# ***Facility Program Schedule***

## **Program Pricing Philosophy**

### **Program Fees**

Programs rates will be set to cover all direct costs plus at least 20% to cover administration costs. Direct costs include the following:

- a. Labour costs
- b. Material and supply costs for the program
- c. Facility costs – where applicable, i.e., a facility is rented to house the program

### **Recognition of Town Centre Needs**

General admissions for facilities and program registration fees may be developed with consideration given to specific Town Centre needs.

### **Subsidies - Programs**

- a. Developmental Programs - activities/programs that do not initially cover direct costs may be offered at a loss in order to encourage and promote interest. It is expected that eventually these programs will break even.
- b. Experimental or Academic Programs - programs with limited users, but important to community and facility mandates, may be subsidized to ensure public access to specialized topics.
- c. Partnerships and Community Development Program Pricing - As external partners have decision making roles in these programs, standard fees and charges may not apply.
