It is understood and agreed by the Applicant that should an Application be selected by the City, it will result in a standing offer agreement (“**Standing Offer**”) only and the Goods and Services will be ordered by the City solely on an “as and when required” basis. The aggregate value of the Goods and Services which may be ordered is conditional upon the needs of the City. No compensation will be accrued, owed or paid to any Applicant in the event that the Goods and Services are not ordered. If a Standing Offer is executed by the City, at the sole option of the City, the City may place an order (the “**Order**”) for Goods and Services specified in the Order and the Applicant agrees to provide those Goods and Services. The parties agree that the City may not place any orders for Goods and Services with the Applicant for the duration of the term of the Standing Offer. The parties agree that the City may purchase identical or similar Goods and Services from any other source.

3. ADDRESS FOR DELIVERY

The Applicant should submit the Application **electronically** in a single pdf file and must be delivered to the City by email at: purchasing@surrey.ca

The City will confirm receipt of emails. Applications that cannot be opened or viewed may be rejected. An Applicant bears all risk that the City’s receiving computer equipment functions properly so that the City receives the Application.

By delivery of an Application, Applicant is deemed to have received, accepted and understood the entire RFA-SOA including, any and all addenda.

7. **NO CONTRACT**

This RFA-SOA (“**Request**”) is simply an invitation for Applications (including prices and terms) for the convenience of all parties. It is not a tender and no obligations of any kind will arise from this RFA-SOA or the submission of Applications. The City may negotiate changes to any terms of an Application, including terms in Attachment 1 – Agreement, Schedule A – Specifications of Goods and Scope of Services to Attachment 1 - Agreement and Schedule B – Quotation to Attachment 1 – Agreement of the RFA-SOA including prices, and may negotiate with one or more Applicants or may at any time invite or permit the submission of Applications (including prices and terms) from other parties who have not submitted an Application.

8. **ACCEPTANCE**

An Application will be an offer to the City which, subject to Section 7, the City may accept at any time by signing the copy of the Application and delivering it to the Applicant. An Application is not accepted by the City unless and until both the Authorized Signatory and the purchasing representative have signed on behalf of the City. If the City exercises its discretion to divide up the Goods and Services, the City will do so reasonably having regard for the RFA-SOA and the basis of Applications.

- (k) “Standing Offer” means a standing offer agreement between the City and the Contractor, the nature of which is discussed in Section 3; and
 - (l) “Term” has the meaning described in Section 9.
2. This Agreement consists of all of the documents listed below and may be modified only by express and specific written agreement. In the event of a conflict between the provisions of any documents listed below, then the documents shall govern and take precedence in the following order:
- (a) Order;
 - (b) this Standing Offer Agreement;
 - (c) the specifications of Goods and scope of Services set out in Schedule A, to Attachment 1, of the Request;
 - (d) the Application;
 - (e) the Request; and
 - (f) other terms, if any, that are agreed to by the parties in writing.

NATURE OF AGREEMENT

3. It is understood and agreed by the Contractor that should an Application be selected by the City, it will result in a standing offer agreement (“Standing Offer”) only and the Goods and Services will be ordered by the City solely on an “as and when required” basis. The aggregate value of the Goods and Services which may be ordered is conditional upon the needs of the City. No compensation will be accrued, owed or paid to any Contractor in the event that the Goods and Services are not ordered. If a Standing Offer is executed by the City, at the sole option of the City, the City may place an order (the “Order”) for Goods and Services specified in the Order and the Contractor agrees to provide those Goods and Services. The parties agree that the City may not place any orders for Goods and Services with the Contractor for the duration of the term of the Standing Offer. The parties agree that the City may purchase identical or similar Goods and Services from any other source.

