## **3. PROPOSAL SUBMISSION FORM AND CONTENTS**

### **3.1 Package (Hard Copy)**

If the Proponent chooses NOT to submit by email, the Proponent should submit a Submission in a particular submittal format, to reduce paper, encourage our recycled product expectations, and reduce package bulk. Bulk from binders and large packages are unwanted. Vinyl plastic products are unwanted. The City also has an environmentally-preferable purchasing commitment, and seeks a package format to support the green expectations and initiatives of the City.

Please do not use any plastic or vinyl binders or folders. The City prefers simple, stapled paper copies. If a binder or folder is essential due to the size of your Proposal, they should be fully 100% recycled stock.

The City seeks and prefers submittals on 100% Post Consumer Fibre (PCF) paper, consistent with the City's policy and the City environmental practices. Please double-side your Proposal.

### **3.2 Form of Proposal**

Proponents should complete the form of Proposal attached as Schedule C, including Schedules C-1 to C-5. Proponents are encouraged to respond to the items listed in Schedules C-1 to C-5 in the order listed. Proponents are encouraged to use the forms provided and attach additional pages as necessary.

### **3.3 Signature**

The legal name of the person or firm submitting the Proposal should be inserted in Schedule C. The Proposal should be signed by a person authorized to sign on behalf of the Proponent and include the following:

- (a) If the Proponent is a corporation then the full name of the corporation should be included, together with the names of authorized signatories. The Proposal should be executed by all of the authorized signatories or by one or more of them provided that a copy of the corporate resolution authorizing those persons to execute the Proposal on behalf of the corporation is submitted;
- (b) If the Proponent is a partnership or joint venture then the name of the partnership or joint venture and the name of each partner or joint venturer should be included, and each partner or joint venturer should sign personally (or, if one or more person(s) have signing authority for the partnership or joint venture, the partnership or joint venture should provide evidence to the satisfaction of the City that the person(s) signing have signing authority for the partnership or joint venture). If a partner or joint venturer is a corporation then such corporation should sign as indicated in subsection (a) above; or
- (c) If the Proponent is an individual, including a sole proprietorship, the name of the individual should be included.

## **4. EVALUATION AND SELECTION**

### **4.1 Evaluation Team**

The evaluation of Proposals will be undertaken on behalf of the City by the Evaluation Team. The Evaluation Team may consult with others including City staff members, third party contractors and references, as the Evaluation Team may in its discretion decide is required. The Evaluation Team will give a written recommendation for the selection of a Preferred Proponent or Preferred Proponents to the City.

### **4.2 Evaluation Criteria**

The Evaluation Team will compare and evaluate all Proposals to determine the Proponent's strength and ability to provide the Goods and Services in order to determine the Proposal which is most advantageous to the City, generally using the following criteria:

**(a) Experience, Reputation and Resources**

The Evaluation Team will consider the Proponent's responses to items (i) to (viii) in Schedule C-2.

**(b) Technical**

The Evaluation Team will consider the Proponent's responses to Schedule C-4 and items (i) to (iv) in Schedule C-3.

**(c) Financial**

The Evaluation Team will consider the Proponent's response to Schedule C-5.

**(d) Statement of Departures**

The Evaluation Team will consider the Proponent's response to Schedule C-1.

The Evaluation Team will not be limited to the criteria referred to above, and the Evaluation Team may consider other criteria that the team identifies as relevant during the evaluation process. The Evaluation Team may apply the evaluation criteria on a comparative basis, evaluating the Proposals by comparing one Proponent's Proposal to another Proponent's Proposal. All criteria considered will be applied evenly and fairly to all Proposals.

**4.3 Discrepancies in Proponent's Financial Proposal**

If there are any obvious discrepancies, errors or omissions in Schedule C-5 of a Proposal (Proponent's Financial Proposal), then the City shall be entitled to make obvious corrections, but only if, and to the extent, the corrections are apparent from the Proposal as submitted, and in particular:

- (a) if there is a discrepancy between a unit price and the extended total, then the unit prices shall be deemed to be correct, and corresponding corrections will be made to the extended totals;
- (b) if a unit price has been given but the corresponding extended total has been omitted, then the extended total will be calculated from the unit price and the estimated quantity;
- (c) if an extended total has been given but the corresponding unit price has been omitted, then the unit price will be calculated from the extended total and the estimated quantity.

**4.4 Litigation**

In addition to any other provision of this RFP, the City may, in its absolute discretion, reject a Proposal if the Proponent, or any officer or director of the Proponent submitting the Proposal, is or has been engaged directly or indirectly in a legal action against the City, its elected or appointed officers, representatives or employees in relation to any matter, or if the City has initiated legal action against any officers or directors of the Proponent.

