QUESTIONS

Q1. Referencing Section B-3, Time Schedule can you please explain what you are looking for in a schedule?

A1. The estimated time schedule should consist of the time it would take to mobilize and have the trained staff including all equipment and materials in place if awarded this contract.

Q2. Referencing Section B-2 Fees and Payment, snow removal service you are asking for a cost per service to be provided. It is impossible to provide a cost per service unless the conditions are known. Will there be a specific depth of snow accumulation that service will be automatic or are we to decide that and reference in our price? Also are clearing of sidewalks included in the price to be given? Also should sidewalks be included in the price for Ice control? If so what sidewalks are to be included for each site?

A2. The cost per service is a per site visit cost as stated in the RFQ.

Q3. Referencing Section B-3 Fees and Payment, in the Payment Terms chart you are asking for an hourly rate for equipment. When will these rates be used and when will the Cost per Service prices in the previous charts be used?

A3. The equipment hourly rate is for work completed above and beyond the original scope of work.

END OF ADDENDUM

All Addenda will become part of the RFQ Documents.
