### 2.1 Closing Time and Address for Proposal Delivery

A Proposal should be labelled with the Proponent's name, RFP title and number. A Proposal should be submitted in the form attached to this RFP as Schedule C – Form of Proposal.

The Proponent may submit a Proposal either by email or in a hard copy, as follows:

#### (a) Email

If the Proponent chooses to submit by email, the Proponent must submit the Proposal electronically in a single pdf file to the City by email at: [purchasing@surrey.ca](mailto:purchasing@surrey.ca).

**on or before the following date and time**

**Time: 3:00 p.m., local time**  
**Date: June 29, 2015**

**(the “Closing Time”).**

**PDF emailed Proposals are preferred** and the City will confirm receipt of emails. Note that the maximum file size the City can receive is 10Mb. If sending large email attachments, Proponents should phone to confirm receipt. A Proponent bears all risk that the City's equipment functions properly so that the City receives the Proposal on time.

#### (b) Hard Copy

If the Proponent chooses NOT to submit by email, the Proponent should submit one original unbound Proposal and two (2) copies (three (3) in total) which must be delivered to the City at the office of:

Name: Richard D. Oppelt, Purchasing Manager

**on or before the Closing Time.**

### 2.2 Information Meeting

An information meeting may be hosted by the City Representative to discuss the City's requirements under this RFP (the “**Information Meeting**”). While attendance is at the discretion of Proponents, Proponents who do not attend will be deemed to have attended the Information Meeting and to have received all of the information given at the Information Meeting. At the time of issuance of this RFP a meeting has not been scheduled.

### 2.3 Late Proposals

Proposals received after the Closing Time will not be accepted or considered. Delays caused by any delivery, courier or mail service(s) will not be grounds for an extension of the Closing Time.

### 2.4 Amendments to Proposals

Proposals may be revised by written amendment, delivered to the location set out in Section 2.1, at any time before the Closing Time but not after. An amendment should be signed by an authorized signatory of the Proponent in the same manner as provided by section 3.3. E-mailed amendments are permitted, but such amendment should show only the change to the proposal price(s) and should not disclose the actual proposal price(s). A Proponent bears all risk that the City's equipment functions properly so as to facilitate timely delivery of any amendment.

### 2.5 Inquiries

All inquiries related to this RFP should be directed in writing to the person named below (the "**City Representative**"). Information obtained from any person or source other than the City Representative may not be relied upon.

Name: Richard D. Oppelt, Purchasing Manager  
E-mail: [purchasing@surrey.ca](mailto:purchasing@surrey.ca)  
Reference: 1220-030-2015-023

Inquiries should be made no later than 7 business days before Closing Time. The City reserves the right not to respond to inquiries made within 7 business days of the Closing Time. Inquiries and responses will be recorded and may be distributed to all Proponents at the discretion of the City.

Proponents finding discrepancies or omissions in the Contract or RFP, or having doubts as to the meaning or intent of any provision, should immediately notify the City Representative. If the City determines that an amendment is required to this RFP, the City Representative will issue an addendum in accordance with section 2.6. No oral conversation will affect or modify the terms of this RFP or may be relied upon by any Proponent.

### 2.6 Addenda

If the City determines that an amendment is required to this RFP, the City Representative will issue a written addendum by posting it on the BC Bid Website at [www.bcbid.gov.bc.ca](http://www.bcbid.gov.bc.ca) (the "**BC Bid Website**") and the City Website at [www.surrey.ca](http://www.surrey.ca) (the "**City Website**") that will form part of this RFP. ## **3. PROPOSAL SUBMISSION FORM AND CONTENTS**

### **3.1 Package (Hard Copy)**

If the Proponent chooses NOT to submit by email, the Proponent should submit a Submission in a particular submittal format, to reduce paper, encourage our recycled product expectations, and reduce package bulk. Bulk from binders and large packages are unwanted. Vinyl plastic products are unwanted. The City also has an environmentally-preferable purchasing commitment, and seeks a package format to support the green expectations and initiatives of the City.

Please do not use any plastic or vinyl binders or folders. The City prefers simple, stapled paper copies. If a binder or folder is essential due to the size of your Proposal, they should be fully 100% recycled stock.

The City seeks and prefers submittals on 100% Post Consumer Fibre (PCF) paper, consistent with the City's policy and the City environmental practices.

