COUNCIL DATE: June 15, 2020

REGULAR COUNCIL

TO: **Mayor & Council**

DATE: **June 10, 2020**

FROM: **General Manager, Engineering Department**

FILE: **7918-0032-00**

SUBJECT: **Closure of Road Adjacent to 8013 - 144 Street**

RECOMMENDATION

The Engineering Department recommends that Council authorize the City Clerk to bring forward a Bylaw to close and remove the dedication as highway of a 131 m² (1,410 ft.²) area of road allowance located adjacent to 8013 - 144 Street, as generally illustrated in Appendix "I" attached to this report, subject to compliance with the notice provisions of the Community Charter, SBC 2003, c. 26.

INTENT

The intent of this report is to seek Council's approval to close and remove a portion of Hawkstream Drive (80 Avenue) as road allowance for disposition and consolidation with the adjacent lands under Development Application No. 7918-0032-00.

BACKGROUND

Property Description

The area of road allowance proposed for closure is a 131 m² (1,410 ft.²) portion of unconstructed road (the "Road Closure Area") adjacent to 8013 - 144 Street (the "Adjacent Property").

Zoning, Plan Designations and Land Uses

The Road Closure Area and the Adjacent Property are currently zoned Comprehensive Development (CD) Zone and designated "Suburban" in the Official Community Plan.

DISCUSSION

Purpose of Road Closure

The Road Closure Area is intended to be consolidated with the Adjacent Property and rezoned under Development Application No. 7918-0032-00. This Development Application is seeking approval to permit the rezoning and subdivision of the Adjacent Property into two Single Family Residential (RF) Zone properties, as illustrated in Appendix "II" attached to this report. The proposed road closure was referenced in the October 7, 2019 Planning Report to Council related

to Development Application No. 7918-0032-00, and the related Rezoning Bylaw was granted Third Reading by Council on November 6, 2019.

The proposed closure has been circulated to all potentially concerned City Departments for review and all are supportive of the proposal.

As required under Section 40(4) of the Community Charter, all utility companies potentially affected by the proposed road closure have been consulted and none have expressed any objections.

Land Value

The applicant has agreed to provide compensation to the City equivalent to the market value of the Road Closure Area, as determined by a qualified staff appraiser.

All area calculations contained in this report are approximate and subject to final survey.

SUSTAINABILITY CONSIDERATIONS

The proposed road closure and sale supports the City's Sustainability Charter 2.0. In particular, the closure and sale of the portion of road allowance relates to the Sustainability Charter 2.0 theme of Built Environment and Neighbourhoods. Specifically, this road closure supports the following Desired Outcomes:

- Neighbourhoods and Urban Design DO6: Land is used efficiently and sensitively, and development minimizes the impacts on the natural environment, viewscales, agricultural land and urban wildlife; and
- Neighbourhoods and Urban Design DO8: The built environment enhances quality of life, happiness and well-being.

CONCLUSION

The Road Closure Area is surplus to the City's needs. The terms of the agreement related to the disposition of the Road Closure Area are considered reasonable. It is recommended that Council authorize staff to bring forward an appropriate Bylaw to close the Road Closure Area in preparation for its sale and consolidation as generally described in this report.
