

VIEWING AND NAVIGATING COUNCIL PACKAGES

You may either view the package in your web browser or download and save it on your computer and view it using Adobe Acrobat.

To view the package in your web browser:

Ensure you have Internet Explorer installed on your computer. You can download the latest version [here](#). Note that Internet Explorer displays the bookmarks panel in a more user-friendly format than other web browsers.

1. To open the package simply click on each link to the Council package.
2. Navigate through the document by clicking on the bookmark tab (the second icon) in the panel on the left-hand side of the document. You may click on the bookmark for each item and expand the bookmark to view the associated appendices.

To download and save the package onto your computer:

Ensure you have Adobe Acrobat Reader installed on your computer. You can download the latest version [here](#).

1. To open the package simply click on each link to the Council package.
2. In each tab that opens, save the document to your computer.
3. Open the file and in the panel on the left-hand side of the document click on the bookmark tab (the second icon) to reveal the bookmarks for each item considered by Council.
4. Navigate through the document by clicking on the bookmark for each item and expanding the bookmark to view the associated appendices.
