## YEAR LONG LICENSED PRESCHOOL INFORMATION

## OUR APPROACH

We believe in providing a warm and nurturing environment energized by children's natural curiosity. Our play-based program is built around children's interests. Using open ended activities, free play and exploration, children develop socially, emotionally, physically, creatively and cognitively.

Our experienced educators provide a personalized learning experience that is guided by the BC Early Learning Framework. The framework provides continuity of learning from preschool to kindergarten so that children are prepared to enter the primary program.

**For 3 year old programs the child must be 3 years old by December 31, 2021.**

**For 4 year old programs the child must be 4 years old by December 31, 2021.**

### Accessibility and Inclusion

If your child has a disability and requires support to participate in preschool, please contact our Accessibility and Inclusion team at 604-502-6325 or inclusion@surrey.ca. Accessibility and Inclusion can not guarantee support will be provided.

### Program Fees and Withdrawals

Monthly payment options are available on an equalized schedule and will be deducted on the first of each month. We accept payment by: Visa, Mastercard or automatic Debit withdrawal.

A \$50 program withdraw fee will be charged for withdrawals that occur within 7 days of program start date.

Payments on an equalized monthly payment schedule may be subject to further charges when withdrawing, as the program fee is based on the number of program days that your child is scheduled to attend each month using a daily rate.
