Act of British Columbia. The City's principal activities include the provision of local government services to residents of the incorporated area. These include administrative, protective, infrastructure, environmental, recreational, and utility services.

Significant accounting policies

(a) Basis of accounting

These consolidated financial statements have been prepared in accordance with Canadian Public Sector Accounting Standards as prescribed by the Public Sector Accounting Board ("PSAB").

(b) Basis of consolidation

The consolidated financial statements reflect the assets, liabilities, revenues, and expenditures of the reporting entity. The reporting entity is comprised of all the City funds, including the Surrey Public Library ("Library") and Surrey Police Service ("SPS"), and other entities controlled by the City. Inter-fund and inter-corporate transactions and balances have been eliminated. The other entities included are as follows:

- Surrey City Development Corporation ("SCDC") and its controlled entities; and
- Surrey Homelessness and Housing Society ("SHHS").

The following funds account for the resources and operations of the City:

- Operating Funds These funds are used to record the general operating costs of the services provided by the City, including drainage, sewer, water, solid waste, parking, transportation, and Surrey City Energy.
- ii) Capital Funds These funds are used to record the acquisition costs of tangible capital assets and any related debt outstanding, including all lands and infrastructure owned by the City.
- iii) Reserve Funds Under the Community Charter of British Columbia, City Council may, by by-law, establish reserve funds for specified purposes. Money in a reserve fund and interest earned thereon must be expended only for the purpose for which the fund was established. If the amount in a reserve fund is greater than required for the purposes for which it was established, City Council may transfer all or part of the amount to another reserve fund.

For the year ended December 31, 2022 [tabular amounts in thousands of dollars]

1. Significant accounting policies (continued)

- (b) Basis of consolidation (continued)
 - iv) Surrey City Development Corporation

The consolidated financial statements reflect the assets, liabilities, revenues and expenses of SCDC. SCDC has the following wholly owned subsidiaries and government partnerships, which are accounted for as follows:

- (i) Grove Limited Partnership and Grove (G.P.) Inc. (50% owned and proportionately consolidated)
- (ii) Surrey City Investment (Industrial) Corporation ("SCIIC") (100% owned and fully consolidated)
 - SCIIC has a 50% ownership in the Beedie SCDC (34A Ave) Limited Partnership ("Beedie LP") and has 50% ownership in Beedie SCDC (34A Ave) G.P. Ltd., the General Partner of Beedie LP. Beedie LP and Beedie GP are accounted for using the modified equity method.
- (iii) Surrey City Investment Corporation ("SCIC") and Kwantlen Park Development Corporation ("KPDC") (100% owned and fully consolidated)
 - SCIC and KPDC were inactive as at December 31, 2022 and December 31, 2021.
- v) Surrey Homelessness and Housing Society

In 2007, the City of Surrey incorporated the SHHS. The purposes of the Society are to raise funds for financing programs and projects that address homelessness in Surrey. The City is considered to have control over the Society's functions by virtue of the ability to appoint the society's board members; therefore, the Society's financial information is fully consolidated within the City's financial statements.

The consolidated financial statements include the assets, liabilities, revenues, and expenses of the SHHS. The City provided initial funding to the SHHS and oversees its operations through the council appointed board.

(c) Cash and cash equivalents

Cash and cash equivalents include cash and short-term investments with maturities of three months or less at the date of acquisition, are readily convertible to known amounts of cash and are subject to an insignificant risk of change in value.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS CITY OF SURREY

For the year ended December 31, 2022 [tabular amounts in thousands of dollars]

1. Significant accounting policies (continued)

(d) Trust Funds

These funds account for assets which must be administered as directed by agreement or statute for certain beneficiaries. In accordance with PSAS recommendations on financial statement presentation for local governments, trust funds are not included in the City's consolidated financial statements. Trust funds administered by the City are presented in Note 19.

(e) Revenue recognition

Revenues are recognized in the period in which the transaction or event occurs that gives rise to the revenues or when the goods or services are delivered. All revenues are recorded on an accrual basis, except when the amounts cannot be determined with a reasonable degree of certainty.

Revenue recognition on sales of properties occurs when the City has transferred the significant risks and rewards of ownership. Property lease revenue includes all amounts earned from tenants, including property tax and operating cost recoveries. Property lease revenues are recognized on a straight-line basis over the term of the lease.

(f) Taxation revenue

Taxes are recorded at estimated amounts when they meet the definition of an asset, have been authorized and the taxable event occurs. Annual property tax levies, including parcel taxes and grants-in-lieu of taxes, are recorded as taxes for municipal services in the year they are levied. Taxes receivable are recognized net of an allowance for anticipated future appeal adjustments.

Through the BC Assessments' appeal process, current year property assessments may be adjusted by way of supplementary roll adjustments. The effects of these adjustments on taxes are recognized either at the time they are awarded during the year or accrued as can be reasonably estimated at the end of the year.

