A person that submits an Application (the “Applicant”) should prepare an Application that meets the minimum requirements, and may as it may choose, in addition, also include goods, services or terms that exceed the minimum requirements.

2. NATURE OF A STANDING OFFER AGREEMENT

It is understood and agreed by the Applicant that should an Application be selected by the City, it will result in a standing offer agreement (“Standing Offer”) only and the Goods and Services will be ordered by the City solely on an “as and when required” basis. No compensation will be accrued, owed or paid to any Applicant in the event that the Goods and Services are not ordered. If a Standing Offer is executed by the City, at the sole option of the City, the City may place an order (the “Order”) for Goods and Services specified in the Order and the Applicant agrees to provide those Goods and Services. The parties agree that the City may not place any orders for Goods and Services with the Applicant for the duration of the term of the Standing Offer. The parties agree that the City may purchase identical or similar Goods and Services from any other source.

Unless otherwise expressly stated, if and wherever the specifications set out in Schedule A – Specifications of Goods and Scope of Services to Attachment 1 – Agreement – Goods and Services use a brand name of a manufacturer, make, trade name, or catalogue designation in specifying an item, it does not restrict Applicants to the identified manufacturer, make, trade name, or catalogue designation. The usage of such identification is simply to indicate the character, quality and/or performance equivalence of the commodity identified.

Prior to the closing Date set out in Section 4, an Applicant may request, pursuant to Section 5 the City to approve a commodity(ies) (each, an "Equivalency") to be included in an Application in substitution for a commodity(ies), indicated in Schedule A – Specifications of Goods and Scope of Services to Attachment 1 – Agreement – Goods and Services, on the basis that the substitution of the same or better character, quality and/or performance as the commodity(ies) indicated in Schedule A – Specifications of Goods and Scope of Services to Attachment 1 – Agreement – Goods and Services such that that the proposed Equivalency will serve the purpose for which it is intended to be used equally as well. The City is not obligated to review or accept any application for an Equivalency. The Applicant should clearly identify in its Application any Equivalencies approved by the City under this Section 11.

If the Applicant does not in its Application indicate any Equivalencies, the Applicant will be deemed to accept the commodity(ies) described in Schedule A – Specifications of Goods and Scope of Services to Attachment 1 – Agreement – Goods and Services.

12. EVALUATION TEAM

The evaluation of Applications to identify a preferred Applicant (the "Preferred Applicant" or "Preferred Applicants") will be carried out by a team of one or more persons appointed by the City (the "Evaluation Team"). The Evaluation Team may be assisted by other persons as the Evaluation Team may determine it requires, including technical, financial, legal and other advisors or employees of the City.

13. EVALUATION CRITERIA

The Evaluation Team will compare and evaluate the Applications to identify the Application(s) which the Evaluation Team judges to be the most advantageous to the City by applying the following evaluation criteria:

- (a) Technical;
- (b) Experience, Reputation and Resources; and
- (c) Financial

It is anticipated that the Application that is evaluated to have the highest weighting will be selected as the preferred Applicant, but the City reserves the right for the Evaluation Team to decline to recommend any Applicant which the Evaluation Team, acting reasonably and fairly, determines would, if selected, result in greater overall cost or material risk to the City as compared to another Applicant, considering any relevant factors, including an Applicant's financial resources, safety record, claims and litigation history, work history and environmental record.

14. EVALUATION PROCESS

To assist in evaluation of Applications, the Evaluation Team may, in its sole and absolute discretion, but is not required to:

- (a) conduct reference checks and background investigations of the Applicant, and any subcontractors proposed in the Application, with internal and/or external sources, and consider and rely on any relevant information received from the references and from any background investigations in the evaluation of Applications;

- (d) seek confirmation that the inclusion of any personal information about an individual in an Application has been consented to by that individual.

The Evaluation Team is not obligated to complete a detailed evaluation of all Applications and may, after completing a preliminary review of all Applications, identify and drop from any detailed evaluation any Applicant which, when compared to the other Applicants, the Evaluation Team judges, in its sole discretion, to not be in contention to be selected as the Preferred Applicant. The City expressly reserves the right to reject any design optimizations proposed by an Applicant, or any substitutions proposed by an Applicant that have not been approved by the City pursuant to Section 11.

