COUNCIL DATE: September 14, 2020

REGULAR COUNCIL

TO: **Mayor & Council** DATE: **September 8, 2020**

FROM: **General Manager, Corporate Services** FILE: **1970-04**

SUBJECT: **Proposed Permissive Property Tax Exemptions for Qualifying Churches,
Private Schools and Pre-1974 Care Homes for the 2021 Tax Year**

RECOMMENDATION

The Corporate Services Department recommends that Council:

1. Receive this report for information; and
2. Authorize the City Clerk to bring forward *Section 220 and 224 (2) (f) and (h) Tax Exemption Bylaw 2020, No. 20153* (the "Bylaw") for the required readings.

INTENT

The purpose of this report is to request that Council consider permissive tax exemptions for churches, private schools and pre-1974 care homes pursuant to Section 224(2) (f) and (h) of the *Community Charter, S.B.C. 2003, Chap. 26*, in accordance with the City's Tax Exemption Policy (the "Policy"), as documented in Appendix "I", and in conjunction with a statutory exemption determined by and administered by the BC Assessment Authority.

BACKGROUND

In the spring of each year, the City forwards permissive property tax exemption applications to organizations that have previously been granted a property tax exemption by the City as well as to any organization that has expressed an interest in applying for an exemption. In the case of applications for sites that have been previously approved for exemption, these are also subject to an annual review to determine if any changes have transpired from the previous year.

In each case, the application was reviewed by staff to ensure that the related property met the criteria outlined in legislation and the Policy for such an exemption. In the case of new applicants and those requesting changes to their exemption, site visits are undertaken and consultation with inspectors from BC Assessment are held to ensure that the property is deemed a place of public worship and meets the requirements of Sections 220 and 224(2)(f) and (h). In addition, a staff committee comprised of representatives from the Finance Department, Planning & Development Department and the Legislative Services Division meet to review any applications that may

contain an anomalous situation and subsequently forwards recommendations to Council for consideration.

Statutory exemptions from property taxation are provided under Section 220 for churches, private schools, hospitals and certain senior care homes that were developed with financial assistance from the province between January 1947 and April 1974. With respect to churches, statutory exemptions are only provided for the building itself and the land occupied by the footprint of the building within the lot on which the building is located. Statutory exemptions are verified and applied by the staff at the BC Assessment Authority.

Under Section 224(2) (f) and (h) Council may provide additional exemptions for qualifying properties. Exemption may be granted for an area of land surrounding the building that Council views as necessary to support the uses in the tax-exempt building (for example, a parking lot or a church hall in relation to an exempt church). The recommended tax exemptions listed in the schedule to the proposed Bylaw (attached as Appendix "II") fall under the sections that allow Council to consider an additional permissive exemption for such properties.

A bylaw under Section 224 may only come into effect for the subsequent tax year once public notice of the proposed bylaw has been given and subject to the bylaw being adopted on or before October 31 of the year prior to the tax year for which the exemption is approved.

DISCUSSION

New Applications

The City has received two new applications that meet the requirements for permissive tax exemption:

1. Al-Mustafa Academy, 5441 – 125A Street – Schedule A, Item 2
The Society purchased the Colebrook United Church property in 2019. They have been added to the Bylaw for 2021. A portion of the property is leased for the exclusive use of a third-party daycare provider that has been operating on the subject site for many years. The property has been included in the schedule for Council's consideration.
2. Association of Islamic Charitable Projects, 13630 Grosvenor Road – Schedule A, Item 5
The Society purchased the property from the Canadian Islamic Education Society in October 2019. BC Assessment have inspected the property and confirm that it continues to be a place of worship. The property has been included in the schedule for Council's consideration.

Application Changes

The following applications contained operational or usage changes that have resulted in changes to the permissive exemption recommended for 2021:

1. Canadian Islamic Education Society of BC - 13630 Grosvenor Road
The Society sold the property in October 2019. The new owner of the property has applied for exemption as noted above, so the property remains on the schedule.

2. Greater Vancouver Assembly Hall of Jehovah's Witnesses, 15577 - 82 Avenue Schedule A, Item 47
The Society is constructing additional residential suites on the property, as approved in Planning Application No. 7919-0311-00. The current residential area is 2,960 square feet as verified by the drawings submitted for the new application. The schedule has been updated accordingly to exclude that portion of the property from exemption.
3. Punjabi Masihi Church Society, 14488 - 72 Avenue – Schedule A, Item 94
The subject property contains a two-storey residential home that was previously used as a manse. The Society advises that this is now an income rental property. The exemption map has been updated to show as taxable a portion of land surrounding the house that is now utilized exclusively by a third party as a yard.
4. Sunshine Ridge Baptist Church, 6230 - 120 Street – Schedule A, Item 114
The car dealership located next door to the church previously used the church parking lot for overstock storage of unlicensed vehicles and staff parking. The property is no longer being used to store overstock, and the area used exclusively by the dealership has been reduced. The dealership currently leases 75 stalls from the church for staff parking. In addition, the church provides overflow parking for the Sunshine Village retail units on an as-needed basis. The area leased for these purposes has been notably reduced and the map has been updated for 2021 to include a larger portion of the property for exemption.