(g) Transfers from other governments

Government transfers are recognized as revenue in the financial statements when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to any obligation that meets the definition of a liability. In that case, the transfer of revenue is initially deferred and then recognized in the statement of operations as the stipulation liabilities are settled.

When the City is deemed the transferor, the transfer expense is recognized when the recipient is authorized and has met the eligibility criteria.

For the year ended December 31, 2022 [tabular amounts in thousands of dollars]

1. Significant accounting policies (continued)

(h) Collection on behalf of other authorities

The City is required to act as the agent for the collection of certain taxes and fees imposed by other authorities. Collections for other authorities are excluded from the City's taxation revenues.

(i) Development cost charges

Development cost charges are recorded as deferred revenue at the time they are received as there is a future obligation to be fulfilled. When qualifying development expenditures are incurred, they are recognized into revenue.

(j) Developer contributions

Tangible capital assets are contributed by developers as a condition of the development approval process. The timing of delivery of tangible capital assets is dependent upon the developer. Tangible capital assets received as contributions are recorded at their estimated fair value at the date of receipt and recognized as developer contributions revenue.

(k) Investment income

Investment income is reported as revenue in the period earned.

(I) Deferred revenue

The City defers the portion of the funds collected from permits, licenses, leases, and other fees relating to services not yet rendered. Revenue is recognized in the year in which related inspections are performed or other related services are provided.

(m) Expenses

Expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and/or the creation of a legal obligation to pay. Interest expense is accrued using the effective interest method.

(n) Portfolio investments

City investments with an original maturity date of more than three months are reported as portfolio investments and consist of short-term investments, bonds, and debentures, which are recorded at amortized cost. Discounts and premiums arising on the purchase of these investments are amortized over the term of the investments on an effective interest method.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS CITY OF SURREY

For the year ended December 31, 2022 [tabular amounts in thousands of dollars]

1. Significant accounting policies (continued)

(o) Non-financial assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives over one or more future periods and are not intended for sale in the ordinary course of operations.

(i) Tangible capital assets

Tangible capital assets are recorded at cost, which includes amounts that are directly related to the acquisition, design, construction, development, improvement, or betterment of the assets. Cost includes overhead charges related to construction and development that are directly attributable to the acquisition or construction of the asset. The City does not capitalize interest associated with the acquisition or construction of a tangible capital asset.

The cost, less residual value, of the tangible capital assets, excluding land, are amortized on a straight-line basis over their estimated useful lives as follows:

Asset	Useful life – Years
	40400
Land improvements	12 to 100
Buildings and building improvements	10 to 60
Leasehold improvements	2 to 25
Infrastructure:	
Roads and road structures	5 to 100
Water, Sewer and Drainage systems	10 to 100
Machinery and equipment:	
Vehicles	5 to 30
Technology	4 to 25
Furniture & equipment	3 to 50

Annual amortization commences on the date the asset is acquired or available for use. Assets under construction are not amortized until the asset is put into service and available for productive use.

Tangible capital assets received as contributions are recorded at their estimated fair value at the date of receipt and are recorded as revenue.

Works of art and historic assets are not recorded as assets in the consolidated financial statements.

Where an estimate of fair value is not determinable, the tangible capital asset is recognized at a nominal value.

For the year ended December 31, 2022 [tabular amounts in thousands of dollars]

1. Significant accounting policies (continued)

- (o) Non-financial assets (continued)
 - (ii) Inventories of supplies

Inventories of supplies held for consumption are recorded at the lower of cost and replacement cost.

(iii) Prepaid expenses

Prepaid expenses of supplies or services held for consumption are recorded at the lower of cost and replacement cost.

- (p) Employee future benefits
 - (i) City and its employees participate in the Municipal Pension Plan. The Municipal Pension Plan is a multi-employer contributory defined benefit pension plan. Payments in the year are expensed.
 - (ii) Sick leave, retirement pay, dental benefits, and post-employment benefits also accrue to the City's employees. The liability relating to these benefits is actuarially determined based on length of service, best estimates of retirement ages and expected future salary and wage increases. The liabilities under these benefit plans are accrued based on projected benefits pro-rated as employees render services necessary to earn the future benefits.

Actuarial gains or losses are amortized over the expected average remaining service life of the related employee group.

The liability for event driven benefits, such as disability benefits, is calculated when the event occurs. The expense is recognized in the year the event occurs.

(q) Budget data

The budget data presented in these consolidated financial statements was included in the City of Surrey 2022-2026 Consolidated Financial Plan and was adopted through By-law #20484 on December 24, 2021.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS CITY OF SURREY

For the year ended December 31, 2022 [tabular amounts in thousands of dollars]

1. Significant accounting policies (continued)

(r) Use of estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the period. Significant estimates include assumptions used in estimating contributed tangible capital assets, developer contributions, useful lives for amortization, provisions for accrued liabilities, contingencies, and actuarial valuations of employee future benefits. Actual results could differ from these estimates.

