The Proponent may submit a Proposal either by email or in a hard copy, as follows:

#### **(a) Email**

If the Proponent chooses to submit by email, the Proponent must submit the Proposal electronically in a single pdf file to the City by email at: [purchasing@surrey.ca](mailto:purchasing@surrey.ca).

**on or before the following date and time**

**Time: 3:00 p.m., local time**

**Date: March 22, 2017**

**(the "Closing Time").**

**PDF emailed Proposals are preferred** and the City will confirm receipt of emails. Note that the maximum file size the City can receive is 10Mb. If sending large email attachments, Proponents should phone to confirm receipt. A Proponent bears all risk that the City's equipment functions properly so that the Proposal is submitted on time.

#### **(b) Hard Copy**

If the Proponent chooses NOT to submit by email, the Proponent should submit one original unbound Proposal and three (3) copies (four (4) in total) which must be delivered to the City at the office of:

At the time of issuance of this RFP a meeting has not been scheduled.

## 2.3 Late Proposals

Proposals submitted after the Closing Time will not be accepted or considered. Delays caused by any delivery, courier or mail service(s) will not be grounds for an extension of the Closing Time.

## 2.4 Amendments to Proposals

Proposals may be revised by written amendment, delivered to the location set out in Section 2.1, at any time before the Closing Time but not after. An amendment should be signed by an authorized signatory of the Proponent in the same manner as provided by section 3.3. E-mailed amendments are permitted, but such amendment should show only the change to the proposal price(s) and should not disclose the actual proposal price(s). A Proponent bears all risk that the City's equipment functions properly so as to facilitate timely delivery of any amendment.

## 2.5 Inquiries

All inquiries related to this RFP should be directed in writing to the person named below (the "**City Representative**"). Information obtained from any person or source other than the City Representative may not be relied upon.

Name: Richard D. Oppelt, Purchasing Manager

Reference: 1220-030-2017-008

Inquiries should be made no later than 7 business days before Closing Time. The City reserves the right not to respond to inquiries made within 7 business days of the Closing Time. Inquiries and responses will be recorded and may be distributed to all Proponents at the discretion of the City.

Proponents finding discrepancies or omissions in the Contract or RFP, or having doubts as to the meaning or intent of any provision, should immediately notify the City Representative. If the City determines that an amendment is required to this RFP, the City Representative will issue an addendum in accordance with section 2.6. No oral conversation will affect or modify the terms of this RFP or may be relied upon by any Proponent.

## 2.6 Addenda

If the City determines that an amendment is required to this RFP, the City Representative will issue a written addendum by posting it on the BC Bid Website at [www.bcbid.gov.bc.ca](http://www.bcbid.gov.bc.ca) (the "**BC Bid Website**") and the City Website at [www.surrey.ca](http://www.surrey.ca) (the "**City Website**") that will form part of this RFP. ## **3. PROPOSAL SUBMISSION FORM AND CONTENTS**

### **3.1 Package (Hard Copy)**

If the Proponent chooses NOT to submit by email, the Proponent should submit a Proposal in a particular submittal format, to reduce paper, encourage our recycled product expectations, and reduce package bulk. Bulk from binders and large packages are unwanted. Vinyl plastic products are unwanted. The City also has an environmentally-preferable purchasing commitment, and seeks a package format to support the green expectations and initiatives of the City.

Please do not use any plastic or vinyl binders or folders. The City prefers simple, stapled paper copies. If a binder or folder is essential due to the size of your Proposal, they should be fully 100% recycled stock.

The City seeks and prefers submittals on 100% Post Consumer Fibre (PCF) paper, consistent with the City's policy and the City environmental practices.

Please double-side your Proposal.

### **3.2 Form of Proposal**

Proponents should complete the form of Proposal attached as Schedule C, including Schedules C-1 to C-5. Proponents are encouraged to respond to the items listed in Schedules C-1 to C-5 in the order listed. Proponents are encouraged to use the forms provided and attach additional pages as necessary.

### **3.3 Signature**

The legal name of the person or firm submitting the Proposal should be inserted in Schedule C. The Proposal should be signed by a person authorized to sign on behalf of the Proponent and include the following:

- (a) If the Proponent is a corporation then the full name of the corporation should be included, together with the names of authorized signatories. The Proposal should be executed by all of the authorized signatories or by one or more of them provided that a copy of the corporate resolution authorizing those persons to execute the Proposal on behalf of the corporation is submitted;
- (b) If the Proponent is a partnership or joint venture then the name of the partnership or joint venture and the name of each partner or joint venturer should be included, and each partner or joint venturer should sign personally (or, if one or more person(s) have signing authority for the partnership or joint venture, the partnership or joint venture should provide evidence to the satisfaction of the City that the person(s) signing have signing authority for the partnership or joint venture). If a partner or joint venturer is a corporation then such corporation should sign as indicated in subsection (a) above; or
- (c) If the Proponent is an individual, including a sole proprietorship, the name of the individual should be included.

#### **4. EVALUATION AND SELECTION**

##### **4.1 Evaluation Team**

The evaluation of Proposals will be undertaken on behalf of the City by the Evaluation Team. The Evaluation Team may consult with others including City staff members, third party consultants and references, as the Evaluation Team may in its discretion decide is required. The Evaluation Team will give a written recommendation for the selection of a Preferred Proponent or Preferred Proponents to the City.