In determining whether or not to reject a Proposal under this section, the City will consider whether the litigation is likely to affect the Proponent's ability to work with the City, its contractors and representatives and whether the City's experience with the Proponent

indicates that there is a risk the City will incur increased staff and legal costs in the administration of the Contract if it is awarded to the Proponent.

#### **4.5 Additional Information**

The Evaluation Team may, at its discretion, request clarifications or additional information from a Proponent with respect to any Proposal, and the Evaluation Team may make such requests to only selected Proponents. The Evaluation Team may consider such clarifications or additional information in evaluating a Proposal.

#### **4.6 Interviews**

The Evaluation Team may, at its discretion, invite some or all of the Proponents to appear before the Evaluation Team to provide clarifications of their Proposals. In such event, the Evaluation Team will be entitled to consider the answers received in evaluating Proposals.

#### **4.7 Multiple Preferred Proponents**

The City reserves the right and discretion to divide up the Goods and Services, either by scope, geographic area, or other basis as the City may decide, and to select one or more Preferred Proponents to enter into discussions with the City for one or more Contracts to perform a portion or portions of the Goods and Services. If the City exercises its discretion to divide up the Services, the City will do so reasonably having regard for the RFP and the basis of Proposals.

In addition to any other provision of this RFP, Proposals may be evaluated on the basis of advantages and disadvantages to the City that might result or be achieved from the City dividing up the Goods and Services and entering into one or more Contracts with one or more Proponents.

#### **4.8 Negotiation of Contract and Award**

If the City selects a Preferred Proponent or Preferred Proponents, then it may:

- (a) enter into a Contract with the Preferred Proponent(s); or
- (b) enter into discussions with the Preferred Proponent(s) to attempt to finalize the terms of the Contract(s) including financial terms, and such discussions may include:
  - (1) clarification of any outstanding issues arising from the Preferred Proponent's Proposal;
  - (2) negotiation of amendments to the departures to the draft Contract, if any, proposed by the Preferred Proponent as set in Schedule C-1 to the Preferred Proponent's Proposal; and
  - (3) negotiation of amendments to the Preferred Proponent's price(s) as set out in Schedule C-5 to the Preferred Proponent's Proposal and/or scope of Services if:
    - (A) the Preferred Proponent's financial Proposal exceeds the City's approved budget, or
    - (B) the City reasonably concludes the Preferred Proponent's financial proposal includes a price(s) that is unbalanced, or

- (C) a knowledgeable third party would judge that the Preferred Proponent's price(s) materially exceed a fair market price(s) for services similar to the Goods and Services offered by the Preferred Proponent as described in the Preferred Proponent's Proposal; or
- (c) if at any time the City reasonably forms the opinion that a mutually acceptable agreement is not likely to be reached within a reasonable time, give the Preferred Proponent(s) written notice to terminate discussions, in which event the City may then either open discussions with another Proponent or terminate this RFP and retain or obtain the Goods and Services in some other manner.

## **5. GENERAL CONDITIONS**

### **5.1 No City Obligation**

This RFP is not a tender and does not commit the City in any way to select a Preferred Proponent, or to proceed to negotiations for a Contract, or to award any Contract and the City reserves the complete right to at any time reject all Proposals, and to terminate this RFP process.

### **5.2 Proponent's Expenses**

Proponents are solely responsible for their own expenses in preparing, and submitting Proposals, and for any meetings, negotiations or discussions with the City or its representatives and contractors, relating to or arising from this RFP. The City and its representatives, agents, contractors and advisors will not be liable to any Proponent for any claims, whether for costs, expenses, losses or damages, or loss of anticipated profits, or for any other matter whatsoever, incurred by the Proponent in preparing and submitting a Proposal, or participating in negotiations for a Contract, or other activity related to or arising out of this RFP.

### **5.3 No Contract**

By submitting a Proposal and participating in the process as outlined in this RFP, Proponents expressly agree that no contract of any kind is formed under, or arises from, this RFP, prior to the signing of a formal written Contract.

### **5.5 Solicitation of Council Members, City Staff and City Contractors**

Proponents and their agents will not contact any member of the City Council, City staff or City contractors with respect to this RFP, other than the City Representative named in section 2.5, at any time prior to the award of a contract or the cancellation of this RFP.

## **5.6 Confidentiality**

All submissions become the property of the City and will not be returned to the Proponent. All submissions will be held in confidence by the City unless otherwise required by law. Proponents should be aware the City is a “public body” defined by and subject to the *Freedom of Information and Protection of Privacy Act* of British Columbia.

