SUBJECT: **Cultural Grants Program – 2019 Grant Allocations**

RECOMMENDATION

The Parks, Recreation & Culture Department and the Finance Department recommend that Council:

1. Receive this report for information; and
2. Approve the funding recommendations in accordance with the Surrey Cultural Grants Program Guidelines (attached as Appendix “I”), included in the 2019 Cultural Grants Allocations (Appendix “II”) attached to this report.

INTENT

The purpose of this report is to provide information to Council regarding the application and evaluation process related to the City’s Cultural Grants Program (the “Program”), and to obtain approval for the issuance of grants under the Program for 2019.

BACKGROUND

At its Regular meeting on May 28, 2012, Council adopted the City’s planning document, “Surrey Cultural Plan: Enhancing Urbanization through Arts and Heritage” (the “Plan”). There were six key enhancement goals in the Plan and a clear recommendation for the City to implement a Cultural Grants Program.

At its Regular meeting on November 5, 2012, Council approved the Corporate Report R238; 2012, establishing the Surrey Cultural Grants Program. A Task Force of the Cultural Development Advisory Committee (“CDAC”) was formed to develop the Program vision, criteria, and a set of recommendations to guide the growth and development of the Program.

As stated in the Surrey Cultural Grants Program Guidelines (attached as Appendix “I”), the Program is intended to support a wide range of arts and cultural activity in Surrey, including artistic practices (music, dance, theatre, literary, visual, media, interdisciplinary, community-based and Indigenous arts) and cultural celebrations and events that reflect Surrey’s diverse heritage and community.

Since its establishment in 2013, the Program has experienced significant growth. Between 2013 and 2019 the City has seen a 206 % increase in the number of applications received and a 177% increase in number of grants brought forward to Council for approval:

Year	Submissions Received	Grants Approved
2013	35	35
2014	52	35
2015	51	48
2016	68	66
2017	80	79
2018	98	96
2019	107	97 (pending approval)

Council has approved strategic increases to the grant allocation budget since the Program’s inception in order to meet the growing demand of the Program:

Year	Grant Budget	Available Funding*	Value of Grants Dispersed
2013	75,000	135,929	123,061
2014	100,000	112,868	99,700
2015	200,000	213,168	198,275
2016	300,000	314,893	290,159
2017	400,000	424,734	368,974
2018	500,000	555,760	439,378
2019	500,000	616,382	502,750 (pending approval)

*available funding includes the approved annual grant budget and unallocated funding carried forward from previous years.

DISCUSSION

Application Process

In September 2018, the opportunity for not-for-profit arts and cultural groups to submit an expression of interest in relation to the 2019 grants under the Program was advertised. Representatives from each of the eligible organizations were invited to an information meeting on September 19, 2018, where the guidelines for the Program were reviewed. A grant-writing workshop, open to all applicants, was offered on October 10, 2018, to provide further support in the application process. Mentoring sessions were also offered on October 17, 2018 and October 20, 2018 to assist interested organizations in filling out their applications.

Cultural Grant Funding

The approved funding allocation for the 2019 Cultural Grants Program is five hundred thousand dollars (\$500,000). In addition, an unallocated balance from the previous years of \$116,382 has been carried forward to 2019. Therefore, the amount of funding available for Council's allocation in 2019 is \$616,382.

2019 Cultural Grants Evaluation Process

The deadline for applications for the 2019 Grant Program was November 5, 2018. One hundred and seven (107) applications were received, requesting grants totalling \$722,002.50. The total value of the initiatives that were documented in the applications was \$5,096,559. This continues to demonstrate the significant community need for this support. Further, it illustrates that the City's investment in Cultural Grants leverages significant contributions both in cash and in-kind from additional sources.

An Evaluation Committee (the "Committee") of staff and one representative of the Culture Development Advisory Committee met on December 13, 2018 and reviewed each of the applications using a point rating system against the following Program criteria:

- Merit of the initiative for which grant funding is requested;
- Potential community impact of the initiative; and
- Health and capacity of the applicant organization to carry out the initiative.

During the review process, the Committee provided positive feedback on the growth and direction of the program for 2019.