##### **4.2 Evaluation Criteria**

The Evaluation Team will compare and evaluate all Proposals to determine the Proponent's strength and ability to provide the Services in order to determine the Proposal which is most advantageous to the City, using the following criteria:

- (a) Experience, Reputation and Resources**  
The Evaluation Team will consider the Proponent's responses to items (i) to (x) in Schedule C-2.
- (b) Technical**  
The Evaluation Team will consider the Proponent's responses to Schedule C-4 and items (i) to (vii) in Schedule C-3.
- (c) Financial**  
The Evaluation Team will consider the Proponent's response to Schedule C-5.
- (d) Statement of Departures**  
The Evaluation Team will consider the Proponent's response to Schedule C-1.

The Evaluation Team will not be limited to the criteria referred to above, and the Evaluation Team may consider other criteria that the team identifies as relevant during the evaluation process including but not limited to:

- Understanding of project scope and deliverables.
- Experience and qualifications of the consulting team members.
- Demonstrated ability to complete similar projects on schedule and within budget.
- Familiarity with leak detection in the City of Surrey and in other water utilities.
- Innovation in leak detection technology and methodology.
- Overall pricing and demonstrated value.

The Evaluation Team may apply the evaluation criteria on a comparative basis, evaluating the Proposals by comparing one Proponent's Proposal to another Proponent's Proposal. All criteria considered will be applied evenly and fairly to all Proposals.

#### **4.3 Discrepancies in Proponent's Financial Proposal**

If there are any obvious discrepancies, errors or omissions in Schedule C-5 of a Proposal (Proponent's Financial Proposal), then the City shall be entitled to make obvious corrections, but only if, and to the extent, the corrections are apparent from the Proposal as submitted, and in particular:

- (a) if there is a discrepancy between a unit price and the extended total, then the unit prices shall be deemed to be correct, and corresponding corrections will be made to the extended totals;
- (b) if a unit price has been given but the corresponding extended total has been omitted, then the extended total will be calculated from the unit price and the estimated quantity;
- (c) if an extended total has been given but the corresponding unit price has been omitted, then the unit price will be calculated from the extended total and the estimated quantity.

#### **4.4 Litigation**

In addition to any other provision of this RFP, the City may, in its absolute discretion, reject a Proposal if the Proponent, or any officer or director of the Proponent submitting the Proposal, is or has been engaged directly or indirectly in a legal action against the City, its elected or appointed officers, representatives or employees in relation to any matter, or if the City has initiated legal action against any officers or directors of the Proponent.

In determining whether or not to reject a Proposal under this section, the City will consider whether the litigation is likely to affect the Proponent's ability to work with the City, its consultants and representatives and whether the City's experience with the Proponent indicates that there is a risk the City will incur increased staff and legal costs in the administration of the Contract if it is awarded to the Proponent.

#### **4.5 Additional Information**

The Evaluation Team may, at its discretion, request clarifications or additional information from a Proponent with respect to any Proposal, and the Evaluation Team

may make such requests to only selected Proponents. The Evaluation Team may consider such clarifications or additional information in evaluating a Proposal.

#### **4.6 Interviews**

The Evaluation Team may, at its discretion, invite some or all of the Proponents to appear before the Evaluation Team to provide clarifications of their Proposals. In such event, the Evaluation Team will be entitled to consider the answers received in evaluating Proposals.

#### **4.7 Multiple Preferred Proponents**

The City reserves the right and discretion to divide up the Services, either by scope, geographic area, or other basis as the City may decide, and to select one or more Preferred Proponents to enter into discussions with the City for one or more Contracts to perform a portion or portions of the Services. If the City exercises its discretion to divide up the Services, the City will do so reasonably having regard for the RFP and the basis of Proposals.

In addition to any other provision of this RFP, Proposals may be evaluated on the basis of advantages and disadvantages to the City that might result or be achieved from the City dividing up the Services and entering into one or more Contracts with one or more Proponents.

#### **4.8 Negotiation of Contract and Award**

If the City selects a Preferred Proponent or Preferred Proponents, then it may:

- (a) enter into a Contract with the Preferred Proponent(s); or
- (b) enter into discussions with the Preferred Proponent(s) to attempt to finalize the terms of the Contract(s), including financial terms, and such discussions may include:
  - (1) clarification of any outstanding issues arising from the Preferred Proponent's Proposal;
  - (2) negotiation of amendments to the departures to the draft Contract, if any, proposed by the Preferred Proponent as set in Schedule C-1 to the Preferred Proponent's Proposal; and
  - (3) negotiation of amendments to the Preferred Proponent's price(s) as set out in Schedule C-5 to the Preferred Proponent's Proposal and/or scope of Services if:
    - (A) the Preferred Proponent's financial Proposal exceeds the City's approved budget, or
    - (B) the City reasonably concludes the Preferred Proponent's financial proposal includes a price(s) that is unbalanced, or
    - (C) a knowledgeable third party would judge that the Preferred Proponent's price(s) materially exceed a fair market price(s) for services similar to the Services offered by the Preferred Proponent as described in the Preferred Proponent's Proposal; or

- (c) if at any time the City reasonably forms the opinion that a mutually acceptable agreement is not likely to be reached within a reasonable time, give the Preferred Proponent(s) written notice to terminate discussions, in which event the City may then either open discussions with another Proponent or terminate this RFP and retain or obtain the Services in some other manner.