## SCHEDULE A

### SPECIFICATIONS OF GOODS AND SCOPE OF SERVICES

The Goods and Services include without limitation the supply and delivery of material, the provision of skilled labour, and equipment to meet the requirements outlined below.

#### **Project Description**

Over the next year, the City intends to upgrade both its primary and secondary internet links to support 1 Gbps full duplex throughput (2 Gbps total), in order to provide a better experience for staff and support the evolution of its online services. At present the current ISP link load balancing equipment is not capable of supporting this level of throughput.

Replacement of the Link Load Balancer will allow the City to consume the full 2 Gbps internet bandwidth, improving the overall performance of citizen facing applications and increasing the overall stability of critical internet based services.

In addition to Link Load Balancing, the City will be looking to replace its current Application Delivery Controller (ADAC) with more modern hardware/software that provides the City significantly better performance, configurability and security.

#### **Current Environment**

The City currently uses a number of different hardware devices to perform different load balancing and application delivery control.

#### **Link Load Balancing**

The City currently leverages a pair of Radware LinkProof OnDemand Switch VL A.21 (Software Version 6.13.00) to balance load between a 1 Gbps Shaw internet link and a 200 Mbps (will be 1 Gbps early next year) Telus internet link.

#### **Application Delivery Controller and Load Balancing – Exchange & PeopleSoft**

The City currently leverages a dedicated pair of NetScaler NSMPX-5500 (Software Version 10.1 Build 134.9nc) appliances, each used for specific purposes to perform application load balancing and SSL offloading for two critical applications (Exchange and PeopleSoft).

#### **Application Delivery Controller and Load Balancing – Internet and DMZ Services**

As second pair of NetScaler NSMPX-8000 10G (Software Version 10.1 Build 134.9nc) are used to load balance other internal applications, as well as perform DMZ application load balancing, SSL Offloading and Web Application Firewall Services and Content Switching for DMZ based web applications.

## **High Level Description of Goods and Services Requested**

The City moving towards a “Consolidated Edge” topology in an effort to simplify its security architecture. As part of this effort, the city will be replacing its existing Load Balancers and Application Delivery Controllers with a single consolidated solution. This solution can be comprised of just a single pair of physical appliances, a combination of physical appliances, or a combination of physical and virtual appliances. Regardless of the solution proposed, it must function within a segregated environment that has isolated security zones (both north/south and east west security zones), allowing the City to provided logically dedicated load balancing and application delivery services securely within all zones. The proposed solution must support PCI DSS 3.2 compliance, and ensure that logical isolation of network traffic is maintained.

Specifically, the City is seeking a solution that provides the following:

1. ISP Link Load Balancing.
2. Application Load Balancing
3. Application Delivery Control
4. Application Performance Management and Acceleration
5. Web Application Firewall
6. Single Pane of Glass Management
7. Training (On-site Instructor Lead or Classroom Based)

## **2. GOODS AND SERVICES**

### **2.1 Goods and Services**

The City hereby retains the Contractor to provide the Goods and Services as described generally in Appendix 1, including anything and everything required to be done for the fulfillment and completion of this agreement (the **“Goods and Services”**).

### **2.2 Amendment of Goods and Services**

The City may from time to time, by written notice to the Contractor, make changes to the Goods and Services. The Fees will be increased or decreased by written agreement of the City and the Contractor according to the rates set out in Appendix 2.

The terms of this agreement will apply to any additional goods and services, and the fees for additional goods and services, and the time for the Contractor’s performance, will generally correspond to the fees and time of performance as described in Appendices 2 and 3. The Contractor will not provide any additional goods and services in excess of the scope of services requested in writing by the City.

### **2.4 Standard of Care**

The Contractor will provide the Goods and perform the Services with that degree of care, skill and diligence normally provided by a qualified and experienced practitioner. The Contractor represents that it has the expertise, qualifications, resources and relevant experience to provide the Goods and Services.

### **2.5 Term**

## **2.7 Warranty of Goods**

The Contractor warrants that the Goods supplied by the Contractor shall be free from defects in design, materials, workmanship and title, shall conform in all respects to the terms of this agreement, shall be fit and suitable and perform satisfactorily for the purposes and under the conditions made known to the Contractor by the City. The Goods shall be of the best quality, if no quality is specified. This general warranty is independent of and without prejudice to any specific warranty or service guarantee offered by the Contractor or third party manufacturer or supplier of the Goods in connection with the purpose for which the Goods were purchased.