(s) Segment disclosure

A segment is defined as a distinguishable activity or group of activities of a government for which it is appropriate to separately report financial information to achieve the objectives of the standard. The City of Surrey has provided definitions of segments used by the City as well as presented financial information in a segmented format (Note 20).

(t) Liabilities for contaminated sites

Contaminated sites are a result of contamination being introduced into air, soil, water or sediment of a chemical, organic or radioactive material or live organism that exceeds an environmental standard. A liability for remediation of contaminated sites is recognized when a site is not in productive use and all of the following criteria are met:

- An environmental standard exists;
- Contamination exceeds an environmental standard;
- The City is directly responsible or accepts responsibility;
- The City expects that future economic benefits will be given up; and,
- A reasonable estimate of the amount can be made.

The liability is measured as management's estimate of the cost of remediation and post remediation, including operations, maintenance, and monitoring, which are an integral part of the remediation strategy for a contaminated site. The liability is recorded net of any expected recoveries. No liability for contaminated sites exists as at December 31, 2021 or 2022.

For the year ended December 31, 2022 [tabular amounts in thousands of dollars]

3. Investments (continued)

(b) Investment in business partnership

	<u> 2022</u>	<u> 202 1</u>
Business partnership	\$ 533	\$ 738

2022

2021

SCDC's joint-venture partnership in Beedie Limited Partnership ("Beedie LP") meets the criteria of a business partnership and results are accounted for under the modified equity method. Beedie LP owns and operates a build-to-suit industrial building in the City that has been occupied by a tenant under a long-term lease. The liability is limited to the cash held in the partnership and land which it contributed to Beedie LP. The City's proportionate share in respect of this entity is as follows:

		<u>2022</u>	<u>2021</u>
Financial assets	\$	805	\$ 732
Liabilities		(8,446)	(8,471)
Non-financial assets		8,174	8,477
	\$_	533	\$ 738

Revenues and expenditures for the year ended December 31, 2022 were \$1.15 million (2021 – \$1.10 million) and \$0.81 million (2021 – \$0.77 million), respectively.

4. Trade and other accounts payable

	<u>2022</u>	<u>2021</u>
Trade accounts payable	\$ 55,559	\$ 39,954
Payroll accounts payable	19,540	22,951
RCMP retroactive contract accrual (i)	32,007	32,007
Contractors' holdbacks	14,211	6,838
Interest payable on debt	2,415	 2,371
	\$ 123,732	\$ 104,121

(i) In 2016, the Government of Canada introduced Bill C-7 to create a new labour relations regime for RCMP members and reservists. This bill received royal assent in 2017 and an application for certification at the Federal Public Service Labour Relations and Employment Board. In August 2021, RCMP members ratified the collective agreement, resulting in retroactive pay increases for over 19,000 RCMP regular members.

For the year ended December 31, 2022 [tabular amounts in thousands of dollars]

4. Trade and other accounts payable (i) (continued)

As at December 31, 2021, the City of Surrey recorded a liability of \$32.007 million related to the RCMP collective agreement retroactive salary increase impact. The estimate was provided to the City by Public Safety Canada.

In March 2023, the City received an invoice from the RCMP in the amount of \$30.851 million, representing the total finalized retroactive pay raise amount for the period April 1, 2017 to March 31, 2021.

5. Due to other governments

	<u>2022</u>	<u>2021</u>
Due to Federal Government (RCMP)	\$ 46,228	\$ 58,438
Due to TransLink (note 13)	39,000	39,000
Due to Regional Districts	25,773	29,321
Due to Province of British Columbia	10,486	9,066
Due to other government entities	8,426	9,172
	\$ 129,913	\$ 144,997

6. Employee future benefits

The City provides certain post-employment and sick leave benefits to its employees. These benefits include accumulated non-vested sick leave, post-employment service pay and post-retirement top-ups for dental, life insurance accidental death and dismemberment insurance, vacation deferral, supplementary vacation, and benefit continuation for disabled employees. The liability associated with these benefits is calculated based on the present value of expected future payments pro-rated for services.

Accrued benefit liability:

	<u>2022</u>	<u>2021</u>
Balance, beginning of year	\$ 30,765	\$ 29,738
Current service cost	2,445	2,114
Interest cost	761	659
Amortization of net actuarial gain	(314)	(154)
Benefits paid	(2,211)	(1,592)
Accrued benefit liability, end of year	<u>\$ 31,446</u>	\$ 30,765

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS CITY OF SURREY

For the year ended December 31, 2022 [tabular amounts in thousands of dollars]

6. Employee future benefits (continued)

An actuarial valuation for these benefits was performed to determine the City's accrued benefit obligation as at December 31, 2022. The difference between the actuarially determined accrued benefit obligation of \$31.162 million and the accrued benefit liability of \$31.446 million as at December 31, 2022 is an unamortized actuarial gain as noted below. The actuarial gain is amortized over a period equal to the employees' average remaining service life of 12 years (2021 – 12 years).

