The Evaluation Team will give a written recommendation for the selection of a Preferred Proponent or Preferred Proponents to the City.

### **5.2 Evaluation Criteria**

The Evaluation Team will compare and evaluate all Proposals to determine the Proponent's strength and ability to provide the Services in order to determine the Proposal which is most advantageous to the City, using the following criteria:

#### **(a) Experience, Reputation and Resources**

The Evaluation Team will consider the Proponent's responses to items (i) to (vi) in Schedule C-2.

#### **(b) Technical**

The Evaluation Team will consider the Proponent's responses to Schedule C-4 and items (i) to (ix) in Schedule C-3.

The Evaluation Team will not be limited to the criteria referred to above, and the Evaluation Team may consider other criteria that the team identifies as relevant during the evaluation process. The Evaluation Team may apply the evaluation criteria on a comparative basis, evaluating the Proposals by comparing one Proponent's Proposal to another Proponent's Proposal. All criteria considered will be applied evenly and fairly to all Proposals.

### **5.3 Discrepancies in Proponent's Financial Proposal**

If there are any obvious discrepancies, errors or omissions in Schedule C-5 of a Proposal (Proponent's Financial Proposal), then the City shall be entitled to make obvious corrections, but only if, and to the extent, the corrections are apparent from the Proposal as submitted, and in particular:

- (a) if there is a discrepancy between a unit price and the extended total, then the unit prices shall be deemed to be correct, and corresponding corrections will be made to the extended totals;

- (b) if a unit price has been given but the corresponding extended total has been omitted, then the extended total will be calculated from the unit price and the estimated quantity;
- (c) if an extended total has been given but the corresponding unit price has been omitted, then the unit price will be calculated from the extended total and the estimated quantity.

#### **5.4 Litigation**

In addition to any other provision of this RFP, the City may, in its absolute discretion, reject a Proposal if the Proponent, or any officer or director of the Proponent submitting the Proposal, is or has been engaged directly or indirectly in a legal action against the City, its elected or appointed officers, representatives or employees in relation to any matter, or if the City has initiated legal action against any officers or directors of the Proponent.

In determining whether or not to reject a Proposal under this section, the City will consider whether the litigation is likely to affect the Proponent's ability to work with the City, its consultants and representatives and whether the City's experience with the Proponent indicates that there is a risk the City will incur increased staff and legal costs in the administration of the Contract if it is awarded to the Proponent.

#### **5.5 Additional Information**

The Evaluation Team may, at its discretion, request clarifications or additional information from a Proponent with respect to any Proposal, and the Evaluation Team may make such requests to only selected Proponents. The Evaluation Team may consider such clarifications or additional information in evaluating a Proposal.

#### **5.6 Interviews**

The Evaluation Team may, at its discretion, invite some or all of the Proponents to appear before the Evaluation Team to provide clarifications of their Proposals. In such event, the Evaluation Team will be entitled to consider the answers received in evaluating Proposals.

#### **5.7 Multiple Preferred Proponents**

The City reserves the right and discretion to divide up the Services, either by scope, geographic area, or other basis as the City may decide, and to select one or more Preferred Proponents to enter into discussions with the City for one or more Contracts to perform a portion or portions of the Services. If the City exercises its discretion to divide up the Services, the City will do so reasonably having regard for the RFP and the basis of Proposals.

In addition to any other provision of this RFP, Proposals may be evaluated on the basis of advantages and disadvantages to the City that might result or be achieved from the City dividing up the Services and entering into one or more Contracts with one or more Proponents.

#### **5.8 Negotiation of Contract and Award**

If the City selects a Preferred Proponent or Preferred Proponents, then it may:

- (a) enter into a Contract with the Preferred Proponent(s); or
- (b) enter into discussions with the Preferred Proponent(s) to attempt to finalize the terms of the Contract(s), including financial terms, and such discussions may include:
  - (1) clarification of any outstanding issues arising from the Preferred Proponent's Proposal;
  - (2) negotiation of amendments to the departures to the draft Contract, if any, proposed by the Preferred Proponent as set in Schedule C-1 to the Preferred Proponent's Proposal; and
  - (3) negotiation of amendments to the Preferred Proponent's price(s) as set out in Schedule C-5 to the Preferred Proponent's Proposal and/or scope of Services if:
    - (A) the Preferred Proponent's financial Proposal exceeds the City's approved budget, or
    - (B) the City reasonably concludes the Preferred Proponent's financial proposal includes a price(s) that is unbalanced, or
    - (C) a knowledgeable third party would judge that the Preferred Proponent's price(s) materially exceed a fair market price(s) for services similar to the Services offered by the Preferred Proponent as described in the Preferred Proponent's Proposal; or
- (c) if at any time the City reasonably forms the opinion that a mutually acceptable agreement is not likely to be reached within a reasonable time, give the Preferred Proponent(s) written notice to terminate discussions, in which event the City may then either open discussions with another Proponent or terminate this RFP and retain or obtain the Services in some other manner.