GOODS AND SERVICES

4. The Contractor covenants and agrees that it will, if ordered by the City, perform the Services in accordance with this Agreement. The Goods and Services provided will meet the specifications set out in the Order, Schedule A, to Attachment 1, of the Request and as described in the Application.
5. The City may from time to time, by written notice to the Contractor make changes in the scope of Services. The Fees will be increased or decreased by written agreement of the City and the Contractor according to the rates set out in the Application.
6. The Contractor will, if required in writing by the City, provide additional goods or services as may be listed in the Application. The terms of this Agreement will apply to any additional goods or services, and the fees for additional goods or services will generally correspond to the fees as described in the Application. The Contractor will not provide any additional goods or services in excess of the Goods and Services ordered in writing by the City.
7. The Contractor will perform the Services with that degree of care, skill and diligence normally provided by a qualified and experienced practitioner performing services similar to the

Services, and on the understanding that the City is relying on the Contractor's experience and expertise. The Contractor represents that it has the expertise, qualifications, resources, and relevant experience to supply the Goods and Services.

8. The Contractor will deliver the Goods free and clear of all liens and encumbrances in the manner and to the destination stipulated. In the event of the Contractor's failure to meet this condition, the Contractor will, on written notice from the City, forthwith return all monies paid by the City on account of the Goods and in addition the City may by written notice terminate this Agreement without liability, and in such event, in addition to the above, the Contractor will be liable for any and all expenses or losses incurred by the City resulting from such failure.

9. Pandemic Restrictions

The parties acknowledge that this Agreement has been entered into during the on-going COVID-19 pandemic (the "**Pandemic**"). The Contractor advises that it is able to proceed with providing the Goods and performance of the Services under the Pandemic conditions and restrictions (collectively the "**Pandemic Restrictions**") as they exist as of the date of this Agreement. The parties acknowledge that Pandemic Conditions may change so as to cause unavoidable interruptions or interference to the Contractor's performance of the Goods and Services. The parties confirm:

- (a) notwithstanding the known existence of the Pandemic, Section 2.6 will apply to new Pandemic Restrictions, which arise after the date of this Agreement, whether anticipated or not, which reasonably interfere with the Contractor's performance of the Services, such that upon the Contractor giving required notice shall be entitled to an extension of the time to provide the Goods and perform the Services, but shall not be entitled to reimbursement of any costs;
- (b) notwithstanding any such new Pandemic Restrictions, the Agreement will remain valid and in force, subject to the terms of the Agreement including, without limitation Section 25 (Workers' Compensation Board and Occupational Health and Safety); and
- (c) if new Pandemic Restrictions occur that cause or threaten interruption of the Goods and Services the Contractor will give the City immediate notice, and a written plan of the interim steps the Contractor will take, if any, during the interruption of the Goods and Services, and when Pandemic Restrictions permit, provide the City with a written plan for the resumption of the Goods and Services.

TERM

10. This term of this Agreement will commence on [START DATE] and terminate [END DATE] (the "Term").
11. The City may at any time prior to thirty (30) days before the end of the Term, by written notice to the Contractor, extend the Term for a period of time not to exceed four (4) additional one (1) year periods. If the City elects to extend the Term, the provisions of this Agreement will remain in force, including the Fees, except where amended in writing by the parties.

TIME

12. Time is of the essence.

FEES AND DISBURSEMENTS

13. The City will pay the Fees and Disbursements to the Contractor for the ordered Goods and Services in accordance with this Agreement. Payment by the City of the Fees and Disbursements will be full payment for the Goods and Services and the Contractor will not be entitled to receive any additional payment from the City.
14. For greater certainty, costs of general management, non-technical supporting services and general overhead are deemed to be covered by the Fees and will not be subject to additional payment by the City. The Fees shall also include without limitation all costs of boxing, packing, crating, and loading and unloading the Goods at the prescribed destination.

