INFORMATION FOR CONTRACTORS

This Addendum is issued to provide additional information and clarifications to the RFQ for the above named project, to the extent referenced and shall become a part thereof. No consideration will be allowed for extras due to the Contractor not being familiar with this addendum. This Addendum No. 1 contains one (1) page.

QUESTIONS AND ANSWERS:

- Q1: Layout Plan – it indicates the layout plan should include center points (in the form of an X) for all posts with footings for the purposes of surveying the post locations. Is this a condition of submission or can this be supplied by the winning bidder once design has been finalized as it does mention some flexibility in the layout is possible.
- A1: The provision of georeferenced post locations is not required in the bid submission phase to determine the winning bidder. The City will work with the winning bidder to finalize the design. The winning bidder will then be required to provide georeferenced locations.
- Q2: The maximum file size the City can receive is 10MB. Is it possible to send the quote in sections in separate emails?
- A2: Yes, bidder may submit their quote via multiple e-mails in order to submit bigger files.
- Q3: Is there an opportunity to submit more than one design option?
- A3: Yes, bidder may submit up to a maximum of two design options.
- Q4: Is there an opportunity to expand the area intended for the zip line? Specifically looking to see if it can be widened on each end.
- A4: Yes, the outline of proposed engineered wood fiber play area is intended as best estimates only. There is opportunity to adjust the proposed area footprint and angle of orientation of the cableway.

All Addenda will become part of the Contract Documents.