The Contractor shall assign to the City any warranty or service guarantee offered by a third party manufacturer or supplier of the Goods. Notwithstanding this assignment, if at any time up to one year from the date of delivery or installation (if applicable) the City determines the Goods or any part do not conform to these warranties, the City shall notify the Contractor within a reasonable time after such discovery, and the Contractor shall then promptly correct such nonconformity at the Contractor's expense. Goods supplied by the City and installed by the Contractor that require Services during a product warranty period shall be serviced by the Contractor at the City's expense.

If any Goods are installed by the Contractor, and subsequently recalled by the manufacturer of the Goods, Service costs associated with the replacement of the recalled Goods will be at the Contractor's expense. The Contractor shall notify the City if a recall notice is issued by a Goods manufacturer.

Damage to Goods caused by a third party (i.e. motor vehicle collision) shall not be covered by any Goods warranty, and the Contractor will not be held responsible for any associated damage repair costs.

## **3. PERSONNEL**

### **3.1 Qualified Personnel**

The Contractor will provide only professional personnel who have the qualifications, experience and capabilities to provide the Goods and perform the Services.

### **3.2 Listed Personnel and Sub-Contractors**

The Contractor will provide the Goods and Services using the professional personnel and sub-contractors as may be listed in Appendix 4 and identified by the Contractor, and the Contractor will not remove any such listed personnel or sub-contractors from the Services without the prior written approval of the City.

### **3.3 Replacement of Personnel or Sub-Contractors**

If the City reasonably objects to the performance, qualifications, experience or suitability of any of the Contractor's personnel or sub-contractors then the Contractor will, on written request from the City, replace such personnel or sub-contractors.

### **3.4 Sub-Contractors and Assignment**

Except as provided for in section 3.2, the Contractor will not engage any personnel or sub-contractors, or sub-contract or assign its obligations under this agreement, in whole or in part, without the prior written approval of the City.

### **3.5 Agreements with Sub-Contractors**

The Contractor will preserve and protect the rights of the City with respect to any Services performed under sub-contract and incorporate the terms and conditions of this agreement into all sub-contracts as necessary to preserve the rights of the City under this agreement. The Contractor will be as fully responsible to the City for acts and omissions of sub-contractors and of persons directly or indirectly employed by them as for acts and omissions of persons directly employed by the Contractor.

## **4. LIMITED AUTHORITY**

### **4.1 Agent of City**

The Contractor is not and this agreement does not render the Contractor an agent or employee of the City, and without limiting the above, the Contractor does not have authority to enter into any contract or reach any agreement on behalf of the City, except for the limited purposes as may be expressly set out in this agreement, or as necessary in order to provide the Goods and Services. The Contractor will make such lack of authority clear to all persons with whom the Contractor deals in the course of providing the Goods and Services. Every vehicle used by the Contractor in the course of providing the Goods and Services shall identify the Contractor by name and telephone number.

### **4.2 Independent Contractor**

The Contractor is an independent contractor. This agreement does not create the relationship of employer and employee, a partnership, or a joint venture. The City will not control or direct the details, means or process by which the Contractor performs the Goods and Services. The Contractor will determine the number of days and hours of work required to properly and completely perform the Services. The Contractor is primarily responsible for performance of the Goods and Services and may not delegate or assign any Services to any other person except as provided for in section 3.4. The Contractor will be solely liable for the wages, fringe benefits, work schedules and work conditions of any partners, employees or sub-contractors.

## 5. FEES

### 5.1 Payment for Goods and Services

The City will pay to the Contractor the fees as set out in Appendix 2 (the “**Fees**”). The unit prices and the lump sum prices for Goods and Services listed Appendix 2 of this agreement shall be full compensation for the supply and installation of the Goods and Services including, without limitation, storage, delivery, labour, traffic control, overhead costs and profit (excluding applicable taxes). For greater certainty, costs of general management, non-technical supporting services and general overhead are deemed to be covered by the Fees and will not be subject to additional payment by the City. Payment by the City of the Fees will be full payment for the Goods and Services and the Contractor will not be entitled to receive any additional payment from the City.

Fees, Disbursements, and GST will not exceed the amount of <📄 insert contract price in numbers> without the prior written approval of the City.