PAYMENT

15. Subject to any contrary provisions set out in Schedule B to Attachment 1, the Contractor will submit invoice to the City requesting payment of the portion of the Fees relating to the Goods and Services provided. Invoices must include the Contractor's name, address and telephone number, the City's purchase order number **P.O. #** _____, the Contractor's invoice number, the names, charge-out rates and number of hours worked of all employees of the Contractor that have performed Services; the percentage of Services completed and Goods delivered; the total budget for the Goods and Services and the amount of the budget expended to the date of the invoice; taxes (if any); and grand total of the invoice.
16. If the City reasonably determines that any portion of an invoice is not payable, then the City will so advise the Contractor.
17. The City will pay the portion of an invoice which the City determines is payable within 30 days of the receipt of the Invoice, except the City may hold back from payments 10% of the amount the City determines is payable to the Contractor until such time as the Contractor provides its final report to the City; and
18. If the Contractor offers the City a cash discount for early payment, then the City may, at the City's sole discretion, pay the portion of an Invoice which the City determines is payable at any time after receipt of the Invoice.
19. In an effort to support sustainability, reduce risk and improve customer service, the City has introduced an electronic fund transfer (EFT) option for Contractors. Electing to participate in this program will allow Contractors to receive their payments directly into their bank accounts, reducing risk of fraud and improving the timeliness of their payment receipt.
20. To receive your payments electronically, fax your request on company letterhead to 604-591-4488. You may contact us at 604-592-7010 (Accounts Payable General Inquiries) for more information.

Please send invoices by email to surreyinvoices@surrey.ca

21. Unless otherwise provided, all dollar amounts referred to in this Agreement are in lawful money of Canada.
22. If the Contractor is a non-resident of Canada and does not provide to the City a waiver of regulation letter, the City will withhold and remit to the appropriate governmental authority the greater of:
 - (a) 15% of each payment due to the Contractor; or
 - (b) the amount required under applicable tax legislation.

USE OF WORK PRODUCT

23. The Contractor hereby sells, assigns and transfers to the City the right, title and interest required for the City to use and receive the benefit of all the reports, drawings, plans, designs, models, specifications, computer software, concepts, products, designs or processes or other such work product produced by or resulting from the Services rendered by the Contractor. This section does not give the City the right to sell any such work product to any third party and the City may sell the work product only with the prior approval of the Contractor. The Contractor may retain copies of the work product.

PERSONNEL AND SUBCONTRACTORS

24. The Contractor will provide only personnel who have the qualifications, experience and capabilities to perform the Services.
25. The Contractor will perform the Services using the personnel and sub-contractors as may be listed in the Application and the Contractor will not remove any such listed personnel or sub-contractors from the Services without the prior written approval of the City.
26. If the City reasonably objects to the performance, qualifications, experience or suitability of any of the Contractor's personnel or sub-contractors then the Contractor will, on written request from the City, replace such personnel or sub-contractors.
27. Except as provided for in Section 24, the Contractor will not engage any personnel or sub-contractors, or sub-contract or assign its obligations under this Agreement, in whole or in part, without the prior written approval of the City.

LIMITED AUTHORITY

28. The Contractor is not and this Agreement does not render the Contractor an agent or employee of the City, and without limiting the above, the Contractor does not have authority to enter into any contract or reach any agreement on behalf of the City, except for the limited purposes as may be expressly set out in this Agreement, or as necessary in order to provide the Goods and Services. The Contractor will make such lack of authority clear to all persons with whom the Contractor deals in the course of providing the Goods and Services. Every vehicle used by the Contractor in the course of providing the Goods and Services shall identify the Contractor by name and telephone number.
29. The Contractor is an independent contractor. This Agreement does not create the relationship of employer and employee, a partnership, or a joint venture. The City will not control or direct the details, means or process by which the Contractor performs the Goods

and Services. The Contractor will determine the number of days and hours of work required to properly and completely perform the Goods and Services. The Contractor is primarily responsible for performance of the Goods and Services and may not delegate or assign any Goods and Services to any other person except as provided for in the Order. The Contractor will be solely liable for the wages, fringe benefits, work schedules and work conditions of any partners, employees or sub-contractors.

