

COVID-19 Addendum to Permit/Rental/Lease

PLEASE READ CAREFULLY!

We at City of Surrey responded to the direction from our public health officials to first close our facilities, parks and programs and cease offering services, and we are now responding to the direction to reopen our facilities and offer services to our community cautiously, with the safety of our staff and community being our priority. This includes permitting user groups access to our facilities, parks and programs, but solely on the basis that COVID-19 precautions will be adhered to by any and all user groups and individual participants.

COVID-19 remains a worldwide pandemic and a threat to our local health and safety. We know the following (this list is not intended to be exhaustive):

1. The infectious agent, SARS-CoV-2, has caused cases and outbreaks of a serious communicable disease known as COVID-19 among the population of the Province of British Columbia;
2. Our public health officials have determined this constitutes a regional event, as defined in section 51 of the *Public Health Act*;
3. A person infected with SARS-CoV-2 can infect other people with whom the infected person is in contact; and
4. The gathering of people in close contact with one another can promote the transmission of SARS-CoV-2 and increase the number of people who develop COVID-19.

We cannot be certain that a person (of any age) will not contract SARS-CoV-2 at one of our facilities or parks and/or while participating in one of our programs. Even though we have implemented the Surrey COVID-19 Safety Plan and are applying the associated policies and procedures, **the risk remains that a COVID-19 outbreak could occur despite our efforts.** Surrey's COVID-19 Safety Plan and associate policies and procedures are available for review at <https://www.surrey.ca/city-government/30914.aspx>.

As a condition of your user group (the "Permit Holder/Renter/Lessee") being allowed to re-enter and use the Facility/Park/Program listed in your Agreement, you are required, on behalf of the Permit Holder/Renter/Lessee, to read and confirm that you understand the Surrey COVID-19 Safety Plan and Surrey's COVID-19 policies and procedures and that the Permit Holder/Renter/Lessee has its own COVID-19 Safety Plan. The Permit Holder/Renter/Lessee is required to circulate this Addendum to the participants in the activity for which it is utilizing the Facility, Park or Program. The Permit Holder/Renter/Lessee is required to take steps to ensure that participants act in accordance with the Surrey COVID-19 Safety Plan and Surrey's COVID-19 policies and procedures as well as the Permit Holder/Renter/Lessee's COVID-19 Safety Plan. In the event of a conflict between the Surrey COVID-19 Safety Plan and Surrey's COVID-19 policies and procedures and the Permit Holder/Renter/Lessee's COVID-19 Safety Plan, the most stringent requirement shall apply. Failure to adhere to the same could result in termination of the Permit/Rental/Lease Agreement without refund of any fees and/or any individual being banned from access to a Surrey facility, park or program. These termination rights are in addition to and not in place of any termination rights contained in the Permit/Rental/Lease Agreement and will apply notwithstanding any terms in the Permit/Rental/Lease Agreement.
