

EDUKITS

Can't make it to the farm? That's okay! Our EDUKITS contain hands-on artifacts and archival materials, including photographs, newspaper articles, letters and more. Each comes with detailed teachers' notes, suggested learning activities, worksheets and recommended resources.

Immigrant Perspectives (Gr. 5–6)

How did people get to Surrey? What challenges did they face? Did everyone have the same experience? Students use artifacts, maps, and documents to answer these questions and uncover information about the Chinese Head Tax and other immigration experiences in early B.C. history. Kit includes: over 30 artifacts, historical maps and documents and 8 activities.

Reserve early to avoid disappointment

Three-week rental: \$51.45

Did you know?

If you booked a field trip in the 2018-2019 school year at the Stewart Farm, you can refer a colleague (or more) who hasn't booked a trip here before and ALL be entered in a prize draw. The referring teacher will also receive a FREE copy of the award-winning local history book 'Surrey: A City of Stories.' Visit our website for more details.

Enriching, Fun, Educational Experiences

Our Historic Stewart Farm school programs have been created by expert staff with in-depth knowledge of the revised provincial curriculum and Surrey's history. Your students will have the chance to play touch and explore – creating memories to last a lifetime.

- Low cost per student
- Authentic hands-on experiences
- Local history
- Museum/Archival quality artifacts and reproductions
- Curriculum current content

EXTENSIVE TEACHER RESOURCES

- Pre/post program activities
- Online/print resource listings
- Small/large project options for groups/individuals

RAINY DAY? NO PROBLEM!

Looking for a fun and enriching field trip that will keep your students dry on rainy days? Historic Stewart Farm has you covered. Most of our school programming is held indoors. Umbrellas are supplied for class use to explore the grounds.

Historic STEWART FARM

2019/2020

SCHOOL PROGRAMS

Want to plan an unforgettable field trip—one that will whisk your students back in time before the days of iPads and Xboxes? Time to plan a visit to the Historic Stewart Farm’s 1894 farmhouse and grounds. Costumed docents help students imagine and learn about the lives of settlers and their families in Surrey long-ago, always keeping current with the new curriculum.

Special Programs

Heritage Christmas (K–Gr. 5)

Students explore the festively decorated farmhouse, complete with Victorian Christmas tree. Learn about Christmas traditions, and make a wooden vintage craft to take home.

Available November 18–December 20, 2019

Ice Cream Social (Pre-K–Gr. 2)

Celebrate the end of school with an ice cream party! Kids do old-fashioned chores, go on a nature walk, learn about settler fairs, and play Victorian lawn games while hand-churning some delicious ice cream. This program can accommodate two classes of up to 48 students. Parent participation required.

Available June 2–June 12, 2020

Primary Programs

Stories, Shoots and Sprouts (K– Gr. 1)

Dig, plant, discover. Learn about growing heritage vegetables and fruit through songs, games and indoor/outdoor seasonal activities. Explore the root cellar, garden, orchard, pole barn, and farmhouse kitchen. Bring home a future beanstalk!

Harvest Focus: September–November

Spring Growing Focus: March–May

Farm Kids (K– Gr. 2)

Live just like Surrey’s children did 120 years ago. Try on costumes, learn how to barn dance, do lessons on real slates in our old-fashioned schoolroom, and help with farm chores. Kids learn the role of children in a busy farm family of the late 1800s.

Intermediate Programs

New Woodlands and Waterways (Gr. 3-5)

Discover how the land and waterways helped local people live and survive in Surrey in the late 1800s. Students will explore changes caused to natural areas by settlers in Elgin Heritage Park and at the Historic Stewart Farm. Hands-on activities help students to discover how people changed (and were changed by) their natural surroundings.

Penny Pinchers (Gr. 4–5)

Discover past practices and changing landscapes in this program focused on community history and Surrey’s natural resources. By handling artifacts and performing chores, students learn how simple machines made life easier while investigating other creative ways Surrey’s residents conserved their resources.

Immigrant Perspectives (Gr. 5–6)

Immigrants in turn-of-the-century Canada certainly faced some challenges. Students experience the cultural traditions of Scottish and Chinese settlers on the farm, and learn how the Head Tax and other practices affected immigrants to Surrey in the early 20th century.

Times and Prices for all Programs

- 10:00–11:30AM and 12:30–2PM
- Programs offered on Select Mondays to Friday, price per class \$86.50
- September 16–November 8, 2019 and January 27–May 29, 2020 (unless otherwise specified).

Early bird registration for the Historic Stewart Farm opens in Summer 2019, book before September 13th, 2019 to be entered to win a prize for you and your class! See our website for more information.