## **5. GENERAL CONDITIONS**

### **5.1 No City Obligation**

This RFP is not a tender and does not commit the City in any way to select a Preferred Proponent, or to proceed to negotiations for a Contract, or to award any agreement, and the City reserves the complete right to at any time reject all Proposals, and to terminate this RFP process.

### **5.2 Proponent's Expenses**

Proponents are solely responsible for their own expenses in preparing, and submitting Proposals, and for any meetings, negotiations or discussions with the City or its representatives and consultants, relating to or arising from this RFP. The City and its representatives, agents, consultants and advisors will not be liable to any Proponent for any claims, whether for costs, expenses, losses or damages, or loss of anticipated profits, or for any other matter whatsoever, incurred by the Proponent in preparing and submitting a Proposal, or participating in negotiations for a Contract, or other activity related to or arising out of this RFP.

### **5.3 No Contract**

By submitting a Proposal and participating in the process as outlined in this RFP, Proponents expressly agree that no contract of any kind is formed under, or arises from, this RFP, prior to the signing of a formal written Contract.

### **5.5 Solicitation of Council Members, City Staff and City Consultants**

Proponents and their agents will not contact any member of the City Council, City staff or City consultants with respect to this RFP, other than the City Representative named in section 2.5, at any time prior to the award of a contract or the cancellation of this RFP.

### **5.6 Confidentiality**

All submissions become the property of the City and will not be returned to the Proponent. All submissions will be held in confidence by the City unless otherwise required by law. Proponents should be aware the City is a "public body" defined by and subject to the *Freedom of Information and Protection of Privacy Act* of British Columbia.

## SCHEDULE A – SCOPE OF SERVICES

### 1.0 BACKGROUND

The City of Surrey’s water utility provides potable water to 86,000 properties and over 502,000 residents through 1,800 kilometers of water main, 9 pump stations and 93 pressure reducing valve stations. The City of Surrey’s average day consumption is approximately 150 million liters per day (ML/d) in the winter and 195 ML/d in the summer.

The City of Surrey’s water system can be separated into fifteen (15) separate areas, based on pressure zone. The City’s water main leak detection program is systematically investigating each pressure zone in order to reduce non-revenue water consumption by locating and repairing leaks. This year’s program will be conducted in the following service areas: Semiahmoo, Semiahmoo/Douglas, Clayton, and Cloverdale, and are shown in **Schedule A-1**.

The average day consumption and estimated non-revenue water for the service areas are provided in the table, below.

Service Area	Average Water Consumption (ML/d)		Estimated Non-Revenue Water (ML/d)
	Winter	Summer	
Semiahmoo	Not Available	Not Available	Not Available
Semiahmoo/Douglas	Not Available	Not Available	Not Available
Clayton	6.6	9.9	2.0
Cloverdale	6.7	8.6	1.8

#### **Semiahmoo**

The Semiahmoo service area is 335 hectares in size and situated in the south quadrant of Surrey, west of 176 St, north of Semiahmoo First Nation, east of the City of White Rock, and south of 21 Ave. The area services mostly residential customers with approximately 7 kilometers of water main. The pipe materials are metal (70 percent) and plastic (30 percent).

Water is delivered to Semiahmoo via the higher pressure zones to the north-Grandview and/or Sunnyside. Pressure reducing valve (PRV) stations regulate the pressure of water entering Semiahmoo service area, which is set at a 110m hydraulic grade line (HGL) pressure zone.

#### **Semiahmoo/Douglas**

The Semiahmoo/Douglas service area is 783 hectares in size and situated in the south quadrant of Surrey, west of the Semiahmoo First Nation, north of the USA border, east of 184 St and south of 14 Ave. The area services mostly residential customers with approximately 30 kilometers of water main. The pipe materials are primarily plastic (51 percent) and metal (45 percent).

Water is delivered to Semiahmoo/Douglas via the higher pressure zone to the north-Semiahmoo.

### **Clayton**

The Clayton service area is 1253 hectares in size and situated in east Surrey, west of 196 St, north of 56 Ave, east of 180 St, and south of 80 Ave. The area services mostly residential customers with approximately 102 kilometers of water main. The pipe materials are primarily metal (52 percent) and plastic (40 percent).

Water is supplied to the Clayton 115m zone via the Clayton Pump Station and PRV located at 19080 72<sup>nd</sup> Avenue.

### **Cloverdale**

The Cloverdale service area is 3511 hectares in size and situated in east central Surrey, west of 196 St, north of 40 Ave, east of 157 St, and south of 80 Ave. Sections of the Cloverdale area are within the flood plain and have soils vulnerable to seismic events which may affect the leak detection technology used for this area. The area services mostly residential customers with approximately 150 kilometers of water mains. The pipe materials are primarily metal (59 percent) and plastic (38 percent).

Water is primarily supplied to the Cloverdale service area via two Metro Vancouver direct connections at 54 Ave / 192 St and 68A / 176 St. PRVs regulate the pressure in the service area, which is set at a 90m HGL.

The tables in **Schedule A-2** provide details on the land use types, water main pipe diameters, and water main materials.

## **2.0 GENERAL SCOPE OF WORK**

The scope of work is to plan, manage and conduct a leak detection survey in four (4) water service areas, as follows:

- Semiahmoo
- Semiahmoo/Douglas
- Clayton
- Cloverdale

The survey will include leak detection on all water mains, service connections, hydrants, valves, PRVs and zone boundaries in the service areas. Leak detection at the zone boundaries will be conducted to identify any inter-zone flow (flow between service areas). All service connections, as a minimum those identified in COSMOS– the City’s online mapping system, shall be surveyed. Most of the service connections are plastic pipe material.

