

## Heirloom Activity Worksheet

### What would you bring?

1. Imagine that you are moving to Surrey from somewhere else. What would you bring with you? What would you need?
2. Does your family (or a neighbour, or friend) have something that has been passed down from their ancestors? It can be an object, story, recipe, or even a certain way of doing something. It does not have to be something you can hold; it can be something you talk about or do. Describe it below. Include where it came from and why it is important to the family.
3. If possible, take a picture and send it to your teacher.