Reconciliation of accrued benefit liability to accrued benefit obligation:

	<u>2022</u>	<u>2021</u>
Actuarial benefit liability, end of year	\$ 31,446	\$ 30,765
Unamortized actuarial gain	(284)	(1,779)
Accrued benefit obligation, end of year	\$ 31,162	\$ 28,986

Actuarial assumptions used to determine the City's accrued benefit obligation are as follows:

	<u>2022</u>	<u>2021</u>
Discount rate Expected future inflation rate Employee average remaining service life (years)	4.50% 2.50% 12.00	2.55% 1.80% 12.00

7. Deposits and prepayments

	<u> 2022</u>	<u> 2021</u>
Deposits:		
Future works	\$ 66,979	\$ 61,720
Planning and development	108,939	98,702

Other	11,8	40	 16,099
	\$ 123,2	29	\$ 130,994

9. Deferred development cost charges

Development Cost Charges ("DCCs") are collected to pay for costs that will be incurred by the City to support growth, such as development projects related to infrastructure, parks, or amenities. DCCs cover 99% (2021 – 99%) of those costs based on rates as recommended by the Engineering Department. In accordance with the Local Government Act, these funds must be held in separate reserve funds and accumulate interest until spent. DCCs are deferred and recognized as revenue when the related costs are incurred.

Deferred DCCs: Arterial roads Parkland Drainage/storm water detention Sanitary sewer Collector roads Water Area specific Park development	\$ 81,108 39,706 50,142 33,619 23,652 25,271 76,200 3,860 \$ 333,558	\$ 91,493 75,043 48,773 37,404 20,695 24,230 71,045 3,021 \$ 371,704

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS CITY OF SURREY

For the year ended December 31, 2022 [tabular amounts in thousands of dollars]

13. Due to TransLink

In January 2020, TransLink and City of Surrey signed a Memorandum of Understanding ("MOU") to advance the development of several Project Partnership Agreements ("PPAs") related to the Surrey portion of the South of Fraser Rapid Transit - Surrey Langley SkyTrain ("SLS") project. The PPAs to be entered would include (a) Supportive Policies Agreement; (b) Municipal Access Agreement; and (c) Reimbursement Agreement.

In September 2020, TransLink and the City signed a compensation agreement, defined as the Reimbursement Agreement in the MOU. The agreement required that the City would contribute \$39.0M to the SLS project, comprised of property contributions valuing \$16.9 million; parking contributions valuing \$12.8 million; and a financial contribution of \$9.3 million. The City and TransLink will determine the timing and manner of payment of the financial contribution, but the payment from the City to TransLink shall be no later than 90 days after TransLink executes the Project agreement for the construction of the Project.

As at December 31, 2022 the City has recorded a liability due to TransLink in the amount of \$39.0 million relating to this compensation agreement. (Note 5)

14. Commitments and contingencies

- a) The City has significant future contractual commitments for incomplete capital acquisitions and capital construction projects in progress. The City records the capital costs incurred to the end of the year on these projects as work in progress under tangible capital assets. To provide for the completion of the projects, unexpended budget money for incomplete projects is appropriated as Committed Funds (see Note 12). The Financial Plan, updated annually, provides for the financing of these and future obligations within the estimated financial resources of the City.
- b) The City as a member of Metro Vancouver is directly, jointly and severally liable with the other member municipalities for the net capital liabilities of those authorities. Any liability which may arise as a result will be accounted for in the period in which the required payment is known and can be estimated, no liability was recorded during 2021 or 2022.

NOTES TO THE CONSOLIDATED CITY OF SURREY FINANCIAL STATEMENTS

For the year ended December 31, 2022 [tabular amounts in thousands of dollars]

14. Commitments and contingencies (continued)

- c) The City is a shareholder and member of E-Comm Emergency Communications for British Columbia Incorporated (E-Comm), whose services include a regional 9-1-1 call centre for the Greater Vancouver Regional District, Area Wide Radio emergency communications network, dispatch operations, and records management. The City holds 2 Class "A" shares and 1 Class "B" share (of a total of 37 Class "A" and 18 Class "B" shares issued and outstanding as at December 31, 2022). As a Class "A" shareholder, the City is committed to paying levies for services received under a cost sharing formula to fund the operating and capital costs of E-Comm operations. In addition, the City is contingently liable to cover its proportionate share of such costs should any member be unable to fulfill its funding obligations. Annual levy amounts fluctuate based on various factors under the cost sharing formula and amounted to \$1.4 million during the year (2021 \$1.3 million). No liability was recorded during 2021 or 2022.
- d) The City is, from time to time, engaged in or party to certain legal actions, assessment appeals and other existing conditions involving uncertainty which may result in material losses. The outcome and amounts that may be payable, if any, under some of these claims, cannot be determined, and accordingly, only those claims in which a payment is considered likely and the amounts can be reasonably estimated have been recorded in the financial statements as a liability.
- e) The City insures itself through a combination of insurance policies and self-insurance. The City has a funded self-insurance appropriation included in accumulated surplus (Note 12). Based on estimates, this appropriation reasonably provides for all outstanding claims where the outcome is not currently determinable and already recognized as a liability.
- f) Debt Reserve Fund Demand Note

The City has a contingent liability with respect to the MFA Debt Reserve Fund Demand Notes. This contingent liability is a condition of the borrowings undertaken by the City.

