The Evaluation Team will give a written recommendation for the selection of a Preferred Proponent or Preferred Proponents to the City.

The Evaluation Team will compare and evaluate all Proposals to determine the Proponent's strength and ability to provide the Services in order to determine the Proposal which is most advantageous to the City, using the following criteria:

(a) Experience, Reputation and Resources

The Evaluation Team will consider the Proponent's responses to items (i) to (xii) in Schedule C-2.

(b) Technical

The Evaluation Team will consider the Proponent's responses to Schedule C-4 and items (i) to (v) in Schedule C-3.

4.3 Discrepancies in Proponent's Financial Proposal

If there are any obvious discrepancies, errors or omissions in Schedule C-5 of a Proposal (Proponent's Financial Proposal), then the City shall be entitled to make obvious corrections, but only if, and to the extent, the corrections are apparent from the Proposal as submitted, and in particular:

4.4 Litigation

In addition to any other provision of this RFP, the City may, in its absolute discretion, reject a Proposal if the Proponent, or any officer or director of the Proponent submitting the Proposal, is or has been engaged directly or indirectly in a legal action against the City, its elected or appointed officers, representatives or employees in relation to any matter, or if the City has initiated legal action against any officers or directors of the Proponent.

In determining whether or not to reject a Proposal under this section, the City will consider whether the litigation is likely to affect the Proponent's ability to work with the City, its consultants and representatives and whether the City's experience with the Proponent indicates that there is a risk the City will incur increased staff and legal costs in the administration of the Contract if it is awarded to the Proponent.

4.5 Additional Information

The Evaluation Team may, at its discretion, request clarifications or additional information from a Proponent with respect to any Proposal, and the Evaluation Team may make such requests to only selected Proponents. The Evaluation Team may consider such clarifications or additional information in evaluating a Proposal.

The City reserves the right and discretion to divide up the Services, either by scope, geographic area, or other basis as the City may decide, and to select one or more Preferred Proponents to enter into discussions with the City for one or more Contracts to perform a portion or portions of the Services. If the City exercises its discretion to divide up the Services, the City will do so reasonably having regard for the RFP and the basis of Proposals.

In addition to any other provision of this RFP, Proposals may be evaluated on the basis of advantages and disadvantages to the City that might result or be achieved from the City dividing up the Services and entering into one or more Contracts with one or more Proponents.

4.8 Negotiation of Contract and Award

If the City selects a Preferred Proponent or Preferred Proponents, then it may:

 - (3) negotiation of amendments to the Preferred Proponent's price(s) as set out in Schedule C-5 to the Preferred Proponent's Proposal and/or scope of Services if:
 - (A) the Preferred Proponent's financial Proposal exceeds the City's approved budget, or
 - (B) the City reasonably concludes the Preferred Proponent's financial proposal includes a price(s) that is unbalanced, or
 - (C) a knowledgeable third party would judge that the Preferred Proponent's price(s) materially exceed a fair market price(s) for services similar to the Services offered by the Preferred Proponent as described in the Preferred Proponent's Proposal; or
- (c) if at any time the City reasonably forms the opinion that a mutually acceptable agreement is not likely to be reached within a reasonable time, give the Preferred Proponent(s) written notice to terminate discussions, in which event the City may then either open discussions with another Proponent or terminate this RFP and retain or obtain the Services in some other manner.

5. GENERAL CONDITIONS

SCHEDULE A - SCOPE OF SERVICES

The successful Proponent will be contracted as Project Manager to represent the interests of the City and other stakeholders to ensure the project's objectives are met. All Services are to be provided in close consultation with the City and may include all or some of the following.

A. The Project

In consideration of the growth in East Clayton and the development expected over the next few years in West Clayton, the planning and concept design of a new community hub in Clayton that integrates arts, library, recreation, and outdoor spaces in a single facility was completed in 2016. Detailed design will be initiated in 2017. The total project budget is expected to be \$41.8 million. The project is fully funded and design is ongoing targeting Project completion in 2019. The project location is on City owned property at 18680 & 18714 – 72 Avenue, Surrey, BC.

The new Clayton community hub is intended to be designed as a Passive House certified building to recognize the goals of the City of Surrey Sustainability Charter, and the goals of the East and West Clayton planning to date to make a more sustainable neighbourhood. The public consultation results have indicated a strong desire from the community to preserve the natural environment of Clayton Park as much as possible.

The new facility will include visual and performing arts components, a library and associated circulation management spaces, a gymnasium, fitness & weight rooms, preschool/daycare facilities, child minding space, youth gathering space, staff spaces and supporting infrastructure and spaces. The landscaping will include both the facility outdoor spaces and innovative storm water management. Offsite servicing will include the construction of a new road and a sanitary sewer main line through the park to the south.

The project has been in a stage of intense public and staff consultation, with the goal of creating a more integrated and publicly accessible facility that blends the uses and programs in a way that challenges the status quo of community centre design.

The intention is to hire a Project Management firm and Construction Management firm to deliver this project. With fixed funding, the Project Manager will be instrumental to keep budgets on track, advising on scope and working with a Construction Manager to address buildability and cost challenges. With the inclusion of the team goals for a world class facility, and inclusive and integrated design, and Passive House certification, this will be a complicated project.

The facility may compliment the civic facility roster to meet the City's goals under our Sustainability Charter, Wood First Policy, and accessibility initiatives.

The project budget is \$41.8 million, which includes all soft costs (design, fees and contingencies and some land costs). Projected construction costs for the building is \$29 million, and including site works we are presently projecting \$32.5 million, plus GST.

PROJECT GOAL

The goal of the project is to create a facility that is a new standard for community centres in the region as multi-faceted facilities that seamlessly operate as one place for the patrons. To accomplish this, the PM will ensure the team successfully develops final plans, detailed drawings and specifications necessary for the solicitation of construction management services for new build, complete construction on time and on budget, and ensure all deficiencies and warranty items are corrected. The City will issue a Request for Expression of Interest (RFEOI) for General Contractors during this solicitation for PM firms. The Project Manager will assist the City in preparing a Request for Proposals (RFP) to engage a Construction Management firm to provide design assist services and to develop and coordinate the procurement of (trade) construction contracts. This method of procurement assumes the CM Contract would be later converted to a General (CCDC-2) Contract.

Schedule milestone are as follows:

Task Description	Date
Close RFP	February 2, 2017
Interviews with selected proponents	February 7-9, 2017
Contract Award	February 14, 2017

Hire Construction Manager	A.S.A.P. for Design Development
Procurement	Summer/Fall 2017

with any failure, breach or non-performance by the Consultant of any obligation of this agreement, or any wrongful or negligent act or omission of the Consultant or any employee or agent of the Consultant.

Despite any other provision of this agreement, if the City terminates this agreement before the completion of all the Services, the City will pay to the Consultant all amounts owing under this agreement for Services provided by the Consultant up to and including the date of termination, plus reasonable termination costs in the amount as determined by the City in its sole discretion. - (b) If the Consultant is in breach of any term or condition of this agreement, and such breach is not remedied to the reasonable satisfaction of the City within 5 days after delivery of written notice from the City to the Consultant, then the City may, without prejudice to any other right or remedy the City may have, terminate this agreement by giving the Consultant further written notice.

If the City terminates this agreement as provided by this Section, then the City may:
