Purpose of the Acquisition

The proposed neighbourhood park identified as proposed Lot 4 on the attached Appendix "I" will provide linkage from Springwood Forest Park located to the north and important connectivity in the surrounding community. The park is included within the development to ensure that all residents are provided with open space and outdoor amenities within walking distance.

Contract of Purchase and Sale

A purchase and sale agreement has been negotiated with and accepted by the owner of the Property. The agreement is supported by an appraisal that was completed by an accredited, independent appraiser. The agreement is subject to City Council approval on or before December 21, 2016. Sale completion will take place upon registration of the subdivision in the Land Title Office.

SUSTAINABILITY CONSIDERATIONS

In particular, this acquisition relates to the Sustainability Charter themes of Built Environments and Neighbourhoods and Health and Wellness. Specifically, this acquisition supports the following Desired Outcomes:

- Neighbourhoods and Urban Design DO4: Surrey's neighbourhoods are safe, accessible, well-connected, walkable and bike friendly; and
- Wellness and Recreation DO8: Residents feel a sense of belonging and connectedness and have opportunities for social interaction in their neighbourhoods and community.

FUNDING
