## REQUEST FOR QUOTATIONS

### 1. INTRODUCTION

The City of Surrey (the "City") invites contractors to provide a quotation on the form attached as Schedule C (the "Quotation") for the supply of the goods (if any) and services described in Schedule A (the "Work"). The description of the Work sets out the minimum requirements of the City. A person that submits a Quotation (the "Contractor") should prepare a Quotation that meets the minimum requirements, and may as it may choose, in addition, to also include goods, services or terms that exceed the minimum requirements.

### 2. ADDRESS FOR DELIVERY

A Quotation should be labelled with the Contractor's name, RFQ title and number. A Quotation should be submitted in the form attached to this RFQ as Schedule C – Form of Quotation.

The Contractor may submit a Quotation either by email or in a hard copy, as follows:

(a) Email

If the Contractor chooses to submit by email, the Contractor should submit the Quotation electronically in a single pdf file to the City by email at: [purchasing@surrey.ca](mailto:purchasing@surrey.ca).

PDF emailed Quotations are preferred and the City will confirm receipt of emails. Note that the maximum file size the City can receive is 10Mb. If sending large email attachments, Contractors should phone to confirm receipt. A Contractor bears all risk that the City's equipment functions properly so that the City receives the Quotation.

(b) Hard Copy

If the Contractor chooses NOT to submit by email, the Contractor should submit one original unbound Quotation and two (2) copies (three (3) in total) which should be delivered to the City at the office of:

Name: Richard D. Oppelt  
Purchasing Manager  
at the following location:

Address: Surrey City Hall  
Finance & Technology Department – Purchasing Section  
Reception Counter 5<sup>th</sup> Floor West  
13450 – 104<sup>th</sup> Avenue,  
Surrey, B.C., V3T1V8, Canada

### 3. DATE

The City would prefer to receive Quotations on or before **February 16, 2017**. The City's office hours are 8:30 a.m. to 4:00 p.m., Monday to Friday, except statutory holidays.

#### **4. INQUIRIES**

All inquiries related to this Request for Quotations ("RFQ") should be directed in writing to:

Name: Richard D. Oppelt, Purchasing Manager

Email: [purchasing@surrey.ca](mailto:purchasing@surrey.ca)

Reference: **1220-040-2017-027**

#### **5. ADDENDA**

If the City determines that an amendment is required to this RFQ, the City's Representative will issue a written addendum by posting it on the BC Bid Website at [www.bcbid.gov.bc.ca](http://www.bcbid.gov.bc.ca) (the "BC Bid Website") and the City Website at [www.surrey.ca](http://www.surrey.ca) (the "City Website") that will form a part of this RFQ. It is the responsibility of Contractor to check the BC Bid Website and the City Website for addenda. The only way this RFQ may be added to, or amended in any way, is by a formal written addendum. No other communication, whether written or oral, from any person will affect or modify the terms of this RFQ or may be relied upon by any Contractor. By delivery of a Quotation, the Contractor is deemed to have received, accepted and understood the entire RFQ, including any and all addenda.

#### **6. NO CONTRACT**

This RFQ is simply an invitation for quotations (including prices and terms) for the convenience of all parties. It is not a tender and no obligations of any kind will arise from this RFQ or the submission of Quotations. The City may negotiate changes to any terms of a Quotation, including terms in Schedule A, Schedule B and Schedule C and including prices, and may negotiate with one or more Contractors or may at any time invite or permit the submission of quotations (including prices and terms) from other parties who have not submitted Quotations.

#### **7. ACCEPTANCE**

A Quotation will be an offer to the City which the City may accept at any time by signing the copy of the Quotation and delivering it to the Contractor. A Quotation is not accepted by the City unless and until both the authorized signatory of the Contractor and the authorized signatory of the City have signed. Delivery of the signed Agreement by the City may be by fax, pdf e-mail or hard copy. In that event, the contract will be comprised of the documents included in the definition of Agreement in Schedule B – Draft Contract – Minor Works.

#### **8. CONTRACTOR'S EXPENSES**

Contractors are solely responsible for their own expenses in preparing and submitting Quotations, and for any meetings, negotiations or discussions with the City or its representatives and consultants, relating to or arising from the RFQ. The City will not be liable to any Contractor for any claims, whether for costs, expenses, losses or damages, or loss of anticipated profits, incurred by the Contractor in preparing and submitting a Quotation, or participating in negotiations for a contract, or other activity related to or arising out of this RFQ.

## **9. CONTRACTOR'S QUALIFICATIONS**

By submitting a Quotation, a Contractor represents that it has the expertise, qualifications, resources, and relevant experience with the requirements of the Work. Tradesmen engaged in the performance of the Work shall be qualified in accordance with the requirements of the *Tradesman Qualification Act* and all pertinent licensing requirements required by the Ministry of Municipal Affairs.

## **10. CONFLICT OF INTEREST**

A Contractor must disclose in its Quotation any actual or potential conflicts of interest and existing business relationships it may have with the City, its elected or appointed officials or employees. The City may rely on such disclosure.

## **11. SOLICITATION OF COUNCIL MEMBERS, CITY STAFF AND CITY CONSULTANTS**

Contractors and their agents will not contact any member of the City Council, City staff or City consultants with respect to this RFQ, other than the contact person named in Section 4, at any time prior to the award of a contract or the cancellation of this RFQ.

## **12. CONFIDENTIALITY**

All Quotations become the property of the City and will not be returned to the Contractor. All Quotations will be held in confidence by the City unless otherwise required by law. Contractors should be aware the City is a "public body" defined by and subject to the Freedom of Information and Protection of Privacy Act of British Columbia.

## **13. SIGNATURE**

The legal name of the person or firm submitting the Quotation should be inserted in the Quotation. The Quotation should be signed by a person authorized to sign on behalf of the Contractor and include the following:

- (a) If the Contractor is a corporation then the full name of the corporation should be included, together with the names of authorized signatories. The Quotation should be executed by all of the authorized signatories or by one or more of them provided that a copy of the corporate resolution authorizing those persons to execute the Quotation on behalf of the corporation is submitted;
- (b) If the Contractor is a partnership or joint venture then the name of the partnership or joint venture and the name of each partner or joint venturer should be included, and each partner or joint venturer should sign personally (or, if one or more person(s) have signing authority for the partnership or joint venture, the partnership or joint venture should provide evidence to the satisfaction of the City that the person(s) signing have signing authority for the partnership or joint venture). If a partner or joint venturer is a corporation then such corporation should sign as indicated in subsection (a) above; or
- (c) If the Contractor is an individual, including a sole proprietorship, the name of the individual should be included.

#### 14. INFORMATION MEETING

A mandatory information meeting will be hosted by the City Representative to discuss the City's requirements under this RFQ (the "Information Meeting"). For clarity, submissions from Contractors who do not attend the information meeting will not be accepted.

At the time of issuance of this RFQ two meetings have been scheduled as follows:

**Date:** **Wednesday, February 8, 2017**

**Time:** **9:30 AM**

**Location:** Surrey RCMP District 1 Office – 10720 King George Boulevard  
(meet at front entrance).

**Date:** **Wednesday, February 8, 2017**

**Time:** **10:30 AM**

**Location:** Surrey RCMP District 2 Office – 10395 -148 Street  
(meet at front entrance)

Contractors are to examine the sites prior to submitting a Quotation to fully acquaint themselves with all existing conditions reasonably inferable from examination of the site and its surroundings and the RFQ and to make allowance for such conditions in the Quotation. By submitting a Quotation, a Contractor represents that it has examined the site fully as to all conditions, contingencies, risks and circumstances, local or otherwise, which might influence or affect the performance or the cost of the work, including but not limited to: location of the work, location of buildings on the site, adjacent properties, Contractor occupancy during the work, access and all other conditions that a competent Contractor experienced in work similar to the work would consider and take into account, and is further deemed to have included in the contract price all costs occasioned thereby.

#### 15. SECURITY CLEARANCE, PERMITS, FEES, LICENSES, LAWS, NOTICES

All officers, employees and agents of the Contractor or of a Sub-Contractor employed or contracted by the Contractor will require an R.C.M.P. Security Check before being allowed to perform work on the property. Contractor employees will need to meet R.C.M.P. suitability standards and will be required to clear a personal Criminal History Check. All workers will require facility access 2 clearances. The Contractor is responsible for the cost of the R.C.M.P. Security check. Proof and results of the check must be provided to the City before work commences under a contract. The Contractor shall also apply for and pay for all necessary permits or licenses required for the execution of the work.

1. RCMP reliability security clearance for contractor's site superintendent and an alternate;
2. Facility access clearance for sub-contractors.

## **SCHEDULE A – SCOPE OF WORK AND DRAWINGS**

**PROJECT TITLE: Surrey RCMP District 1 & 2 Reception Renovations**

**PROJECT No.: 1220-040-2017-027**

### **1. DESCRIPTION OF SCOPE OF WORK**

The Contractor will provide all labour, supervision, materials, equipment, layout, survey, permits (except for building permit – which City will obtain), and inspections, and related services to Surrey RCMP District 1 Community Police Office and Surrey RCMP District 2 Community Police Office reception area improvements, furnish certificates confirming work conforms to requirements of Authorities having jurisdiction.

The general component of Work includes, but not limited to, upgrades to front entry reception and lobby and related works.

Renovations are to be phased so that District 1 is completed before work proceeds at District 2.

In the interest of limiting disruption to operations, millwork components are to be fabricated off-site for efficient installation on site.

Place of Work location is

District 1 (City Centre) – 10720 King George Boulevard, Surrey, B.C.

District 2 (Guildford) – 10395 - 148 Street, Surrey, B.C.

Furnish certificates confirming work conforms to requirements of authorities having jurisdiction.

The detailed scope of work is as described on the Drawings (listed below), Special Provisions (Schedule B – Appendix 1), and Supplementary Specifications (Project) (Schedule B - Appendix 2).

The lack of and/or omission of detailed specifications does not minimize the acceptable levels of service and only the best commercial practices are acceptable.

Contractor to comply with all BC Plumbing Code, BC Fire Marshal, BC Workers' Compensation Board, National Building Code of Canada, BC Boiler Inspector, BC Electrical Inspector, National Fire Protection Association, and any other authorities having local jurisdiction. Failure to abide by these rules and regulations will result in being immediately escorted from the work site.

## **2. THE WORK – START/COMPLETION DATES**

- 2.1 The Contractor will perform all Work and provide all labour, equipment and material and do all things strictly as required by the Contract Documents, including without limitation the scope of work and drawings specified in Appendix [B], a future Appendix and Appendix [ ], a future Appendix
- 2.2 The Contractor will commence the Work within 5 working days of contract award (Contingent on building permit issuance). The Contractor will proceed with the Work diligently, will perform the Work generally in accordance with the Construction Schedule as set out in Appendix [B], a future Appendix as required by the Contract Documents and will achieve Substantial Performance of the Work within 12 weeks of start of construction subject to the provisions of the Contract Documents for adjustments to the Contract Time.
- 2.3 Time shall be of the essence of the Contract.

## **3. CONTRACT DOCUMENTS**

- 3.1 All of the Contract Documents shall constitute the entire Contract between the City and the Contractor.
- 3.2 The Contract supersedes all prior negotiations, representations or agreements, whether written or oral, and the Contract may be amended only in strict accordance with the provisions of the Contract Documents.
- 3.3 If there is any inconsistency or conflict between the provisions of the Contract Documents, then the Contract Documents shall govern and take precedence in the following order with this Contract taking precedence over all other Contract Documents:
  - (a) Contract;

- (b) Addenda (if any);
- (c) Departmental Construction Standards (if any);
- (d) Specifications;
- (e) Drawings; and
- (f) all other Contract Documents.

#### 4. CONTRACT PRICE

- 4.1 The Contract Price for the Work shall be the sum of <<insert figures here>> dollars, plus goods and services tax in the amount of <<insert figures here>> dollars, for a total Contract Price of <<insert figures here>> dollars in Canadian funds (the "Contract Price") plus any adjustments approved by the City, including any payments owing on account of Change Orders and agreed to Extra Work, approved in accordance with the provisions of the Contract Documents.
- 4.2 The Contract Price shall be the entire compensation due to the Contractor for the Work and this compensation shall cover and include all profit and all costs of supervision, labour, material, equipment, overhead, financing, and all other costs and expenses whatsoever incurred in performing the Work. The Contract Price is a firm fixed price.

