

Centre Stage at Surrey City Hall 13450 104 Avenue

Tips on Getting Here and Parking

Although there are several parking entrances into the Civic Plaza complex, the one closest to Centre Stage at Surrey City Hall is off 104 Avenue (see the **P** symbol on the map). You can enter from either direction.

To help you find your way, we'll have a few stand-up banners (see the image at the upper left of the map) at key locations:

- As soon as you enter off 104 Avenue, you'll go down a short ramp. You'll be parking on level P1 so at the bottom of the ramp **turn left**.
- From the bottom of the ramp the parking paystations are about 40 metres/130 feet away. The paystations will be on your left.
- On your way to the paystations you'll pass 15 parking stalls on your right. You can park there or in the section past these parking stalls.
- Look for the bright green walls with City Hall in large white letters. The paystations are in front of a set of glass doors. Banners will mark the spot.
- Go through the glass doors and you'll be in a room with the elevators in front of you. Another banner will let you know you're in the right place. Enter an elevator and press the G button.
- When the doors open, ahead of you will be one of our friendly staff at the box office station. Welcome!
