Dear Resident(s):

**Re: Public Open House - Upcoming Road Works
32 Avenue: 176 Street to 188 Street**

You are invited to a Public Open House regarding upcoming road widening works on 32 Avenue from 176 Street to 188 Street. Attached is a map showing the area of the upcoming road works. You are being invited to the Open House because our records indicate that you own property, operate a business, or reside on a property within the vicinity of the proposed improvements.

The works involve the widening of 32 Avenue to a four-lane arterial road with no-post median barriers, bike lanes, street lights, ditching and utility relocations. The works are dependent on: Agricultural Land Commission approvals; Ministry of Forests, Lands and Natural Resource Operations notification/approvals; BC Hydro power pole relocations; and property acquisition along the route. The road widening works are tentatively scheduled for 2019. Presentation drawings illustrating the upcoming road widening works will be available for viewing at the Open House.

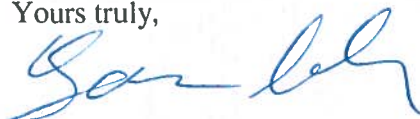

We look forward to your input on this project and invite you to attend our Public Open House to learn more.

When: Tuesday September 26, 2017
Where: Pacific Heights Elementary School, 17148 - 26 Avenue, Surrey
Time: 5:00 p.m. to 8:00 p.m.

We welcome the opportunity to meet with you and discuss any concerns/questions you may have. If you are unable to attend the Open House, the display panels and a feedback form will be made available on the City website (www.surrey.ca) shortly after the Open House.

If you would like further information regarding this issue prior to the Open House, please contact the undersigned by telephone at (604) 598-5853 or alternatively by e-mail at GCorda@surrey.ca.

