CHOOSE CLOSE-TO-HOME OUTDOOR ADVENTURES THIS SPRING!
VISIT A NEW PARK, TRY A NEW ACTIVITY OR HELP CARE FOR NATURE EACH WEEK!

EARTH DAY & WEEK 1 APRIL 22–MAY 2

- Pick up litter in your neighbourhood park.
- Participate in the **City Nature Challenge** between April 30 and May 3.
- Discover public art in parks on this week's park crawl.
- Explore **Godwin Farm Biodiversity Preserve Park** with a self-guided walk.
- Celebrate Earth Day by learning to identify one new plant and one new animal.

WEEK 2 MAY 3–9

- Plant a tree or garden box in your outdoor space to celebrate **Arbor Day**.
- Draw (or design) your favourite local tree and enter the **Biodiversity Poster Contest**.
- Discover tremendous trees on this week's park crawl.
- Explore the **Surrey Nature Centre** at Green Timbers with a self-guided walk.
- Celebrate trees - find and hug a tree older than your grandparents!

WEEK 3 MAY 10–16

- Create wildlife habitat by placing a bird feeder in your outdoor space.
- Draw (or design) your favourite local bird and enter the **Biodiversity Poster Contest**.
- Discover Surrey's best birdwatching parks on this week's park crawl.
- Explore **Surrey Lake Park** with a self-guided walk.
- Celebrate **International Migratory Bird Day** by learning to identify two new species of birds.

WEEK 4 MAY 17–23

- Identify and remove invasive species growing in your outdoor space. Consider replacing them with **native alternatives**.
- Learn how your **iNaturalist** observations can help build knowledge of local biodiversity.
- Discover park gardens on this week's park crawl.
- Explore **Sunnyside Acres Urban Forest Park** with a self-guided walk.
- Celebrate **International Day of Biodiversity** by learning to identify two native plants blooming in a park near you.

WEEK 5 MAY 24–30

- Plant native plants in your outdoor space.
- Learn about one of our Environmental Extravaganza **community partners**. Would you like to get involved?
- Discover our parks' past on this week's park crawl.
- Explore **Bose Forest Park** with a self-guided walk.
- Celebrate Surrey's urban forest by exploring a nearby **nature trail**.

WEEK 6 MAY 31–JUNE 8

- Improve wildlife habitat by adding a water source to your outdoor space.
- Do your part to help protect biodiversity in Surrey's parks – stay on designated trails and keep dogs on-leash.
- Discover Surrey's best streams and shoreline parks on this week's park crawl.
- Explore **Blackie Spit Park** with a self-guided walk.
- Celebrate **World Ocean Day** with a sustainable **Pack It In, Pack It Out** picnic at the beach.
