File: 1820-20; 0550-20-10

Horst Schwuchow & Myrna Rollingson were in attendance with respect to water meters. Following are comments provided during their presentation:

- Requesting an answer as to why La Mesa pays more. In 2006 the billing for La Mesa increased from \$466.00 per year to \$717.00 per year in 2007.
- There is a water meter in stalled with a 2 inch line and it is an inactive meter.
- We are paying the same rate as non-metered houses, we would only like to be charged for what we are using.
- La Mesa is requesting that the meter be installed free of charge as advertised in the pamphlet.
- Five Oaks has a new meter installed at no charge – Our strata has a petition to ask that the meter be installed free of charge as advertised in the pamphlet provided from the Engineering department.

Staff report to Council in this regard.

2. Arts Council of Surrey

File: 7800-01; 0550-20-10

The Arts Council of Surrey was in attendance to make a video presentation of the accomplishments and achievements of the Arts Council of Surrey and its member groups.

- Lay out some groundwork for a request for funding. The Arts Council needs a home and the City of Surrey needs a rehearsal hall.
- We want to make you familiar with the work that the Arts Council does.
- A visual presentation was provided to Council.
- Arts Council of Surrey has been in operation for 40 years.
- We are currently meeting with members to formulate our specific request for the rehearsal hall and would like to meet again with you in the future.
