Amendment By-law, 2005, No. 15830**

Rezoning Application: 7905-0141-00

CIVIC ADDRESS: 16050 Fraser Highway

APPLICANT: 335167 B.C. Ltd.
 c/o Record Financial
 55 Rogers Street
 Vancouver, B.C. V6A 3X8

PROPOSAL: To rezone the property from "Highway Commercial Industrial Zone (CHI)" to "Comprehensive Development Zone (CD)".

The purpose of the rezoning is to permit commercial uses including a neighbourhood pub as an accessory use to an existing billiard hall and café.

The Notice of the Public Hearing was read by the City Clerk. The location of the property was indicated to the Public Hearing.

There was a 29-signature petition and correspondence on table from R. Wagner, B. Hick of Rising Tide Consultants Ltd., J. Fisher, N. Raith, J. Shrimpton, D. Thomas, and 41 form letters expressing opposition to the proposed rezoning application. There were 291-signature petitions, emails and form letters as well as an additional 91-signature petition expressing support for the proposed application. In addition, there was e-correspondence from A. Watkins expressing concerns of time spent on the application from Fleetwood Community Association expressing the difference between the billiard and Café primary and a neighbourhood pub.

Mayor McCallum noted the following persons had indicated in writing their support/opposition to the proposed rezoning:

<u>Name</u>	<u>For</u>	<u>Against</u>	<u>Undecided</u>
Mike Kandler	X		
Kim Mennie	X		
Amanda Bee	X		
Bill Reid		X	
Norm Raitt		X	
Murdie Pollon		X	
Jennifer Fisher		X	
Darren Earle	X		
Patricia Oldfield		X	
Fran Pelletier	X		
Dennis B. Dutton	X		

John Grant, 212 – 13895 – 102 Avenue, was in attendance and commented that B.C. Seniors Pool Sports Society currently has in excess of 200 members in the age category of 55 years and up. The Society also has members under that age and the organization participates in tournaments throughout the province. He stated that in his capacity as Director of Tournaments, he seeks out venues for such tournaments and after visiting all the billiard halls in the area, he came up with Bankshots Billiards and Café. He added that the proprietors accepted the Society with open arms and he has found the establishment to be well managed and a trouble-free place. He related that he had brought a group in from Manchester, Britain for a tour of smokeless establishments. He added that the group had requested a venue where they could have a pint while watching their mates competing in tournaments. He continued that it would be an ideal venue if Bankshots Billiards and Café could have liquor available in the pool table area. He stated that Bankshots Billiards and Café is a well-run, well-managed establishment. He noted that as a billiards table technician, he had visited almost every premise in the lower mainland with billiards tables, but other than a few private clubs, there were none that could stack up to Bankshots Billiards and Café.

Bert Hick, Rising Tide Consultants Ltd., 740 – 1070 Douglas Street, Victoria, B.C., representative Fleetwood Arms Pub, was in attendance and commented that the pub shares a property line with Bankshots Billiards and Café. He advised that his client is opposed to the proposed application and noted that there are problems on

an ongoing basis with the operation of the existing billiards hall and interaction of patrons and the neighbourhood.

He continued that if a Liquor Primary permit is approved, there would be an escalation of these problems. He added that the proposed application would permit 150 seats and hours of operation to 1:00 a.m. He noted that the Fleetwood Arms Pub has a seating capacity of 125 and limited hours of operation. He continued that there would be a conflict between the two establishments as patrons of the billiard hall could stay later than patrons at the Fleetwood Arms pub or to 1:00 a.m., seven days a week. He added that three criteria of the Surrey Locational Guidelines to Liquor Primary establishments would be violated: the site is on a provincial highway; it should not be situated within 400 meters of a school and playground; and not within one mile of an other liquor establishment. He asked what would happen if the current billiard hall owners sold their business and the new owner were to convert to another liquor primary establishment detrimental to the community.

He stated that if the application were approved, the Fleetwood Arms pub would have to spend more money on security.

Al Watkins, 8407 – 156 Street, was in attendance and commented that he is the owner of Bankshots Billiards and Café. He stated that he was not applying for a neighbourhood pub license; but a liquor primary license for accessory use to the existing billiard hall business. He added that the proposed use would be similar to that of a golf course. He stated that he had a food primary license and in almost 11 years of operation, had never had an infraction with the Liquor Control and Licensing Board, RCMP or By-law & Licensing Services. He added that there were 66 parking stalls for their patrons but quite often he has had to have vehicles of clients using the neighbouring pub next door towed. He continued that he has picked up litter and beer cans originating from the neighbouring pub.

He stated that Bankshots Billiards and Café would not cater to the same clientele as the neighbouring pub and noted that they have a separate, supervised, unlicensed area for underage clientele who wish to play pool. He indicated that many of his clientele are between the ages of 20 to 35 who wish to play pool and who do not wish to drink alcoholic beverages. Currently, he stated, patrons playing pool have to stop their activity and walk up to the restaurant area to have a beer or cooler, and then return to the pool table area. He cited many letters of reference and appreciation from various organizations, churches, and government agencies. He noted that he had a petition from residents supporting this application.

Patricia Oldfield, 8410 – 160 Street, Manager, Fleetwood Arms Pub, was in attendance and commented that they were not competing with the billiard hall. She continued that her concerns were regarding safety, litter, syringes, and the billiard hall's drinking clientele. She added that they had hired a security guard to deal with the billiard hall's drinking patrons at the outer edge of the parking lot.