Applications Not Recommended

The following application does not meet the criteria under the Policy and therefore permissive exemption is not recommended for 2021:

1. Geeta Gyan Society of BC, 11387 – 128 Street
In May 2011, the City placed a Stop Work Order on the property as significant additions and renovations had been constructed without the necessary building permits. In 2012, Council denied a permissive tax exemption for the 2013 tax year, and the Society did not apply in the ensuing years. To date, the non-permitted construction remains, and a building permit has not been issued. The Society is not compliant with municipal policies, plans, bylaws and regulations, and it is recommended that exemption be denied for 2021. The Society will continue to receive a statutory exemption from BC Assessment for a portion of the subject property.
2. St. Mary's Coptic Orthodox Church, 12469 - 104 Avenue
There is currently a Stop Work Order on the building as of March 2020, as extensive renovations have occurred prior to the issuance of a building permit. The Society is not compliant with municipal policies, plans, bylaws and regulations, and it is recommended that exemption be denied for 2021. The Society will continue to receive a statutory exemption from BC Assessment for a portion of the subject property.

The schedule to the proposed Bylaw includes the above-referenced amendments, which have been bolded for clarity. There are 146 distinct properties or strata units that are recommended for full or partial property tax exemption. All except two of the properties are places of public worship receiving permissive exemptions under Section 224 (2) (f). There are two pre-1974 seniors' housing for which permissive exemptions are provided under Section 224 (2) (h).

Public Notice

Under Section 227 of the *Community Charter*, most property tax exemptions require newspaper notice to the public to provide the estimated values of the exempted Municipal taxes for the next three consecutive years. However, newspaper notice to the public is not required for exemptions that encompass churches, private schools, hospitals and pre-1974 senior care homes. The total estimated value of the permissive portion of property tax exemptions for these types of properties was \$770,000.00 for the 2020 tax year. Based on the above proposed new applications and application changes, the estimated exemption value for the 2021 tax year is \$792,000.00.

SUSTAINABILITY CONSIDERATIONS

The work of the proposed property tax exemptions supports the objectives of the City's Sustainability Charter 2.0. In particular, this project supports the Sustainability Charter 2.0 theme of Inclusion. Specifically, this project supports the following Desired Outcomes ("DO"):

- Community Pride and Engagement DO₂₃: Numerous active local clubs and agencies contribute to the community's well-being; and
- Social Infrastructure and Innovation DO₂₄: Surrey has a strong social infrastructure that supports the needs of its diverse and growing population.

CONCLUSION

Based on the above discussion, it is recommended that Council authorize the City Clerk to bring forward *Section 220 and 224 (2) (f) and (h) Tax Exemption Bylaw 2020, No. 20153* for the required readings.

TITLE: TAX EXEMPTION POLICY

PURPOSE

This policy is intended to provide guidance in the processing of applications for exemption from property taxes pursuant to Sections 220, 224 and 225 of the *Community Charter*.

Exemptions provided for in Sections 224(2), and Section 225 of the *Community Charter* are at the discretion of Council. This policy is intended to establish principles, which can serve as a guide in evaluation of applications for exemptions.

POLICY

General

1. Additional exemption under Sections 224 and 225 of the *Community Charter* are at the discretion of Council exercised in accordance with those sections and this policy. There is no obligation to give exemption. Exemptions cannot be granted if the owner does not qualify under the *Community Charter*.
2. To be considered for exemption, all applications must be consistent with municipal policies, plans, bylaws and regulations.

3. The exemptions can only be considered after the building is constructed, given final occupancy approval by the City, be occupied, operational and compliant with all licensing and permits.
4. Section 225 requires that the exemption be granted by bylaw, adopted by a 2/3 majority of Council, prior to October 31 of the year preceding the year of exemption.
5. All permissive exemptions are to be reviewed by staff each year to ensure that, based on the most current available information, they continue to qualify for an exemption.
6. Exemptions will only be considered for non-profit, charitable organizations or for-profit community care living facilities that are *licensed* under the *Community Care and Assisted Living Act*. In the case of for-profit organizations, only those beds that are publicly funded will be considered.
7. The City of Surrey may adjust a permissive property tax exemption for a property should factors important to the eligibility of the property for an exemption change at any time. This includes, but is not limited to, change of use, change of ownership and/or non-compliance with City bylaws, policies and regulations.
8. A property will not qualify for exemption if construction takes place on the property without all necessary licenses and permits having been first obtained for such construction.
9. With the exception of exemptions given under Section 225, portions of land or improvements, or both, that are used for commercial purposes, whether exclusively or non-exclusively, may not be considered for permissive exemption.
10. With the exception of exemptions granted under Section 224 (2)(g) [Leased churches], the person or organization carrying on the qualifying use must own the property for which the exemption is being sought.

Exemption will be considered for the original maintained heritage structure only. Added improvements or reconstructed structures are not eligible for permissive exemption under this Section.

Permissive exemptions will only be considered for independent schools who share campus lands with a place of worship.