### 5.2 Payment

Subject to any contrary provisions set out in Appendix 2:

- (a) the Contractor will submit a **monthly** invoice (the “**Invoice**”) to the City requesting payment of the portion of the Fees and the Disbursements relating to the Goods and Services provided in the **previous month**, and including the following information:

  - (6) the total budget for the Goods and Services and the amount of the budget expended to the date of the Invoice;
  - (7) taxes (if any);
  - (8) grand total of the Invoice;
- (b) the Contractor will on request from the City provide receipts and invoices for all Disbursements claimed;
- (c) if the City reasonably determines that any portion of an Invoice is not payable then the City will so advise the Contractor;
- (d) the City will pay the portion of an Invoice which the City determines is payable within 30 days of the receipt of the Invoice, except the City may hold back from payments 10% of the amount the City determines is payable to the Contractor until such time as the Contractor provides its Final Report to the City; and
- (e) if the Contractor offers the City a cash discount for early payment, then the City may, at the City's sole discretion, pay the portion of an Invoice which the City determines is payable at any time after receipt of the Invoice.

Invoices will be submitted by the Contractor by mail to:

Name: \_\_\_\_\_  
Address: \_\_\_\_\_  
\_\_\_\_\_

### **5.3 Disbursements**

In addition to the Fees, the City will reimburse the Contractor for actual out-of-pocket costs and expenses (“**Disbursements**”) as identified in Appendix 2 which the Contractor, and approved sub-contractors, incur in the performance of the Services, plus any additional Disbursements with the prior written approval of the City.

For greater certainty, costs of general management, non-technical supporting services and general overhead are deemed to be covered by the Fees and will not be subject to additional payment by the City.

### **5.4 Records**

The Contractor will prepare and maintain proper records related to the delivery of the Goods and Services, including records, receipts and invoices relating to Disbursements. On request from the City, the Contractor will make the records available open to audit examination by the City at any time during regular business hours during the time the Contractor is providing the Goods and Services and for a period of six years after the Goods are delivered and the Services are complete.

### **5.5 Goods not listed in Appendix 2**

All replacement Goods not specifically listed in Appendix 2 but required will be supplied by the Contractor and invoiced to the City at cost plus <☒ insert percentage discount ( \_\_\_%). > The Contractor shall submit, upon request by the City, actual supplier's invoices to establish the cost of the Goods.

### **5.6 Units of Goods and Services**

The estimated units of Goods and Services in Appendix 2 are for determination of the price only. The City does not guarantee that the actual amounts of Goods and Services of any unit class will correspond even approximately to the estimated units, but reserves the right to increase or decrease the amounts of any class or portion of the Goods and Services, or to omit portions of the Goods and Services that may be deemed necessary or expedient by the City. The Contractor shall make no claim for anticipated profits, for loss of profit, for damages, or for any extra payment whatsoever, because of any difference between the amount of actual Goods and Services furnished and the quantities stated in Appendix 2.

### **5.7 Personnel Hourly Rates**

The personnel hourly rates in Appendix 2 shall include all overhead, profit and all small tools and other miscellaneous equipment normally required by tradesmen in their provision of the Goods and Services. No payment will be made for travel time to and from each site and such time shall not be included in the time measured for payment.

## **5.8 Equipment Hourly Rates**

The equipment hourly rates in Appendix 2 shall include all overhead, profit and shall include operators, fuel, repairs, moving charges, etc. Time required for transportation of equipment to and from work sites within Surrey will be payable at the appropriate equipment hourly rates. Payment for time required to transport equipment into and out of the City's jurisdictional boundaries will not be payable.

## **5.9 Incidental Goods Supply**

Goods provided to aid or assist in maintenance tasks and/or installation of new or replacement parts shall be considered incidental, and shall not be paid for separately by the City under Appendix 2.

## **5.10 Non-Residents**

If the Contractor is a non-resident of Canada and does not provide to the City a waiver of regulation letter, the City will withhold and remit to the appropriate governmental authority the greater of:

- (a) 15% of each payment due to the Contractor; or
- (b) the amount required under applicable tax legislation.

## **6. CITY RESPONSIBILITIES**

### **6.1 City Information**

The City will, in co-operation with the Contractor, make efforts to make available to the Contractor information, surveys, reports and records which the City has in its possession that relate to the delivery of the Goods and Services. The Contractor will review any such material upon which the Contractor intends to rely and take reasonable steps to determine if that information is complete or accurate. The Contractor will assume all risks that the information is complete and accurate and the Contractor will advise the City in writing if in the Contractor's judgment the information is deficient or unreliable and undertake such new surveys and investigations as are necessary.

### **6.2 City Decisions**

The City will in a timely manner make all decisions required under this agreement, examine documents submitted by the Contractor and respond to all requests for approval made by the Contractor pursuant to this agreement.