30. The Contractor will preserve and protect the rights of the City with respect to any Goods provided and Services performed under sub-contract and incorporate the General Terms and Conditions of this Agreement into all sub-contracts as necessary to preserve the rights of the City under this Agreement. The Contractor will be as fully responsible to the City for acts and omissions of sub-contractors and of persons directly or indirectly employed by them as for acts and omissions of persons directly employed by the Contractor.

CONFIDENTIALITY AND DISCLOSURE OF INFORMATION

31. Except as provided for by law or otherwise by this Agreement, the Contractor will keep strictly confidential any information supplied to, obtained by, or which comes to the knowledge of the Contractor as a result of the performance of the Services and this Agreement, and will not, without the prior express written consent of the City, publish, release, disclose or permit to be disclosed any such information to any person or corporation, either before, during or after termination of this Agreement, except as reasonably required to complete the Services.
32. The Contractor acknowledges that the City is subject to the Freedom of Information and Protection of Privacy Act of British Columbia and agrees to any disclosure of information by the City required by law.
33. The Contractor agrees to return to the City all of the City's property at the completion of this Agreement, including any and all copies or originals of reports provided by the City.

WARRANTIES

34. The Contractor warrants that the Goods shall be free from defects in design, materials, workmanship and title, shall conform in all respects to the terms of this Agreement, shall be fit and suitable and perform satisfactorily for the purposes and under the conditions made known to the Contractor by the City or which were reasonably inferable. The Goods shall be at least equal to the higher of national standards or codes (such as, by way of illustration, CSA or ASTM), or standards and codes customarily applicable at the place where the City will use the Goods. The Goods shall be of the best quality, if no quality is specified. This general warranty is independent of and without prejudice to any specific warranty or service guarantee offered by the Contractor or third party manufacturer or supplier of the Goods in connection with the purpose for which the Goods were purchased. The Contractor shall assign to the City any warranty or service guarantee offered by a third party manufacturer or supplier of the Goods. Notwithstanding this assignment, if at any time up to one year from the date of delivery or installation (if applicable) the City determines the Goods or any part do not conform to these warranties, the City shall notify the Contractor within a reasonable time after such discovery, and the Contractor shall then promptly correct such nonconformity at the Contractor's expense. Goods used to correct a nonconformity shall be similarly warranted for one year from the date of installation. The Contractor's liability

shall extend to all liabilities, losses, damages, claims and expenses incurred by the City caused by any breach of any of the above warranties.

35. The Contractor warrants and guarantees that Goods delivered under this Agreement do not infringe any valid patent, copyright or trademark, foreign or domestic, owned or controlled by any other corporation, firm or person, and agrees to indemnify and save harmless the City and all of its elected and appointed officials, officers, employees, servants, representatives and agents (collectively the "Indemnitees"), from and against any and all claims, demands, causes of action, suits, losses, damages and costs, liabilities, expenses and judgments (including all actual legal costs) by reason of any claim, action or litigation arising out of any alleged or actual infringement of any patent, copyright or trademark, foreign or domestic, relating to the Goods supplied under this Agreement.

