This Addendum is issued to provide additional information to the RFQ for the above named project, to the extent referenced and shall become a part thereof. No consideration will be allowed for extras due to the Contractor not being familiar with this Addendum. This Addendum No. 2 contains one (1) page in total.

Q1: Are Pro-Eco-Lite Headwalls approved for this project?

A1: Yes, the RFQ asks for supply and deliver reinforced concrete headwalls or composite reinforced polymer headwalls.

Q2: If so, can you tell me what type of pipe will be required for each diameter?

A2: The headwall dimensions must be consistent with the headwall design as defined on page 16 of the RFQ. Precise diameters are not given because the pipe material may vary, with precise diameters given upon order.