Access to the City's pipe valve chambers and appurtenances will be provided by City operations staff.

A report will detail the leak detection survey results, recommendations for leak repair methods for each detected leak location, and an overall leak detection maintenance program. The report will also discuss any field observations that differ from what is shown in the City's GIS water records in COSMOS. Field observations may include, but is not limited to, service connections that are not identified in COSMOS and unmetered service connections to industrial, commercial and institutional (ICI) properties.

The scope of work includes the tasks listed in the following section.

### **3.0 TASKS**

In addition to *General Instructions to Consultants for Engineering Services* the following tasks are within the scope of work.

- Review background information on the Semiahmoo, Semiahmoo/Douglas, Clayton and Cloverdale service areas, including land uses, piping network, and zone meter and zone valve locations.
- Plan a detailed work program and schedule for the leak detection survey and reporting.
- Coordinate with City staff to notify property owners of the leak detection survey.
- Apply to the City for traffic obstruction permits, where necessary.
- Maintain records of work including daily performance logs, leak detection data, labour and equipment, and leaks detected. These records should be submitted as an Appendix in the final report.
- Report directly to the designated City of Surrey Project Engineer on all aspects of the work, schedule, and costs. Collaborate with City staff from Water Operations and Water Planning sections.
- Work alongside one (1) or two (2) City staff in the field during the leak detection survey. City staff may utilize the City's leak detection equipment: ground microphone, Permalog loggers, and correlators.
- Prepare a final written report. The report should contain the leak detection methodology, equipment used, description of leaks (severity, estimated flow rate, date of detection), locations map for suspected and confirmed leaks with severity of leak colour-coded, measured success of the survey based on the existing water balance results, and recommendations for repairs and further leak detection. In addition, the report should advise on a leak detection maintenance program.

The severity of leaks shall be scored based on the estimated flow rate of the leak in litres per second (L/s).

#### **4.0 EXTRA WORK**

The City may expand the leak detection area to include the areas outside of Semiahmoo, Semiahmoo/Douglas, Clayton, and Cloverdale. As a result, a unit rate (per meter) for additional leak detection and reporting is requested. If additional survey area is added to the scope of work, this unit rate will apply.

#### **5.0 ADDITIONAL INFORMATION AVAILABLE**

- General Instructions to Consultants and Engineering Services
- Map Tiles of the Surrey Water System (Provided to the Successful Proponent)

Water main details can be found on the City of Surrey online mapping system (COSMOS). COSMOS contains details on the pipe location, diameter, length, age and material. The link to COSMOS is <http://cosmos.surrey.ca/external>. Water main details are found under the layer list "Infrastructure – Water – Water Mains".

