REGULAR COUNCIL

TO: Mayor & Council **DATE: March 6, 2001**

FROM: General Manager, Engineering **FILE: 4700-904**

SUBJECT: Local Improvement Sanitary Sewer Servicing 116A Avenue: Address 14472 to Address 14536

RECOMMENDATION

It is recommended that Council authorize:

1. a Local Improvement sanitary sewer extension to service properties on 116A Avenue from address 14472 to address 14536, as formally petitioned, for an estimated cost of \$58,625, which is to be apportioned and levied on the benefiting property owners in accordance with Cost Sharing By-law No. 3250, when final costs are determined;
2. a specified charge pursuant to Sewer Rates & Extension By-law No. 2240 to recover from the potential future lot benefiting from the above Local Improvement the additional \$8,375 frontended by the sewer utility; and
3. introduction of the corresponding Local Improvement Construction and Specified Charge By-law.

INTENT

To fulfill petitioner's request for a sanitary sewer service.

DISCUSSION

Five out of seven property owners have formally petitioned for Local Improvement extension of sanitary sewer mains to service these properties (see attached sketch). The petition has been certified to be 'sufficient' in accordance with the provisions of the Municipal Act.

Cost of the sanitary sewer extension has been estimated at \$67,000; \$58,625 of which is to be shared equally amongst the seven existing homes, with the City contributing in accordance with the Cost Sharing By-law. The Sewer Utility will front-end the balance for the potential future lot and will recoup this cost as 'specified charge' when the

future lot is created.

The details of the costs and apportionment to the benefiting property owners, as required under Section 662 (1) of the Municipal Act, are appended to this report. There are sufficient funds in the Sewer Capital Local Improvement Program to cover the cost of this project.