#### 5. HOLDBACKS

- 5.1 The City shall hold back 10%, or other percentage as required by the *Builders Lien Act*, S.BC 1997, c. 45, as amended (the "*Builders Lien Act*"), of any amounts due to the Contractor as a builders lien holdback.
- 5.2 In addition to other holdbacks as provided by the Contract Documents, when considering Substantial Performance, the City may hold back from payments otherwise due to the Contractor 200% of a reasonable estimate, as determined by the City's Representative, on account of deficient or Defective Work already paid for. This holdback may be held, without interest, until such deficiency or defect is remedied. The items of defect or deficiency and the amounts of related holdback shall be listed separately on the invoice.
- 5.3 If after Substantial Performance is achieved the Contractor is unable to complete any of the Work because of climatic or other conditions beyond the Contractor's reasonable control, then the City may hold back from payments otherwise due to the Contractor the amount as estimated by the City's Representative in consultation with the Contractor by which the cost to have others complete the Work exceeds the estimated Contract Price for such Work.
- 5.4 The City may, in addition to other holdbacks as provided by the Contract Documents, hold back an amount equal to any lien which has been filed with respect to the Work, plus 15% as security for costs. The City may, at its option, after five (5) days written notice to the Contractor, pay such amount into court to discharge the lien. If the lien is discharged without payment of the holdback into court, then the City shall pay such holdback to the Contractor, without interest.
- 5.5 **Holdback period of 55 days will follow the date of substantial performance.** The City will perform a court registry search on the 46th day, on a best effort basis.

## 6. INVOICING AND PAYMENT

- 6.1 Subject to applicable legislation, including without limitation the holdbacks referred to in above, and the provisions of the Contract Documents, the City shall make payments to the Contractor thirty (30) days after receipt of any invoice from the Contractor.
- 6.2 The Contractor shall submit invoice(s) for payment to the City, based on the completion of each phase of the Work. Any and all Extra Work as approved by the City, must be clearly identified and quantified on a separate invoice(s).
- 6.3 The invoice(s) submitted for the completion of each project phase shall be clearly itemized to the details of the phase completed or the amount of Work performed, the billing rates, show an invoice number, contractor's name, address, telephone number, reference the City's purchase order number or name and location of employee, and in an itemized manner the amount due for each phase completed, tax (if any) and a grand total. The grand total will be subject to holdbacks.
- 6.4 The payment by the City of any monthly or other payment shall not bind the City with respect to any subsequent payment or the final progress payment, but shall be taken as approximate only, and shall not mean, or be construed to mean, that the City has accepted Work that is not in accordance with the requirements of the Contract Documents, or that the Contractor is in any manner released from its obligation to comply with the Contract Documents.
- 6.5 For earlier payment, the Contractor can offer a cash discount. All payment cheques are mailed.

Invoices will be submitted by the Contractor by mail or email to the payment certifier, as defined in article 6.6:

Name: Chernoff Thompson Architects  
Address: 1340-1075 West Georgia Street,  
Vancouver, B.C., Canada, V6E 3C9

Email: [rand.t@cta.bc.ca](mailto:rand.t@cta.bc.ca)

- Submit only invoices to this address.
- Submit any supporting documents to your City of Surrey business contact.
- Don't send duplicate hard copy or soft-copy invoices in any manner. Should a need arise to submit an invoice copy, ensure it is clearly labeled COPY.
- Incomplete invoices will be returned.

### 6.6 Payment Certifier

The Payment Certifier is Chernoff Thompson Architects, Rand Thompson, MAIBC, 1340 -1075 West Georgia Street, Vancouver, B.C. Telephone: 604-669-9460 Fax: 604-683-7684 E-mail: [rand.t@cta.bc.ca](mailto:rand.t@cta.bc.ca). The City's instructions regarding application for payment(s) will be forwarded to the Contractor through the Contract Administrator.

## **7. PERFORMANCE OF THE WORK**

- 7.1 The Contractor will perform and provide all labour, services and other acts, and provide all equipment, machinery, water, heat, power, and facilities required for performance of the Work.
- 7.2 The Contractor will not proceed with any work that is not part of the Work, except in accordance with the Contract.
- 7.3 The Contractor will apply for and pay for all necessary permits and licenses and pay all fees required for the performance of the Work.

## **8. CHANGES**

- 8.1 The City may, without invalidating the Contract, change the Work by adding to or deducting from the Work in which event the Construction Schedule will be adjusted.
- 8.2 The Contractor will not proceed with any Change without a written Change Order signed by the City.
- 8.3 The Contractor's overhead and profit will not be allowed on Change Orders paid for from allowances specified in the Contract.
- 8.4 The value of a change in the Work shall be determined by one or more of the following methods as selected by the Consultant in consultation with the City.
  - (a) by estimate and acceptance in a lump sum;
  - (b) by unit prices set out in the Contract or subsequently agreed upon;
  - (c) by actual cost and an allowance for overhead and profit as follows:
    - (1) Contractor's overhead and profit on expenditures from allowances, including Extra Work paid for from the contingency allowance, shall be included in the Contract Price.
    - (2) For changes in the Work not covered by a contingency allowance, the Contractor's overhead and profit shall be a maximum of ten percent (10%) of the actual cost of Work performed directly by the Contractor for a Change or part thereof.
    - (3) The Contractor will be entitled to charge a mark-up for overhead and profit equal to a maximum of five percent (5%) of the actual cost of work performed directly by a subcontractor a change or part thereof, provided, however, that where the subcontractor is a wholly owned subsidiary of the Contractor no mark-up for overhead and profit whatsoever shall be charged by the Contractor or paid by the City.
    - (4) The subcontractor's allowance for overhead and profit for a change shall be limited to a maximum of five percent (5%) of the actual cost of the Work performed by the subcontractor.
    - (5) Where the change involves the substitution of one type of product for another the actual cost of the Change, whether credit or extra, shall be the net difference in the actual cost.
    - (6) For avoidance of doubt, the Contractor's hourly labour rates stated in **Appendix [ ]**, a future Appendix will be applicable to changes in Work without any mark-up.

## **9. SITE CONDITIONS**

9.1 The Contractor acknowledges and agrees that:

- (a) it has had the opportunity to undertake additional examinations or subsurface investigations, or both, of the Place of Work, including any buildings or structures involved with the Work, in order to satisfy itself as to site conditions, including subsurface conditions and the impact they could have on the Work and the Contract; and
- (b) it is not entitled to any adjustment in the Contract, or to any other remuneration or damages whatsoever, in any way connected with the site conditions at the Place of Work, including subsurface conditions.

## **10. DOCUMENTS**

10.1 The Contractor will keep one copy of the Contract, including the schedules and all Drawings, specifications and shop drawings, at the Place of Work in good order and available for review by the City's Representative, and deliver a complete set to the City upon Substantial Performance of the Work.

10.2 The Contractor agrees that the City is hereby granted an unconditional and irrevocable perpetual license to reproduce and use, in whole or in part, and for any purpose or other project or work the City desires, all matters contained in or set out in the Contract including all drawings and specifications and all models furnished by the Contractor, and the Contractor agrees that the license granted by this section comprises the copyright, industrial design, trademark and all other intellectual property therein.

## **11. TIME**

11.1 The Contractor will proceed diligently and complete the Work in a good and workmanlike manner and strictly in accordance with the Construction Schedule.

11.2 If the Contractor is delayed in the performance of the Work by any act or neglect of the City, the Construction Schedule will be extended for such time as may be agreed by the City and the Contractor, acting reasonably.

11.3 The Contractor will, as required by the City, provide or up-date the Construction Schedule, showing the anticipated start and completion dates and durations of the major elements of the Work. Failure or refusal to provide a Construction Schedule or up-date will be a default.

11.4 Time is of the essence of the Contract.

## **12. TAXES AND DUTIES**

12.1 The Contractor will pay all taxes, custom duties and other charges relating to the Work, and the supply and installation of all materials and equipment included in the Work.

12.2 Where an exemption of taxes, custom duties or other charges is applicable to the Contract by way of the Contractor filing claims for, or cooperating fully with the City and the proper authorities in seeking to obtain such refunds, the Contractor will make such applications and provide such cooperation. Refunds that are properly due to the City and have been recovered by the Contractor will be promptly refunded to the City.

### **13. BUILDER'S LIENS**

- 13.1 The Contractor will immediately take steps to keep the Place of Work free of any builder's liens and certificates of pending litigation and the Contractor will defend and indemnify the City from any builder's lien or certificate of pending litigation filed as a result of the Work. The Contractor will pay all costs and expenses including actual legal costs incurred by the City as a result of any builder's lien or certificate of pending litigation related to the Work.

### **14. CITY DIRECTIONS**

- 14.1 The Contractor will in all respects complete the Work in accordance with the City's requirements and standards and to the satisfaction of the City.
- 14.2 The City's Representative may at any time and from time to time inspect the Work.
- 14.3 The Contractor will comply with all directions from the City relating to the coordination of the Work with the activities of the City or with other contractors hired by the City, should there be any.
- 14.4 The Contractor will have total control of the Work and will be solely responsible for ensuring the Work is in accordance with the requirements of the Contract.

### **15. INSPECTIONS**

- 15.1 The Contractor will retain one or more independent contractors with the relevant professional education, skill and experience, to carry out and report upon all testing and other inspection activities necessary to confirm the Work is in accordance with the requirements of the Contract. The Contractor will promptly provide copies of such reports to the City's Representative.
- 15.2 If Work is designated for tests, inspections or approvals by authorized agencies, the Contractor will give the City's Representative reasonable notice of when the Work will be ready for review and inspection.

### **16. USE OF PLACE OF WORK**

- 16.1 The Contractor will confine its tools, machinery, equipment and materials to limits as may be established by the City's Representative, acting reasonably.
- 16.2 The Contractor will maintain the Place of Work in a tidy condition and free from the accumulation of waste products and debris, other than that caused by the City or the occupier of the Work or Place of Work.
- 16.3 Prior to application for the Certificate of Total Performance, the Contractor will remove all surplus products, tools, machinery and equipment, and any waste and debris, and leave the Place of Work clean and suitable for occupancy by the City.
- 16.4 The Contractor will not have exclusive use of the Place of Work, and will undertake the Work in cooperation with the City, and other users of the Place of Work as the City may permit or direct.

- 16.5 The Contractor will protect the property adjacent to the Place of Work from damage and will hold the City harmless from any claims which may arise as a result of the Contractor's operations under the Contract, or from failure to provide such protection, or both.
- 16.6 The Contractor will protect the Work, the Place of Work, the City's property from damage and will be responsible for any damage which may arise as a result of operations under the Contract, except damage which occurs as a result of actions of the City.
- 16.7 Should any damage occur to the Work, the Place of Work, or the City's property, or all of the aforementioned, for which the Contractor is responsible, the Contractor will:
- (a) make good such damage to the Work, and
  - (b) if the City so directs, make good such damage to the City's property, and the Construction Schedule will be extended for such time as may be agreed by the City and the Contractor, acting reasonably.
- 16.8 The City or the occupier of the Work or Place of Work may take possession of and use any completed portion of the Work regardless of the time for completion of the Work. Such possession or use will not be construed as final acceptance of the Work or portion.

## **17. PERSONNEL**

- 17.1 Superintendent: The Contractor shall employ a competent senior representative at the Place of Work (the "Superintendent") who shall have the responsibility to ensure that the Work is performed in compliance with the Contract Documents. The Contractor shall also employ necessary assistants for the Superintendent and the Superintendent and assistants shall be in attendance at the Place of Work while Work is being performed.
- 17.2 The Superintendent shall represent the Contractor at the Place of Work and instruction given to the Superintendent by the City Representative shall be held to have been given to the Contractor.
- 17.3 If the competence or performance of the Superintendent is not satisfactory to the City Representative then, on written request from the City Representative, the Contractor shall provide a satisfactory replacement. The Contractor shall not change the Superintendent without the consent of the City Representative, such consent not to be unreasonably withheld.
- 17.4 Workers: The Contractor shall maintain good order and discipline among the Contractor's employees and the subcontractors engaged in the Work. The Contractor shall not employ, or permit subcontractors to employ, workers who are not skilled in the assigned task. The Contractor shall employ sufficient workers to perform the Work in compliance with the Construction Schedule.

## **18. CODES AND REGULATIONS**

- 18.1 The Contractor will perform the Work in full compliance with all applicable federal, provincial and municipal enactments, codes and regulations.