INSURANCE AND DAMAGES

36. The Contractor will indemnify and save harmless the Indemnitees from and against all claims, demands, causes of action, suits, losses, damages and costs, liabilities, expenses and judgments (including all actual legal costs) for damage to or destruction or loss of property, including loss of use, and injury to or death of any person or persons which any of the Indemnitees incur, suffer or are put to arising out of or in connection with any failure, breach or non-performance by the Contractor of any obligation of this Agreement, or any wrongful or negligent act or omission of the Contractor or any employee or agent of the Contractor.
37. The indemnities described in this Agreement will survive the termination or completion of this Agreement and, notwithstanding such termination or completion, will continue in full force and effect for the benefit of the Indemnitees.
38. The Contractor will, without limiting its obligations or liabilities and at its own expense, provide and maintain throughout this Agreement the following insurances in forms and amounts acceptable to the City from insurers licensed to conduct business in Canada:
 - (a) commercial general liability insurance on an occurrence basis, in an amount not less than five million (\$5,000,000) dollars inclusive per occurrence against death, bodily injury and property damage arising directly or indirectly out of the work or operations of the Contractor, its employees and agents. The insurance will include cross liability and severability of interests such that the coverage shall apply in the same manner and to the same extent as though a separate policy had been issued to each insured. The insurance will include, but not be limited to: premises and operators liability, broad form products and completed operations, owners and Contractor protective liability, blanket contractual, employees as additional insureds, broad form property damage, non-owned automobile, contingent employers liability, broad form loss of use, personal injury, and incidental medical malpractice. The City will be added as additional insured;
 - (b) automobile liability insurance on all vehicles owned, operated or licensed in the name of the Contractor in an amount not less than three million (\$3,000,000) dollars per occurrence for bodily injury, death and damage to property; and
 - (c) Contractor's equipment insurance in an all risks form covering construction machinery and equipment used for the performance of the Services.
39. The Contractor will provide the City with evidence of the required insurance prior to the commencement of this Agreement. Such evidence will be in the form of a completed

certificate of insurance acceptable to the City. The Contractor will, on request from the City, provide certified copies of all of the Contractor's insurance policies providing coverage relating to the Services, including without limitation any professional liability insurance policies. All required insurance will be endorsed to provide the City with thirty (30) days advance written notice of cancellation or material change restricting coverage. To the extent the City has an insurable interest, the builder's risk policy will have the City as first loss payee. The Contractor will be responsible for deductible amounts under the insurance policies. All of the Contractor's insurance policies will be primary and not require the sharing of any loss by the City or any insurer of the City.

40. The Contractor acknowledges that any requirements of the City as to the amount of coverage under any policy of insurance will not constitute a representation by the City that the amount required is adequate and the Contractor acknowledges and agrees that the Contractor is solely responsible for obtaining and maintaining policies of insurance in adequate amounts. The insurance policy coverage limits shall not be construed as relieving the Contractor from responsibility for any amounts which may exceed these limits, for which the Contractor may be legally liable.
41. The Contractor shall place and maintain, or cause any of its subcontractors to place and maintain, such other insurance or amendments to the foregoing policies as the City may reasonably direct.
42. The Contractor hereby waives all rights of recourse against the City for loss or damage to the Contractor's property.

CITY RESPONSIBILITIES

43. The City will, in co-operation with the Contractor, make efforts to make available to the Contractor information, surveys, and reports which the City has in its files and records that relate to the Goods and Services. The Contractor will review any such material upon which the Contractor intends to rely and take reasonable steps to determine if that information is complete or accurate. The Contractor will assume all risks that the information is complete and accurate and the Contractor will advise the City in writing if in the Contractor's judgment the information is deficient or unreliable and undertake such new surveys and investigations as are necessary.
44. The City will in a timely manner make all decisions required under this Agreement, examine documents submitted by the Contractor and respond to all requests for approval made by the Contractor pursuant to this Agreement.
45. If the City observes or otherwise becomes aware of any fault or defect in the Goods or Services, it may notify the Contractor, but nothing in this Agreement will be interpreted as giving the City the obligation to inspect the Goods or review the Contractor's performance of the Services.

DEFICIENCIES

46. The City shall have a reasonable time to inspect and to accept the Goods. The City may reject any Goods not in accordance with this Agreement, whether due to damage resulting from improper packing, loading, unloading or otherwise. The City shall notify the Contractor of rejection of the Goods whereupon the Goods will be held subject to the disposition by the

Contractor. Any costs or expenses incurred by the City as a result of the rejection of the Goods are, immediately upon written demand by the City, payable by the Contractor, and may be set off against any payments owing by the City to the Contractor.