Rick Strasinsky, 16074 Fraser Highway, was in attendance and commented that he leases his property to an automobile business. He continued that over the years, there have been numerous times when people had tossed beer bottles from the parking lot onto the windshields of cars on his lot. He also related, that on occasion, he had found groups of people in the parking lot, bottles in hand. He added that he was not sure if they were from the Fleetwood Arms Pub or the Bankshots Billiards and Café. He expressed concern that there could be an increase in problems should the application be approved. He agreed that increased security would help out the situation.

Rick Hart, Fleetwood Community Ratepayers Association, 15996 – 84 Avenue, was in attendance and commented that they had worked with staff and the business owners to developing an opportunity for patrons at Bankshots Billiards and Café to have a drink while playing pool. He added that both business owners had supported the annual Fleetwood Festival. He advised that he had witnessed young people go into the Beer and Wine Store, purchase alcohol, and go across the street to a medical clinic parking lot and a transaction made. He continued that there is a parking problem along 84 Avenue contributed to by patrons of the Fleetwood Arms pub. He advised his organization supported the proposed application. He commented on fencing in the area, particularly the Nissan automobile dealership.

Dennis Dutton, 18529 – 64 Avenue, was in attendance and commented that his parents live close to the Bankshots Billiards and Café and are also patrons. He added that he also plays pool. He noted that patrons at the billiard hall are there for social gatherings and playing a game of pool. He added that he started an

organization called Rocky Mountain Billiards and several tournaments had been held at Bankshots Billiards and Café.

Mike Cameron, 11029 Davie Way, Delta, B.C., was in attendance and commented that he is a university student and part-time employee at the billiard hall. He continued that he checks patrons for two pieces of identification. He noted that he left the billiard hall at 11:30 a.m. last night and did not notice any cars or bottles in the parking lot when he took the garbage out. He noted that their patrons range in age from 20 to 65; any youths attending the billiard hall are accompanied by adults; and the billiard hall is run in a responsible manner.

Deb Hughes, 8728 – 163A Street, was in attendance and commented that she had concerns regarding hours of operation.

Norm Raitt, 16042 – 84 Avenue, was in attendance and commented that he had observed that there is a lack of monitoring in the back parking lot. He advised he had noticed graffiti, pallets, and broken bottles in the parking lot some mornings that could not be attributed to patrons of the billiard hall.

Betty Stockley, 20307 – 49A Avenue, Langley, B.C., and representing the owners of property at 16050 Fraser Highway, was in attendance and commented that the business owner, Al Watkins, leases her property. She stated that the patrons of the billiard hall have to interrupt their game or wait until the game is finished in order to go to the restaurant for a beverage. She added that she supported Mr. Watkins in his application for a liquor primary application as an accessory use for their billiard hall. She advised that she feels the rezoning application conforms with the vision of the Fleetwood community and as a long term tenant, she would like to see Mr. Watkins have continued success in the community.

John Korns, Global Liquidators, 16074 Fraser Highway, was in attendance and commented that there has been increased vandalism in the area such as graffiti and bottles being thrown over the fence at car windshields, and young persons drinking in the parking lot area. He continued that the dark parking lot is also a huge issue at the billiard hall.

APPLICANT: City of Surrey, Council Initiative
14245 - 56 Avenue
Surrey, B.C. V3X 3A2

PROPOSAL: "Surrey Zoning By law, 1993, No. 12000", as amended is further amended in Schedule F - Map of Neighbourhood Concept Plan and Infill Areas by replacing Map 11 Area XI and Schedule G Amenity Requirements in NCP and Infill Areas by replacing Item 11. These amendments are necessary to revise the amenity contributions for the North Grandview Heights Neighbourhood Concept Plan area.

The Notice of the Public Hearing was read by the City Clerk.

Rosemary Zelinka, #12, 14065 Nico Wynd Place, was in attendance and commented that she had concerns regarding funds being taken from developers in lieu of amenities. She continued that Schedule G of the Zoning By-law stated that funds for amenities are to be taken for parks, libraries, fire and police protection. She added that this was a laudable attempt to getting \$2000 per residential unit from developers, but she questioned its legality. She added that Section 933 of the *Local Government Act*, clearly limits developers'

contributions as to what can be taken under development cost charges relating to infrastructure and parks. She assumed that in developing this system, the City of Surrey has used Section 904 of the *Local Government Act*, which is zoning for amenity and affordable housing. She added that this section allows the City to grant higher density if amenities are provided subject to conditions as to number and kind. She stated that nowhere does it allow the City to take cash-in-lieu of such amenities. She advised that other municipalities interpret this section that amenities are to be provided on site.

She continued that it is questionable that fire and police should not be considered as an amenity; they are an essential service. She commented that as far as parks are concerned, parks are provided for in development cost charges. She noted that she had spoken at a recent Council meeting about concerns on how the City approves secondary plans by resolution only. She added that there seems to have been an instance where Council refuses to legitimize secondary plans by by-law and now there is a circumstance where Council is trying to legitimize levies illegal by by-law. She stated that Surrey needs to review its planning and development procedures to ensure they are legal and fair to everyone. She commented that it is easy for a municipality, which is a big organization, to place interpretations on by-laws and on legislation which suits them, and very few people can afford to challenge in court. She added that Council should have sufficient integrity and respect of citizens not to do this.