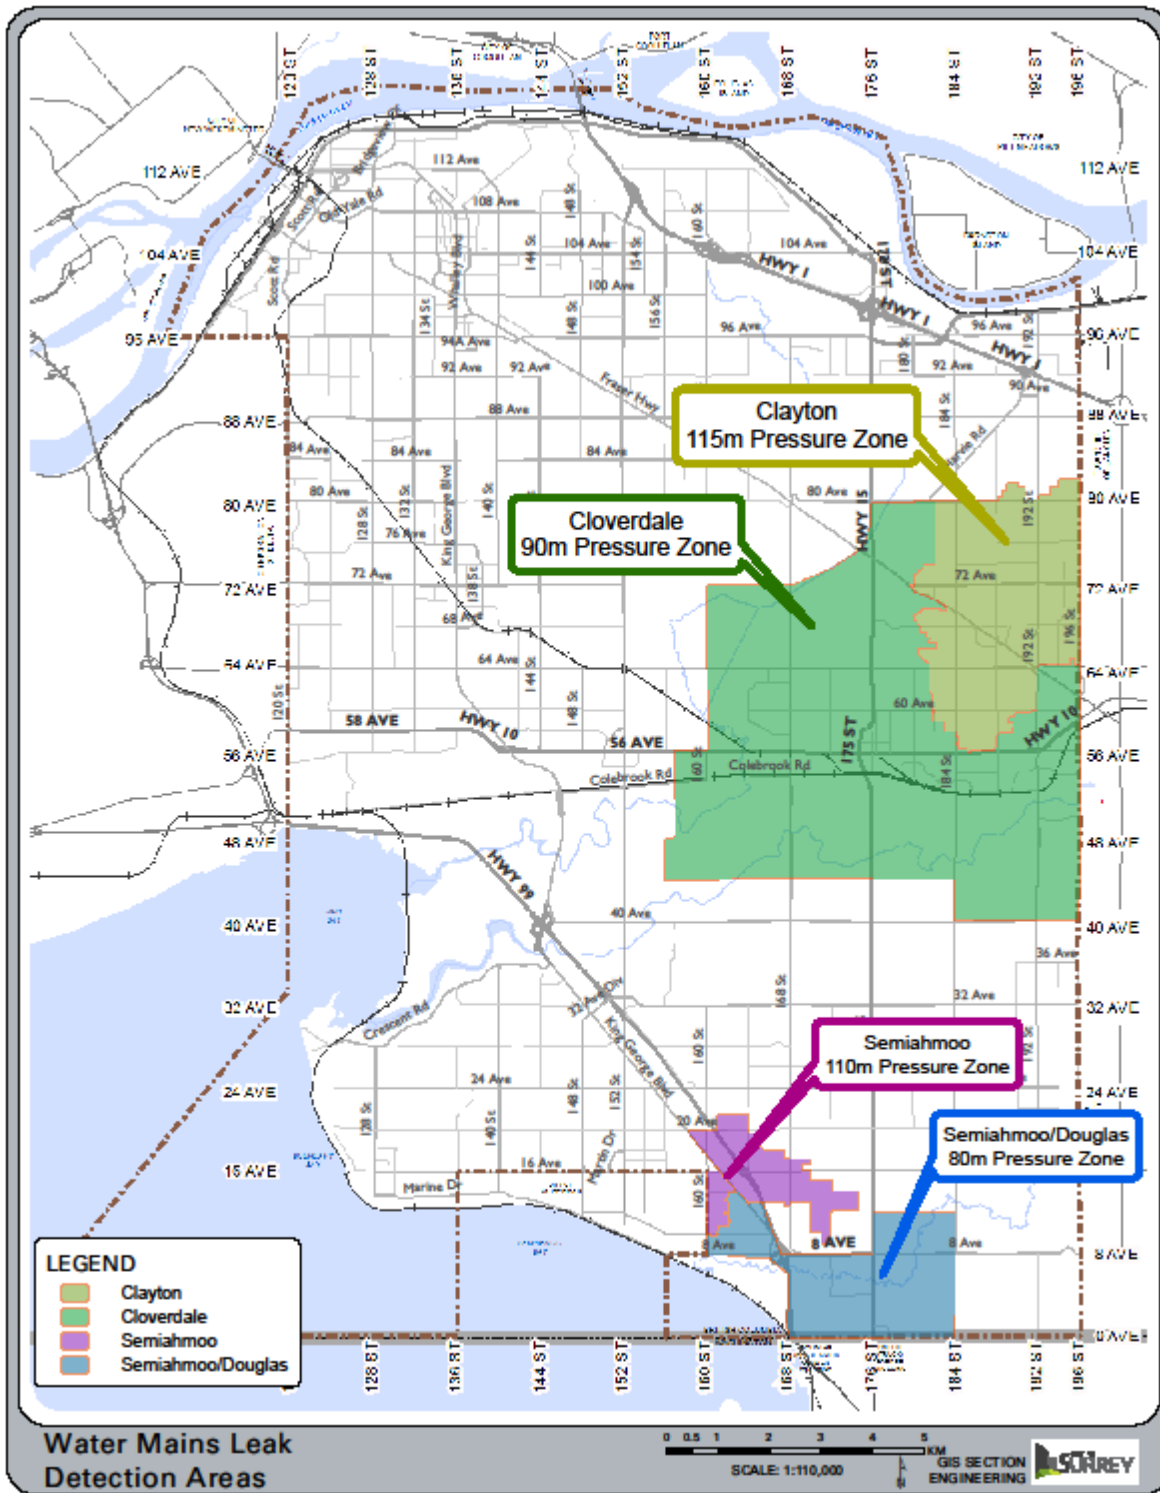

#### **6.0 SCHEDULE**

The successful consultant team shall be fully committed to the team members and to the project schedule. The anticipated timing of the major activities under this assignment is as shown below:

