INFORMATION FOR RESPONDENTS

This Addendum is issued to provide additional information and clarifications to the RFEOI-SOQ for the above named project, to the extent referenced and shall become a part thereof. No consideration will be allowed for extras due to the Respondent not being familiar with this addendum. This Addendum No. 4 contains two (2) pages.

QUESTIONS AND ANSWERS:

Q1. Please provide clarification of recent performance achievement and accreditation awarded – listed under the Technical Response (Services) section. Specifically, what does the referenced achievement and accreditation pertain to?

A1. Any nominations, awards or acknowledgments for design and function of facilities of a similar nature.

Q2. What is the anticipated construction delivery method? Stipulated Sum or Construction Management?

A2. Construction method will be stipulated sum, in the form of CCDC2 contract.

Q3. Is there any additional information you can provide regarding the program?

A3. Program will be determined through the stakeholder consultation process.

Q4. Does the City anticipate that the permitting for this project could be expedited utilizing the Certified Professional program?

A4. The Certified Professional Program will not apply to this project.

Q5. Approximately how many user groups / stakeholders do you anticipate will be involved?

A5. 5 will be involved.

Q6. In Addendum 1, A1 mentions that 'the structural engineer would cover the building envelope concerns and requirements.' As structural engineers are not qualified to speak or advise about the building envelope, *would it be acceptable for architect (or envelope consultant if deemed necessary by the proponent) to carry responsibility for envelope concerns?*

A6. Yes.
