Councillor Villeneuve informed the committee that due to a recent Council decision, this meeting would be the last for the Social Planning Committee. Councillor Villeneuve then provided an overview of the plans to combine the Social Planning Committee (SPC) with the Parks, Recreation and Culture Commission, and form the Parks and Community Services Committee, for which it is hoped that current SPC members will apply. There followed a general discussion as to the history and activities of the Social Planning Committee since its establishment in 1990.

The committee then reviewed its achievements for the past five years, and requested that the attached summary be forwarded to Council.

Councillor Villeneuve then expressed her heartfelt appreciation to the committee members for their involvement on the committee, and their interest in the social well-being of the community. Councillor Villeneuve encouraged all members to attend the Volunteer Banquet on May 6, 2004.