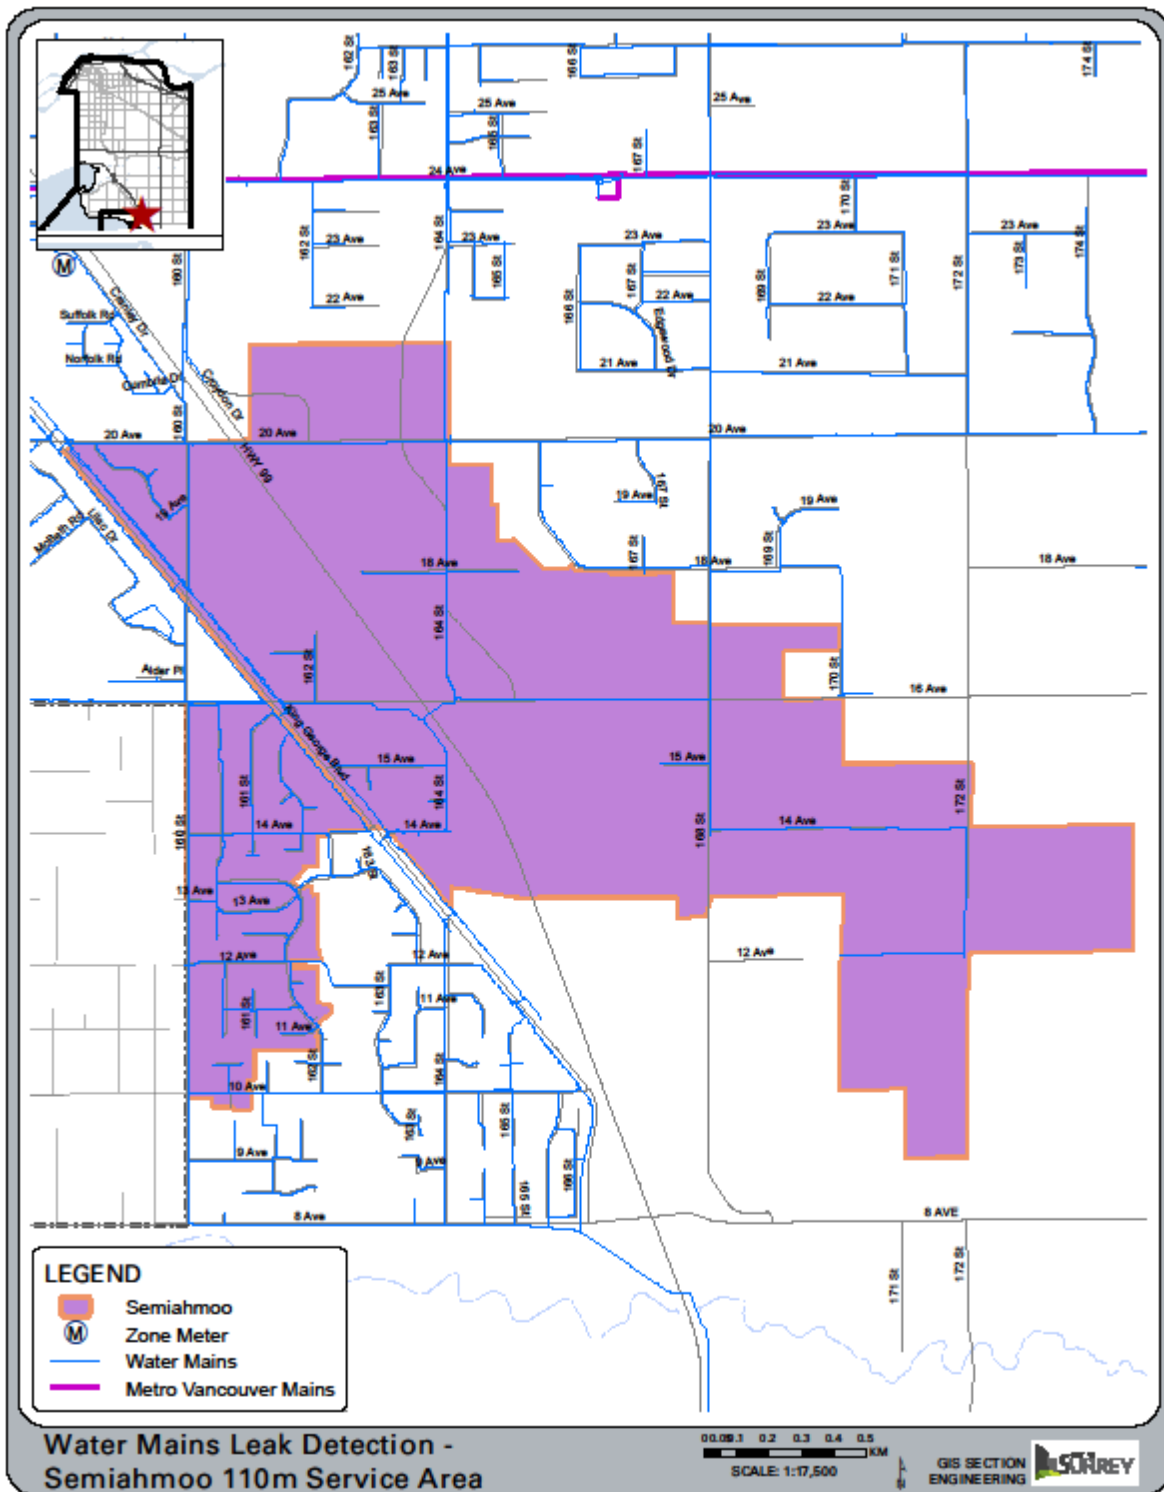

Submission of Proposal	March 22, 2017
Appointment of Consultant	March 31, 2017
Commencement of Leak Detection Survey	May 1, 2017
Submission of Report	August 31, 2017

The consultant should evaluate this schedule and recommend a revised schedule if this proposed schedule is not practical.

### **6.1 City Information**

The City will, in co-operation with the Consultant make efforts to make available to the Consultant information, surveys, and reports which the City has in its files and records that relate to the Services. The Consultant will review any such material upon which the Consultant intends to rely and take reasonable steps to determine if that information is complete or accurate. The Consultant will assume all risks that the information is complete and accurate and the Consultant will advise the City in writing if in the Consultant's judgment the information is deficient or unreliable and undertake such new surveys and investigations as are necessary.

## **6.2 City Decisions**

The City will in a timely manner make all decisions required under this agreement, examine documents submitted by the Consultant and respond to all requests for approval made by the Consultant pursuant to this agreement.

## **6.3 Notice of Defect**

If the City observes or otherwise becomes aware of any fault or defect in the Services, it may notify the Consultant, but nothing in this agreement will be interpreted as giving the City the obligation to inspect or review the Consultant's performance of the Services.

## **7. INSURANCE AND DAMAGES**

### **7.1 Indemnity**

The Consultant will indemnify and save harmless the City and all of its elected and appointed officials, officers, employees, servants, representatives and agents (collectively the "**Indemnitees**"), from and against all claims, demands, causes of action, suits, losses, damages and costs, liabilities, expenses and judgments (including all actual legal costs) for damage to or destruction or loss of property, including loss of use, and injury to or death of any person or persons which any of the Indemnitees incur, suffer or are put to arising out of or in connection with any failure, breach or non-performance by the Consultant of any obligation of this agreement, or any wrongful or negligent act or omission of the Consultant or any employee or agent of the Consultant.