15. RESERVATION OF RIGHTS

Notwithstanding any other provision in this RFA-SOA:

- (a) The City need not necessarily consider the Application with the lowest Application Price, or any Application, and the City reserves the right to reject any and all Applications at any time, or cancel the RFA-SOA process, without further explanation, and to accept any Application the City considers to be in any way advantageous to it.
- (b) The City's acceptance of any Application is contingent on having sufficient funding for the purchase and achieving a mutually acceptable contract for the supply and delivery of the Goods and Services.
- (c) Each Applicant, by submitting an Application, irrevocably:
 - (i) agrees that it will not bring any claim, demand, action, cause of action, suit or proceeding, whether arising in contract, tort (including negligence) or otherwise (a "Claim") against the City or any of its employees, directors, officers, advisors or representatives, or any one of them, for any costs, damages or other compensation in excess of an amount equivalent to the actual and reasonable costs directly and demonstrably incurred by the Applicant in preparing its Application for any matter relating directly or indirectly to this RFA-SOA (including in the event that the City rejects or disqualifies or for any other reason fails to accept an Application, accepts a non-compliant Application or otherwise breaches, or fundamentally breaches, the terms of this RFA-SOA or any duties arising from this RFA-SOA); and
 - (ii) waives any Claim against the City and its employees, directors, officers, advisors or representatives for any compensation of whatsoever nature or kind, including for loss of anticipated profits, loss of opportunity, indirect, incidental or consequential damages or losses if no contract between the

Applicant and the City is entered into for the supply and delivery of the Goods for any reason whatsoever, including in the event that the City rejects or disqualifies or for any other reason fails to accept an Application, accepts a non-compliant Application or otherwise breaches, or fundamentally breaches, the terms of this RFA-SOA or any duties arising from this RFA-SOA.

- (d) If the City considers that all Applications are priced too high, it may reject them all.

16. MULTIPLE PREFERRED APPLICANTS

The City reserves the right and discretion to divide up the Goods and Services, either by scope, geographic area, or other basis as the City may decide, and to select one or more Preferred Applicants to enter into discussions with the City for one or more Standing Offer agreements to perform a portion or portions of the Goods and Services. If the City exercises its discretion to divide up the Goods and Services, the City will do so reasonably having regard for the RFA-SOA and the basis of Applications.

17. SELECTION AND NEGOTIATION

The Evaluation Team will recommend to the City the Application or Applications that it determines is/are most advantageous in accordance with this RFA-SOA. The City may accept or reject the Evaluation Team's recommendation.

The City may negotiate changes to any terms of an Application, including terms in Attachment 1 – Agreement – Goods and Services and Schedules A and B and including prices.

If the City selects a Preferred Applicant, then such Preferred Applicant will use good faith commercial efforts to negotiate and enter into a contract with the City. During negotiations the City may:

- (a) negotiate any aspect of a Preferred Applicant's Application, including reductions in the prices as set out in the Preferred Applicant's Application;
- (b) negotiate the incorporation of the Preferred Applicant's suggested amendments to the Agreement as may be included in its Application; and
- (c) negotiate terms and conditions different than those contained in the RFA-SOA and other documents referred to in the RFA-SOA, the Application or both, and
- (d) if at any time the City reasonably forms the opinion that a mutually acceptable contract is not likely to be reached within a reasonable time, give the Preferred Applicant written notice to terminate discussions, in which event the City may then either open discussions with another Applicant or terminate this RFA-SOA in whole or in part and obtain the supply and delivery of the Goods in some other manner, or not at all.

The City has no duty or obligation to advise any other Applicants or to allow them to modify their Applications, and the City will have no liability to any Applicant as a result of such negotiations or modifications.

The City may, at its sole discretion, require the Preferred Applicant to attend and participate in a pre-award meeting prior to award, the purpose of which will be to confirm project details and expectations of the City.

