REGULAR COUNCIL

TO: Mayor & Council **DATE: April 5, 2000**

FROM: General Manager, Engineering **FILE: 4799-905**

SUBJECT: Local Improvement Sanitary Sewer Extension145A Street: Address 8218 to 82A Avenue

RECOMMENDATION

It is recommended that:

1. Council authorize a Local Improvement sanitary sewer extension to service the properties on 145A Street: Address 8218 to 82A Avenue, at an estimated cost of \$49,000, which is to be apportioned and levied on the benefiting property owners in accordance with the current Cost Sharing By-law No. 3250 and Sewer Extension By-law No. 2240.
2. That the corresponding Construction By-law be introduced for adoption by Council.

INTENT

To fulfil petitioner's request for a sanitary sewer main on 145A Street: Address 8218 to 82A Avenue.

DISCUSSION

5 out of 7 property owners have formally petitioned for extension of sanitary sewer mains to service their properties - please see the attached sketch Appendix 1. The petition has been determined by the City Clerk to be sufficient. [The Certificate attached as Appendix 2.]

The Engineer's report attached as Appendix 3 provides details of the cost of sewer main extension and the apportionment of costs equally amongst 7 property owners under the provisions of "Local Improvement" with 10% contribution from the City, as per the provision within the Cost Sharing By-law No. 3250.

Sufficient funds are available in the Sewer Capital Local Improvement program for the current year to cover the cost of this project.