## **19. CONTRACTOR'S WARRANTY**

- 19.1 The Contractor represents, warrants and guarantees to the City that:
- (a) the Work will, in all respects, be constructed in a good and workmanlike manner;
  - (b) the Work will be constructed in accordance with all applicable laws in effect at the date of the Contract and in accordance with the best current and prevailing industry practices;
  - (c) the Work will be supplied, procured, fabricated, installed, constructed and completed in accordance with all requirements of the Contract;
  - (d) all Work will be free from defects or deficiencies arising from faulty construction, faulty material, faulty equipment, faulty installation or faulty workmanship;
  - (e) the Work as constructed will be fit for the purpose intended;
  - (f) title to all Work and all parts thereof shall be free and clear of all liens, charges, encumbrances and adverse claims whatsoever; and
  - (g) no part of the Work shall constitute an infringement of any patent, trade mark, copyright or other proprietary interest.
- 19.2 The Contractor agrees to correct any deficiency in the Work arising from faulty construction, faulty material, faulty equipment, faulty installation or faulty workmanship, which appear:
- (a) in the case of any roof, in the period of five (5) years after Substantial Performance of the Work;
  - (b) for other Work, excluding Work covered by a warranty greater than twelve (12) months, in the period of twelve (12) months after the date of Substantial Performance of the Work; and
  - (c) for other Work in the period of any warranties.
- 19.3 The Contractor shall undertake all repairs or replacements at times that will minimize interference with the City's operations.
- 19.4 Nothing contained herein limits the rights of the City in relation to recovery for latent deficiencies in the Work or otherwise limits the rights of the City at law or in equity.
- 19.5 The Contractor shall not be relieved of its warranty obligations by reason of inspection, testing or acceptance of the Work or any portion thereof, or the issuance of a Certification of Completion, or a Certificate of Total Performance, or payment to the Contractor of any money under the Contract.

## **20. WAIVERS**

- 20.1 The Contractor's application for the Certification of Completion shall constitute a waiver and release by the Contractor of any and all claims arising out of or relating to the Contract to the date of Substantial Performance. This waiver shall include without limitation those that might arise from the negligence or breach of contract by the City, the City's Representative and their respective employees, agents, officers and contractors, but does not include claims made by the Contractor in writing prior to such application in accordance with the provisions of the Contract Documents and delivered to the City's Representative prior to date of Substantial Performance and still unsettled.
- 20.2 The Contractor's application for the Certificate of Total Performance shall constitute a waiver and release by the Contractor of any and all claims arising out of or relating to the Contract that have arisen between the date of Substantial Performance and the date of the

Certificate of Total Performance. This waiver shall include those that might arise from the negligence or breach of contract by the City, the City's Representative, and their respective employees, agents, officers and contractors, but does not include claims by the Contractor in writing prior to such application in accordance with the provisions of the Contract Documents and delivered to the City's Representative and still unsettled.

## **21. SUBSTANTIAL PERFORMANCE**

21.1 The City or its Consultant will, after receipt of a written application from the Contractor for a Certification of Completion, make an inspection and assessment of the Work and issue a Certification of Completion or if the City decides that Substantial Performance has not been achieved, consult with the Contractor and advise the Contractor of the Work required to achieve Substantial Performance.

21.2 Prior to making application for Substantial Performance of the Work, the Contractor shall submit to the Consultant or Owner the following:

- (a) letters of assurance for professional design and review from those professionals engaged by the Contractor under the provisions of the Contract, including applicable sealed shop drawings;
- (b) all required manufacturer's inspections, certifications, guarantees, warranties as specified in the Contract Documents;
- (c) all maintenance manuals, operating instructions, maintenance and operating tools, replacement parts or materials as specified in the Contract Documents;
- (d) certificates issued by all permit issuing authorities indicating approval of all installations, work and improvements requiring permits;
- (e) certificates issued by all testing, commissioning, cleaning, inspection authorities and associations as applicable or specified in the Contract Documents; and
- (f) all required record Drawings and as built and as-installed documents in the form specified in the Contract Documents, including the as-built Drawings.

If it is impracticable, with reasonable diligence and attention, for the Contractor to have obtained one or more of the items listed above prior to making application for Substantial Performance of the Work, then delivery of such items may be deferred until the date that is 30 days following Substantial Performance of the Work.

21.3 Together with its request or application for the Certificate of Completion of the Work, the Contractor shall provide to the Consultant and the Owner the following:

- (a) a sworn declaration in a form acceptable to the City Representative that all amounts relating to the Work, due and owing as of the end of the month covered by the invoice to third parties including all subcontractors and suppliers, have been paid;
- (b) a current clearance letter from Workers' Compensation Board confirming that the Contractor is in good standing with and that all required remittances and assessments have been made to the Workers' Compensation Board;
- (c) a statement compiling and reconciling all Change Orders and Change Directives; and
- (d) any other documents to be submitted by the Contractor as specified in the Contract Documents or reasonably required by the Consultant or the Owner.

21.4 The City shall pay any builder's lien holdback as required by the *Builders Lien Act*, or on such other date as required by law, but the City may hold back the amounts for any deficiencies or filed builder's liens.

21.5 Chernoff Thompson Architects shall be the payment certifier responsible for payment certification for the Contractor under the *Builders Lien Act*. The Contractor shall be the person responsible for payment certification for all subcontractors, including the subcontractors, as required under the *Builders Lien Act*.

## **22. TOTAL PERFORMANCE**

22.1 Before applying for a Certificate of Total Performance, the Contractor will provide to the City the following:

- (a) complete sets of digital drawings and specifications, in reproducible form, showing the as-built Work;
- (b) complete sets of maintenance manuals for any and all equipment comprised in the Work; and
- (c) the results of quality control testing by the Contractor.

22.2 The Contractor may apply for a Certificate of Total Performance and the procedure and requirements for the issuance of the Certificate of Total Performance shall include the provision by the Contractor of the sworn declaration and Workers' Compensation Board compliance documentation.

## **23. WORKERS' COMPENSATION BOARD AND OCCUPATIONAL HEALTH AND SAFETY**

23.1 The Contractor agrees that it shall, at its own expense, procure and carry, or cause to be procured, carried and paid for, full Workers' Compensation Board coverage for itself and all workers, employees, servants and others engaged in or upon any work or service which is the subject of this Contract. The Contractor agrees that the City has the unfettered right to set off the amount of the unpaid premiums and assessments for the Workers' Compensation Board coverage against any monies owing by the City to the Contractor. The City shall have the right to withhold payment under this Contract until the Workers' Compensation Board premiums, assessments or penalties in respect of the Work done or service performed in fulfilling this Contract have been paid in full.

23.2 The Contractor shall provide the City with the Contractor's Workers' Compensation Board registration number and a letter from the Workers' Compensation Board confirming that the Contractor is registered in good standing with the Workers' Compensation Board and that all assessments have been paid to the date thereof prior to the City having any obligations to pay monies under this Contract.

23.3 Without limiting the generality of any other indemnities granted by the Contractor in this Contract, the Contractor shall indemnify and hold harmless the City, its elected and appointed officials, employees and agents, from all manner of claims, demands, costs, losses, penalties and proceedings (including all actual legal costs) arising out of or in any way related to unpaid Workers' Compensation Board assessments owing from any person or corporation engaged in the performance of this Contract or arising out of or in any way related to the failure to observe safety rules, regulations and practices of the Workers' Compensation Board, including penalties levied by the Workers' Compensation Board.

23.4 The Contractor agrees that it is the prime contractor for the Work as defined in the *Workers Compensation Act*, R.S.B.C. 1996, c. 492 as amended and will ensure compliance with the *Workers Compensation Act* and Regulations in respect of the workplace. Without limiting

its responsibilities under the legislation, the Contractor will coordinate the activities of employers, workers and other persons at the workplace relating to occupational health and safety. The Contractor shall have a safety program acceptable to the Workers' Compensation Board, shall provide first aid services, and shall ensure that all Workers' Compensation Board safety rules and regulations are observed during the performance of this Contract, not only by the Contractor, but by all sub-contractors, workers, material personnel and others engaged by the Contractor in the performance of this Contract. The Prime Contractor shall appoint a qualified coordinator for the purpose of ensuring the coordination of health and safety activities for the workplace. Prior to commencement of Construction, the Contractor shall complete and file a "Construction Notice of Project" with the Workers' Compensation Board and shall provide a copy of the same to the City confirming that the Contractor shall be the prime contractor responsible for coordination of safety and health under Part 3 of the *Workers' Compensation Act* and Part 20 of the WCB Occupational Health and Safety Regulations. That person will be the person so identified in this Contract, and the Contractor will advise the City immediately in writing if the name or contact number of the qualified coordinator changes.

- 23.5 The Contractor will ensure compliance with and conform to all health and safety laws, by-laws or regulations of the Province of British Columbia, including without limitation any regulations requiring installation or adoption of safety devices or appliances.
- 23.6 The Contractor shall fulfill all its duties, obligations, and responsibilities in such a manner that it ensures the safety of the public and in accordance with the safety regulations of the Workers' Compensation Board and shall install signs and barriers as required to ensure the safety of the public and of its employees in the use of the City facilities.
- 23.7 The Contractor understands and undertakes to comply with all the Workers' Compensation Board Occupational Health and Safety Regulations for hazardous materials and substances, and in particular with the "Workplace Hazardous Materials Information System (WHMIS)" Regulations. All "Material Safety Data Sheets (MSDS)" shall be shipped along with the goods, materials, products and any future MSDS updates shall be forwarded.

## **24. INSURANCE**

- 24.1 The Contractor will obtain and carry, in forms and with insurers satisfactory to the City:
- (a) commercial general liability with a limit of five million (\$5,000,000) dollars inclusive per occurrence for bodily injury, death and damage to property. The Contractor shall require all sub-contractors to provide proof of insurance on a certificate of insurance with the same terms as is required by the Contractor. The City reserves the right to review any of the certificates from the Contractor or Sub-contractors.
  - (b) the insurance shall include the Contractor, the City, the project manager, all contractors, subcontractors, suppliers and tradesmen contributing to the Work;
  - (c) the insurance shall preclude subrogation claims by the insurer against anyone insured hereunder;
  - (d) the insurance shall include coverage for:
    - broad form products and completed operations,
    - contractor's protective liability,
    - contractor's contingent liability,
    - blanket written contractual,

- contingent employer's liability,
- personal injury liability,
- non-owned automobile,
- cross liability,
- employees as additional insured's, and
- broad form property damage;

and where such further risk exists:

- shoring, blasting, excavating, underpinning, demolition, removal, pile-driving and caisson work, work below ground surface, tunneling and grading, as applicable, and
  - operation of attached machinery.
- (e) product and completed operations liability insurance, to remain in full force and effect for a period of not less than twelve (12) months following completion of the Work;
- (f) professional errors and omissions insurance in an amount not less two million (\$2,000,000 dollars insuring all professionals providing the Services from liability resulting from errors or omissions in the performance of the Services, with a 12 month maintenance period, for the Contractor's professional contractors and sub-contractors;
- (g) insurance against "all risks" of physical loss or damage, and shall extend to cover all materials, property, structures and equipment while in transit or storage and during construction, erection, installation and testing, but such insurance shall not include coverage for the Contractor's equipment of any description. Such insurance shall be maintained until Substantial Performance of the Work;
- (h) Automobile Liability insurance on all vehicles owned, operated or licensed in the name of the Contractor in an amount not less than less three million (\$3,000,000 dollars;
- (i)
- (j) the insurance will contain a waiver of the insurer's rights of subrogation against all insured

24.2 The Contractor will provide proof of the required insurance coverage prior to commencing the Work. Such proof will be in the form acceptable to the Risk Management Section at the City of Surrey.

24.3 The Contractor acknowledges that any requirement or advice by the City as to the amount of coverage under any policy of insurance will not constitute a representation by the City that the amount required is adequate and the Contractor acknowledges and agrees that it is solely responsible for obtaining and maintaining policies of insurance in adequate amounts.

## **25. INDEMNIFICATION**

25.1 The Contractor shall indemnify and hold harmless the City, its elected officials, its officers, agents and employees (collectively the "Indemnitees") from and against claims, demands, losses, costs, damages, actions, suits or proceedings by third parties that arise out of, or are attributable to, any act or omission or alleged act or omission of the Contractor, the Contractor's agents, employees or subcontractors or suppliers in performance of the Contract.