As a condition for each debenture issue, the City is required to execute demand notes in connection with each debenture whereby the City may be required to loan certain amounts to the MFA. The debt agreement with the MFA provides that if at any time the scheduled payments provided for in the agreement are not sufficient to meet the MFA's obligations in respect to such borrowing, the resulting deficiency becomes the joint and several liability of the City and all other participants to the agreement through the MFA. The City is similarly liable on a contingent basis for the debt of other municipalities secured through the MFA.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS CITY OF SURREY

For the year ended December 31, 2022 [tabular amounts in thousands of dollars]

14. Commitments and contingencies (continued)

f) Debt Reserve Fund Demand Note (continued)

Demand note amounts are as follows:

						DRF
Issue	LA	SI	Rgn SI	Purpose	Term	Demand Note
116	17173	R10-2022	1139	Other	25	\$ 319
116	17180	R10-2357	1141	Other	25	637
116	17231	R11-124	1142	Other	25	1,035
121	17231	R11-124	1142	Other	25	743
126	17928	R13-1059	1188	Other	30	943
126	17929	R13-1061	1188	Other	30	280
156	20270	R21-541	1323	Other	25	721
156	20271	R21-543	1323	Other	25	371
156	20272	R21-545	1323	Other	25	1,622
					Total	\$ 6,671

Management does not consider payment under this contingency to be likely and therefore no amounts have been accrued.

g) Policing services

The City is responsible under the Provincial Police Act for providing policing and law enforcement services within the municipality in accordance with the policing model selected by the City. The Province, through the Minister of Public Safety, and with delegated authority to the Director of Police Services, is responsible to superintend policing and ensure adequate and effective policing in BC.

In November 2018, the City initiated a transition of its policing model from the RCMP Contract to a municipal police service. Subsequently, in July 2020, the Province established the Surrey Police Board (the "Board"), and in August 2020 the Board created the SPS.

In November 2022, Council directed City staff to prepare a plan to retain the RCMP as Police of Jurisdiction ("POJ") in Surrey and request the Province to wind down the SPS. In December 2022, a report outlining the plan was submitted to the provincial Solicitor General and provincial Minister of Public Safety.

In January 2023, the Province advised the City that further information was required from all parties prior to an endorsement by the Minister of Public Safety of Council's decision to retain the RCMP as POJ.

NOTES TO THE CONSOLIDATED CITY OF SURREY FINANCIAL STATEMENTS

For the year ended December 31, 2022 [tabular amounts in thousands of dollars]

14. Commitments and contingencies (continued)

g) Policing services (continued)

In February 2023, the City provided further information as requested by the Province. As of the date of this report, the status of the Provincial endorsement of Council's decision to retain the RCMP as POJ cannot be determined.

h) Biofuel processing facility

The City entered a 25-year agreement in 2015 to design, build, finance, operate and maintain the Surrey Organics Biofuel Processing facility. Under the agreement, the City guaranteed to provide a minimum tonnage of City organic waste (as defined in the agreement) for processing. In return the City will receive 100% of the biomethane produced at the facility and will share in certain other revenues generated at the facility.

In 2018, the City recorded the facility as a tangible capital asset in the amount of its construction cost of \$50.0 million. The City also recorded a loan payable liability for an equal amount representing the capital financing for the facility. The liability will be reduced over the term of the agreement as payments are made to the operator for the City organic waste processed by the facility (note 10(ii)).

15. Contractual rights

Contractual rights are rights to economic resources arising from contracts or agreements that will result in revenues and assets in the future. The following table summarizes the contractual rights that existed at December 31, 2022:

	2023	2024	2025	2026	Thereafter
Lease revenue (a)	\$ 7,169	\$ 6,366	\$ 5,620	\$ 3,772	\$ 21,480
Government agreements (b)	4,916	2,712	140	141	458
Total	\$ 12,085	\$ 9,078	\$ 5,760	\$ 3,913	\$ 21,938

a) Lease revenue

The City has entered into a number of fixed term lease agreements for the use of City owned land and/or buildings that are anticipated to provide the City with future revenues. These agreements are for terms that vary from 1 to 22 years.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS CITY OF SURREY

For the year ended December 31, 2022 [tabular amounts in thousands of dollars]

15. Contractual rights (continued)

b) Government agreements

The City has entered into various government agreements with senior government and other agencies related to contractual rights expected to be realized as stipulations are met including when eligible expenditures are incurred or funding is received based on terms of agreement.

c) Developer contributions

The City has entered into a number of public works development agreements which require the developers to contribute various infrastructure assets to the City, including roads and underground utilities. The timing and extent of these future contributions vary depending on development activity and fair value of the assets received at the time of contribution, which cannot be determined with certainty at this time.

d) Other contractual rights

The City is entitled to receive revenue from certain other agreements. The revenue from these agreements cannot be quantified and has not been included in the amounts noted above.

