INFORMATION FOR CONTRACTORS

This Addendum is issued to provide additional information and clarifications to the RFQ for the above named project, to the extent referenced and shall become a part thereof. No consideration will be allowed for extras due to the contractor not being familiar with this addendum. This Addendum No. 1 contains two (2) page in total.

Q.1. Please state the volume or cubic yard capacity required.

A.1. Refer to Schedule A page 14. Delete 1. General Description and substitute with the following:

1. GENERAL DESCRIPTION

It is the intent of this specification to provide for the purchase of compacting garbage recepticles. The recepticles shall have:

- a standalone (no external) power source;
- the ability to alert the City when they require service or have been tampered with via GPS;
- the ability for the user to adjust weight of compacted litter;
- a minimum of one (1) year warranty;
- size: 1264mm height, 635mm wide, 681mm deep;
- bin volume: 125L; and
- option to change to barrel locks when vandalized.

In addition to the specifications noted above, the compacting garbage recepticles should have the ability for additional options such as recyclers and Wi-Fi repeaters.

END OF ADDENDUM

All Addenda will become part of the RFQ Documents.