25.2 The City shall indemnify and hold harmless the Contractor, its agents and employees from and against claims, demands, losses, costs, damages, actions, suits, or proceedings arising out of or which are attributable to a lack of or defect in title or an alleged lack of or defect in title to the Place of Work.

## **26. REJECTED WORK**

26.1 Work that is defective ("Defective Work"), whether the result of poor design, poor workmanship, use of defective materials or damage through carelessness or other acts, and whether incorporated in the Work or not, which has been rejected by the City as failing to conform to the Contract will be removed promptly by the Contractor and replaced and re-executed promptly and properly at the Contractor's expense.

## **27. DEFAULT**

27.1 If the Contractor:

- (a) is adjudged bankrupt, makes a general assignment for the benefit of creditors, or a receiver is appointed on account of its insolvency;
- (b) fails to supply competent supervision, properly skilled workers or proper materials;
- (c) fails to make prompt payment to its contractors, suppliers or workers;
- (d) fails to observe, or breaches the provisions of the Contract;
- (e) fails to remove and replace Defective Work;
- (f) abandons the Work; or
- (g) fails to adhere to the Construction Schedule.

the Contractor is in default of the Contract and the City may give the Contractor written notice to remedy such default. If the Contractor does not commence correction of such default within five (5) business days of receiving such notice and diligently pursue correction of such default, the City may suspend the Work or terminate the Contract, without prejudice to any other right or remedy the City may have.

27.2 The parties agree that if the City terminates the Contract under the conditions set out above, the City shall pay the Contractor:

- (a) for all Work performed, plus reimbursement for expenditures made on account of the remaining Work, but shall not pay for profit and overhead on account of the remaining Work or any additional costs incurred because of the termination.

27.3 If the City terminates the Contract, the City may:

- (a) take possession of the Work and materials, and utilize the Contractor's machinery and equipment at the Place of Work to the extent third party rights are not impaired, and bring the Work to completion by whatever method the City may deem expedient; and
- (b) upon completion of the Work, charge the Contractor the full cost of completing the Work, as certified by the City's Representative, including remedying any deficiencies in the Work.

## **28. CORRECTION BY CITY**

28.1 In addition to the right of termination, if the Contractor fails to comply with a provision of the Contract, including failure to remove and replace Defective Work, the City may, without

prejudice to any other remedy it may have, correct such default and charge the Contractor the full cost of correcting the default.

## **29. DISPUTE RESOLUTION**

- 29.1 The parties will make reasonable efforts to resolve any dispute, claim, or controversy arising out of this agreement or related to this agreement (“Dispute”) using the dispute resolution procedures set out in this section.

### **Negotiation**

The parties will make reasonable efforts to resolve any Dispute by amicable negotiations and will provide frank, candid and timely disclosure of all relevant facts, information and documents to facilitate negotiations.

### **Mediation**

If all or any portion of a Dispute cannot be resolved by good faith negotiations within 30 days, either party may by notice to the other party refer the matter to mediation. Within 7 days of delivery of the notice, the parties will mutually appoint a mediator. If the parties fail to agree on the appointment of the mediator, then either party may apply to the British Columbia International Commercial Arbitration Centre for appointment of a mediator. The parties will continue to negotiate in good faith to resolve the Dispute with the assistance of the mediator. The place of mediation will be Surrey, British Columbia. Each party will equally bear the costs of the mediator and other out-of-pocket costs, and each party will bear its own costs of participating in the mediation.

### **Litigation**

If within 90 days of the request for mediation the Dispute is not settled, or if the mediator advises that there is no reasonable possibility of the parties reaching a negotiated resolution, then either party may without further notice commence litigation.

## **30. ASSIGNMENT AND SUBCONTRACTS**

- 30.1 The Contractor agrees to preserve and protect the rights of the parties under the Contract with respect to Work to be performed under subcontract and to:
- (a) enter into contracts or written agreements with subcontractors to require them to perform their work in accordance with and subject to the terms and conditions of the Contract Documents; and
  - (b) be as fully responsible to the City for acts and omissions of subcontractors and of persons directly or indirectly employed by them as for acts and omissions of persons directly employed by them. The Contractor agrees that he will incorporate the terms and conditions of the Contract Documents into all subcontract agreements entered into with subcontractors.
- 30.2 The Contractor agrees to employ those subcontractors proposed by in writing and accepted by the City at the signing of the Contract. The Contractor shall not, without the written consent of the City, change a subcontractor who has been engaged in accordance with the Contract.

- 30.3 The City may, for reasonable cause, object to the use of a proposed subcontractor and require the Contractor to employ one of the other subcontract tenderers.
- 30.4 In the event that the City requires a Change from a proposed subcontractor, the Contract Price shall be adjusted by the difference in cost and mark-up occasioned by such required Change.
- 30.5 The Contractor shall not be required to employ as a subcontractor a person or firm to whom he may reasonably object.
- 30.6 The Contractor may, upon reasonable request and at its discretion, provide to a subcontractor, information as to the percentage or quantity of the subcontractor's work which has been certified for payment.
- 30.7 Nothing contained in the Contract Documents shall create a contractual relationship between a subcontractor and the City.

**31. NOTICES**

31.1 Any notice, report or other document that either party may be required or may wish to give to the other must be in writing, unless otherwise provided for, and will be deemed to be validly given to and received by the addressee, if delivered personally, on the date of such personal delivery, if delivered by facsimile, on transmission, or it by mail, five calendar days after posting. ### **32. FORCE MAJEURE**

- 32.1 Each party will be excused from performance under this Contract for any period and to the extent that it is prevented from or delayed in performing any obligations pursuant to this Contract, in whole or in part, by any Force Majeure Event. The affected party may invoke this section by promptly notifying the other party in writing of the nature and estimated duration of the suspension of the party's performance. In such event, the affected party will be excused from further performance of obligations so affected for so long as such Force Majeure Event prevails and such party continues to use its best efforts to recommence performance whenever and to whatever extent possible without delay (except that a party is not required by this Section to compromise its position with respect to or settle any labour dispute in order to satisfy its obligations hereunder). For the avoidance of doubt, nothing in this Section will affect the City's right to terminate this Contract for convenience as provided in Section 27.
- 32.2 For the purposes of this Contract, "Force Majeure Event" will mean the occurrence of an event or circumstance beyond the reasonable control of a party, provided that (i) the non-performing party is without fault in causing or preventing such occurrence and (ii) such occurrence cannot be circumvented through the use of commercially reasonable alternative sources, workaround plans or other means. Force Majeure Events will include acts of federal, provincial, local or foreign governmental authorities or courts, war or insurrection, civil commotion, catastrophic events, including without limitation earthquakes, catastrophic weather conditions, pandemics, fires, floods, storms or other elements of nature or acts of God, and labour disturbances that affect the party claiming force majeure.

### **33. LIQUIDATED DAMAGES FOR LATE COMPLETION**

- 33.1 If the Contractor fails to meet the milestone date for Substantial Performance as set out in this Contract as may be adjusted pursuant to the provisions of the Contract Documents, then the City may deduct from any monies owing to the Contractor for the Work:
- (a) as a genuine pre-estimate of the City's increased costs for the Consultant and the City's own staff caused by such delay an amount of \$250.00 per day or pro rata portion for each calendar day that actual substantial performance is achieved after the Substantial Performance milestone date; plus
  - (b) all direct out-of-pocket costs, such as costs for safety, security, or equipment rental, reasonably incurred by the City as a direct result of such delay.

33.2 If the monies owing to the Contractor are less than the total amount owing by the Contractor to the City under (a) and (b) above then any shortfall shall immediately, upon written notice from the City, and upon Substantial Performance, be due and owing by the Contractor to the City.

**35. GENERAL**

35.1 The Contract contains the entire agreement between the City and the Contractor and may not be amended except in writing and signed by both parties.

35.2 All schedules and appendices attached to the Contract will be read and construed as forming part of the Contract.

35.3 The Contract will be interpreted in accordance with the laws of the Province of British Columbia.

35.4 The headings are included in the Contract for convenience only and will not be referred to in interpreting the Contract.

35.5 No consent or waiver by either party to or of any breach or default by the other under the Contract will be effective unless in writing, nor will such consent or waiver be relied on as consent to or waiver of any other breach or default of the same or any other obligation.

35.6 Each party will, at its own expense, execute and deliver all such further agreements and documents and do such acts and things as may be reasonably required to give effect to the Contract.

**IN WITNESS WHEREOF** the parties hereto have executed the Contract on the day and year first above written.

## **SCHEDULE B – APPENDIX 1 SPECIAL PROVISIONS**

### **S.P.1 Definitions**

In these Special Provisions, unless the context otherwise requires,

“Section” means section of the Specifications or the Conditions of Contract.

“Item” means item of Fees and Payments – Schedule C – Form of Quotation.

### **S.P.2 Scope of Work**

The Contractor will provide all labour, materials, equipment and plant and other related services to complete the District 1 and District 2 Office Front Entry Improvements, as noted in the drawings and specifications.

The general components of Work includes, but not limited to, upgrades to front entry reception and lobby and related works

Renovations are to be phased so that District 1 is completed before work proceeds at District 2.

In the interest of limiting disruption to operations, millwork components are to be fabricated off-site for efficient installation on site.

The Work will be undertaken at the Place of Work, as follows:

District 1 (City Centre) – 10720 King George Boulevard, Surrey, B.C.

District 2 (Guildford) – 10395 - 148 Street, Surrey, B.C.

The Contractor is to furnish certificates confirming Work conforms to requirements of authorities having jurisdiction.

The detailed scope of work is as described on the Drawings (listed below), Special Provisions (Schedule B – Appendix 1), and Supplementary Specifications (Project) (Schedule B- Appendix 2).

The lack of and/or omission of detailed specifications does not minimize the acceptable levels of service and only the best commercial practices are acceptable.

Contractor to comply with all BC Plumbing Code, BC Fire Marshal, BC Workers' Compensation Board, National Building Code of Canada, BC Boiler Inspector, BC Electrical Inspector, National Fire Protection Association, and any other authorities having local jurisdiction. Failure to abide by these rules and regulations will result in being immediately escorted from the work site.

### **S.P.3 Consultant**

The Consultant Chernoff Thompson Architects, 1340 - 1075 West Georgia Street, Vancouver, B.C. V6E 3C9 Telephone: 604-669-9460 Fax: 604-683-7684 E-mail: [glenn.p@cta.bc.ca](mailto:glenn.p@cta.bc.ca) represented by Glenn Peters will be the City's representative during the performance of the Work until the Work is complete. The Consultant will advise and consult with the City. The City's instruction(s) to the Contractor may be forwarded through the Consultant.

The Consultant may periodically visit the Work site(s) to become familiar with the progress of the Work, the quality of the Work being provided and to determine if the Work is proceeding in accordance with the Contract Documents.

### **S.P.4 Payment Certifier**

The Payment Certifier is Chernoff Thompson Architects, 1340 - 1075 West Georgia Street, Vancouver, B.C. V6E 3C9 Telephone: 604-669-9460 Fax: 604-683-7684 E-mail: [rand.t@cta.bc.ca](mailto:rand.t@cta.bc.ca), represented by: Rand Thompson, MAIBC, Partner-In-Charge.

### **S.P.5 Project Manager**

The Project Manager is Chernoff Thompson Architects, 1340 - 1075 West Georgia Street, Vancouver, B.C. V6E 3C9 Telephone: 604-669-9460 Fax: 604-683-7684 E-mail: [glenn.p@cta.bc.ca](mailto:glenn.p@cta.bc.ca) represented by: Glenn Peters.

### **S.P.6 Schedule of Prices**

This Contract is a combination of unit prices and lump sums.

Any Work item that is not implicitly described, or inferred, as being included in any regular item or optional item in the Schedule of Prices shall be included in the lump sum price proposed for 'Miscellaneous Work'.

For unit price items, the number of units for each item (i.e., quantities) as listed in the Schedule of Prices has been estimated. Actual quantities will vary. Payment will be made based on the measurement of the actual quantity of Work incorporated into the Contract.

The unit prices for each item will be applicable regardless of the variation in the actual quantity as compared to the estimated quantity. No adjustment to the unit price will be considered as a result of such variation.

Each project location is to be quoted separately.

### **S.P.7 Coordination**

The Contractor will be responsible for coordinating with other contractors City forces, outside agencies and others as required throughout the Contract. While it is not an all-inclusive list of potential coordination requirements, the following list of know activities that the Contractor should be aware of when planning for coordination:

### Other contractors

The Contractor will be required to coordinate their schedule and work program with the following construction activities, which will be tendered to other contractors by the City and will be construction concurrent with the Contract.

