QUESTIONS AND ANSWERS:

Q1. Is this solicitation for inside electrical or for outside hi-voltage work?

A1. **Projects could range from site servicing through to building wiring. The City does not require that a vendor supply full range of services. Vendors should indicate the range of services they are able to provide and a willingness to work as part of team of contractors, should the City need to engage multiple contractors to complete the full scope of work.**

All Addenda will become part of the Contract Documents.