Based on the Program funds available for 2019, the Evaluation Committee is recommending awarding ninety-seven (97) separate grants totalling \$502,750. The total value of the initiatives for which these grants will provide funding is approximately \$4,823,424. The recommendations are outlined in Appendix "II" attached to this report.

As per the Program Guidelines, up to 20% of the funding can be retained as a contingency for extemporaneous grants and as a contingency. Therefore, the Committee also recommends that the balance of available funds (\$113,632) be reserved for emerging projects throughout 2019.

Distribution of Grant Funding

In accordance with the Surrey Cultural Grants Program Guidelines (attached as Appendix "I"), for grants \$1,500 or greater, 80% of each approved grant will be distributed to the respective group upon Council approval of this report. The remaining 20% will be distributed upon completion of the project. For grants under \$1,500, the full one 100% will be distributed upon Council approval of this report. All grant recipients are required to prepare a final report that demonstrates that the work or activity for which the grant was awarded has been duly completed. The receipt of 2019 Cultural Grant funding is also dependent if applicable, upon the applicant submitting outstanding final reports from 2018 and fulfilling any requirements identified by the Evaluation Committee.

SUSTAINABILITY CONSIDERATIONS

The work of the Cultural Grants Program supports the objectives of the City's Sustainability Charter 2.0. In particular, this work relates to Sustainability Charter 2.0 Theme of Education & Culture. Specifically, this project supports the following Desired Outcomes ("DO") and Strategic Directions ("SD"):

- Arts and Heritage DO7: An enviable and vibrant arts and heritage sector contributes to Surrey's citizen engagement, enrichment, economy, community livability and civic pride.
- Arts and Heritage DO9: Surrey supports and celebrates its diverse artists, cultures and community heritage through inclusive festivals, programming and events.
- Arts and Heritage DO12: Surrey nurtures a unique participatory community-based arts scene.
- Arts and Heritage SD8: Support the growth of a diverse arts sector through the development of Surrey's cultural corridor.

CONCLUSION

The Surrey Cultural Grants Program continues to be received positively by the local arts and cultural sectors. This Program benefits the community by strengthening the organizational capacity of new and existing cultural groups and supporting the development of a wide variety of art projects, cultural programs and services in the City.

Based on the above discussion, staff recommend that Council approve the 2019 Cultural Grants as documented in Appendix "II" attached to this report.

Surrey Cultural Grants Program Guidelines

The Cultural Grants Program is intended to support a wide range of arts and cultural activity in Surrey including artistic practices (music, dance, theatre, literary, visual, media, inter-disciplinary, community-based and Indigenous arts); and cultural celebrations and events that reflect Surrey’s diverse heritage and community.

The vision of the Cultural Grants Program (the “Program”) is to support and enhance Surrey’s arts and cultural sector through:

- Building organizational capability and sustainability in each of existing and new local cultural organizations;
- Investing in community-based cultural activities that promote awareness, access, participation and appreciation of arts and heritage; and
- Encouraging collaborative opportunities and partnerships.

General guidelines for the Program include:

- Grants will be awarded annually for Capacity, Project or Operating Support;
- Grants will be awarded based on number of eligible applicants and available funding in each year;
- Up to twenty percent (20%) of available grant funding for the Program may be retained as a contingency for extemporaneous grants and as a contingency; and
- City cultural investment strategies as contained in City planning documents may be considered in the awarding grants.

The following will not be funded through the Program:

- educational institutions;
- religious, political, and business groups;
- fundraisers;
- travel (more than 200 kilometres outside the Lower Mainland);
- deficit reduction;
- capital projects (equipment, new buildings, facility upgrades);
- activities taking place outside Surrey; and,
- bursaries, scholarships or contests.

Grants may be awarded in each of the following three (3) noted categories:

1. **Capacity Building Grants**

Under this category, grants will be provided to qualified groups to support the organizations’ development needs, including but not restricted to any of the following:

- training;

- workshops and conferences;
- applying for registered not-for-profit status;
- Board development activities;
- marketing; and
- strategic planning.

Funding Levels:

- Registered Not-for-Profit Organizations are eligible to apply for up to \$3,000.
- Non-Registered Not-for-Profit Organizations are eligible to apply for up to \$2,500.

