**INFORMATION FOR CONTRACTORS**

This Addendum is issued to provide additional information and clarifications to the RFA-SOA for the above-named project, to the extent referenced and shall become a part thereof. No consideration will be allowed for extras due to the Contractor not being familiar with this addendum. This Addendum No. 1 contains one (1) page.

**QUESTIONS AND ANSWERS:**

- Q1.** Do you have some specifications regarding the sleeves? should we consider PDM-epoxy paint? shrunken-sleeves? steel sleeves? Please clarify
- A1.** There are no specifications for the sleeves at this time. Sleeves are very low quantity because most Participating Member manufactures their own sleeves in-house. Please provide quote on your best value sleeve.
- Q2.** Please confirm we will only deliver the goods to designated locations as per the attached document page 32 and following pages. Are these locations like warehousing facilities? and in those facilities the materials shipped via containers will be received by the City staff and handled by the City staff in the warehouse? Is our understanding correct? The supplier scope will be only delivery of the materials to those mentioned warehouses?
- A2.** The delivery addresses are detailed on the RFA-SOA Schedule A-1 – Delivery Addresses. Each Participating Member will have a different receiving procedure. The successful Contractor will be responsible to acquire delivery instructions from each Participating Member.
