INFORMATION FOR APPLICANTS

Applicants are advised that Addendum No. 1 to 1220-060-2020-003 is hereby issued by the City. This addendum shall form part of the contract documents and is to be read, interpreted and coordinated with all other parts. The following information is provided to answer questions raised by Applicants for the above-named project, to the extent referenced and shall become a part thereof. No consideration will be allowed for extras due to the Applicants or any sub-contractor not being familiar with this addendum. This Addendum No. 1 contains two (2) pages.

QUESTIONS AND ANSWERS:

- Q1. There are no drawings, nor specifications attached necessary for this request. It only refers to below paragraph generally.**

This RFA-SOA includes a requirement for poles with the Master Municipal Construction Documents (MMCD) Platinum Edition Volume II and the British Columbia Ministry of Transportation and Highways (MOTH) specifications that have already been adopted by the City and the City's custom poles that are currently in use. Where there is no MMCD specification(s) for Goods requested, Applications are to utilize industry standards or best practices for that specific Good.

- A1. For this project, Applicants should be recognised on the Ministry's approved list. They should be actively looking to qualify to be on the list prior to applying for the SOA. Below is a link to the full set of documents to the approved product list. Attached is an excerpt of the list identifying the approved vendors.**

Page 23 in the document outlines that the pole manufacturers shall be "Pole manufacturers shall appear within the "Pole Structures" category on the latest British Columbia Ministry of Transportation and Infrastructure Recognized Products List".