## **6. GENERAL CONDITIONS**

### **6.1 No City Obligation**

This RFP is not a tender and does not commit the City in any way to select a Preferred Proponent, or to proceed to negotiations for a Contract, or to award any Contract, and the City reserves the complete right to at any time reject all Proposals, and to terminate this RFP process.

Proponents are solely responsible for their own expenses in preparing, and submitting Proposals, and for any meetings, negotiations or discussions with the City or its representatives and consultants, relating to or arising from this RFP. The City and its representatives, agents, consultants and advisors will not be liable to any Proponent for any claims, whether for costs, expenses, losses or damages, or loss of anticipated profits, or for any other matter whatsoever, incurred by the Proponent in preparing and submitting a Proposal, or participating in negotiations for a Contract, or other activity related to or arising out of this RFP.

### **6.6 Confidentiality**

All submissions become the property of the City and will not be returned to the Proponent. All submissions will be held in confidence by the City unless otherwise required by law. Proponents should be aware the City is a “public body” defined by and subject to the *Freedom of Information and Protection of Privacy Act* of British Columbia.

## SCHEDULE A – SCOPE OF SERVICES

### 1. BACKGROUND INFORMATION

The Operation Save H<sub>2</sub>O Program (the “**Program**”) is a City of Surrey’s (the “**City**”) initiative created to educate residents about the importance of saving water and to promote water conservation in Surrey.

In 2008, the Program was first piloted to educate and assist the residents within homes that use higher than average water consumption. This task was accomplished through well trained teams of post-secondary and secondary school students that delivered information and personally engaged with homes considered as “high-water consumers”; this started what is known today as the “High-water User Campaign”.

In 2011, an analysis was undertaken to measure the effectiveness of the Program in relation to reducing water consumption. The analysis indicated that homeowners that were contacted under the Program in 2008 and 2009 had lower water consumption by 7% and 14% respectively as compared to their water consumption before they were contacted. The analysis showed that homeowners that were contacted under the Program in 2010 had decreased their consumption of water by 24%.

This Campaign is a Community Based Social Marketing (CBSM) campaign and utilizes various CBSM tools and strategies, all of which are rooted in behavioral psychology in order to effectively prompt water conservation and bring about a behavioral change within the “high-water users” population. By using these techniques the Teams have been able to provide an approachable and “friendly face” to the community throughout the duration of the program, while being effective in prompting a change in water consumption habits.

The goal of this Campaign is to equip homeowners with the information, tools and strategies they require to lower their water usages and ultimately to save them money.

### 2. GENERAL REQUIREMENTS

- 2.1 The City is seeking services from a Consultant to manage the enhancement teams for the duration of the program. The City is also seeking services from a Consultant to assist with locating and hiring suitable post-secondary and high school students to run the program, and with managing the disbursements and costs related to the program teams.
- 2.2 The 2014 program should continue with the targeted “High-Water User” campaign, and also includes a more widespread approach to delivering the water conservation message throughout Surrey. This should be done through attending community events, promotion of the City’s Volunteer Metering Program, education programs targeted at elementary and secondary schools, programs targeted at the Industrial, Commercial, and Institutional (IC&I) sector, and possibly other new programs created by the selected Consultant team.

- 2.3 All programs should include aspects of CBSM to assist in ensuring the desired behavioral change and overall effectiveness of each program and campaign.
- 2.4 The City anticipates that the Consulting services will be awarded in two agreements:  
a) Program Management; and  
b) Student Component.
- 2.5 The Operation Save H<sub>2</sub>O program fulfills two roles, namely the promotion of water conservation to Surrey and summer youth employment/career training.
- 2.6 The City's intent is to award both components of this contact for one (1) year with the successful Proponent. Upon mutual agreement of the parties, this agreement may be renewed for an additional three (3) one-year terms. Each contract extension is subject to budget approval by the City. The operation save H<sub>2</sub>O program is expected to commence in February 2014.

### **3. SCOPE OF SERVICES**

- The Consultant must demonstrate experience in providing health and safety training, orientation, and mentoring to both student groups.

e) Supervision of Students

- (b) the amount required under applicable tax legislation.