### **6.3 Notice of Defect**

If the City observes or otherwise becomes aware of any fault or defect in the delivery of the Goods or the provision of Services, it may notify the Contractor, but nothing in this agreement will be interpreted as giving the City the obligation to inspect or review the Contractor's performance with regards to delivering Goods or the provision of the Services.

## **7. INSURANCE AND DAMAGES**

### **7.1 Indemnity**

The Contractor will indemnify and save harmless the City and all of its elected and appointed officials, officers, employees, servants, representatives and agents (collectively the "Indemnitees"), from and against all claims, demands, causes of action, suits, losses, damages and costs, liabilities, expenses and judgments (including all actual legal costs) for damage to or destruction or loss of property, including loss of use, and injury to or death of any person or persons which any of the Indemnitees incur, suffer or are put to arising out of or in connection with any failure, breach or non-performance by the Contractor of any obligation of this agreement, or any wrongful or negligent act or omission of the Contractor or any employee or agent of the Contractor.

### **7.2 Survival of Indemnity**

The indemnity described in sections 7.1 and 12.4 will survive the termination or completion of this agreement and, notwithstanding such termination or completion, will continue in full force and effect for the benefit of the Indemnitees.

### **7.3 Contractor's Insurance Policies**

The Contractor will, without limiting its obligations or liabilities and at its own expense, provide and maintain throughout this agreement the following insurances in forms and amounts acceptable to the City from insurers licensed to conduct business in Canada:

- (a) commercial general liability insurance on an occurrence basis, in an amount not less than five million (\$5,000,000) dollars inclusive per occurrence against death, bodily injury and property damage arising directly or indirectly out of the work or operations of the Contractor, its employees and agents. The insurance will include cross liability and severability of interests such that the coverage shall apply in the same manner and to the same extent as though a separate policy had been issued to each insured. The insurance will include, but not be limited to: premises and operators liability, broad form products and completed operations, owners and contractors protective liability, blanket contractual, employees as additional insureds, broad form property damage, non-owned automobile, contingent employers liability, broad form loss of use, personal injury, and incidental medical malpractice. The City will be added as additional insured;
- (b) professional errors and omissions insurance in an amount not less two million (\$2,000,000) dollars insuring all professionals providing the Services from liability resulting from errors or omissions in the performance of the Services, with a 12 month maintenance period, and
- (c) automobile liability insurance on all vehicles owned, operated or licensed in the name of the Contractor in an amount not less than three million (\$3,000,000) dollars per occurrence for bodily injury, death and damage to property.

### **7.4 Insurance Requirements**

The Contractor will provide the City with evidence of the required insurance prior to the commencement of this agreement. Such evidence will be in the form of a completed certificate of insurance acceptable to the City. The Contractor will, on request from the City, provide certified copies of all of the Contractor's insurance policies providing coverage relating to the Services,

including without limitation any professional liability insurance policies. All required insurance will be endorsed to provide the City with thirty (30) days advance written notice of cancellation or material change restricting coverage. To the extent the City has an insurable interest, the builder's risk policy will have the City as first loss payee. The Contractor will be responsible for deductible amounts under the insurance policies. All of the Contractor's insurance policies will be primary and not require the sharing of any loss by the City or any insurer of the City.

## **7.5 Contractor Responsibilities**

The Contractor acknowledges that any requirements by the City as to the amount of coverage under any policy of insurance will not constitute a representation by the City that the amount required is adequate and the Contractor acknowledges and agrees that the Contractor is solely responsible for obtaining and maintaining policies of insurance in adequate amounts. The insurance policy coverage limits shall not be construed as relieving the Contractor from responsibility for any amounts which may exceed these limits, for which the Contractor may be legally liable.

## **7.6 Additional Insurance**

The Contractor shall place and maintain, or cause any of its sub-contractors to place and maintain, such other insurance or amendments to the foregoing policies as the City may reasonably direct.

## **7.7 Waiver of Subrogation**

The Contractor hereby waives all rights of recourse against the City for loss or damage to the Contractor's property.

# **8. TERMINATION**

## **8.1 By the City**

The City may at any time and for any reason by written notice to the Contractor terminate this agreement before the completion of all the Goods and Services, such notice to be determined by the City at its sole discretion. Upon receipt of such notice, the Contractor will perform no further Goods and Services other than the work which is reasonably required to complete the Goods and Services. Despite any other provision of this agreement, if the City terminates this agreement before the completion of all the Goods and Services, the City will pay to the Contractor all amounts owing under this agreement for Goods and Services provided by the Contractor up to and including the date of termination, plus reasonable termination costs in the amount as determined by the City in its sole discretion. Upon payment of such amounts no other or additional payment will be owed by the City to the Contractor, and, for certainty, no amount will be owing on account of lost profits relating to the portion of the Goods and Services not performed or other profit opportunities.