47. The City may hold back from payments otherwise due to the Contractor up to 150% of a reasonable estimate, as determined by the City, on account of deficient or defective materials. This holdback may be held, without interest, until replacement Goods are received or such deficiency or defect is remedied.

DEFAULT AND TERMINATION

48. In the event the Contractor does not ship the Goods by the shipping date specified in this Agreement, or does not deliver the Goods by the delivery date specified in this Agreement, then:
 - (a) the City reserves the right to terminate this Agreement, in whole or in part, and in the event of such termination no payment will be owing by the City on account of this Agreement and the Contractor will be liable for any and all expenses or loss resulting from such failure or delay and will return all monies paid by the City; or
 - (b) if the City does not terminate this Agreement for late shipping or delivery, the City may deduct and setoff from any payments owing to the Contractor all additional costs the City reasonably incurs on account of the late shipping or delivery.
49. The City may by written notice at any time cancel this Agreement with respect to Goods which, as of the date of cancellation, have not been shipped.
50. The City may at any time and for any reason by written notice to the Contractor terminate this Agreement before the completion of all Services, such notice to be determined by the City at its sole discretion. Upon receipt of such notice, the Contractor will perform no further Services other than the work which is reasonably required to terminate the Services and return the City's property to the City. Despite any other provision of this Agreement, if the City terminates this Agreement before the completion of all the Services, the City will pay to the Contractor all amounts owing under this Agreement for Services provided by the Contractor up to and including the date of termination, plus reasonable termination costs in the amount as determined by the City in its sole discretion. Upon payment of such amounts no other or additional payment will be owed by the City to the Contractor, and, for certainty, no amount will be owing on account of lost profits relating to the portion of the Services not performed or other profit opportunities.
51. The City may terminate this Agreement for cause as follows:
 - (a) If the Contractor is adjudged bankrupt, or makes a general assignment for the benefit of creditors because of its insolvency, or if a receiver is appointed because of its insolvency, the City may, without prejudice to any other right or remedy the City may have, terminate this Agreement by giving the Contractor or receiver or trustee in bankruptcy written notice; or
 - (b) If the Contractor is in breach of any term or condition of this Agreement, and such breach is not remedied to the reasonable satisfaction of the City within 5 days after delivery of written notice from the City to the Contractor, then the City may, without prejudice to any other right or remedy the City may have, terminate this Agreement by giving the Contractor further written notice.

52. If the City terminates this Agreement as provided by this Section, then the City may:
- (a) enter into contracts, as it in its sole discretion sees fit, with other persons to complete the Services;
 - (b) withhold payment of any amount owing to the Contractor under this Agreement for the performance of the Services;
 - (c) set-off the total cost of completing the Services incurred by the City against any amounts owing to the Contractor under this Agreement, and at the completion of the Services pay to the Contractor any balance remaining; and
 - (d) if the total cost to complete the Services exceeds the amount owing to the Contractor, charge the Contractor the balance, which amount the Contractor will forthwith pay.
53. The City will not accept nor be responsible for any restocking charges for any Goods shipped to the City and then, for whatever reason, returned to the Contractor pursuant to this Agreement. The Contractor is to bear all costs including shipping and handling of returned Goods.

CURING DEFAULTS

54. If the Contractor is in default of any of its obligations under this Agreement, then the City may without terminating this Agreement, upon 5 days written notice to the Contractor, remedy the default and set-off all costs and expenses of such remedy against any amounts owing to the Contractor. Nothing in this Agreement will be interpreted or construed to mean that the City has any duty or obligation to remedy any default of the Contractor.

DISPUTE RESOLUTION

55. The parties will make reasonable efforts to resolve any dispute, claim, or controversy arising out of this Agreement or related to this Agreement ("Dispute") using the dispute resolution procedures set out in this section.
- (a) Negotiation