### **7.2 Survival of Indemnity**

The indemnity described in section 7.1 will survive the termination or completion of this agreement and, notwithstanding such termination or completion, will continue in full force and effect for the benefit of the Indemnitees.

### **7.3 Consultant's Insurance Policies**

The Consultant will, without limiting its obligations or liabilities and at its own expense, provide and maintain throughout this agreement the following insurances in forms and amounts acceptable to the City from insurers licensed to conduct business in Canada:

- (a) commercial general liability insurance on an occurrence basis, in an amount not less than three million (\$3,000,000) dollars inclusive per occurrence against death, bodily injury and property damage arising directly or indirectly out of the work or operations of the Consultant, its employees and agents. The insurance will include cross liability and severability of interests such that the coverage shall apply in the same manner and to the same extent as though a separate policy had been issued to each insured. - (c) automobile liability insurance on all vehicles owned, operated or licensed in the name of the Consultant in an amount not less than three million (\$3,000,000) dollars per occurrence for bodily injury, death and damage to property.

#### **7.4 Insurance Requirements**

The Consultant will provide the City with evidence of the required insurance prior to the commencement of this agreement. Such evidence will be in the form of a completed certificate of insurance acceptable to the City. The Consultant will, on request from the City, provide certified copies of all of the Consultant's insurance policies providing coverage relating to the Services, including without limitation any professional liability insurance policies. All required insurance will be endorsed to provide the City with thirty (30) days advance written notice of cancellation or material change restricting coverage. To the extent the City has an insurable interest, the builder's risk policy will have the City as first loss payee. The Consultant will be responsible for deductible amounts under the insurance policies. All of the Consultant's insurance policies will be primary and not require the sharing of any loss by the City or any insurer of the City.

#### **7.5 Consultant Responsibilities**

The Consultant acknowledges that any requirements by the City as to the amount of coverage under any policy of insurance will not constitute a representation by the City that the amount required is adequate and the Consultant acknowledges and agrees that the Consultant is solely responsible for obtaining and maintaining policies of insurance in adequate amounts. The insurance policy coverage limits shall not be construed as relieving the Consultant from responsibility for any amounts which may exceed these limits, for which the Consultant may be legally liable.

#### **7.6 Additional Insurance**

The Consultant shall place and maintain, or cause any of its sub-consultants to place and maintain, such other insurance or amendments to the foregoing policies as the City may reasonably direct.

#### **7.7 Waiver of Subrogation**

The Consultant hereby waives all rights of recourse against the City for loss or damage to the Consultant's property.

### **8. TERMINATION**

#### **8.1 By the City**

The City may at any time and for any reason by written notice to the Consultant terminate this agreement before the completion of all the Services, such notice to be determined by the City at its sole discretion. Upon receipt of such notice, the Consultant will perform no further Services other than the work which is reasonably required to terminate the Services and return the City's

property to the City. Despite any other provision of this agreement, if the City terminates this agreement before the completion of all the Services, the City will pay to the Consultant all amounts owing under this agreement for Services provided by the Consultant up to and including the date of termination, plus reasonable termination costs in the amount as determined by the City in its sole discretion. Upon payment of such amounts no other or additional payment will be owed by the City to the Consultant, and, for certainty, no amount will be owing on account of lost profits relating to the portion of the Services not performed or other profit opportunities.

## **8.2 Termination for Cause**

The City may terminate this agreement for cause as follows:

- (a) If the Consultant is adjudged bankrupt, or makes a general assignment for the benefit of creditors because of its insolvency, or if a receiver is appointed because of its insolvency, the City may, without prejudice to any other right or remedy the City may have, terminate this agreement by giving the Consultant or receiver or trustee in bankruptcy written notice; or
- (b) If the Consultant is in breach of any term or condition of this agreement, and such breach is not remedied to the reasonable satisfaction of the City within 5 days after delivery of written notice from the City to the Consultant, then the City may, without prejudice to any other right or remedy the City may have, terminate this agreement by giving the Consultant further written notice.

If the City terminates this agreement as provided by this Section, then the City may:

- (c) enter into contracts, as it in its sole discretion sees fit, with other persons to complete the Services;
- (d) withhold payment of any amount owing to the Consultant under this agreement for the performance of the Services;
- (e) set-off the total cost of completing the Services incurred by the City against any amounts owing to the Consultant under this agreement, and at the completion of the Services pay to the Consultant any balance remaining; and
- (f) if the total cost to complete the Services exceeds the amount owing to the Consultant, charge the Consultant the balance, which amount the Consultant will forthwith pay.

## **8.3 Curing Defaults**

If the Consultant is in default of any of its obligations under this agreement, then the City may without terminating this agreement, upon 5 days written notice to the Consultant, remedy the default and set-off all costs and expenses of such remedy against any amounts owing to the Consultant. Nothing in this agreement will be interpreted or construed to mean that the City has any duty or obligation to remedy any default of the Consultant.

## **9. APPLICABLE LAWS, BUILDING CODES AND BY-LAWS**

### **9.1 Applicable Laws**

This agreement will be governed by and construed in accordance with the laws of the Province of British Columbia. The City and the Consultant accept the jurisdiction of the courts of British Columbia and agree that any action under this agreement be brought in such courts.

The Consultant will provide the Services in full compliance with all applicable laws, building codes and regulations.