## **8.2 Termination for Cause**

The City may terminate this agreement for cause as follows:

- (a) If the Contractor is adjudged bankrupt, or makes a general assignment for the benefit of creditors because of its insolvency, or if a receiver is appointed because of its insolvency, the City may, without prejudice to any other right or

- remedy the City may have, terminate this agreement by giving the Contractor or receiver or trustee in bankruptcy written notice; or
- (b) If the Contractor is in breach of any term or condition of this agreement, and such breach is not remedied to the reasonable satisfaction of the City within 5 days after delivery of written notice from the City to the Contractor, then the City may, without prejudice to any other right or remedy the City may have, terminate this agreement by giving the Contractor further written notice.

If the City terminates this agreement as provided by this Section, then the City may:

- (c) enter into contracts, as it in its sole discretion sees fit, with other persons to complete the Goods and Services;
- (d) withhold payment of any amount owing to the Contractor under this agreement for the performance of the Goods and Services;
- (e) set-off the total cost of completing the Goods and Services incurred by the City against any amounts owing to the Contractor under this agreement, and at the completion of the Goods and Services pay to the Contractor any balance remaining; and
- (f) if the total cost to complete the Goods and Services exceeds the amount owing to the Contractor, charge the Contractor the balance, which amount the Contractor will forthwith pay.

### **8.3 Curing Defaults**

If the Contractor is in default of any of its obligations under this agreement, then the City may without terminating this agreement, upon 5 days written notice to the Contractor, remedy the default and set-off all costs and expenses of such remedy against any amounts owing to the Contractor. Nothing in this agreement will be interpreted or construed to mean that the City has any duty or obligation to remedy any default of the Contractor.

## **9. APPLICABLE LAWS, BUILDING CODES AND BY-LAWS**

### **9.1 Applicable Laws**

This agreement will be governed by and construed in accordance with the laws of the Province of British Columbia. The City and the Contractor accept the jurisdiction of the courts of British Columbia and agree that any action under this agreement be brought in such courts.

### **9.2 Codes and By-Laws**

The Contractor will provide the Goods and Services in full compliance with all applicable laws, building codes and regulations.

### **9.3 Interpretation of Codes**

The Contractor will, as a qualified and experienced professional, interpret applicable codes, laws and regulations applicable to the performance of the Goods and Services. If an authority having jurisdiction imposes an interpretation which the Contractor could not reasonably have verified or foreseen prior to entering into this agreement, then the City will pay the additional costs, if any, of making alterations so as to conform to the required interpretation.

## **10. CONFIDENTIALITY AND DISCLOSURE OF INFORMATION**

### **10.1 No Disclosure**

Except as provided for by law or otherwise by this agreement, the Contractor will keep strictly confidential any information supplied to, obtained by, or which comes to the knowledge of the Contractor as a result of the performance of the Goods and Services and this agreement, and will not, without the prior express written consent of the City, publish, release, disclose or permit to be disclosed any such information to any person or corporation, either before, during or after termination of this agreement, except as reasonably required to complete the Goods and Services.

### **10.2 Freedom of Information and Protection of Privacy Act**

The Contractor acknowledges that the City is subject to the *Freedom of Information and Protection of Privacy Act* of British Columbia and agrees to any disclosure of information by the City required by law.

The Confidentiality Agreement attached to this Agreement forms a part of and is incorporated into this Agreement.

### **10.3 Return of Property**

The Contractor agrees to return to the City all of the City's property at the completion of this agreement, including any and all copies or originals of reports provided by the City.

## **11. USE OF WORK PRODUCT**

The Contractor hereby sells, assigns and transfers to the City the right, title and interest required for the City to use and receive the benefit of all the reports, drawings, plans, designs, models, specifications, computer software, concepts, products, designs or processes or other such work product produced by or resulting from the Services rendered by the Contractor.

## **12. WORKERS' COMPENSATION BOARD AND OCCUPATIONAL HEALTH AND SAFETY**

12.1 The Contractor agrees that it shall, at its own expense, procure and carry, or cause to be procured, carried and paid for, full Workers' Compensation Board coverage for itself and all workers, employees, servants and others engaged in the supply of the Goods and Services. The Contractor agrees that the City has the unfettered right to set off the amount of the unpaid premiums and assessments for the Workers' Compensation Board coverage against any monies owing by the City to the Contractor. The City will have the right to withhold payment under this agreement until the Workers' Compensation Board premiums, assessments or penalties in respect of the Goods and Services have been paid in full.

