**INFORMATION FOR CONTRACTORS**

This Addendum is issued to provide additional information and clarifications to the RFQ for the above named project, to the extent referenced and shall become part thereof. No consideration will be allowed for extras due to the contractor not being familiar with this addendum. This Addendum No. 2 contains two (2) pages in total.

1. Delete in its entirety Schedule A – Specification of Goods, Section 2 Equivalent Product and substitute the following:

**EQUIVALENT PRODUCT**

Quotations will be accepted for consideration on any make or model that is equal or superior to the sweeper specified. Decisions of equivalency will be at the sole interpretation of the Fleet and Garage Manager of Surrey's Engineering Department. A blanket statement that equipment proposed will meet all requirements will not be sufficient to establish equivalence. Original manufacturer's brochures of the proposed unit are to be submitted with the proposal.

All modifications made to the standard production unit described in the manufacturer's brochures must be certified by the manufacturer and submitted with the quotation, or the quotation will be deemed "non-responsive" and rejected without further review. Contractor must be prepared to demonstrate a unit similar to the one proposed, if requested.

The proponent shall be able to demonstrate that there is a parts and maintenance facility for warranty and repair in the Lower Mainland.

2. Delete in its entirety page 40 of the solicitation and substitute the following:

“6. The Contractor to indicate on each line provided in **Schedule C** if they comply with the Quote items as specified or are taking exception to the Quote items specified.

If additional space is required to fully explain Quote exception(s), attach additional page(s) to the Quotation and indicate the section number and subsection that has the exception and provide explanation.

If more than one (1) make or model is to be offered, copy the specification sheets to submit separate Quotation sheets for each item to be evaluated.

Note: Failure to provide all of the information in **Schedule C** does not relieve the Contractor of the responsibility of supplying all of the necessary items and/or complying with all of the conditions of this Quotation. Complete all pages of **Schedule C**.

7. Contractor's references (name and telephone number). The City's preference is to have a minimum of three (3) references.