## **6. CITY RESPONSIBILITIES**

### **6.1 City Information**

The City will, in co-operation with the Consultant, make efforts to make available to the Consultant information, surveys, and reports which the City has in its files and records that relate to the Services. The Consultant will review any such material upon which the Consultant intends to rely and take reasonable steps to determine if that information is complete or accurate. The Consultant will assume all risks that the information is complete and accurate and the Consultant will advise the City in writing if in the Consultant's judgment the information is deficient or unreliable and undertake such new surveys and investigations as are necessary.

### **6.2 City Decisions**

The City will in a timely manner make all decisions required under this agreement, examine documents submitted by the Consultant and respond to all requests for approval made by the Consultant pursuant to this agreement.

### **6.3 Notice of Defect**

If the City observes or otherwise becomes aware of any fault or defect in the Services, it may notify the Consultant, but nothing in this agreement will be interpreted as giving the City the obligation to inspect or review the Consultant's performance of the Services.

## **7. INSURANCE AND DAMAGES**

### **7.1 Indemnity**

The Consultant will indemnify and save harmless the City and all of its elected and appointed officials, officers, employees, servants, representatives and agents (collectively the "**Indemnitees**"), from and against all claims, demands, causes of action, suits, losses, damages and costs, liabilities, expenses and judgments (including all actual legal costs) for damage to or destruction or loss of property, including loss of use, and injury to or death of any person or persons which any of the Indemnitees incur, suffer or are put to arising out of or in connection with any failure, breach or non-performance by the Consultant of any obligation of this agreement, or any wrongful or negligent act or omission of the Consultant or any employee or agent of the Consultant.

### **7.2 Survival of Indemnity**

The indemnity described in section 7.1 will survive the termination or completion of this agreement and, notwithstanding such termination or completion, will continue in full force and effect for the benefit of the Indemnitees.

### **7.3 Consultant's Insurance Policies**

The Consultant will, without limiting its obligations or liabilities and at its own expense, provide and maintain throughout this agreement the following insurances in forms and amounts acceptable to the City from insurers licensed to conduct business in Canada:

- (a) commercial general liability insurance on an occurrence basis, in an amount not less than three million (\$3,000,000) dollars inclusive per occurrence against death, bodily injury and property damage arising directly or indirectly out of the work or operations of the Consultant, its employees and agents. The insurance will include cross liability and severability of interests such that the coverage shall apply in the same manner and to the same extent as though a separate policy had been issued to each insured. The insurance will include, but not be limited to: premises and operators liability, broad form products and completed operations, owners and consultants protective liability, blanket contractual, employees as additional insureds, broad form property damage, non-owned automobile, contingent employers liability, broad form loss of use, personal injury, and incidental medical malpractice. The City will be added as additional insured;
- (b) automobile liability insurance on all vehicles owned, operated or licensed in the name of the Consultant in an amount not less than three million (\$3,000,000) dollars per occurrence for bodily injury, death and damage to property; and
- (c) professional errors and omissions insurance in an amount not less one million (\$1,000,000) dollars insuring all professionals providing the Services from liability resulting from errors or omissions in the performance of the Services, with a 12 month maintenance period.

#### **7.4 Insurance Requirements**

The Consultant will provide the City with evidence of the required insurance prior to the commencement of this agreement. Such evidence will be in the form of a completed certificate of insurance acceptable to the City. The Consultant will, on request from the City, provide certified copies of all of the Consultant's insurance policies providing coverage relating to the Services, including without limitation any professional liability insurance policies. All required insurance will be endorsed to provide the City with thirty (30) days advance written notice of cancellation or material change restricting coverage. To the extent the City has an insurable interest, the builder's risk policy will have the City as first loss payee. The Consultant will be responsible for deductible amounts under the insurance policies. All of the Consultant's insurance policies will be primary and not require the sharing of any loss by the City or any insurer of the City.

#### **7.5 Consultant Responsibilities**

The Consultant acknowledges that any requirements by the City as to the amount of coverage under any policy of insurance will not constitute a representation by the City that the amount required is adequate and the Consultant acknowledges and agrees that the Consultant is solely responsible for obtaining and maintaining policies of insurance in adequate amounts. The insurance policy coverage limits shall not be construed as relieving the Consultant from responsibility for any amounts which may exceed these limits, for which the Consultant may be legally liable.

#### **7.6 Additional Insurance**

The Consultant shall place and maintain, or cause any of its sub-consultants to place and maintain, such other insurance or amendments to the foregoing policies as the City may reasonably direct.

## **7.7 Waiver of Subrogation**

The Consultant hereby waives all rights of recourse against the City for loss or damage to the Consultant's property.