12.2 The Contractor will provide the City with the Contractor's Workers' Compensation Board registration number and a letter from the Workers' Compensation Board confirming that the Contractor is registered in good standing with the Workers' Compensation Board and that all assessments have been paid to the date thereof prior to the City having any obligations to pay monies under this agreement.

- 12.3 The Contractor agrees that it is the prime contractor for the Services as defined in the *Workers Compensation Act*. The Contractor will have a safety program in place that meets the requirements of the Workers' Compensation Board Occupational Health and Safety Regulation and the *Workers Compensation Act*. As prime contractor, the Contractor will be responsible for appointing a qualified coordinator for insuring the health and safety activities for the location of the Services. That person will be the person so identified in Appendix 4 of this agreement, and the Contractor will advise the City immediately in writing if the name or contact number of the qualified coordinator changes.
- 12.4 Without limiting the generality of any other indemnities granted by the Contractor in this agreement, the Contractor shall indemnify and save harmless the Indemnitees from and against all claims, demands, causes of action, suits, losses, damages, costs, liabilities, expenses, judgements, penalties and proceedings (including all actual legal costs) which any of the Indemnitees incur, suffer or are put to arising out of or in any way related to unpaid Workers' Compensation Board assessments owing from any person or corporation engaged in the performance of this agreement or arising out of or in any way related to the failure to observe safety rules, regulations and practices of the Workers' Compensation Board, including penalties levied by the Workers' Compensation Board.
- 12.5 The Contractor will ensure compliance with and conform to all health and safety laws, by-laws or regulations of the Province of British Columbia, including without limitation the *Workers Compensations Act* and Regulations pursuant thereto.
- 12.6 The City may, on twenty-four (24) hours written notice to the Contractor, install devices or rectify any conditions creating an immediate hazard existing that would be likely to result in injury to any person. However, in no case will the City be responsible to ascertaining or discovering, through inspections or review of the operations of the Contractor or otherwise, any deficiency or immediate hazard.
- 12.7 The Contractor understands and undertakes to comply with all Workers' Compensation Board Occupational Health and Safety Regulations for hazardous materials and substances, and in particular with the "Workplace Hazardous Materials Information System (WHMIS)" Regulations. All "Material Safety Data Sheets (MSDS)" shall be shipped along with the Goods and any future MSDS updates will be forwarded.

### **13. BUSINESS LICENSE**

The Contractor will obtain and maintain throughout the term of this agreement a valid City of Surrey business license.

### **14. DISPUTE RESOLUTION**

#### **14.1 Dispute Resolution Procedures**

- (a) Negotiation  
The parties will make reasonable efforts to resolve any Dispute by amicable negotiations and will provide frank, candid and timely disclosure of all relevant facts, information and documents to facilitate negotiations.
- (b) Mediation  
If all or any portion of a Dispute cannot be resolved by good faith negotiations within 30 days, either party may by notice to the other party refer the matter to mediation. Within 7 days of delivery of the notice, the parties will mutually appoint a mediator. If the parties fail to agree on the appointment of the mediator, then either party may apply to the British Columbia International Commercial Arbitration Centre for appointment of a mediator. The parties will continue to negotiate in good faith to resolve the Dispute with the assistance of the mediator. The place of mediation will be Surrey, British Columbia. Each party will equally bear the costs of the mediator and other out-of-pocket costs, and each party will bear its own costs of participating in the mediation.
- (c) Litigation  
If within 90 days of the request for mediation the Dispute is not settled, or if the mediator advises that there is no reasonable possibility of the parties reaching a negotiated resolution, then either party may without further notice commence litigation.

## **15. JURISDICTION AND COUNCIL NON-APPROPRIATION**

- 15.2 The Contractor recognizes and agrees that the City cannot make financial commitments beyond the City's current fiscal year. The City will annually make bonafide requests for appropriation of sufficient funds to cover all payments covered by this agreement. If City Council does not appropriate funds, or appropriates insufficient funds, the City will notify the Contractor of its intention to terminate or reduce the services so affected within 30 days after the non-appropriation becomes final. Such termination shall take effect 30 days from the date of notification, shall not constitute an event of default and shall relieve the City, its officers and employees, from any responsibility or liability for the payment of any further amounts under this agreement.

## **16. GENERAL**

## 16.4 Survival of Obligations

All of the Contractor's obligations to perform the Goods and Services in a professional and proper manner will survive the termination or completion of this agreement.

## 16.5 Cumulative Remedies