“NONE”

### **S.P.8 Availability of Place of Work**

The Place of Work is available for the immediate commencement of the Work. The anticipated start date is 5 working days after award of contract. The Contractor will schedule the Work accordingly.

### **S.P.9 Quality Assurance**

Work covered shall be performed by a Contractor experienced in phased construction and rehabilitation of a similar nature and scope. Subject to approval of the City, the Contractor may subcontract any work to be performed under this Contract. However, the election to subcontract work shall not relieve the Contractor from responsibility or liability which it has assumed under this Contract and the Contractor shall remain liable to the same extent that its liability would attach, as if the Work had been performed by the Contractor's own employees.

All materials and hardware to be supplied by the Contractor, which are not specifically described herein, shall be of suitable construction, composition and quality to achieve their intended function.

### **S.P.10 Job Conditions**

The Contractor shall be familiar with the project location and how the existing conditions will affect their work. This is so that no misunderstanding may arise afterwards as to the character or as to the extent of the work to be done; likewise, in order to advise and acquaint themselves with all precautions to be taken in order to avoid injury to person or property of another. No additional compensation will be granted because of any unusual difficulties or City's special requests that may be encountered in the execution of any portion of the work.

### **S.P.11 Environmental Protection**

The Contractor warrants that it will not produce or discharge in any manner or form, directly or indirectly, chemicals or toxic substances into the environment and that all equipment used will not pose a hazard to, or harm or adversely affect anyone coming into contact with it and covenants and agrees to provide the City with an environmental plan (where applicable), acceptable to the City, which plan shall outline the procedures to be followed by the Contractor to prevent the production or discharge of chemicals or toxic substances into the environment and the actions to be taken should the discharge occur.

The Contractor will be responsible to take all necessary measures to comply with the requirements of the Federal and Provincial environmental protection agencies, City

by-laws, the *Waste Management Act*, R.S.B.C. 1996, c. 482, as amended and any other applicable acts and regulations in respect to air, earth and water pollutants.

The Contractor will report to the City immediately if any hazardous or toxic materials are found or discovered. Such materials are to be left untouched and the area is to be marked and cordoned off to prevent any access to the workers and the public.

### **S.P.12 Safety**

The Contractor shall be solely responsible for construction safety at the Place of Work as and to the extent required by applicable construction safety legislation, regulations and codes, including *Workers Compensation Act* and applicable regulations, and by good construction practice.

Safety – Fall Protection - The Contractor and any trade contractor shall include for all fall protection equipment and requirements necessary to complete scope of Work in a safe manner and in compliance with the site safety plan, which includes: Fall protection must be worn when working at a height over 6 ft. or as the hazards present necessity.

Safety – On-Site Hazards and Utilities Present – Before commencing any Work at the Place of Work, the Contractor is to make themselves aware of any and all on-site hazards including but not limited to underground and overhead utilities near to the Work area and to take every precaution necessary to eliminate any risk that may exist. If an on-site hazard exists that is causing or may cause injury to any person(s), the Contractor is to take immediate action to mitigate risk and damage, and then notify the City and the City's consultant (if any).

### **S.P.13 Traffic Control**

The Contractor shall at all times ensure that safety of the public (vehicular and pedestrian traffic) and its employees while carrying out upgrades to front entry reception and lobby and related works at District 1 and District 2 Community Police Offices.

Whenever such works are carried out, the Contractor at his expense, is to provide:

- all necessary signs, materials, barricades, and other warning devices;
- qualified and trained Traffic Control Personnel for traffic flagging services; and,
- in some cases, equipment such as flashing arrow boards, cones, etc.

These are specified in accordance with the Province of British Columbia, Ministry of Transportation & Highways' General Specifications for Highway Jurisdiction, Section 194 (Appendix A), and the Traffic control Manual for Work on Roadways, 1995 and the Traffic Control Manual for Work on Roadways, Field and Office Edition, (1999 Update). Please visit

[http://www.th.gov.bc.ca/trafficcontrol/tc\\_guidelines1.htm](http://www.th.gov.bc.ca/trafficcontrol/tc_guidelines1.htm) for the latest updates.

Additional services to ensure safety may be required at the discretion of the City. The Contractor is to provide such additional services as directed at no extra cost.

#### **S.P.14 Construction Access and Traffic Maintenance**

The designated access to and from the construction site must be approved by the City. All construction traffic must use the designated access including heavy equipment, trucks and workers' personal vehicles.

Construction access to the Place of Work areas within existing building for workers and delivery of materials shall be designated by the City. No other existing exits or entrances shall be used by workers for access or for delivery of materials.

The Contractor shall conduct construction operations with minimum interference to adjacent roadways, sidewalks and access facilities in general and shall keep such areas free from materials, debris and equipment at all times. The Contractor shall not close or obstruct existing roadways, sidewalks, parking areas or delivery points and shall not place or store materials or park cars on same.

The Contractor shall cooperate in all ways with the City in all matters concerning necessary interference with normal operation of the Place of Work. Minimizing disruption of normal facility/site operation and vehicular movements at the Place of Work is an essential requirement of the Contract.

The Contractor shall:

- (a) Include project phasing strategies in the Construction Schedule to minimize traffic disruption on the Place of Work.
- (b) Should provide one (1) week minimum notice to the City, previous to any disruption or alteration of access to the Place of Work. The Contractor shall provide all signs, pylons and flag persons necessary to direct vehicular traffic around work in progress.
- (c) The Contractor shall maintain access to existing fire hydrants and Siamese connections and shall keep entrances and exits to existing and adjacent buildings clear at all times.

#### **S.P.15 Proposed Substitutions**

Acceptance of material specifications that are an equal or higher level of quality compared to the material specified will not be unreasonably withheld.

Quotations for equipment substitutions to be made as separate line items and as additive or deductive alternates to the base equipment bid.

Evaluation of the substitutions to be made solely by the City whose decision shall be final.

#### **S.P.16 Manuals**

Installation and Operator's manuals must accompany equipment delivered. Electrical, Mechanical, and Plumbing booklets shall be provided to the City, as per the Specifications.

All manual(s) must be furnished prior to payment and delivered to the City. Failure to deliver all manual(s) that are ordered may result in non-payment until all manual(s) are received.

### **S.P.17 Hours of Work**

Refer to the City of Surrey applicable bylaws for acceptable work hours.

No work is to be performed outside of these acceptable work hours without written approval from the City, and with approval by obtaining a noise variance if required.

All work shall conform to local bylaws, including building and parking bylaws and municipal guidelines and regulations. This includes Building Bylaws and Noise Restrictions, which will apply to all work being completed. Where work or the work schedule does not permit compliance with the Bylaws, the Contractor shall request permission from the City for special exemptions from the bylaws. No extra compensation, in any form (e.g. overtime, etc.) will be given without prior written approval from the City.

### **S.P.18 Damage**

The Contractor will be responsible for any and all damages to property or persons and for any losses or costs to repair or remedy the Works as a result of any negligent act or omission, or misconduct in the performance of the Works and its subcontractor's Work and shall indemnify and hold harmless the City, its officers, agents and employees from all suits, claims, actions or damages of any nature whatsoever resulting therefrom unless such loss, damage, injury or loss results from or arises out of the error, omission and/or negligent acts of the City, or its officers, for subsequent correction of any such error, omission and/or negligent acts or of its liability for loss or damage resulting therefrom. Except as to professional liability, these indemnities shall not be limited by the listing of any insurance coverage.

### **S.P.19 Worksite Conduct**

All labourers and workers, while working in and around the District 1 Office – 10720 King George Boulevard / District 2 Office - 10395 148 Street, Surrey, British Columbia, and the City facilities, shall act in a professional manner. The Contractor is to enforce proper discipline and decorum among all labourers and workers on the worksite and is to control, among other things: 1) noise, including music; 2) the use of offensive language; 3) smoking or drinking of alcoholic beverages on the worksite; 4) physical violence; 5) riding in the passenger elevators; 6) thievery; and 7) the transportation of articles or materials deemed hazardous. If the City determines, in its sole discretion, that any labourer need to be removed due to his or her failure to comply with the terms of this provision, the Contractor will remove such labourers from the worksite immediately.

Alcohol and drugs are not tolerated on this site at any time including anyone deemed to be under the influence shall be escorted off site.

### **S.P.20 Cleanliness and Disposal of Unwanted Materials**

Continuous daily clean up of the work areas shall be performed by the Contractor and trade contractor throughout the performance of the Work and will be undertaken in accordance with the Contractor's waste management plan. Clean up of waste products and debris generated by the Contractor and any trade contractor outside of the building and on the site shall be the responsibility of the Contractor. Should the City be required to clean up the

work of the Contractor or trade contractor the cost of such clean up will be recovered from the Contractor.

The Contractor shall dispose of all debris, trash and unsuitable materials collected under this Contract off site. The Contractor is solely responsible for any and all damages done or regulations violated in the disposal of waste materials and for any other actions, which the Contractor performs.

The Contractor warrants that it will not produce or discharge in any manner or form, directly or indirectly, chemicals or toxic substances into the environment and that all equipment used will not pose a hazard to, or harm or adversely affect anyone coming into contact with it and covenants and agrees to provide the City with an environmental plan (where applicable), acceptance to the City, which plan shall outline the procedures to be followed by the Contractor to prevent the production or discharge of chemicals or toxic substances into the environment and the actions to be taken should the discharge occur.

The Contractor shall be responsible to take all necessary measures to comply with the requirements of the Federal and Provincial environmental protection agencies, City by-laws, the *Waste Management Act*, R.S.B.C. 1996, c. 482, as amended and any other applicable acts and regulations in respect to air, earth and water pollutants.

#### **S.P.21 Accidents; Equipment Safety**

Any and all accidents, regardless of how minor, involving another person, private property, or vehicle, shall be reported immediately to the Surrey R.C.M.P. and a report requested. The City shall also be contacted immediately and be provided a copy of any reports.

The Contractor shall assume all responsibility for damages to property or injuries to persons, including accidental death, attorneys fee and costs of defense which may be caused by Contractor's performance of this Contract, whether such performance be by itself, its subcontractor, or anyone directly or indirectly employed by Contractor or its subcontractors and whether such damage shall accrue or be discovered before or after termination of this Contract.

The Contractor's equipment operators shall maintain good safety and driving records, and use extreme caution during the performance of the Work.

#### **S.P.22 Permits and Fees**

The Contractor is to secure and pay for any additional permits, and governmental fees, licenses and inspection necessary for proper execution and completion of the Work which is customarily secured after execution of an agreement and which is legally required. The Contractor is to comply with and give notices required by laws applicable to performance of the Work.

#### **S.P.23 Final Completion and Payment**

When the Work is finally complete and the Contractor is ready for a final inspection, the Contractor is to notify the City, in writing. Thereupon, the City will perform a final inspection of the Work. If the City confirms that the project is complete including all deficiencies, is in

full accordance with this Contract and the Contractor has performed all of its obligations, is hereby entitled to submit for final payment, subject to the *Builders Lien Act*.

#### **S.P.24 Workmanship**

- (a) General: Workmanship shall be of best quality, executed by workers experienced and skilled in respective duties for which they are employed. Do not employ any unfit person or anyone unskilled in their respective duties. The City reserves the right to dismiss for site, workers deemed incompetent, careless, insubordinate or otherwise objectionable. Decisions as to quality of fitness of workmanship in cases of dispute rest solely with the City, whose decision shall be final.
- (b) Coordination: Ensure cooperation of workers in laying out work. Maintain efficient and continuous supervision.
- (c) Protection of Work in progress: The Contractor is to adequately protect Work completed or in progress. Work damaged or defaced due to failure in providing such protection is to be removed and replaced, or repaired, as directed by the City at no cost to the City.

Should any dispute arise regarding the quality of the workmanship, materials or products used in the performance of the Work, the final decision regarding the acceptable quality of the workmanship, and fitness of the materials and products rests strictly with the City.

Additionally, all Works required hereunder will be performed as promptly as possible, and in any event within the time stated by the City, and such Work will be subject to approval and acceptance of the City, but such approval and acceptance will not relieve the Contractor from the obligation to correct any incomplete, inaccurate or defective work, all of which shall be promptly remedied by the Contractor on demand, without cost to the City.

