

125G NEIGHBOURHOOD PARK CONCEPT DESIGN

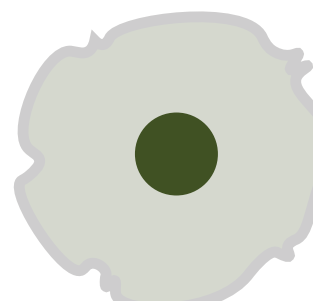

This parkland is a portion of a larger planned park in your community!

Land to the west of the site will be added to this park in the future. When added, we'll reach out to the community to plan a larger neighbourhood park.

This temporary park will give the growing community a safe place to play while waiting for the larger park.

LEGEND

-  Hydroseeding and grading works
-  Proposed trees (Future, Fall 2022)
-  Gravel pathway
