

## THE GLADES WOODLAND GARDEN

### PROFESSIONAL AND GROUP PHOTOGRAPHY PERMIT REQUEST FORM

A limited number of permits will be available for professional and group photography during fall public garden openings.

#### FALL PHOTOGRAPHY SESSIONS

Three photography session permits are available each day that the Glades Woodland Garden is open to the public this fall.

- ❖ Dates: September 3 - October 2, 2022
- ❖ Days: Saturdays & Sundays
- ❖ Time: 2:00PM- 3:30PM
- ❖ Session length: 90 minutes
- ❖ Maximum group size: 10 people (including photographer)

#### BOOK YOUR PHOTOGRAPHY PERMIT

To request a booking for a photography session and permit complete and submit this form to email [partnersinparks@surrey.ca](mailto:partnersinparks@surrey.ca).

Due to a high volume of inquiries, submit your request at least seven days before your photoshoot. Once processed, we will email you a permit.

#### COST

The photography permit is free. All photography session participants are subject to the cost of a general admission ticket to the garden.

- ❖ Children 12 and under are free
- ❖ Adult is \$7.00 per person

#### AVAILABILITY & PAYMENT

Due to the limited number of time slots the parks staff may need to contact you to change times and/or dates. Payment is processed by credit card. City of Surrey Parks staff will phone the contact phone number specified on the form to request payment processing.

#### GUIDELINES

In consideration of preserving the garden your consideration to adhere to these guidelines is appreciated:

- ❖ Stay out of garden beds
- ❖ Photography is not permitted by the house
- ❖ Drone photography is not permitted
- ❖ Do not smoke or drink alcohol on the park grounds
- ❖ No structures or backdrops permitted
- ❖ Leave benches and other items where they are
- ❖ Do not use smoke grenades or other such devices
- ❖ Pets are not allowed at The Glades Woodland Garden
- ❖ Parking is limited; party buses and limousines are not permitted to park onsite

Number of Children expected in Group:

Photographer Name (If different than requestor name):

The Glades Woodland Garden covers 15 acres and includes a new parking lot and areas for future development. The original plantings cover the 5-acre garden and contain over 1,600 mature rhododendrons, azaleas, and companion plants. Some of the rhododendrons are more than 6 metres (20 feet) tall and are ablaze in colour in the spring. The garden also contains a superb collection of fine trees, many of which are now designated as heritage.