**SCHEDULE B - APPENDIX 2  
SUPPLEMENTARY SPECIFICATIONS – (PROJECT)**

**District One Office – 10720 King George Boulevard, Surrey, BC**  
Division 1    General

- A. This Specification is prepared in outline form and together with the Drawings its intention is to describe a completely finished renovation of first class workmanship. Specifications shall not be construed as excluding any items or materials otherwise indicated on the drawings, or considered reasonable components of a sound and complete renovation.
  
- B. Site Conditions:  
Contractors must check and verify all site conditions. Notify the Owner's Representative in writing before proceeding with the work if discrepancies are evident between the drawings and the site conditions. No extra to the Contract will be allowed if discrepancies were evident prior to the start of the work.
  
- C. Insurance:  
The Owner shall provide and pay for the Course of Construction Insurance. The Insurance shall be in the joint names of the Owner, the Contractor, and the Consultants.
  
- D. Permits:  
The Owner shall obtain and pay for the Building Permit. The Contractor shall be responsible and pay for all other permits related to the scope-of-work described in the documents.
  
- E. Code & Regulations:  
All work shall be carried out in strict accordance with all Provincial and Municipal By-Laws. The Contractor must know and understand all said regulations and will have available on site a copy of the current edition of the British Columbia Building Code and local Building By-Laws, complete with all amendments.
  
- F. Observe and enforce all construction safety measures required by WorkSafe BC and provide a current clearance letter with all applications for payment.
  
- G. Security Clearance:  
Construction is occurring at a functioning RCMP detachment and all persons assigned to the work will be required to submit original documents and forms a minimum of fifteen (15) working days in advance of attending the site for a security background check to obtain the necessary clearance. Any worker who fails to obtain clearance (or refuses to submit to the background check) will not be permitted on-site.

NOTE: The General Contractor's site superintendent and alternate will be required to undergo a more thorough RCMP Reliability Status Clearance background check.

H. Schedule:

Renovations will be phased so that they first occur at the District 1 – Central City reception. This location must be fully completed and re-occupied by the RCMP prior to any renovation work proceeding at the District 2 – Guildford reception.

J. Contractor Parking:

Parking is not available on-site. Street and off-street parking is available for the public near the facility and is may be available for construction parking on a first-come basis (and subject to the payment of any parking fees). Parking may also be available in the lot off 107 Avenue.

K. Discrepancies:

The Contractor shall immediately notify the Consultant of any discrepancies or ambiguities in the Contract Documents.

L. Submittals:

Submit for Consultant and Owner review seven (7) copies of shop drawings, diagrams, illustrations, schedules, performance charts, brochures and other data as necessary to illustrate details of the Work. Indicate materials, method of construction and attachment or anchorage, erection diagrams, connections, explanatory notes and other information necessary for completion of the Work. Include cross references to consultant drawings and specifications.

M. Workmanship:

All work shall be performed by skilled and experienced tradesmen. Provide timely notification requesting inspection of the Work by Consultant or Owner. Where Work has been rejected by the Consultant as failing to conform to the Contract Documents, remove defective Work, whether the result of poor workmanship, use of defective products or damage, and whether incorporated in the Work on not. Replace or re-execute.

N. Protection of Work:

The Contractor shall protect his work from the elements and ongoing construction and shall replace or make good any damaged work resulting from neglect. Temporary hoarding complete with continuous 10 mil polyethylene film for dust protection shall be provided as required to safeguard and secure the facility during the execution of the Work; close off temporarily suspended work that is without continuous supervision to prevent entrance of unauthorized persons.

O. Protection of the Public:

The Contractor shall take all precautions to protect the public as required by law. All existing grounds, curbs, walks, entrances, etc. are to be protected from damage. Contractor shall make good any damaged areas.

P. Temporary Facilities:

The Contractor shall provide and maintain in good condition temporary facilities and equipment required for the proper execution of the Work, including a temporary site toilet, and shall remove same from the site at completion of the Contract. Such facilities shall meet all requirements of governing laws and regulations.

Q. Cleaning:

The Contractor shall be responsible for and maintain all finished surfaces until the posted date of substantial completion. In addition to general cleaning with the removal of all debris from site, clean the following before time of substantial completion.

1. All glass (scratched or damaged glass to be replaced)
2. All painted, varnished, tiled, and metal surfaces, including finish hardware and fixtures.
3. All floors.

R. As-Built Drawings (Cash Allowance):

The General Contractor and Sub-Trades are to maintain and safeguard a printed set of "Issued for Construction" drawings on-site which are to be clearly labelled "As-Built Drawings" with all revisions or concealed installations clearly noted in red on the appropriate sheets as construction proceeds. These drawings are to be available for consultant review during construction and, prior to Substantial Completion, completed and provided to the consultants for the creation of digital "Record Documents".

The General Contractor shall include a Cash Allowance of \$2,500 (which does not include PST) to be paid direct to the Managing Consultant at Substantial Completion for the coordination of revisions to (and delivery of) revised DWG and PDF "Record Drawings" to the City of Surrey.

S. Operations & Maintenance Manuals:

Collect reviewed submittals and assemble documents executed by Subcontractors, suppliers, and manufacturers and bind contents in a three-ring, hard covered, black plastic jacketed binder with labelling pocket on spine and with 'D' type rings. Submit to the Consultant two (2) copies of the Manuals complete with CDs containing the same information in a searchable PDF format:

1. Title sheet with project name, date, and list of contents and project contacts.
2. Organize contents into applicable sections of Work; mark each section by labelled tabs.

3. Each set of manual(s) shall include a complete set of reviewed shop drawings and product data sheets, indicating any changes made during fabrication and installation.

## Division 2 Site Work

### A. Selective Demolition:

1. Inspect the site and verify with the Consultant items designated for removal and items to remain. Protect existing items to remain and materials designated for salvage. In event of damage to such items, immediately replace or make repairs to the approval of the Consultant and at no cost to the Owner.
2. Be familiar with the structural system of the building, and the elements being demolished or dismantled. Should material resembling asbestos be encountered in the course of demolition work, stop work and notify the Consultant immediately.
3. Drawings showing extent of selective demolition are intended to be schematic and may not indicate the full extent of all work required. Examine the site and all documents to determine the complete scope of selective demolition, removals and reinstatement, repairs and make good required to complete the Work. Demolition includes, but is not limited to:
  - .1 Removal of tile and carpet floor finishes and preparation of exposed sub-floor to receive new flooring.
  - .2 Removal of reception counter complete with all built-ins including access gate and electrical services.
  - .3 Removal of suspended light fixtures and maintenance of existing to remain, complete with finished end caps and other accessories.
  - .4 Removal of suspended acoustic tile ceilings complete with relocation of two supply air diffusers into adjacent tiles to remain (with revisions to supply air ductwork above ceiling as required to maintain service).
4. Make good any damage to existing elements to remain caused by demolition. Provide protective coverings and storage for salvaged items and reinstall to suit execution of other parts of the Work:
  - .1 Suspended acoustic tile ceilings complete with all mechanical and electrical items in ceiling.
  - .2 Other mechanical and electrical items that impede the installation of new Work.
  - .3 All other elements required to allow the Work to be completed, whether specifically indicated, or not.

5. Do not disrupt active or energized utilities designated to remain undisturbed with Consultant's consent.

#### Division 6 Carpentry

- A. Supply and install all rough & finish carpentry, millwork, and all necessary finishing hardware. Wherever possible, items are to be constructed off-site to facilitate quick installation and allow minimal operational closure.
- B. Rough Carpentry:
  1. All materials shall be new and properly dried to maximum 12% moisture content for interior use.
  2. Framing lumber to be Hem/Fir No. 2 grade or better.
- C. Finish Carpentry:
  1. Work shall be finished smooth and free from machine tool marks and all nails shall be set to receive putty.
  2. Running finish shall be in long lengths, jointed only on solid bearing.
  3. Where required, carefully scribe woodwork to plaster, columns and other adjacent work.
- D. Architectural Millwork:
  1. Supply, fabrication, delivery and installation of architectural woodwork indicated on the drawings.
  2. Reference Standard: all work to the "Premium" grade of the Architectural Woodwork Manufacturers Association of Canada (AWMAC).
  3. Submit shop drawings and specifications for review prior to fabrication and installation.

#### Division 8 Doors & Windows

- A. Door & Finish Hardware:
  1. Supply and install a new 965 mm x 2133 mm UL Level Three bullet resistant steel door & frame complete with factory installed bullet resistant glazing (one-way viewing from staff – to – public side). Standard of

acceptance: AMBICO engineered doors and frames as supplied by Shanahan's LP.

2. Door frames are to be 1.6 mm pressed steel with a strike bucket which will accept a 25 mm throw dead bolt. Wedge in the area of the strike to prevent spreading.
3. Supply and install door hardware as follows (coordinate door control system with electrical):

3 Hinges	CB1900R 114 x 101 NRP	32D	CST
1 Lockset	SC 8250 LNL	32D	CSA
1 Latch Guard	PMLP-111	630	DON-JO
1 Electric Strike	1006-CMB	630	HES
1 Astragal	150	630	FA
1 Closer	351 P10	EN	CSA
1 Wall Stop	GSH 250	C26D	CGA
1 Kick Plate	GSH 80A 254 x 915	C32D	CGA
1 Door Contact	1076	GREY	CGA

4. All finish hardware shall be guaranteed in writing by the manufacturer against defects in design, workmanship, materials and finishes for a period of one year from the date of Substantial Completion (except for closers which are to have a ten year warranty) and that any defects will be made good at no additional cost to the Owner.

#### B. Transaction Windows:

1. Supply and install new aluminium-framed, fixed transaction windows complete with voice portals as detailed and described herein.
2. All frames and glazing are to provide minimum Level 3 bullet-resistance (no exceptions).
  1. All window components are to be heavy duty construction:
    - .1 Frames to be aluminium extrusions minimum 3 mm wall thickness:
      - .a 100 x 45 mm nominal size mullions.
      - .b Designed as channel or stop glazing for single pane interior glazing.
      - .c Reinforce mechanically-joined corners and component areas with interior steel clips to provide strength, stiffness and rigidity.
      - .d Finish exposed surfaces of aluminium components with a clear anodized finish.

- .e Seal joints between window frame and other building components with clear silicone caulking.
- .2 Glass to be two layers 6 mm tempered glass, laminated using 0.060 PVB interlayer to provide minimum Level 3 bullet-resistance:
  - .a As an alternate, 97mm (3.8") thick lexan may be installed in full frames where the opening is less than 1524mm (5-feet).
  - .b Annealed glass is NOT approved in any installations.
- .3 Speaker Port:
  - .a Opening to be 120 mm (4-3/4") with covering disk on the staff side to maintain Level 3 bullet-resistance protection.

## Division 9 Finishes

### A. Flooring:

1. Generally, repair and or provide new flooring, wall base and finishes/textures to match the existing where affected by the renovation work.
  - .1 Provide a straight, consistent edge at existing flooring where it is cut to facilitate removal of flooring to accommodate new Work.
  - .2 Ensure smooth transition from existing to new floor surfaces.
2. New Tile:
  - .1 Supply and install new floor tile on the public side of the new reception counter (approximate floor area = 11.4 sm)
  - .2 Unless an exact match to the existing reception area floor tile (circa 2004) can be supplied, the new floor tile is to be:
    - .a Glam Series "GLC1224 – Charcoal" 12"x24"x11mm thick dry glaze porcelain tile from Ames Tile & Stone.
    - .b Grout to be Mapei #47 Charcoal.
  - .3 All tile installations to conform to the standards of "2016-17 Tile Installation Manual" as produced by TTMAC.

### B. Steel Studs & Furring:

1. All work shall be in accordance with the Association of Wall and Ceiling Contractor's of B.C. (AWCC) "Specification Standards Manual," Section 9.7, Interior Steel Studs and Furring, and performed by a qualified specialist firm employing skilled mechanics to the requirements of the British Columbia Building Code.
2. Install all components in accordance with BC Building Code 2012 requirements for seismic load and restraint. Retain engineers to design

and review installation of all such components and issue letters of certification, Schedule B and C-B.

