SUBJECT:	Forster's Mug & Musket RestaurantChange in present liquor license to include entertainment		

RECOMMENDATION

That Council if it wishes to approve the proposed changes in the conditions of their current Class "B" dining lounge license, and advise the Liquor & Licensing Board of their consent.

BACKGROUND

Forster's Mug & Musket Restaurant has requested a change to their current liquor license to include entertainment. The entertainment will take place primarily on weekends and will include dinner music, small 2-3 person local bands and local singers. The restaurant is primarily oriented to 25 years of age and older and the entertainment will focus on this environment.

DISCUSSION

Forster's Mug & Musket Restaurant located at 9547 - 152nd Street presently holds a Class "B" Dining Lounge license. They presently have a current Business License with the City of Surrey and our By-law and Licensing Section requested input from the local R.C.M.P. (District 2). Both By-law and the R.C.M.P. have no concerns with these changes. The City has experienced no problems with the current management of this establishment. Some of their existing floor area will be converted to an area for dancing with no additional changes. The Building Section does not have any concerns with this license change.

CONCLUSION

It is requested that Council approve these changes to the Class "B" dining lounge license of Forster's Mug & Musket Restaurant.