16. Pension plan

The City and its employees contribute to the Municipal Pension Plan (the "Plan"), a jointly trusteed pension plan. The Board of Trustees, representing plan members and employers, is responsible for administering the Plan, including investment of the assets and administration of benefits. The Plan is a multi-employer defined benefit pension plan. Basic pension benefits are based on a formula. As at December 31, 2021, the Plan has about 227,000 active members and approximately 118,000 retired members. Active members include approximately 42,000 contributors from local government.

Every three years, an actuarial valuation is performed to assess the financial position of the plan and adequacy of plan funding. The actuary determines an appropriate combined employer and member contribution rate to fund the plan. The actuary's calculated contribution rate is based on the entry-age normal cost method, which produces the long-term rate of member and employer contributions sufficient to provide benefits for average future entrants to the plan. This rate may be adjusted for the amortization of any actuarial funding surplus and will be adjusted for the amortization of any unfunded actuarial liability.

NOTES TO THE CONSOLIDATED CITY OF SURREY FINANCIAL STATEMENTS

For the year ended December 31, 2022 [tabular amounts in thousands of dollars]

16. Pension plan (continued)

The most recent valuation for the Plan as at December 31, 2021, indicated a \$3.761 million funding surplus for basic pension benefits on a going concern basis.

The City paid \$21.8 million (2021 - \$20.9 million) for employer contributions while employees contributed \$18.9 million (2021 - \$17.5 million) to the Plan in fiscal 2022.

The next valuation will be as at December 31, 2024, with results available in 2025.

Employers participating in the Plan record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the Plan records accrued liabilities and accrued assets for the Plan in aggregate, resulting in no consistent and reliable basis for allocating the obligation, assets and cost to the individual employers participating in the Plan.

17. Taxation revenue

	<u>2022</u>	<u>2021</u>

20. Segmented information

The City of Surrey is a diversified municipal government institution that provides a wide range of services to the citizens of Surrey, including Police Services; Parks, Recreation and Culture Services; General Government Services; Water Services; Fire Services; Sewer Services; Engineering Services; Drainage Services; Solid Waste Management Services; Roads & Traffic Safety Services; Planning and Development Services; Parking Services; Surrey City Energy Services; and Surrey Public Library Services. For management reporting purposes, the Government's operations and activities are organized and reported by Service Area. Service Areas were created for the purpose of recording specific activities and related objectives in accordance with legislated requirements.

NOTES TO THE CONSOLIDATED CITY OF SURREY FINANCIAL STATEMENTS

For the year ended December 31, 2022 [tabular amounts in thousands of dollars]

20. Segmented information (continued)

City Departments and the activities for which they are responsible are reported in these Service Areas. The Departments listed in the segmented information, along with the services that each Department provides are listed below:

Police Services

The mandate of the Police Service includes enforcing laws, preventing crime, and maintaining peace, order, and security.

Parks, Recreation and Culture Services

The Parks, Recreation and Culture Department is responsible for planning, facilitating the development of, operating and maintaining high quality parks, recreation and cultural facilities and services.

General Government Services – Mayor & Councillors' Department, City Manager's Department, Finance Department, Corporate Services Department, Surrey City Development Corporation, and Surrey Homelessness and Housing Society

General Government Services includes those elements of the organization with responsibility for adopting by-laws, adopting administrative policy, levying taxes, acquiring, disposing and managing City assets, ensuring effective financial management, monitoring performance and ensuring that high quality City service standards are met. The Surrey City Development Corporation, which engages in land development activities, and the Surrey Homelessness and Housing Society, which focuses on addressing homelessness in Surrey through raising funds and the provision of grants to worthy projects, also form part of General Government Services.

Roads and Traffic Safety Services

The Roads & Traffic Safety Utility provides effective managed transportation systems that serve the mobility needs of individuals and businesses and are safe, secure and support the economic vitality of the City, and protect and enhance the environment.

Water Services

The Water Utility operates the water system and its primary responsibility, in partnership with the Operations Division and Metro Vancouver, is to supply clean, safe drinking water to the residences and businesses of Surrey.

Fire Services

The mandate of the Fire Department is to enforce codes and maintain security by protecting life, property and the environment through the provision of emergency response services.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS CITY OF SURREY

For the year ended December 31, 2022 [tabular amounts in thousands of dollars]

20. Segmented information (continued)

Sewer Services

The Sewer Utility operates the network of sewer mains, to collect sewage and convey such sewage to treatment plants. The utility also plans, designs, and constructs sanitary sewer infrastructure; manages inflow and infiltration controls; and undertakes initiatives in support of the region's Integrated Liquid Waste Resource Management Plan.