Please double-side your Proposal.

### **3.2 Form of Proposal**

Proponents should complete the form of Proposal attached as Schedule C, including Schedules C-1 to C-5. Proponents are encouraged to respond to the items listed in Schedules C-1 to C-5 in the order listed. Proponents are encouraged to use the forms provided and attach additional pages as necessary.

### **3.3 Signature**

The legal name of the person or firm submitting the Proposal should be inserted in Schedule C. The Proposal should be signed by a person authorized to sign on behalf of the Proponent and include the following:

- (a) If the Proponent is a corporation then the full name of the corporation should be included, together with the names of authorized signatories. The Proposal should be executed by all of the authorized signatories or by one or more of them provided that a copy of the corporate resolution authorizing those persons to execute the Proposal on behalf of the corporation is submitted;
- (b) If the Proponent is a partnership or joint venture then the name of the partnership or joint venture and the name of each partner or joint venturer should be included, and each partner or joint venturer should sign personally (or, if one or more person(s) have signing authority for the partnership or joint venture, the partnership or joint venture should provide evidence to the satisfaction of the City that the person(s) signing have signing authority for the partnership or joint venture). If a partner or joint venturer is a corporation then such corporation should sign as indicated in subsection (a) above; or
- (c) If the Proponent is an individual, including a sole proprietorship, the name of the individual should be included.

#### **4. EVALUATION AND SELECTION**

##### **4.1 Evaluation Team**

The evaluation of Proposals will be undertaken on behalf of the City by the Evaluation Team. The Evaluation Team may consult with others including City staff members, third party consultants and references, as the Evaluation Team may in its discretion decide is required. The Evaluation Team will give a written recommendation for the selection of a Preferred Proponent or Preferred Proponents to the City.

##### **4.2 Evaluation Criteria**

The Evaluation Team will compare and evaluate all Proposals to determine the Proponent's strength and ability to provide the Services in order to determine the Proposal which is most advantageous to the City, using the following criteria:

- (a) Experience, Reputation and Resources**  
The Evaluation Team will consider the Proponent's responses to items (i) to (viii) in Schedule C-2.
- (b) Technical**  
The Evaluation Team will consider the Proponent's responses to Schedule C-4 and items (i) to (v) in Schedule C-3.
- (c) Financial**  
The Evaluation Team will consider the Proponent's response to Schedule C-5.
- (d) Statement of Departures**  
The Evaluation Team will consider the Proponent's response to Schedule C-1.

The Evaluation Team will not be limited to the criteria referred to above, and the Evaluation Team may consider other criteria that the team identifies as relevant during the evaluation process. The Evaluation Team may apply the evaluation criteria on a comparative basis,

evaluating the Proposals by comparing one Proponent's Proposal to another Proponent's Proposal. All criteria considered will be applied evenly and fairly to all Proposals.

#### **4.3 Discrepancies in Proponent's Financial Proposal**

If there are any obvious discrepancies, errors or omissions in Schedule C-5 of a Proposal (Proponent's Financial Proposal), then the City shall be entitled to make obvious corrections, but only if, and to the extent, the corrections are apparent from the Proposal as submitted, and in particular:

- (a) if there is a discrepancy between a unit price and the extended total, then the unit prices shall be deemed to be correct, and corresponding corrections will be made to the extended totals;
- (b) if a unit price has been given but the corresponding extended total has been omitted, then the extended total will be calculated from the unit price and the estimated quantity;
- (c) if an extended total has been given but the corresponding unit price has been omitted, then the unit price will be calculated from the extended total and the estimated quantity.

#### **4.4 Litigation**

In addition to any other provision of this RFP, the City may, in its absolute discretion, reject a Proposal if the Proponent, or any officer or director of the Proponent submitting the Proposal, is or has been engaged directly or indirectly in a legal action against the City, its elected or appointed officers, representatives or employees in relation to any matter, or if the City has initiated legal action against any officers or directors of the Proponent.

In determining whether or not to reject a Proposal under this section, the City will consider whether the litigation is likely to affect the Proponent's ability to work with the City, its consultants and representatives and whether the City's experience with the Proponent indicates that there is a risk the City will incur increased staff and legal costs in the administration of the Contract if it is awarded to the Proponent.

