# Discussion Format

**Small group  
discussions**

**Cross-fertilizing  
ideas**

**Identifying the  
great ideas /  
strategies**

# Setting the stage, imagine...

*...it's **2030** and Surrey Now is covering the stories of **community members** who took an **active** role in helping Surrey achieve its **energy reduction** and **clean, renewable energy** targets.*

*Identify engagement & inspiration activities that supported citizen action in the following areas:*

- **Focusing Growth:** Building **awareness** and **community support** for focusing growth (corridors, town centres, etc.)
- **Energy Efficiency:** **Inspiring action** for energy efficiency retrofits (education/programs/services)
- **Active Transportation:** **Increased uptake** in active modes of transportation (walking, cycling, transit)
- **Youth:** **Increased youth** involvement & participation in community action

# We will be holding 3 rounds of discussion; to get started:

**Step 1:** Think about the topic that you are the most passionate about; this will be the first discussion group to visit:

- Focusing Growth
- Energy Efficiency
- Active Transportation
- Youth Participation

Move to the table, introduce yourselves, identify a ‘table host’; start sharing ideas for how to achieve to goal. Talk for 30 min. Table host takes notes.

# Table Host

**Keep the discussion going**

**Make sure everybody has a chance to contribute**

**Keep the team focused on question**

**Take good notes**

**Have fun with people who come to your table!**

**Everybody wants you to succeed! (Listen to your host)**

**Step 2:** After, 30 minutes, move to the next table; choose a topic you would like to discuss/share ideas.

**Table Host:** Stay at your 1<sup>st</sup> table. When the new group arrives, very quickly provide an overview of the discussion from the 1<sup>st</sup> round.

**Everybody:** Share ideas that were similar from your 1<sup>st</sup> table. Add / enhance the previous groups ideas. Share new ideas.

**Step 3:** After, 30 minutes, move back to the 1st table; the table you started at

**Table Host:** Very quickly provide an overview of the discussion from the 2nd round; point out new ideas

**Everybody:** Identify the *top 5* ideas for engaging and inspiring citizen action.

# Summary

**Step 1:** Choose a topic, identify table host, **start discussion**

**Step 2:** Choose a new table, **review and refine** ideas

**Step 3:** Return to 1<sup>st</sup> table, identify **top 5 ideas** for engaging and inspiring action

# Final Report Out:

Identify the top 5 ideas for engaging and inspiring citizen action.

On your flip chart sheets. use this format:

☼ □ □ ✕ ℳ 📄 *TITLE OF IDEA*

*Explain your idea...  
Who does this apply to...  
Specific Locations...*

**HOW TO IMPLEMENT:**  
*How do you think it should be implemented.*

**EXPECTED OUTCOMES:**  
*What would you expect to see as an outcome.*