Solid Waste Management Services

The Solid Waste Utility provides weekly residential curbside organic waste collection with alternating bi-weekly garbage and recycling collection services via a fully automated cart-based collection system.

Drainage Services

The Drainage Utility operates the network of storm sewers and pump stations for storm water management. Its primary responsibility is to manage the City's storm water runoff in partnership with Metro Vancouver.

Planning and Development Services

The Planning and Development Department is responsible for preparing land use plans, by-laws and policies for sustainable development of the City and for reviewing and approving new land and building development.

Surrey Public Library Services

The Surrey Public Library provides access to local and global information through its 11 Library branches located throughout the City.

Engineering Services

The Engineering Department is responsible for providing timely and effective services relating to water, sewer, drainage, solid waste collection, transportation systems, and corporate real estate.

Surrey City Energy

Surrey City Energy Utility operates a network of thermal energy systems. This utility provides these systems to new and existing developments throughout the Surrey City Centre area.

Parking

The Parking Authority Utility that plans, manages and enforces the City's on and off-street parking assets, employing leading edge technologies, such as license plate recognition and pay stations that provide a user-friendly interface, improved theft security and efficient enforcement.

21. Transfers from other governments

The Government transfers reported on the Consolidated Statement of Operations are comprised of the following:

		2022	202
Revenue			
BC Provincial government grants:			
Ministry of Transportation and Infrastructure	\$	8,207	\$ 34
Traffic fines revenue sharing		6,368	7,52
Casino revenue sharing		3,313	1,75
Flood mitigation funding		2,739	2,13
Childcare and seniors		1,422	1,70
Arts, Communities, and Sundry		1,398	9
Local government climate action program		1,175	
Library operating and BC one Card		981	1,00
ICBC road improvement		655	1,00
Victim services		219	21
Roads		213	4
Clean energy vehicle fast charging stations		18	8
Climate action revenue incentive program		-	21
Subtotal BC Provincial government grants		26,708	16,12
Federal government grants:			
Rapid housing initiative		6,846	9,69
Water, drainage and sewer		3,407	3,03
Roads and parking		658	12
Building & facility improvements		656	19
SAFE program		487	53
Arts and heritage grants		213	10
Keep of prisoners		115	13
Childcare and youth		61	9
Summer students		35	1
Subtotal Federal government grants TransLink:		12,478	13,93
Arterial widening and intersection improvements		168	21
Arterial paving		8,659	93
Arterial bridges		2,891	6,64
Structures		5,436	
Road operating and maintenance		4,477	4,00
Road general rehabilitation		2,265	1,79
Traffic signals, signs, and markings		1,936	2,39
Bicycle street network and other transit projects		2,695	50
Subtotal TransLink grants		28,527	16,50
UBCM community works fund:		1,678	3,28
Total transfers from other government revenues	;	\$ 69,391	\$ 49,83

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS CITY OF SURREY

For the year ended December 31, 2022 [tabular amounts in thousands of dollars]

22. Budget data

The budget data presented in these consolidated financial statements was included in the City of Surrey 2022-2026 Consolidated Financial Plan and was adopted through By-law #20484 on December 24, 2021. The following table reconciles the approved budget to the budget figures reported in these consolidated financial statements.

	Budget Amount
Approved consolidated budgeted revenues	\$ 1,237,929
Approved consolidated budgeted expenditures	1,489,399
Transfers between funds	(230,970)
	1,258,429
Less:	
Capital expenditures	(579,334)
Municipal debt principal repayments	(10,449)
Add:	
Transfers between funds	230,970
Total Expenses:	899,616
Annual surplus per statement of operations	\$ 338,313

23. Comparative figures

Certain comparative information has been reclassified to conform to the financial statement presentation adopted in the current year.

24. Subsequent Events

(i) On February 14, 2023, the City of Surrey received \$11.3 million from the Canada Mortgage and Housing Corporation as part of Rapid Housing Initiative flow-through grant funding to assist with the development of supportive housing units for vulnerable populations, in partnership with external service providers.

NOTES TO THE CONSOLIDATED CITY OF SURREY FINANCIAL STATEMENTS

For the year ended December 31, 2022 [tabular amounts in thousands of dollars]

24. Subsequent Events (continued)

(ii) On March 3, 2023, the Province of BC's Ministry of Municipal Affairs announced the Growing Communities Fund which provides a one-time total of \$1.0 billion in grants to all 188 BC municipalities and regional districts to help local governments prioritize local infrastructure and amenities projects. \$89.9 million was allocated to the City of Surrey based on the province's distribution formula incorporating population size and per-capita population growth.