#### **4.5 Additional Information**

The Evaluation Team may, at its discretion, request clarifications or additional information from a Proponent with respect to any Proposal, and the Evaluation Team may make such requests to only selected Proponents. The Evaluation Team may consider such clarifications or additional information in evaluating a Proposal.

#### **4.6 Interviews**

The Evaluation Team may, at its discretion, invite some or all of the Proponents to appear before the Evaluation Team to provide clarifications of their Proposals. In such event, the Evaluation Team will be entitled to consider the answers received in evaluating Proposals.

#### **4.7 Multiple Preferred Proponents**

The City reserves the right and discretion to divide up the Services, either by scope, geographic area, or other basis as the City may decide, and to select one or more Preferred Proponents to enter into discussions with the City for one or more Contracts to perform a portion or portions of the Services. If the City exercises its discretion to divide up the Services, the City will do so reasonably having regard for the RFP and the basis of Proposals.

In addition to any other provision of this RFP, Proposals may be evaluated on the basis of advantages and disadvantages to the City that might result or be achieved from the City dividing up the Services and entering into one or more Contracts with one or more Proponents.

#### **4.8 Negotiation of Contract and Award**

If the City selects a Preferred Proponent or Preferred Proponents, then it may:

- (a) enter into a Contract with the Preferred Proponent(s); or
- (b) enter into discussions with the Preferred Proponent(s) to attempt to finalize the terms of the Contract(s), including financial terms, and such discussions may include:
  - (1) clarification of any outstanding issues arising from the Preferred Proponent's Proposal;
  - (2) negotiation of amendments to the departures to the draft Contract, if any, proposed by the Preferred Proponent as set in Schedule C-1 to the Preferred Proponent's Proposal; and
  - (3) negotiation of amendments to the Preferred Proponent's price(s) as set out in Schedule C-5 to the Preferred Proponent's Proposal and/or scope of Services if:
    - (A) the Preferred Proponent's financial Proposal exceeds the City's approved budget, or
    - (B) the City reasonably concludes the Preferred Proponent's financial proposal includes a price(s) that is unbalanced, or
    - (C) a knowledgeable third party would judge that the Preferred Proponent's price(s) materially exceed a fair market price(s) for services similar to the Services offered by the Preferred Proponent as described in the Preferred Proponent's Proposal; or
- (c) if at any time the City reasonably forms the opinion that a mutually acceptable agreement is not likely to be reached within a reasonable time, give the Preferred Proponent(s) written notice to terminate discussions, in which event the City may then either open discussions with another Proponent or terminate this RFP and retain or obtain the Services in some other manner.

### **5. GENERAL CONDITIONS**

#### **5.1 No City Obligation**

This RFP is not a tender and does not commit the City in any way to select a Preferred Proponent, or to proceed to negotiations for a Contract, or to award any agreement, and

the City reserves the complete right to at any time reject all Proposals, and to terminate this RFP process.

## **5.2 Proponent's Expenses**

Proponents are solely responsible for their own expenses in preparing, and submitting Proposals, and for any meetings, negotiations or discussions with the City or its representatives and consultants, relating to or arising from this RFP. The City and its representatives, agents, consultants and advisors will not be liable to any Proponent for any claims, whether for costs, expenses, losses or damages, or loss of anticipated profits, or for any other matter whatsoever, incurred by the Proponent in preparing and submitting a Proposal, or participating in negotiations for a Contract, or other activity related to or arising out of this RFP.

## **5.3 No Contract**

By submitting a Proposal and participating in the process as outlined in this RFP, Proponents expressly agree that no contract of any kind is formed under, or arises from, this RFP, prior to the signing of a formal written Contract.

## **5.4 Conflict of Interest**

A Proponent shall disclose in its Proposal any actual or potential conflicts of interest and existing business relationships it may have with the City, its elected or appointed officials or employees. The City may rely on such disclosure.

## **5.5 Solicitation of Council Members, City Staff and City Consultants**

Proponents and their agents will not contact any member of the City Council, City staff or City consultants with respect to this RFP, other than the City Representative named in section 2.5, at any time prior to the award of a contract or the cancellation of this RFP.

## **5.6 Confidentiality**

All submissions become the property of the City and will not be returned to the Proponent. All submissions will be held in confidence by the City unless otherwise required by law. Proponents should be aware the City is a "public body" defined by and subject to the *Freedom of Information and Protection of Privacy Act* of British Columbia.

