If you are having difficulty with the technical aspects related to ad production, the support of a professional graphic designer is typically required. This ensures that ads can be subsequently reproduced in print and online at a high quality and resolution level.

Submission Requirements

PDF The preferred file format for ad material submissions. Use press quality distiller settings. Embed all fonts or convert fonts to outline, do not subset fonts. Do not create your ad in a photo editing program, it is best to use a vector based program for print and online ads. Any images or logos within your ad should be 300 DPI at 100% of the size you require.

Inside Ads for printed guide must be **Grayscale**, at no extra cost you may supply a colour version of your ad for our online guide.

Cover Ads must be **CMYK**.
.25 inch bleed, no trim marks.
