

CRAFT: TISSUE PAPER FLOWERS

Supplies

Tissue paper
Pipe cleaners
Pencil/marker
Scissors
Water glass

STEP 1

Cut and stack 10-12 squares of tissue paper that are approximately 4x4 inches in size (does not need to be exact)

STEP 2

If using more than one color, layer the colors in an even pattern

STEP 3
Use glass to trace a circle

STEP 4
Cut out circle using all layers of tissue

STEP 5
Fold the circles in half and mark 2 lines in the middle about 1/2 inch apart

STEP 6
Cut the lines, making sure you are going through all the layer of tissue.

STEP 7
Waive a pipe cleaner through the opening

STEP 8
Turn upside down and twist the
pipe cleaners to close the loop

STEP 9
Turn back upright and scunch
the first layer of tissue

STEP 10
Continue to scunch the tissue one
layer at a time until all the layers
are scrunched and look like flower
petals

STEP 11
Continue until you have a bouquet!
Try different variations of tissue
colors and patterns