## **SCHEDULE A - SCOPE OF SERVICES**

The City of Surrey is accepting quotations from suitably qualified and experienced firms capable of successfully developing, designing, producing, and delivering a range of materials and products for an instructionally comprehensive Environmental Education Services (“EES”) program relating to the various aspects of solid waste reduction, and water and energy conservation.

The Proponent(s) will:

- develop program content
- develop program materials and resources
- deliver workshops
- undertake the program’s marketing and scheduling, and
- be responsible for the program’s administration.

### **1.0 Project Background**

The City recognizes that it is important to promote environmental stewardship to Surrey children and youth, and to support newcomers moving into a new community by facilitating their understanding of, and encouraging their participation in, programs and services provided by the City of Surrey.

A rich mosaic of cultures is represented within the Surrey’s student population (approximately 72,000 students at 124 K-12 schools). Approximately one in three students attending school in the district is from a household in which English is not the first language. A full list of registered elementary and secondary schools may be viewed at [www.surreyschools.ca](http://www.surreyschools.ca).

### **2.0 Project Objectives**

The objective of this project is to develop and deliver an age appropriate, interactive and informative program for elementary and secondary schools in Surrey. The program should engage students on issues related to waste minimization, water and energy conservation, and promote best practices in these areas that students can transfer into their home, school and everyday life. It is anticipated that the program will align with and support related sustainability initiatives implemented by Surrey schools.

The program will consist of three (3) separate modules to be integrated under one umbrella:

- solid waste management
- water conservation
- energy conservation

While the proposed program delivery approach should leverage linkages between the three subject areas, the program design should allow for the workshops to be delivered individually (one at a time) or together (as a package of three workshops).

### **3.0 Key Concepts**

The following key concepts will form the basis of the three modules of the EES program:

#### **3.1 Waste Management**

Key concepts: waste minimization, waste hierarchy, sorting and recycling of waste, organic waste diversion, composting, litter prevention, personal and group actions, product life cycle, circular economy, eco design and design for environment.

One of the goals of this program is to promote waste prevention through making sustainable choices, rethinking the traditional waste hierarchy, and focusing on waste avoidance rather than the end-of-life management of products.

The educator will encourage student behaviour changes by emphasizing environmental benefits from minimizing:

- wasteful consumption
- waste disposed in landfills
- unnecessary resource extraction
- energy used for production and transportation of products.

It is expected that the educator will use a variety of learning resources to inspire the generation of young consumers to consider environmental impacts of their decisions, and encourage creativity to adopt new thinking and practices using the “let’s re-think...” approach.

#### **3.2 Water Conservation**

Key concepts: water conservation, water usage reduction, sources of water, watersheds, water cycle, clean drinking water, environmental stewardship, water consumption habits, water conservation techniques, personal and group actions.

One of the goals of the program is to facilitate the students’ awareness of key water conservation issues, wasteful water consumption habits and their negative effects on the environment. The educator will integrate the concept of water cycle and watersheds to explain the local water management system, including water sources, watershed protection, water treatment and distribution network. The educator will introduce students to common water conservation practices and will encourage students to reduce everyday water consumption at their schools and homes.

#### **3.3 Energy Conservation**

Key Concepts: home heating, water heating, electricity uses: lighting, appliances, electronics, wasting energy = wasting money, transportation, links to greenhouse gases and climate change, and green buildings as healthy and comfortable.

While the message of “turn off the lights” is commonly used to encourage energy efficient behaviour, the energy used for home heating and transportation makes up the bulk of energy use in our society and has the most important implications for carbon emissions. Focus should therefore be on actions and activities that can help to reduce home heating, such as turning down thermostats and learning where heat escapes in a house (windows, poor insulation, air leaks).

Transportation choices are critical as well. The importance of alternative travel modes (walk, bike, transit) is a key concept that should be explained and linked to daily life. One such key link is that with health, for example, green buildings (indoor air quality) and alternative travel (active lifestyle) are big opportunities for improving and maintaining health.

#### **4.0 Learning Objectives**

The following are examples of learning objectives for framing the lesson plans, after-class activities and projects for the students:

##### **4.1 Waste Management**

- Bring “Avoid” to the front of waste management hierarchy
- Distinguish between Reduce and Avoid
- Articulate the need for waste minimization
- Recognize the benefits of having fewer products
- Introduce mindful consumerism by focusing on avoiding the need for acquiring products and looking at “what one wants” vs.” what/how much one needs”
- Understand a product life cycle by looking at the process behind a commonly used item
- Understand waste recycling and organic waste diversion basics (“what goes where”)
- Realize the impact individual actions have on preventing street litter and benefiting wider community.

