6. The Treasurer may, subject to the approval of this Council, agree with any Bank or person for temporary advances of money to meet the cost of the work pending the completion of it.
7. The special assessment shall be paid by ten (10) annual instalments and shall be levied in pursuance of the provisions of Section Two (2) of "Local Improvement Cost Sharing By-law, 1970, No. [3250](#)," as amended from time to time.

 - (e) For a triangular or irregularly shaped parcel of land; a parcel of land wholly or in part unfit for building purposes; or a parcel of land which does not abut on the work or highway, but is nevertheless deemed to abut on the work, the taxable frontage shall be the distance fixed by the Municipal Clerk, who, in fixing the distance, shall have due regard to the condition, situation, value and superficial area of the parcel compared with other parcels of land, or to the benefit derived from the work or service, to bring the frontage tax, when imposed, to a fair and equitable basis.
11. Any person whose parcel of land is specially assessed may commute for a payment in cash the special rates imposed thereon, by paying the portion of the cost of construction assessed upon such lot, without interest, forthwith after the special assessment roll has been confirmed and authenticated by a Court of Revision.