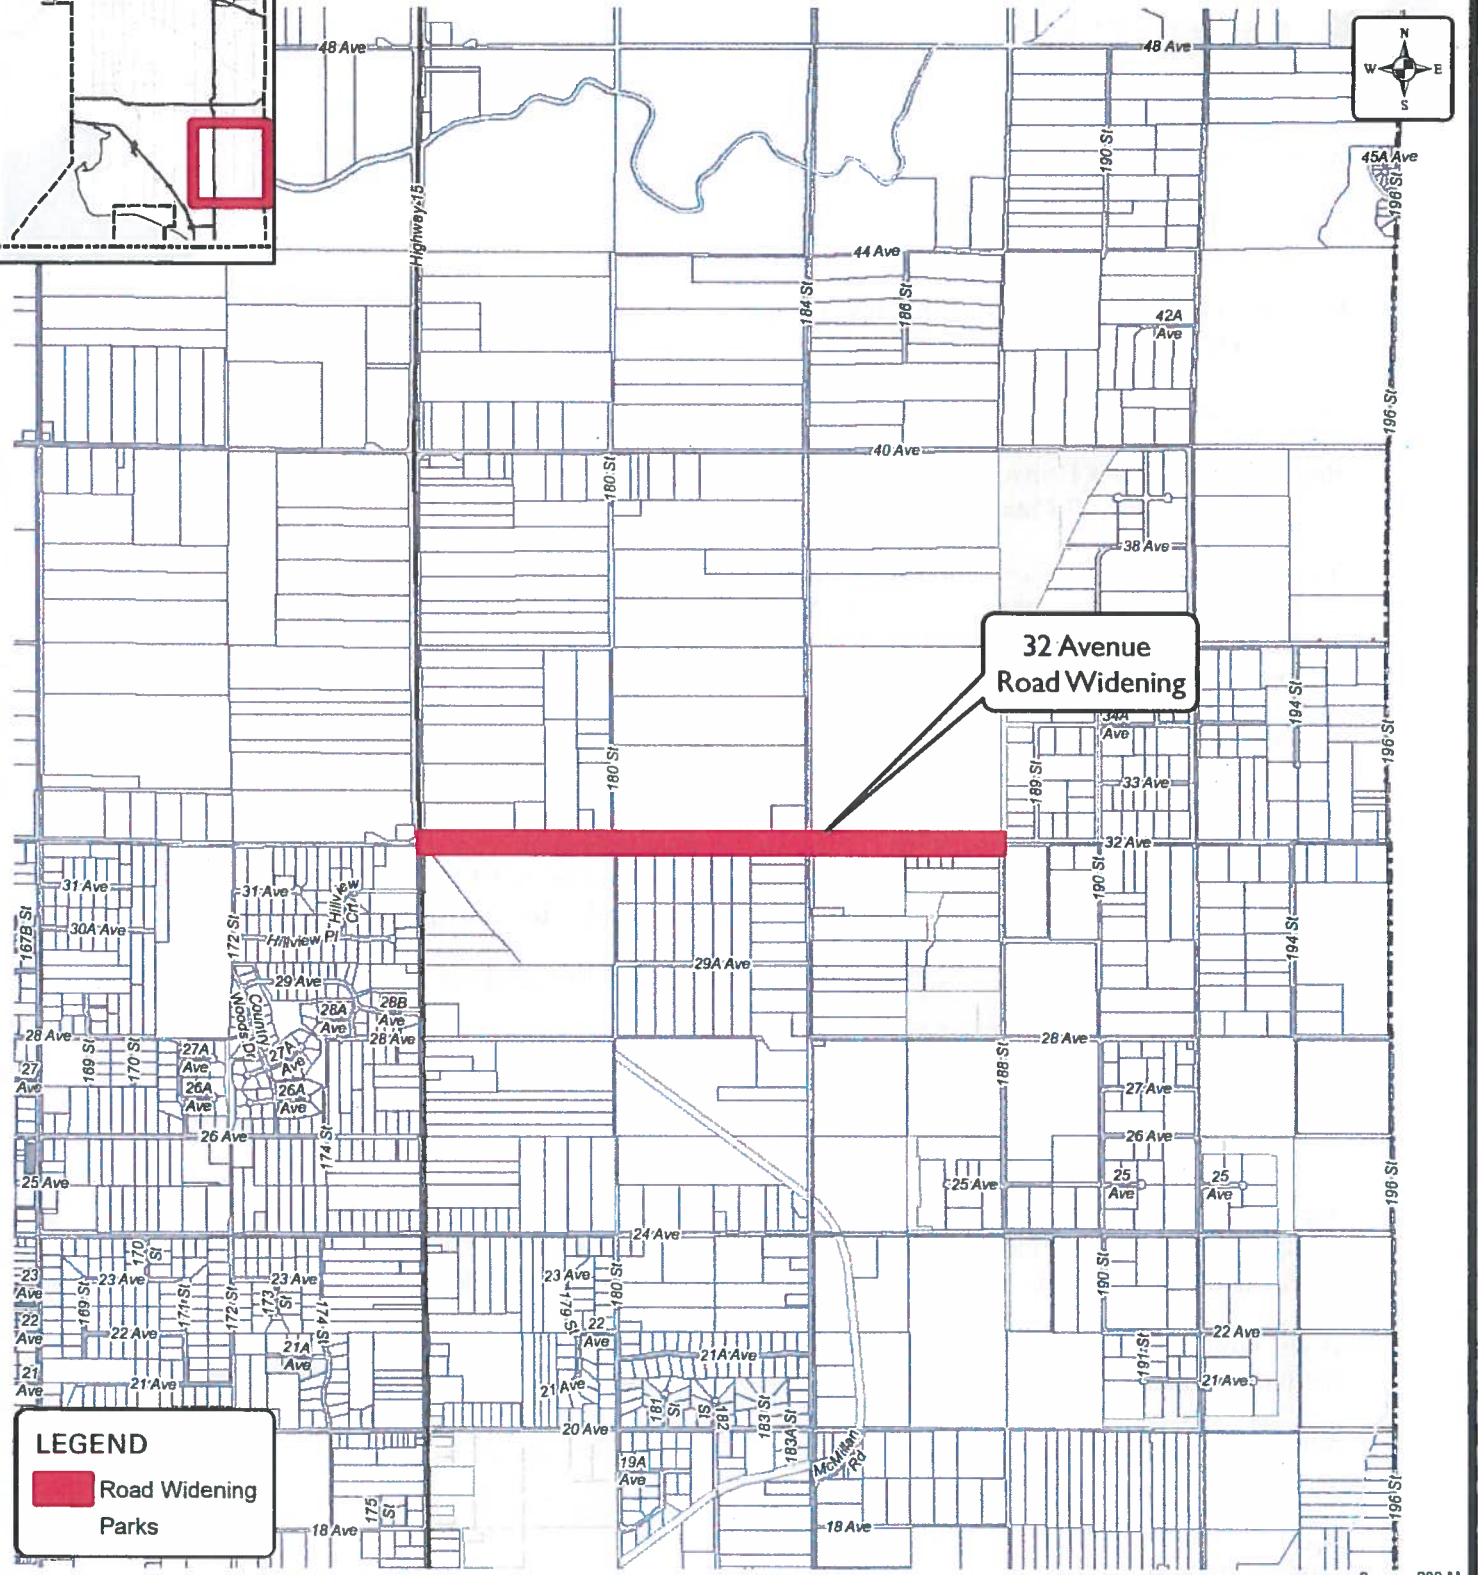

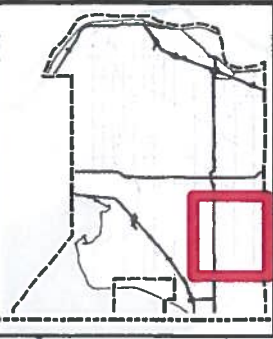

Yours truly,

Goran Corda, B.Tech.