##### **4.2 Water Conservation**

- Local sources of water
- Wasteful water consumption
- Water conservation practices
- Understanding of water cycle
- Importance of water to humans and the environment
- Water treatment and value of water.

##### **4.3 Energy Conservation**

- Energy uses in a home (breakdown into a pie chart)
- Energy losses in a home (breakdown into a pie chart)
- Ok, I turn off the lights, now what? Household actions that can have big impacts
- How to read and understand a utility bill
- Health implications: buildings: indoor air quality, transportation: active lifestyles
- Links between energy, GHGs and climate change.

#### **5.0 Proponent Qualifications**

The Proponent(s) should demonstrate to the City their ability to meet the following requirements:

- The actual classroom instructor should have a Bachelor of Education and/or equivalent teaching experience;

- Knowledge of the BC Ministry of Education's Prescribed Learning Outcomes (PLOs) as they apply to sustainability education;
- A minimum of 5 years of experience in delivering sustainability education programs in BC;
- A positive reputation with the City of Surrey's elementary school teachers;
- An understanding of Surrey's waste management and drinking water supply services; and
- A general understanding of climate mitigation and energy conservation.

## **6.0 Program Content**

The EES program should be a fun and interactive outreach mechanism, easy to use, update and customize by which the City will support environmental ideas and initiatives.

The EES program will tie in with the BC educational curriculum and have a clear link to BC's PLOs. The Proponent will indicate how their products will fit into and meet education curriculums at each education level, as established by the BC provincial government.

The EES school workshops should consist of:

- interactive and informative classroom session
- take-home exercise to continue learning outside the classroom
- take-away activities that can be carried by Green Clubs (fun learning tasks to encourage students to think, do research and apply their new knowledge in creative ways).

## **7.0 Resource Materials**

The successful Proponent(s) will be responsible for preparing and designing the education materials and multimedia resources for students and teachers.

Printing of resource materials must be completed, and approved by the City, prior to program delivery.

All materials, supplies, and workmanship required for the delivery of the EES must be incorporated into the cost of Services.

## **8.0 Workshops**

The workshops should be delivered in fun and engaging way through games, exercises, visual presentations, animations, worksheets, and other learning resources that address the project's objectives in section 2.0. The length of each individual workshop is estimated at 45 minutes.

- a) It is anticipated that in 2015/2016 school year the program would be delivered to approximately 450 classrooms:
  - 375 elementary classrooms and
  - 75 secondary classrooms.

- b) In addition to the new EES program workshops (described in Sections 3.0, 4.0, and 6.3.a of Schedule A) it is anticipated that the Department's existing "No Litter Zone" workshops (anti-littering education for grade 2 students) and "Rethink Waste for ESL" workshops (fundamentals of Surrey's waste collection services and programs) will continue to be delivered to approximately 100 classrooms:
- 50 elementary classrooms
  - 50 Surrey-based English Language Services for Adults (ELSA) classrooms for all language levels.

The number of workshops to be delivered annually is an estimate only. The City reserves the right to increase or decrease the number of workshops as necessary or expedient by the City.

## **9.0 Working Relationship with the City**

Scope of Services, outlined in this Schedule A document, is preliminary. The final scope of services will be negotiated with the preferred Proponent(s) and modified as needed, depending on program requirements.

## **10.0 Performance Standards Required**

Performance standards include:

- Number of workshops delivered
- On-schedule delivery
- Positive feedback from students and teachers.

## **11.0 Timelines and Milestones**

The EES program is to be developed in collaboration with the City in the summer of 2015 and delivered to classrooms starting in October 2015 through June 2016.

The Proponent will outline the program's implementation timeline and the delivery work plan as part of their proposal to this RFP.

### **6.1 City Information**

The City will, in co-operation with the Consultant make efforts to make available to the Consultant information, surveys, and reports which the City has in its files and records that relate to the Services. The Consultant will review any such material upon which the Consultant intends to rely and take reasonable steps to determine if that information is complete or accurate. ### **6.3 Notice of Defect**

If the City observes or otherwise becomes aware of any fault or defect in the Services, it may notify the Consultant, but nothing in this agreement will be interpreted as giving the City the obligation to inspect or review the Consultant's performance of the Services.

