LEARN TO DJ

Tips and tricks to make your dances/parties pump! Try out the turn tables

PRESENTED BY: RECREATION SERVICES – YOUTH

SLEDGE HOCKEY

Experience hockey with a different perspective! Get close to the ice and have some fun learning how to maneuver and play the game. Our athletes and experienced leaders will demonstrate how to use the equipment and take on the challenge of this power packed sport!

PRESENTED BY: ROSS MCDONALD

PARK PLAY

Run, jump, roll and freeze! Park Play will test your range of motion, physically and mentally, with a action-packed mix of games and activities.

PRESENTED BY: PARKS OPERATIONS

BREAK DANCING

Join the youth team for this interactive workshop

AMAZING RACE 2.0

Cross a river, weave your way through a maze, and you've only got a minute to win it! With a twist around every corner, we'll learn to work together, trust each other, and cooperate to make our community the top place to live.

PRESENTED BY: YOUTH OUTREACH SERVICES

WHEELCHAIR BASKETBALL

PRESENTED BY: WHEELCHAIR BASKETBALL SOCIETY

Saturday November 19 / 6-12yrs

SCIENCE WORLD ON THE ROAD!

Science World's live, interactive demonstrations combine education, theatre and fun. These shows feature some of the most popular demonstrations from our Centre Stage showcasing the science movement and energy.

ART IN MOTION WONDERFUL WHIRLYGIGS!

"Life is movement. You can't capture it; you can't contain it; you can't express it." (U.G. Krishnamurti) But you can create it! Have fun constructing and decorating a dynamic motion powered artwork using simple materials like colourful metallic papers, beads and glitter in this workshop taught by a professional art educator.

PRESENTED BY: SURREY ART GALLERY

BOOKS THAT MOVE!

Kids will create their own flipbooks – books that move! In this session kids will use flipbook templates and various craft materials to create their own customized versions of these early animation tools.

PRESENTED BY: SURREY LIBRARIES

REGISTRATION #4266492

YOUNG CHEF ON THE RUN

Join us for a fun and energizing cooking program, that features hands-on education and nutritional snack preparation! Be prepared to move and eat healthy!

PRESENTED BY: RECREATION SERVICES

BIRD BONANZA

Become a bird as you create a real nest, listen for birdsongs and flap your wings to see how you measure up. Learn ways to help our feathered friends this winter and build your very own wooden bird feeder to take home.

PRESENTED BY: SURREY NATURE CENTRE

PLAY ABILITY

Have you ever wanted to know what it feels like to move about in a wheelchair or not see or hear the world around you? Come and experience a variety of differing abilities and gain a better knowledge and understanding of how to include persons with a disability in your community.

PRESENTED BY: THE CENTRE FOR CHILD DEVELOPMENT

Afternoon Session

(12:30pm - Sign In | 3:45pm - Sign Out)

REGISTRATION #4266493

SEARCH AND RESCUE

Meet a rescue dog! Learn what happens if you get lost or trapped and how the Search and Rescue team pull together including their furry four legged friends to find someone who needs to be rescued.

PRESENTED BY: SEARCH AND RESCUE

BE SMART, STAY SAFE

This workshop is interactive and teaches kids how to be safe at home, on the street and the proper use of 911. They will have an opportunity to meet representatives from Surrey RCMP.

PRESENTED BY: RCMP/CRIME PREVENTION

MARTIAL ARTS

Build confidence and challenge yourself as the instructor takes you through the warm up exercises, steps and positions to this martial art.

PRESENTED BY: RECREATION SERVICES

LEADERSHIP GAMES

Games, games and more games with sprinkles of leadership! In this workshop you will be playing...you guessed it... games. These games have almost been forgotten and have been put into a book that you will get to take home with you. At the end of this workshop you will plan how you will teach these games to your school teachers and friends so they will not be forgotten.

PRESENTED BY: OPTIONS – COMMUNITY SERVICES

WHEELCHAIR BASKETBALL

Experience an action packed game of basketball from a whole different perspective! Learn some tips and tricks on how to dribble and shoot to get the most out of the game.

PRESENTED BY: WHEELCHAIR BASKETBALL SOCIETY

STORY STONES

Come tell stories and learn about park spaces. Up to 3 stones will be painted at stations, each with variations of natural colours. Rocks will then be placed next to our resident frogs along the dry creek bed in Hawthorne Park.

PRESENTED BY: PARTNERS IN PARKS
