ADDENDUM #1

REQUEST FOR PROPOSALS (RFP) NO.: 1220-030-2016-049
TITLE: COMMISSIONING AUTHORITY FOR WEST VILLAGE DISTRICT ENERGY CENTRE
ADDENDUM ISSUE DATE: December 1, 2016
CLOSING TIME: on or before the following date and time:
December 8, 2016, 3:00 p.m., local time

INFORMATION FOR PROPONENTS

This Addendum is issued to provide additional information to the RFP for the above named project, to the extent referenced and shall become a part thereof. No consideration will be allowed for extras due to the Proponent not being familiar with this Addendum. This Addendum No. 1 contains one (1) page in total.

CLARIFICATION:

Below is some additional background about the proposed project:

There is currently a temporary energy centre (approximately 4.5 MW) on the northeast corner of the subject site, using natural gas boilers housed in a shipping container. This temporary energy centre will be replaced by the subject West Village District Energy Centre on the southwest corner of the site. To maintain district energy service, the temporary energy centre cannot be decommissioned until after the West Village District Energy Centre is commissioned. The Commissioning Authority will need to include decommissioning of the temporary energy centre in the overall commissioning plan for the project.