## **7. INSURANCE AND DAMAGES**

### **7.1 Indemnity**

The Consultant will indemnify and save harmless the City and all of its elected and appointed officials, officers, employees, servants, representatives and agents (collectively the "**Indemnitees**"), from and against all claims, demands, causes of action, suits, losses, damages and costs, liabilities, expenses and judgments (including all actual legal costs) for damage to or destruction or loss of property, including loss of use, and injury to or death of any person or persons which any of the Indemnitees incur, suffer or are put to arising out of or in connection

with any failure, breach or non-performance by the Consultant of any obligation of this agreement, or any wrongful or negligent act or omission of the Consultant or any employee or agent of the Consultant.

## **7.2 Survival of Indemnity**

The indemnity described in section 7.1 will survive the termination or completion of this agreement and, notwithstanding such termination or completion, will continue in full force and effect for the benefit of the Indemnitees.

## **7.3 Consultant's Insurance Policies**

The Consultant will, without limiting its obligations or liabilities and at its own expense, provide and maintain throughout this agreement the following insurances in forms and amounts acceptable to the City from insurers licensed to conduct business in Canada:

- (a) commercial general liability insurance on an occurrence basis, in an amount not less than three million (\$3,000,000) dollars inclusive per occurrence against death, bodily injury and property damage arising directly or indirectly out of the work or operations of the Consultant, its employees and agents. The insurance will include cross liability and severability of interests such that the coverage shall apply in the same manner and to the same extent as though a separate policy had been issued to each insured. The insurance will include, but not be limited to: premises and operators liability, broad form products and completed operations, owners and Consultants protective liability, blanket contractual, employees as additional insureds, broad form property damage, non-owned automobile, contingent employers liability, broad form loss of use, personal injury, and incidental medical malpractice. The City will be added as additional insured;

- (c) automobile liability insurance on all vehicles owned, operated or licensed in the name of the Consultant in an amount not less than three million (\$3,000,000) dollars per occurrence for bodily injury, death and damage to property.

## **7.4 Insurance Requirements**

The Consultant will provide the City with evidence of the required insurance prior to the commencement of this agreement. Such evidence will be in the form of a completed certificate of insurance acceptable to the City. The Consultant will, on request from the City, provide certified copies of all of the Consultant's insurance policies providing coverage relating to the Services, including without limitation any professional liability insurance policies. All required insurance will be endorsed to provide the City with thirty (30) days advance written notice of cancellation or material change restricting coverage. To the extent the City has an insurable interest, the builder's risk policy will have the City as first loss payee. The Consultant will be responsible for deductible amounts under the insurance policies. All of the Consultant's insurance policies will be primary and not require the sharing of any loss by the City or any insurer of the City.

## **7.5 Consultant Responsibilities**

The Consultant acknowledges that any requirements by the City as to the amount of coverage under any policy of insurance will not constitute a representation by the City that the amount required is adequate and the Consultant acknowledges and agrees that the Consultant is solely responsible for obtaining and maintaining policies of insurance in adequate amounts. The insurance policy coverage limits shall not be construed as relieving the Consultant from responsibility for any amounts which may exceed these limits, for which the Consultant may be legally liable.

## **7.6 Additional Insurance**

The Consultant shall place and maintain, or cause any of its sub-consultants to place and maintain, such other insurance or amendments to the foregoing policies as the City may reasonably direct.

The City may at any time and for any reason by written notice to the Consultant terminate this agreement before the completion of all the Services, such notice to be determined by the City at its sole discretion. Upon receipt of such notice, the Consultant will perform no further Services other than the work which is reasonably required to terminate the Services and return the City's property to the City. Despite any other provision of this agreement, if the City terminates this agreement before the completion of all the Services, the City will pay to the Consultant all amounts owing under this agreement for Services provided by the Consultant up to and including the date of termination, plus reasonable termination costs in the amount as determined by the City in its sole discretion. Upon payment of such amounts no other or additional payment will be owed by the City to the Consultant, and, for certainty, no amount will be owing on account of lost profits relating to the portion of the Services not performed or other profit opportunities.