2. Project Grants

Under this category, grants will be provided to encourage partnerships and collaborations that result in cultural programs and initiatives. The grant award may contribute up to fifty percent (50%) of the project budget on a matching basis. Matching funds can be a combination of cash and in-kind contributions, with in-kind volunteer hours limited to thirty percent (30%) of the overall project budget.

Funding Levels:

- Registered Not-for-Profit Organizations, with a Project Budget greater than \$50,000, are eligible to apply for up to \$10,000.
- Registered Not-for-Profit Organizations, with a Project Budget less than \$50,000, are eligible to apply for up to \$5,000.
- Non-Registered Not-for-Profit Organizations are eligible to apply for up to \$5,000.

3. Operating Grants

Operating grants aim to support and sustain the work of mature, registered not-for-profit arts and cultural organizations that deliver consistent, meaningful, and original local programming, demonstrate sustainable administrative practices and organizational structures, and play a leadership role in enriching and enlivening Surrey's cultural landscape. Under this category, eligible organizations can apply for up to 20% of their annual operating budget, to a maximum of \$15,000. Organizations must apply each year; a funding approval in any given year should not be viewed as an ongoing source of funding.

The following documents the **eligibility criteria** under each of the above-referenced categories:

1. Capacity Building Grants

To be eligible under this category, the applicant must be:

- a not-for-profit organization (registered or non-registered);
- principally based in Surrey; and
- requesting a grant to address the organizations' development needs, including but not restricted to:
 - attendance at training, workshops and conferences;
 - registering for not-for-profit or charitable status;
 - Board development; and/or
 - strategic planning.

Organizations must be able to demonstrate how the proposed capacity building initiatives directly benefit the organization.

- Demonstrate a commitment to compensating professional artists commensurate with industry standards

Application Processing Procedures

The following is a description of the **procedure for interested parties to make application** under the Program:

- Interested parties are required to submit a one page expression of interest to the City that describes the reason that an application is being made and a demonstration that the related eligibility criteria are met.
- Staff will review the submissions and short-list those that appear to be fully eligible to make application.
- Eligible applicants will be invited to an information session where application forms will be distributed, information will be provided about how to fill out the application form, and questions will be answered.
- The deadline for applications will be shared. All applications received by that date will be evaluated with the results of the evaluation and the related grants announced.
- Each application will be reviewed by City staff to ensure that it is complete and meets the Program criteria. Each complete and eligible application will then be evaluated by a staff Grant Evaluation Committee comprised of representatives from: Arts, Heritage, Library, Economic Development and Finance. The Committee will recommend the grant amount for each eligible applicant that will then be forwarded to Council for approval.
- City staff will notify all applicants of Council's decision, and if applicable will advise them of the Appeal Procedure.

Appeal Procedure

- Appeals will be considered from organizations that have been denied funding and where significant new information is presented that was not available during the original review process.
- Appellants must notify City staff in writing of their intention to appeal within ten business days of the date that they receive notification of the City's decision regarding their application. The appellant must clearly identify the additional information that they view as being important to their appeal of the decision. The Evaluation Committee will review such appeals and where a change in the original recommendation is considered warranted will forward an appropriate recommendation to Council. If the appeal is denied, the applicant will be informed.

Grant Payment

- Where a grant is awarded, grant funding will be forwarded to the applicant once Council has approved the grant:
 - For grants of \$1,500 or less:
 - 100% of the full grant amount will be forwarded to the applicant upon grant approval pending receipt and approval of any outstanding grant requirements from previous years.
 - For grants of \$1,501 or greater:
 - 80% of the grant amount will be forwarded to the applicant pending receipt and approval of any outstanding grant requirements from previous years.
 - The remaining 20% will be forwarded to the applicant upon receipt by the City of a final report from the applicant that demonstrates that the initiative for which the grant was awarded has been fully and properly completed.

- The preparation and submission of a final report related to each grant is a pre-requisite for the applicant to be eligible for any future grants under the Program.
- Every organization that receives a grant under the Program is expected to acknowledge the City's support using the City's guidelines for City logo use.
- Significant changes to the scope and scale of proposed projects must be reported to Cultural Services staff.
- Organizations may be required to give progress reports and/or offer site visits upon request to demonstrate that the grant is being used for the purpose for which it was awarded.
