SUBJECT: **Community Enhancement Partnership (CEP) Program Grant Application –
25th Anniversary Celebration of the Chimney Hill Block Watch**

RECOMMENDATION

The Parks, Recreation and Culture Department and the Finance and Technology Department recommend that the Finance Committee recommend that Council approve a grant under the CEP Program in the amount of \$300 to the Chimney Hill Block Watch Group to support a community celebration as generally described in this report.

BACKGROUND

In January 2010 Council adopted the Community Enhancement Partnership (CEP) Program, which is intended to provide financial support for projects focussed on community engagement and neighbourhood beautification. Under the CEP Program, residents and community groups may apply to the City for a grant under either of two separate categories; these being:

- **Small Project Grants** - to support in planning, organizing and implementing projects intended to directly improve the physical aesthetic appeal of a neighbourhood; or
- **Partnership Grants** - to support projects that build community relationships through celebration and activity.

The CEP Program Guidelines are attached as **Appendix 1**. The CEP Program has an annual budget of \$25,000.

The community has been notified of this program through stakeholder mail-outs, newspaper ads, press releases, promotional posters at civic facilities and on the City's website and social media outlets. A Grant Selections Committee has been established with representatives from various Departments and is responsible for assessing grant applications that are received under the Program. Thirty five (35) CEP Program grants have been approved to date by City Council.

DISCUSSION

The following sections of this report provide a description and evaluation of an application for a grant under the CEP Program that was recently received by the City.

Chimney Hill 25th Anniversary Block Watch Celebration

The Chimney Hill Block Watch Group (Block Watch BW3-230) has applied for grant under the Program to assist with funding a 25th anniversary celebration of the Chimney Hill Block Watch. The celebration is planned for July 6, 2013 on the 73A Avenue cul-de-sac north of 150A Street and is intended to encourage the residents of the neighbourhood to meet and to continue to work together. The get together will also offer an opportunity for the neighbours to discuss options for beautifying Chimney Hill and to organize and engage volunteers. The Block Watch Group also intends to introduce emergency preparedness practices and update the community on crime prevention efforts. The celebration will be family-oriented with a barbeque and refreshments.

The Group has requested a grant of \$300 to assist in funding the celebration. The funds will be used to purchase food for 50 to 60 people. Volunteers will organize the event. It is estimated that approximately 25 hours of volunteer time will be dedicated.

The event is eligible for a grant in relation to the guidelines associated with CEP Program. As such, staff is recommending that a grant of \$300 be provided to the Block Watch Group for the celebration.

Grant funding will be conditional upon the Group submitting photographs of the event to the City.

Funding

Appendix 2 provides information on the status of funding related to the Community Enhancement Partnership Program based on an assumption that Council will approve the recommendation of this report.

SUSTAINABILITY CONSIDERATIONS

The CEP Program supports the goals of the City's Sustainability Charter by encouraging social connections, volunteerism, community ownership and citizen engagement all in accordance with the Charter scope action items SC6, SC7, SC8 and SC13, respectively.

CONCLUSION

Based on the above discussion, it is recommended that the Finance Committee recommend that Council approve a grant under the CEP Program in the amount of \$300 to the Chimney Hill Block Watch Group to support a community celebration as described in this report.

Community Enhancement Partnership Program (CEPP) Program Overview and Guidelines

The Community Enhancement Partnership Program (CEPP) is an initiative of Council to encourage neighbourhood projects and activities that beautify our streets and public spaces.

Through the Program, residents, groups and businesses can apply to the City for a grant to plan, organize and implement small beautification projects, activities and celebrations. Successful applicants match their requested grant amount with contributions of volunteer labour and services, donated materials, and/or cash. The Program is a partnership in which the applicant and the City contribute equally towards the applicants proposed project.

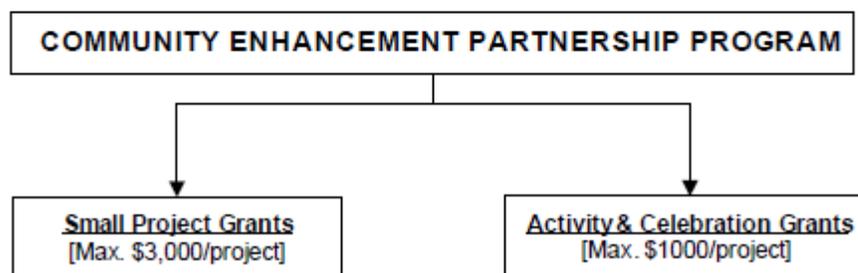

FUNDING CRITERIA & ELIGIBILITY

Grants are available to all Surrey residents, students, community groups, organizations or associations. Small businesses will also be considered for street or landscaping beautification projects. All applications must encourage neighbourhood participation without discrimination. Projects must be undertaken within the geographic boundaries of Surrey. All applicants must demonstrate their project or activity will:

- focus on “beautifying and celebrating Surrey”;
- generate a public benefit in an inclusive and cooperative manner;
- involve members of the community in the project;
- commit to overseeing the project and any resulting maintenance;
- have broad neighbourhood support; and
- fall within one of the Project Grant Types listed below.

PROJECT GRANT TYPES

The Program has two separate grant categories as illustrated below.

i) Small Project Grants

Small project grants have a maximum amount of \$3,000 per project. They are offered to support planning, organizing and implementing projects that physically improve the appearance of the City. As examples, a neighbourhood garden, boulevard landscaping, community pathway, floral tree plantings, decorative lighting display or a neighbourhood entrance feature would fall under this category. Creativity is encouraged.

Projects in this category must be completed within twelve (12) months of a grant being awarded.

ii) Activity & Celebration Grants

Activity and celebration grants have a maximum amount of \$1,000 per project. They are offered to support community activism and celebration. Projects should engage, educate and celebrate community members. As examples, a neighbourhood festival or block party, a street clean-up day, a property owner awards program or a neighbourhood improvement campaign would fall under this category.

Projects that create opportunities to develop neighbourhood organization and promote community leadership, such as citizen engagement workshops or anti-graffiti training seminars, are also encouraged.

Projects in this category must be completed within six (6) months of a grant being awarded.

PROJECT MANAGEMENT & RECOGNITION

For awarded projects, photos must be submitted to the City as a permanent record and for potential posting on the City's website and within local newspapers. All projects under the Program will be eligible for Civic Beautification Awards and/or plaque or site markers.

PLEASE NOTE:

- Awarded projects may be subject to inspection by City staff during project work and upon completion.
- Applicants that have failed to undertake projects, as outlined on submitted applications, may be eliminated from consideration for future grant opportunities.
- Applicants are required to abide by all Municipal, Provincial and Federal laws and regulations.
- The City of Surrey reserves the right to remove any physical installations or improvements on public land at any time.
