## REGULAR COUNCIL

TO: **Mayor & Council**

DATE: **September 19, 2024**

FROM: **General Manager, Engineering**

FILE: **1280-01**

SUBJECT: **Award of Contract No. 1220-040-2024-053  
Supply and Delivery of 25,000kg Loader**

---

## RECOMMENDATION

The Engineering Department recommends that Council:

1. Award Contract No. 1220-040-2024-053 to Liebherr Canada in the amount of \$644,000.00 (including all applicable taxes and levies) for the supply and delivery of one 25,000 kg loader;
2. Set the expenditure authorization limit for Contract No. 1220-040-2024-53 at \$644,000.00 (including all applicable taxes and levies); and
3. Authorize the General Manager, Engineering to execute Contract No. 1220-040-2024-053.

## INTENT

The purpose of this report is to seek Council approval to award Contract No 1220-040-2024-53 for the purchase of one 25,000 kg loader to replace an existing loader.

## DISCUSSION

As identified in the Fleet Capital Replacement Plan, the City needs to replace an existing loader, which has been determined to be at the end of its service life with over 23,000 operating hours and more than 18 years old. Additionally, the engine requires a major rebuild, estimated to cost over \$60,000.00, therefore, it is in the City's best interest to replace the existing loader in 2025.

## Quotation Results

In June 2024, a Request for Quotation ("RFQ") was posted on BC Bid and the City of Surrey website. The following five compliant submissions were received:

<b>Proponent</b>	<b>Tendered Amount (including taxes and levies)</b>	<b>Corrected Amount</b>
Liebherr Canada (Liebherr)	\$644,000.00	No Change
Wajax Limited (Hitachi)	\$696,640.00	No Change
Great West Equipment (Volvo)	\$737,184.00	No Change
Brandt Tractor Ltd. (John Deere)	\$716,688.00	No Change
Finning Tractor (Caterpillar)	\$761,600.00	No Change

### **Evaluation**

The evaluation team included staff from the Engineering and the Finance Departments who reviewed the quotations for accuracy and completeness. Liebherr Canada has provided the low conforming bid, which provides best value to the City. Based on the above, it is recommended that Contract No. 1220-040-202-053 be awarded Liebherr Canada.

### **FUNDING**

Funding for this contract is available in the 2024 Fleet and Equipment Capital Budget.

Scott Neuman, P.Eng.  
General Manager, Engineering