## **9.3 Interpretation of Codes**

The Consultant will, as a qualified and experienced professional, interpret applicable codes, laws and regulations applicable to the performance of the Services. If an authority having jurisdiction imposes an interpretation which the Consultant could not reasonably have verified or foreseen prior to entering into this agreement, then the City will pay the additional costs, if any, of making alterations so as to conform to the required interpretation.

## **10. CONFIDENTIALITY AND DISCLOSURE OF INFORMATION**

### **10.1 No Disclosure**

Except as provided for by law or otherwise by this agreement, the Consultant will keep strictly confidential any information supplied to, obtained by, or which comes to the knowledge of the Consultant as a result of the performance of the Services and this agreement, and will not, without the prior express written consent of the City, publish, release, disclose or permit to be disclosed any such information to any person or corporation, either before, during or after termination of this agreement, except as reasonably required to complete the Services.

### **10.2 Freedom of Information and Protection of Privacy Act**

## **12. WORKERS' COMPENSATION BOARD AND OCCUPATIONAL HEALTH AND SAFETY**

12.1 The Consultant agrees that it shall, at its own expense, procure and carry, or cause to be procured, carried and paid for, full Workers' Compensation Board coverage for itself and all workers, employees, servants and others engaged in or upon any work or service which is the subject of this agreement. The Consultant agrees that the City has the unfettered right to set off the amount of the unpaid premiums and assessments for the Workers'

Compensation Board coverage against any monies owing by the City to the Consultant. The City will have the right to withhold payment under this agreement until the Workers' Compensation Board premiums, assessments or penalties in respect of the Services have been paid in full.

- 12.2 The Consultant will provide the City with the Consultant's Workers' Compensation Board registration number and a letter from the Workers' Compensation Board confirming that the Consultant is registered in good standing with the Workers' Compensation Board and that all assessments have been paid to the date thereof prior to the City having any obligations to pay monies under this agreement.
- 12.3 The Consultant agrees that it is the prime contractor for the Services as defined in the *Workers Compensation Act*, R.S.B.C. 1996, c. 492 as amended and will ensure compliance with the *Workers Compensation Act* and Regulations in respect of the workplace. Without limiting its responsibilities under the legislation, the Consultant will coordinate the activities of employers, workers and other persons at the workplace relating to occupational health and safety. The Consultant will have a safety program in place that meets the requirements of the Workers' Compensation Board Occupational Health and Safety Regulation and the *Workers Compensation Act*. As prime contractor, the Consultant will be responsible for appointing a qualified coordinator for insuring the health and safety activities for the location of the Services. That person will be the person so identified in Appendix 4 of this agreement, and the Consultant will advise the City immediately in writing if the name or contact number of the qualified coordinator changes.
- 12.4 Without limiting the generality of any other indemnities granted by the Consultant in this agreement, the Consultant shall indemnify and save harmless the Indemnitees from and against all claims, demands, causes of action, suits, losses, damages, costs, liabilities, expenses, judgements, penalties and proceedings (including all actual legal costs) which any of the Indemnitees incur, suffer or are put to arising out of or in any way related to unpaid Workers' Compensation Board assessments owing from any person or corporation engaged in the performance of this agreement or arising out of or in any way related to the failure to observe safety rules, regulations and practices of the Workers' Compensation Board, including penalties levied by the Workers' Compensation Board.
- 12.5 The Consultant will ensure compliance with and conform to all health and safety laws, by-laws or regulations of the Province of British Columbia, including without limitation the *Workers Compensations Act* and Regulations pursuant thereto.
- 12.6 The City may, on twenty-four (24) hours written notice to the Consultant, install devices or rectify any conditions creating an immediate hazard existing that would be likely to result in injury to any person. However, in no case will the City be responsible to ascertaining or discovering, through inspections or review of the operations of the Consultant or otherwise, any deficiency or immediate hazard.

### **13. BUSINESS LICENSE**

- 13.1 The Consultant will obtain and maintain throughout the term of this agreement a valid City of Surrey business license.

## **14. DISPUTE RESOLUTION**

If the parties fail to agree on the appointment of the mediator, then either party may apply to the British Columbia International Commercial Arbitration Centre for appointment of a mediator. The parties will continue to negotiate in good faith to resolve the Dispute with the assistance of the mediator. The place of mediation will be Surrey, British Columbia. Each party will equally bear the costs of the mediator and other out-of-pocket costs, and each party will bear its own costs of participating in the mediation.

(c) Litigation

If within 90 days of the request for mediation the Dispute is not settled, or if the mediator advises that there is no reasonable possibility of the parties reaching a negotiated resolution, then either party may without further notice commence litigation.

## **15. JURISDICTION AND COUNCIL NON-APPROPRIATION**

15.1 Nothing in this agreement limits or abrogates, or will be deemed to limit or abrogate, the jurisdiction of the Council of the City in the exercise of its powers, rights or obligations under any public or private statute, regulation or by-law or other enactment.

The City will annually make bonafide requests for appropriation of sufficient funds to cover all payments covered by this agreement. If City Council does not appropriate funds, or appropriates insufficient funds, the City will notify the Consultant of its intention to terminate or reduce the services so affected within 30 days after the non-appropriation becomes final. Such termination shall take effect 30 days from the date of notification, shall not constitute an event of default and shall relieve the City, its officers and employees, from any responsibility or liability for the payment of any further amounts under this agreement.