### **8.2 Termination for Cause**

The City may terminate this agreement for cause as follows:

- (a) If the Consultant is adjudged bankrupt, or makes a general assignment for the benefit of creditors because of its insolvency, or if a receiver is appointed because of its insolvency, the City may, without prejudice to any other right or remedy the City may have, terminate this agreement by giving the Consultant or receiver or trustee in bankruptcy written notice; or
- (b) If the Consultant is in breach of any term or condition of this agreement, and such breach is not remedied to the reasonable satisfaction of the City within 5 days after delivery of written notice from the City to the Consultant, then the City may, without

prejudice to any other right or remedy the City may have, terminate this agreement by giving the Consultant further written notice.

If the City terminates this agreement as provided by this Section, then the City may:

- (c) enter into contracts, as it in its sole discretion sees fit, with other persons to complete the Services;
- (d) withhold payment of any amount owing to the Consultant under this agreement for the performance of the Services;
- (e) set-off the total cost of completing the Services incurred by the City against any amounts owing to the Consultant under this agreement, and at the completion of the Services pay to the Consultant any balance remaining; and
- (f) if the total cost to complete the Services exceeds the amount owing to the Consultant, charge the Consultant the balance, which amount the Consultant will forthwith pay.

### **8.3 Curing Defaults**

If the Consultant is in default of any of its obligations under this agreement, then the City may without terminating this agreement, upon 5 days written notice to the Consultant, remedy the default and set-off all costs and expenses of such remedy against any amounts owing to the Consultant. The Consultant will, as a qualified and experienced professional, interpret applicable codes, laws and regulations applicable to the performance of the Services. If an authority having jurisdiction imposes an interpretation which the Consultant could not reasonably have verified or foreseen prior to entering into this agreement, then the City will pay the additional costs, if any, of making alterations so as to conform to the required interpretation.

## **10. CONFIDENTIALITY AND DISCLOSURE OF INFORMATION**

### **10.1 No Disclosure**

Except as provided for by law or otherwise by this agreement, the Consultant will keep strictly confidential any information supplied to, obtained by, or which comes to the knowledge of the Consultant as a result of the performance of the Services and this agreement, and will not,

The Consultant agrees that the City has the unfettered right to set off the amount of the unpaid premiums and assessments for the Workers' Compensation Board coverage against any monies owing by the City to the Consultant. The City will have the right to withhold payment under this agreement until the Workers' Compensation Board premiums, assessments or penalties in respect of the Services have been paid in full.
- 12.2 The Consultant will provide the City with the Consultant's Workers' Compensation Board registration number and a letter from the Workers' Compensation Board confirming that the Consultant is registered in good standing with the Workers' Compensation Board and that all assessments have been paid to the date thereof prior to the City having any obligations to pay monies under this agreement.

The Consultant will have a safety program in place that meets the requirements of the Workers' Compensation Board Occupational Health and Safety Regulation and the *Workers Compensation Act*. As prime contractor, the Consultant will be responsible for appointing a qualified coordinator for insuring the health and safety activities for the location of the Services. That person will be the person so identified in

Appendix 4 of this agreement, and the Consultant will advise the City immediately in writing if the name or contact number of the qualified coordinator changes.

- 12.4 Without limiting the generality of any other indemnities granted by the Consultant in this agreement, the Consultant shall indemnify and save harmless the Indemnitees from and against all claims, demands, causes of action, suits, losses, damages, costs, liabilities, expenses, judgements, penalties and proceedings (including all actual legal costs) which any of the Indemnitees incur, suffer or are put to arising out of or in any way related to unpaid Workers' Compensation Board assessments owing from any person or corporation engaged in the performance of this agreement or arising out of or in any way related to the failure to observe safety rules, regulations and practices of the Workers' Compensation Board, including penalties levied by the Workers' Compensation Board.
- 12.5 The Consultant will ensure compliance with and conform to all health and safety laws, by-laws or regulations of the Province of British Columbia, including without limitation the *Workers Compensations Act* and Regulations pursuant thereto.
- 12.6 The City may, on twenty-four (24) hours written notice to the Consultant, install devices or rectify any conditions creating an immediate hazard existing that would be likely to result in injury to any person. However, in no case will the City be responsible to ascertaining or discovering, through inspections or review of the operations of the Consultant or otherwise, any deficiency or immediate hazard.