## **8. TERMINATION**

### **8.1 By the City**

The City may at any time and for any reason by written notice to the Consultant terminate this agreement before the completion of all the Services, such notice to be determined by the City at its sole discretion. Upon receipt of such notice, the Consultant will perform no further Services other than the work which is reasonably required to terminate the Services and return the City's property to the City. Despite any other provision of this agreement, if the City terminates this agreement before the completion of all the Services, the City will pay to the Consultant all amounts owing under this agreement for Services provided by the Consultant up to and including the date of termination, plus reasonable termination costs in the amount as determined by the City in its sole discretion. Upon payment of such amounts no other or additional payment will be owed by the City to the Consultant, and, for certainty, no amount will be owing on account of lost profits relating to the portion of the Services not performed or other profit opportunities.

### **8.2 Termination for Cause**

The City may terminate this agreement for cause as follows:

- (a) If the Consultant is adjudged bankrupt, or makes a general assignment for the benefit of creditors because of its insolvency, or if a receiver is appointed because of its insolvency, the City may, without prejudice to any other right or remedy the City may have, terminate this agreement by giving the Consultant or receiver or trustee in bankruptcy written notice; or
- (b) If the Consultant is in breach of any term or condition of this agreement, and such breach is not remedied to the reasonable satisfaction of the City within 5 days after delivery of written notice from the City to the Consultant, then the City may, without prejudice to any other right or remedy the City may have, terminate this agreement by giving the Consultant further written notice.

If the City terminates this agreement as provided by this section, then the City may:

- (a) enter into contracts, as it in its sole discretion sees fit, with other persons to complete the Services;
- (b) withhold payment of any amount owing to the Consultant under this agreement for the performance of the Services;
- (c) set-off the total cost of completing the Services incurred by the City against any amounts owing to the Consultant under this agreement, and at the completion of the Services pay to the Consultant any balance remaining; and
- (d) if the total cost to complete the Services exceeds the amount owing to the Consultant, charge the Consultant the balance, which amount the Consultant will forthwith pay.

### **8.3 Curing Defaults**

If the Consultant is in default of any of its obligations under this agreement, then the City may without terminating this agreement, upon 5 days written notice to the Consultant, remedy the default and set-off all costs and expenses of such remedy against any amounts owing to the Consultant. Nothing in this agreement will be interpreted or construed to mean that the City has any duty or obligation to remedy any default of the Consultant.

## **9. APPLICABLE LAWS, BUILDING CODES AND BY-LAWS**

### **9.1 Applicable Laws**

This agreement will be governed by and construed in accordance with the laws of the Province of British Columbia. The City and the Consultant accept the jurisdiction of the courts of British Columbia and agree that any action under this agreement be brought in such courts.

### **9.2 Codes and By-Laws**

The Consultant will provide the Services in full compliance with all applicable laws, building codes and regulations.

### **9.3 Interpretation of Codes**

The Consultant will, as a qualified and experienced professional, interpret applicable codes, laws and regulations applicable to the performance of the Services. If an authority having jurisdiction imposes an interpretation which the Consultant could not reasonably have verified or foreseen prior to entering into this agreement, then the City will pay the additional costs, if any, of making alterations so as to conform to the required interpretation.

## **10. CONFIDENTIALITY AND DISCLOSURE OF INFORMATION**

### **10.1 No Disclosure**

Except as provided for by law or otherwise by this agreement, the Consultant will keep strictly confidential any information supplied to, obtained by, or which comes to the knowledge of the Consultant as a result of the performance of the Services and this agreement, and will not, without the prior express written consent of the City, publish, release, disclose or permit to be disclosed any such information to any person or corporation, either before, during or after termination of this agreement, except as reasonably required to complete the Services.

12.2 The Consultant will provide the City with the Consultant's Workers' Compensation Board registration number and a letter from the Worker's Compensation Board confirming that the Consultant is registered in good standing with the Workers' Compensation Board.

- 12.5 The Consultant will ensure compliance with and conform to all health and safety laws, by-laws or regulations of the Province of British Columbia, including without limitation the *Workers Compensation Act* and Regulations pursuant thereto.
- 12.6 The City may, on twenty-four (24) hours written notice to the Consultant, install devices or rectify any conditions creating an immediate hazard existing that would be likely to result in injury to any person. However, in no case will the City be responsible for ascertaining or discovering, through inspections or review of the operations of the Consultant or otherwise, any deficiency or immediate hazard.

### **13. BUSINESS LICENSE**

- 13.1 The Consultant will obtain and maintain throughout the term of this agreement a valid City of Surrey business license.

### **14. DISPUTE RESOLUTION**