3. Steel studs to be 20 gauge with 405mm (16") spacing.
  4. Install steel studs complete with acoustical sealant at all tracks and rubberized, moisture resistant 3 mm thick foam insulating strips, 12 mm wide with self-sticking adhesive on one face at concrete and masonry walls. Extend partitions full height to underside of structure except where noted otherwise on the drawings; install deflection tracks at the top of all walls below the structural concrete.
- C. Gypsum board at both walls and ceilings to be 15.9 mm thick Abuse/Impact-Resistant gypsum board: acceptable product "DensArmor Plus" by Georgia-Pacific or approved alternate. Installation is to be in strict compliance with the manufacturer's written recommendations.
- D. Painting: all material and workmanship to be in accordance with the MPDA of B.C. Painting Standards Manual requirements for "Premium" grade work. The following MPDA systems are to be used:
1. INT 5.1E for metal fabrications with one coat alkyd metal primer, MPI #79 and two coats alkyd, MPI #47 (semi-gloss).
  2. INT 9.2C for gypsum board walls and ceilings with one coat latex primer-sealer, MPI #50, and two coats alkyd, MPI #47 (semi-gloss).
  3. Appropriate MPDA systems for other interior and exterior surfaces to be confirmed with the Consultant.
  4. Intent is to match existing colours, finishes and textures at new surfaces. Provide drawdowns for Owner and Consultant review prior to proceeding with Work.
  5. Repaint all existing surfaces affected by the renovation work. Where only a portion of a surface has been affected, repaint the entire surface to the nearest corner.
  6. Apply paint finish to surfaces normally exposed to users of the facility. Generally paint the following with colour, texture, and sheen to match adjacent surfaces: access doors, registers, prime coated closers and exposed sprinkler/service piping, ductwork, electrical conduit, suspensions, and steel structure.

7. Provide paint finish to all plywood hoarding that is visible to the staff within the facility. Paint finish is not typically required on the construction side of the hoarding.

E. Ballistic Panels:

1. Owner will supply to the Contractor eleven (11) 48" x 96" sheets of bullet-resistant fibreglass panels (Kevlar) for use within the new walls and reception counter construction.
2. Ballistic panels are to be installed continuous within the framed walls and the millwork as per the drawing details.
3. No ballistic panels are required at the overhead bulkheads or ceilings.

F. Wall Base:

1. Supply and install a resilient wall base 111 mm high x 3 mm thick complete with premoulded inside and outside corner pieces and stops, colour to match existing.

Division 10 Specialties

A. Transaction Trays:

1. Supply and install countertop recessed transaction trays designed to permit the passing of materials under the fixed transaction windows without sacrificing the security of the Level 3 bullet-resistant system:
  - .1 Trays to be minimum 18 gauge type 304 stainless steel with a No. 4 finish.
  - .2 Tray size to be 458 mm (18") long by 305 mm (12") wide from the outside edge of flanges with a clear open depth under the window frame of 50 mm (2").
  - .3 Provide one transaction tray at each window location (two total), all to be fully recessed so the top surface is flush with the adjacent countertop.

## Division 15 Mechanical

### A. Supply Air Diffuser:

1. Relocate two (2) existing supply air diffusers on the staff side of the reception counter so that they remain within the suspended acoustic tile ceiling adjacent to the new Work:
  - .a Scope of work includes revised ducting above the suspended ceiling as required to maintain supply air to the new diffuser locations complete with sealing/termination of existing openings as required.

### B. Return Air Grille:

1. To maintain return air flow from the lobby back into the staff area once the two locations are separated by the new Work:
  - .a Provide two (2) 150mm (6") x 610mm (24") return air grilles at the new gypsum board ceiling over the renovated reception area on the public side. Locate as per the drawings — adjacent to the existing bulkhead at the west side of the ceiling and aligned so they are visually centred between the pot lights to the east.
  - .b Provide two (2) 150mm (6") x 610mm (24") return air grilles at the new gypsum board bulkhead over the renovated reception area on the staff side (align with the new return air grilles in the lobby ceiling beyond).
  - .c Return air grilles to be heavy duty 304-grade stainless steel linear bar grilles with 3mm (1/8") bars spaced at 9.5mm (3/8"). Standard of acceptance: Krueger "91610" with 0° deflection and #3 Satin Polish finish or approved alternate.

## Division 16 Electrical

The Owner shall obtain and pay for the Building Permit. The Contractor shall be responsible and pay for all other permits related to the scope-of-work described in the documents.

E. Code & Regulations:

All work shall be carried out in strict accordance with all Provincial and Municipal By-Laws. The Contractor must know and understand all said regulations and will have available on site a copy of the current edition of the British Columbia Building Code and local Building By-Laws, complete with all amendments.

F. Observe and enforce all construction safety measures required by WorkSafe BC and provide a current clearance letter with all applications for payment.

G. Security Clearance:

Construction is occurring at a functioning RCMP detachment and all persons assigned to the work will be required to submit original documents and forms a minimum of fifteen (15) working days in advance of attending the site for a security background check to obtain the necessary clearance. Any worker who fails to obtain clearance (or refuses to submit to the background check) will not be permitted on-site.

NOTE: The General Contractor's site superintendent and alternate will be required to undergo a more thorough RCMP Reliability Status Clearance background check.

H. Schedule:

Renovations will be phased so that they first occur at the District 1 – Central City reception. This location must be fully completed and re-occupied by the RCMP prior to any renovation work proceeding at the District 2 – Guildford reception.

J. Contractor Parking:

Parking is not available on-site. Street and off-street parking is available for the public near the facility and may be available for construction parking on a first-come basis (and subject to the payment of any parking fees).

- K. Discrepancies:  
The Contractor shall immediately notify the Consultant of any discrepancies or ambiguities in the Contract Documents.
- L. Submittals:  
Submit for Consultant and Owner review seven (7) copies of shop drawings, diagrams, illustrations, schedules, performance charts, brochures and other data as necessary to illustrate details of the Work. Indicate materials, method of construction and attachment or anchorage, erection diagrams, connections, explanatory notes and other information necessary for completion of the Work. Include cross references to consultant drawings and specifications.
- M. Workmanship:  
All work shall be performed by skilled and experienced tradesmen. Provide timely notification requesting inspection of the Work by Consultant or Owner. Where Work has been rejected by the Consultant as failing to conform to the Contract Documents, remove defective Work, whether the result of poor workmanship, use of defective products or damage, and whether incorporated in the Work or not. Replace or re-execute.
- N. Protection of Work:  
The Contractor shall protect his work from the elements and ongoing construction and shall replace or make good any damaged work resulting from neglect. Temporary hoarding complete with continuous 10 mil polyethylene film for dust protection shall be provided as required to safeguard and secure the facility during the execution of the Work; close off temporarily suspended work that is without continuous supervision to prevent entrance of unauthorized persons.
- O. Protection of the Public:  
The Contractor shall take all precautions to protect the public as required by law. All existing grounds, curbs, walks, entrances, etc. are to be protected from damage. Contractor shall make good any damaged areas.
- P. Temporary Facilities:  
The Contractor shall provide and maintain in good condition temporary facilities and equipment required for the proper execution of the Work, and shall remove same from the site at completion of the Contract. Such facilities shall meet all requirements of governing laws and regulations. The public washrooms within the lobby (construction) zone can be used by construction personnel during the renovations if they are serviced & maintained in a clean state, and are restored to original condition at Substantial Completion.
- Q. Cleaning:  
The Contractor shall be responsible for and maintain all finished surfaces until the posted date of substantial completion. In addition to general cleaning with

the removal of all debris from site, clean the following before time of substantial completion.

1. All glass (scratched or damaged glass to be replaced)
2. All painted, varnished, tiled, and metal surfaces, including finish hardware and fixtures.
3. All floors.

R. As-Built Drawings (Cash Allowance):

The General Contractor and Sub-Trades are to maintain and safeguard a printed set of "Issued for Construction" drawings on-site which are to be clearly labelled "As-Built Drawings" with all revisions or concealed installations clearly noted in red on the appropriate sheets as construction proceeds. These drawings are to be available for consultant review during construction and, prior to Substantial Completion, completed and provided to the consultants for the creation of digital "Record Documents".

The General Contractor shall include a Cash Allowance of \$2,500 (which does not include PST) to be paid direct to the Managing Consultant at Substantial Completion for the coordination of revisions to (and delivery of) revised DWG and PDF "Record Drawings" to the City of Surrey.

S. Operations & Maintenance Manuals:

Collect reviewed submittals and assemble documents executed by Subcontractors, suppliers, and manufacturers and bind contents in a three-ring, hard covered, black plastic jacketed binder with labelling pocket on spine and with 'D' type rings. Submit to the Consultant two (2) copies of the Manuals complete with CDs containing the same information in a searchable PDF format:

1. Title sheet with project name, date, and list of contents and project contacts.
2. Organize contents into applicable sections of Work; mark each section by labelled tabs.
3. Each set of manual(s) shall include a complete set of reviewed shop drawings and product data sheets, indicating any changes made during fabrication and installation.

Division 2 Site Work

A. Selective Demolition:

1. Inspect the site and verify with the Consultant items designated for removal and items to remain. Protect existing items to remain and materials designated for salvage. In event of damage to such items, immediately replace or make repairs to the approval of the Consultant and at no cost to the Owner.

2. Be familiar with the structural system of the building, and the elements being demolished or dismantled. Should material resembling asbestos be encountered in the course of demolition work, stop work and notify the Consultant immediately.
3. Drawings showing extent of selective demolition are intended to be schematic and may not indicate the full extent of all work required. Examine the site and all documents to determine the complete scope of selective demolition, removals and reinstatement, repairs and make good required to complete the Work. Demolition includes, but is not limited to:
  - .1 Removal of tile and carpet floor finishes and preparation of exposed sub-floor to receive new flooring.
  - .2 Removal of reception counter complete with all built-ins including access gate and electrical services.
  - .3 Removal of wall protection panels in the south corridor.
4. Make good any damage to existing elements to remain caused by demolition. Provide protective coverings and storage for salvaged items and reinstall to suit execution of other parts of the Work:
  - .1 Suspended acoustic tile ceilings complete with all mechanical and electrical items in ceiling.
  - .2 Other mechanical and electrical items that impede the installation of new Work.
  - .3 All other elements required to allow the Work to be completed, whether specifically indicated, or not.
5. Do not disrupt active or energized utilities designated to remain undisturbed with Consultant's consent.

#### Division 6 Carpentry

- A. Supply and install all rough & finish carpentry, millwork, and all necessary finishing hardware. Wherever possible, items are to be constructed off-site to facilitate quick installation and allow for minimal operational closure.
- B. Rough Carpentry:
  1. All materials shall be new and properly dried to maximum 12% moisture content for interior use.
  2. Framing lumber to be Hem/Fir No. 2 grade or better.

C. Finish Carpentry:

1. Work shall be finished smooth and free from machine tool marks and all nails shall be set to receive putty.
2. Running finish shall be in long lengths, jointed only on solid bearing.
3. Where required, carefully scribe woodwork to plaster, columns and other adjacent work.

D. Architectural Millwork:

1. Supply, fabrication, delivery and installation of architectural woodwork indicated on the drawings.
2. Reference Standard: all work to the "Premium" grade of the Architectural Woodwork Manufacturers Association of Canada (AWMAC).
3. Submit shop drawings and specifications for review prior to fabrication and installation.

Division 8 Doors & Windows

1 Wall Stop	GSH 250	C26D	CGA
1 Kick Plate	GSH 80A 254 x 915	C32D	CGA

4. All finish hardware shall be guaranteed in writing by the manufacturer against defects in design, workmanship, materials and finishes for a period of one year from the date of Substantial Completion (except for closers which are to have a ten year warranty) and that any defects will be made good at no additional cost to the Owner.

B. Transaction Windows:

1. Supply and install new aluminium-framed, fixed transaction windows complete with voice portals as detailed and described herein.
2. All frames and glazing are to provide minimum Level 3 bullet-resistance (no exceptions).
3. All window components are to be heavy duty construction:
  - .1 Frames to be aluminium extrusions minimum 3 mm wall thickness:
    - .a 100 x 45 mm nominal size mullions.
    - .b Designed as channel or stop glazing for single pane interior glazing.
    - .c Reinforce mechanically-joined corners and component areas with interior steel clips to provide strength, stiffness and rigidity.
    - .d Finish exposed surfaces of aluminium components with a clear anodized finish.
    - .e Seal joints between window frame and other building components with clear silicone caulking.
  - .2 Glass to be two layers 6 mm tempered glass, laminated using 0.060 PVB interlayer to provide minimum Level 3 bullet-resistance:
    - .a As an alternate, 97mm (3.8") thick lexan may be installed in full frames where the opening is less than 1524mm (5-feet).
    - .b Annealed glass is NOT approved in any installations.
  - .3 Speaker Port:
    - .a Opening to be 120mm (4-3/4") with covering disk on the staff side to maintain Level 3 bullet-resistance protection.
4. Install Owner-supplied sliding transaction window unit at accessible (lower) reception counter with new fixed upper transom window to complete the bullet-resistant closure:
  - .1 Confirm the dimensions of the owner-supplied window unit and incorporate the same into the shop drawings for both the new

reception counter and other bullet-resistant window units to be supplied by Contractor.