25. Changes in Accounting Standards

Effective January 1, 2023, the City will be required to apply the new PSAS standard PS3280 Asset Retirement Obligations. Under this standard, a liability for an asset retirement obligation is recognized when there is a legal obligation to incur retirement costs in relation to a tangible capital asset; the past transaction or event giving rise to the liability has occurred; it is expected that future economic benefits will be given up; and a reasonable estimate of the amount can be made. The liability is recorded at an amount that is the best estimate of the expenditure required to retire a tangible capital asset at the financial statement date. This liability is subsequently reviewed at each financial reporting date and adjusted for the passage of time and for any revisions to the timing, amount required to settle the obligation or the discount rate. Upon the initial measurement of an asset retirement obligation, a corresponding asset retirement cost is added to the carrying value of the related tangible capital asset if it is still in productive use. This cost is amortized over the useful life of the tangible capital asset. If the related tangible capital asset is unrecognized or no longer in productive use, the asset retirement cost is expensed.

The City believes that the primary obligations will be associated with the removal of asbestos, disposal of certain equipment with hazardous materials, and remediating leased sites to their original condition. The City has not completed its estimate of the future liabilities related to these obligations, primarily the removal and disposal of asbestos which is believed to be prevalent throughout the City's buildings and infrastructure assets that were built prior to the mid-1980s.

At present, only rough estimates are available and the processes to ensure completeness of the obligations are still being performed. Over the remainder of 2023, the City will work on establishing reliable estimates and ensuring all obligations are captured, in order to recognize managements best estimate under the Standard.

Prepared under the Financial Information Regulation, Schedule 1, section 4.

Prepared under the Financial Information Regulation, Schedule 1, section 5.

Regulations require the City of Surrey to report the total amount of remuneration for each employee that exceeds \$75,000 in the year reported. However, certain exceptions have been noted below:

- 1. Certain employees were hired part way through the year and their remuneration does not reflect a full year's cost.
- 2. Some employees terminated their employment part way through the year and their remuneration does not reflect a full year's cost.

Prepared under the Financial Information Regulation, Schedule 1, subsection 6(2).

Zustovic, A		100,435.22		25,256.29	180.00
Consolidated Total of Employees					
with Remuneration exceeding \$75,000	\$	137,466,536.85	\$	18,662,251.15	\$ 1,039,656.70
Consolidated Total of Employees					
with Remuneration of \$75,000 or less	\$	77,801,367.44	\$	5,097,337.50	\$ 269,583.05
Consolidated Total	\$	215,267,904.29	\$	23,759,588.65	\$ 1,309,239.75

^{* &}quot;Taxable Benefit & Other" includes payout of earned time for vacation, gratuity payments, pay for performance, banked time, and/or vehicle allowances.

The variance between the Schedule of Remuneration and Expenses and the Salaries and benefits expenses reported on the consolidated financial statements of the City are due to various factors including:

- The Remuneration and Expenses schedule is based on actual cash payments made during the fiscal year (including payouts of vacation, gratuity, and overtime banks) whereas the consolidated financial statement figure is determined on an accrual basis;
- The Remuneration and Expenses schedule excludes the Surrey Police Service and Surrey Public Library; and
- Salaries and benefits includes benefits that are recorded at full cost (including overhead allocations) on the consolidated financial statements and include items such as employer portions of federal deductions, retirement benefits and medical benefits.

Prepared under the Financial Information Regulation, Schedule 1, subsection 6(7).

Prepared under the Financial Information Regulation, Schedule 1, subsection 7(1).

CITY OF SURREY STATEMENT OF FINANCIAL INFORMATION (SOFI) FOR THE YEAR ENDED DECEMBER 31, 2022

SCHEDULE OF PAYMENTS FOR PROVISION OF GOODS AND/OR SERVICES

SUPPLIER NAME AMOUNT (\$)

The City prepares the Schedule of Suppliers of Goods and/or Services based on actual disbursements processed through its Financial System. This provides assurance on completeness as the reported amounts are reconciled to the financial system payment register and electronic funds transfer records. The Schedule of Suppliers of Goods and/or Services is prepared on a "cash basis". This total figure will vary significantly from the expenditures shown on the consolidated financial statements that are prepared on a consolidated basis using the accrual method of accounting due to various factors including:

- Timing differences between the cash basis and accrual method;
- There are payments that are not considered expenditures including payments for assets, other taxing authorities, and debt principal repayments;
- There are expenditures which do not involve an actual cash disbursement (in addition to accruals), for example some grants and lease-in-kind as these are offset by related revenues;
- The Schedule of Suppliers of Goods and/or Services excludes the Surrey Public Library, Surrey Police Services, Surrey Homelessness & Housing Society and employee expenses included in the Schedule of Remuneration and Expenses; and
- There are expenditures which are externally recovered, these recoveries are recorded against expenditures on the consolidated financial statements.

Prepared under the Financial Information Regulation, Schedule 1, subsection 7(2)(b).