## Division 9 Finishes

### A. Flooring:

1. Generally, repair and or provide new flooring, wall base and finishes/textures to match the existing where affected by the renovation work.
  - .1 Provide a straight, consistent edge at existing flooring where it is cut to facilitate removal of flooring to accommodate new Work.
  - .2 Ensure smooth transition from existing to new floor surfaces.
  
2. Tile:
  - .1 Supply and install 150mm x 150mm red quarry tile to match existing to new matching tile to make good lobby floor up to new reception counter on the public side  
(Note: existing tile is also cut around the south support gable for the current counter to be removed and replacement tiles are to be provided at this location.)
  - .2 New grout to match existing.
  - .3 All tile installations to conform to the standards of "2016-17 Tile Installation Manual" as produced by TTMAC.
  
3. Carpet:
  - .1 Supply and install new carpet tile on the staff side of the new reception counter (approximate floor area = 17.5 sm)
  - .2 New carpet tile to be:

.a	Manufacturer:	Shaw Contract Group
.b	Style Name:	Diffuse
.c	Style Number:	59575
.d	Colour Name:	Magnetic Fields
.e	Colour Number:	75505

.i	Gauge:	1/12
.j	Stitches per Inch:	9.0
.k	Tufted Weight:	16.00 oz/yd
.l	Finished Pile Thickness:	0.092 in.
.m	Average Density:	6.261 oz/yd
.n	Dye Method:	100% Solution Dyed
.o	Secondary Backing:	Ecoworx Tile
.p	Warranty:	Lifetime Commercial Limited
.q	Installation Pattern:	1/4 Turn

B. Steel Studs & Furring:

1. All work shall be in accordance with the Association of Wall and Ceiling Contractor's of B.C. (AWCC) "Specification Standards Manual," Section 9.7, Interior Steel Studs and Furring, and performed by a qualified specialist firm employing skilled mechanics to the requirements of the British Columbia Building Code.
  2. Install all components in accordance with BC Building Code 2012 requirements for seismic load and restraint. Retain engineers to design and review installation of all such components and issue letters of certification, Schedule B and C-B.
  3. Steel studs to be 20 gauge with 405mm (16") spacing.
  4. Install steel studs complete with acoustical sealant at all tracks and rubberized, moisture resistant 3 mm thick foam insulating strips, 12 mm wide with self-sticking adhesive on one face at concrete and masonry walls. Extend partitions full height to underside of structure except where noted otherwise on the drawings; install deflection tracks at the top of all walls below the structural concrete.
- C. Gypsum board at both walls and ceilings to be 15.9 mm thick Abuse/Impact-Resistant gypsum board: acceptable product "DensArmor Plus" by Georgia-Pacific or approved alternate. Installation is to be in strict compliance with the manufacturer's written recommendations.
- D. Painting: all material and workmanship to be in accordance with the MPDA of B.C. Painting Standards Manual requirements for "Premium" grade work. The following MPDA systems are to be used:
1. INT 3.1C for vertical concrete surfaces with three coats latex primer sealer, MPI #50 and two coats HIPAC latex, MPI #47 (semi-gloss).
    - .a Note: three coats of primer are identified as existing wall colour is dark red and new wall colour is to be white (to match other walls within the reception area). Ensure adequate preparation/ coverage is provided to accommodate colour change.
  2. INT 5.1E for metal fabrications with one coat alkyd metal primer, MPI #79 and two coats alkyd, MPI #47 (semi-gloss).
  3. INT 9.2C for gypsum board walls and ceilings with one coat latex primer-sealer, MPI #50, and two coats alkyd, MPI #47 (semi-gloss).

4. Appropriate MPDA systems for other interior and exterior surfaces to be confirmed with the Consultant.
5. Intent is to match existing colours, finishes and textures at new surfaces typical. Provide drawdowns for Owner and Consultant review prior to proceeding with Work.
  - .a North concrete wall at entrance/reception lobby is currently dark red in colour. Repaint entire interior surface of this wall to be white in colour (matching the other walls within the reception area), providing primer coats as required to fully implement the colour change from dark-to-light.
6. Repaint all existing surfaces affected by the renovation work. Where only a portion of a surface has been affected, repaint the entire surface to the nearest corner.
7. Apply paint finish to surfaces normally exposed to users of the facility. Generally paint the following with colour, texture, and sheen to match adjacent surfaces: access doors, registers, prime coated closers and exposed sprinkler/service piping, ductwork, electrical conduit, suspensions, and steel structure.
8. Provide paint finish to all plywood hoarding that is visible to the staff within the facility. Paint finish is not typically required on the construction side of the hoarding.

E. Ballistic Panels:

1. Owner will supply to the Contractor eleven (11) 48" x 96" sheets of bullet-resistant fibreglass panels (Kevlar) for use within the new walls and reception counter construction.
2. Ballistic panels are to be installed continuous within the framed walls and the millwork as per the drawing details.
3. No ballistic panels are required at the overhead bulkheads or ceilings.

F. Wall Base:

1. Supply and install a resilient wall base 111 mm high x 3 mm thick complete with premoulded inside and outside corner pieces and stops, colour to match existing.

Division 10 Specialties

A. Transaction Trays:

1. Supply and install countertop recessed transaction trays designed to permit the passing of materials under the fixed transaction windows without sacrificing the security of the Level 3 bullet-resistant system:
  - .1 Trays to be minimum 18 gauge type 304 stainless steel with a No. 4 finish.
  - .2 Tray size to be 458 mm (18") long by 305 mm (12") wide from the outside edge of flanges with a clear open depth under the window frame of 50 mm (2").
  - .3 Provide one transaction tray at each window location (three total), all to be fully recessed so the top surface is flush with the adjacent countertop.

### PRIME CONTRACTOR DESIGNATION LETTER OF UNDERSTANDING

As per the requirements of the *Workers' Compensation Act* Part 3, Division 3, Section 118 (1-3), which states:

#### Coordination of multiple-employer workplaces

**118 (1)** *In this section:*

"multiple-employer workplace" means a workplace where workers of 2 or more employers are working at the same time:

"prime contractor" means, in relation to a multiple-employer workplace,

- (a) the directing contractor, employer or other person who enters into a written agreement with the owner of that workplace to be the prime contractor for the purposes of this Part, or
  - (b) if there is no agreement referred to in paragraph (a), the owner of the workplace.
- (2) The prime contractor of a multiple-employer workplace must
- (a) ensure that the activities of employers, workers and other persons at the workplace relating to occupational health and safety are coordinated, and
  - (b) do everything that is reasonably practicable to establish and maintain a system or process that will ensure compliance with this Part and the regulation in respect to the workplace.
- (3) Each employer of workers at a multiple-employer workplace must give to the prime contractor the name of the person the employer has designated to supervise the employer's workers at that workplace.

By signing this Agreement, the Contractor accepts all responsibilities of a prime contractor as outlined in the *Workers' Compensation Act*, and *WorksafeBC OH&S Regulation*.

As a Contractor signing this Prime Contractor Designation form with the City of Surrey (the "owner"), you are agreeing that your company, management staff, supervisory staff and workers will comply with the *Workers' Compensation Board (WCB) Occupational Health and Safety Regulation* and the *Workers' Compensation (WC) Act*.

Any *WorksafeBC OH&S* violation by the prime contractor may be considered a breach of contract resulting in possible termination or suspension of the agreement and/or any other actions deemed appropriate at the discretion of the City.

Any penalties, sanctions or additional costs levied against the City, as a result of the actions of the prime contractor are the responsibility of the prime contractor.

The Contractor acknowledges having read and understood the information above.

By signing this Prime Contractor Designation form, the Contractor agrees as a representative of the firm noted below, to accept all responsibilities of the prime contractor for this project.

**The Contractor understands and accepts the responsibilities of the prime contractor designation in accordance with the *Workers' Compensation Act* while contracted by the City of Surrey for project and will abide by all *Workers' Compensation Board Regulation* requirements.**

### **CONTRACTOR HEALTH & SAFETY EXPECTATIONS**

#### **RESPONSIBILITY OF CONTRACTOR(S)**

The City of Surrey strives to maintain a safe work environment for employees and contractors and insists upon the enforcement of safe practices and procedures in all premises and in all work activities. It is essential that all contractors and their employees and sub-contractor(s) perform in the same manner. It is every employers and contractors responsibility to ensure that staff and public are protected from workplace hazards.

As a contractor to the City of Surrey, you are expected to conform to the requirements of the Workers' Compensation Act, the WCB Occupational Health and Safety Regulation and to all federal, provincial and local laws and regulations. The City of Surrey Building Owner, Project Manager, and the Manager, Occupational Health & Safety or designate have the authority to order an unsafe act to cease or to have an unsafe piece of equipment removed from the premises or, in extreme situations, to shut down a job entirely. Any City of Surrey Employee that observes a safety infraction by a contractor performing work for the City of Surrey should bring it to the attention of a manager immediately or Occupational Health & Safety (604-591-4131).

The following information is provided as typical City of Surrey requirements, but does not relieve the contractor from complying with all applicable local, provincial and federal laws, regulations and bylaws.

#### **PERSONNEL**

1. You are expected to inform your employees of any potential hazard in the workplace and advise of appropriate action to be taken should a hazard be found or a fire or accident occur.
2. Contractors will restrict persons invited on the premises to employees only. No families or friends are permitted.
3. The contractor will advise the City of any on-site accidents involving the contractor's employees, or injuries to others caused by the contractor's business.

#### **SAFETY MANAGEMENT SYSTEM**

1. Contractors will ensure their employees utilize proper safety equipment and clothing as required for job site activities.
2. Contractors must follow and have on site proper written safe work procedures for hazardous work, e.g. Fall protection, confined space entry, hotwork, lockout, excavations and shoring, traffic management, etc.
3. Contractor must Identify workplace risk and implement suitable controls.
4. Contractor must provide safety training and education to staff and have training records available for review.
5. Contractor must have a health & safety program for its workers and sub-contractors
6. Contractor will provide appropriate First-Aid coverage for their workers and subcontractors.
7. Contractor must forward a weekly work task list prior to work commencement.
8. The qualified safety coordinator must participate in the City of Surrey OHS Orientation or attend the Prime Contractor's Orientation.

## **WORK AREAS –City Facilities**

No work by contractors shall occur in any area without prior consent of the City of Surrey Manager, Civic Facilities or his designated representative. Work during normal business hours of the City shall not create undue noise, smells or otherwise unduly disturb the work of City of Surrey staff or the public. If an activity requires that a disturbance is likely, the contractor shall whenever possible only do that work outside normal business hours.

All activities that create a hazard (i.e. work from a ladder, removal of a floor tile, emission of VOC's, etc.) to persons outside the contractor's supervision shall have warning devices, delineation or barriers, sealed spaces, etc. as would normally be required to protect any person from that hazard.

## **SAFETY ATTITUDE**

Your safety record and attitude are important criteria used to judge your qualification for future bidding on solicitations with the City of Surrey.

You can help ensure employee safety and your eligibility for future business with the City if you exhibit and practice a "Safe Work - Safe City" attitude.

The City of Surrey is concerned about the health, safety and wellbeing of all employees and contractors. It is essential we maintain a healthy, safe and productive work environment.

### **All Employees & Contractors:**

It is everyone responsibility to:

- ❖ know and comply with WCB regulations and
- ❖ follow established safe work procedures
- ❖ immediately report any work related injury to his/her supervisor; and to the city representative
- ❖ not remain on the work site while his/her ability to work is in any way impaired
- ❖ report unsafe acts and conditions to their supervisor
- ❖ correct unsafe conditions immediately whenever it is possible to do so
- ❖ take reasonable care to protect your health & safety and the health and safety of other persons who may be affected by your act's or omissions at work

An employee must refuse to work if continuing to do so would endanger the health and safety of the employee, fellow employees or others. The worker must immediately report the circumstances of the unsafe condition to his or her supervisor or manager. If the unsafe condition is not remedied or the issue is not resolved the Manager, Occupational Health & Safety must be contacted.

**A common sense approach usually resolves the issue.**

## GENERAL RULES