18. NO CONTRACT

This RFA-SOA is simply an invitation for Applications (including prices and terms) for the convenience of all parties. It is not a tender and no obligations of any kind will arise from this RFA-SOA or the submission of Applications. The City may negotiate changes to any terms of an Application, including terms in Attachment 1 – General Terms and Conditions, Schedule A – Specifications of Goods and Scope of Services to Attachment 1 and Schedule B – Quotation to Attachment 1 – General Terms and Conditions of the RFA-SOA including prices, and may negotiate with one or more Applicants or may at any time invite or permit the submission of Applications (including prices and terms) from other parties who have not submitted an Application.

19. LIMITATION OF CITY LIABILITY

Notwithstanding anything to the contrary contained in the RFA-SOA or any other document, material or communication made available to Applicants by the City or its representatives in connection with this RFA-SOA, the City accepts no responsibility or liability for the accuracy or completeness of this RFA-SOA (including any schedules or appendices to it) or any recorded or oral information communicated or made available for inspection by the City (including through the City Representative or any other individual) and no representation or warranty, either express or implied, is made or given by the City with respect to the reliability, accuracy, completeness or relevance of any of those things. The sole risk, responsibility and liability connected with reliance by any Applicant or any other person on this RFA-SOA or any such information as is described in this paragraph is solely that of each Contractor.

20. APPLICANT'S EXPENSES

Applicants are solely responsible for their own expenses in preparing and submitting an Application, and for any meetings, negotiations or discussions with the City or its representatives and consultants, relating to or arising from the RFA-SOA. The City will not be liable to any Applicant for any claims, whether for costs, expenses, losses or damages, or loss of anticipated profits, incurred by the Applicant in preparing and submitting an Application, or participating in negotiations, or other activities relating to or arising out of this RFA-SOA.

21. CONFLICT OF INTEREST

An Applicant must disclose in its Application any actual or potential conflicts of interest and existing business relationships it may have with the City, its elected or appointed officials or employees. The City may rely on such disclosure.

22. SOLICITATION OF COUNCIL MEMBERS, CITY STAFF AND CITY CONTRACTORS

Applicants and their agents will not contact any member of the City Council, City staff or City contractors with respect to this RFA-SOA, other than the City Representative named in

Section 5 of this RFA-SOA, at any time prior to the award of a Standing Offer or the cancellation of this RFA-SOA.

23. CONFIDENTIALITY

All Applications become the property of the City and will not be returned to the Applicant. All Applications will be held in confidence by the City unless otherwise required by law. Applicants should be aware the City is a “public body” defined by and subject to the *Freedom of Information and Protection of Privacy Act* of British Columbia.

 - (b) this Agreement;
 - (c) the specifications of Goods and scope of Services set out in Schedule A of the Request;
 - (d) the Application;
 - (e) the Request; and
 - (f) other terms, if any, that are agreed to by the parties in writing.

2. NATURE OF AGREEMENT

- 2.1. It is understood and agreed by the Applicant that should an Application be selected by the City, it will result in a standing offer agreement (“Standing Offer”) only and the Goods and Services will be ordered by the City solely on an “as and when required” basis. The aggregate value of the Goods and Services which may be ordered is conditional upon the needs of the City. No compensation will be accrued, owed or paid to any Applicant in the event that the Goods and Services are not ordered. If a Standing Offer is executed by the City, at the sole option of the City, the City may place an order (the “Order”) for Goods and Services specified in the Order and the Applicant agrees to provide those Goods and Services. The parties agree that the City may not place any orders for Goods and Services with the Applicant for the duration of the term of the Standing Offer. The parties agree that the City may purchase identical or similar Goods and Services from any other source.

3. GOODS AND SERVICES

- 3.1 The Contractor covenants and agrees that it will, if ordered by the City, perform the Services in accordance with this Agreement. The Goods and Services provided will meet the specifications set out in the Order, Schedule A and Schedule A-1 of the Request and as described in the Application.
- 3.2 The City may from time to time, by written notice to the Contractor, make changes in the scope of Services. The Fees will be increased or decreased by written agreement of the City and the Contractor according to the rates set out in the Application.
- 3.3 The Contractor will, if required in writing by the City, provide additional goods and services as may be listed in the Application. The terms of this Agreement will apply to any additional goods or services, and the fees for additional services will generally correspond to the fees as described in the Application. The Contractor will not provide any additional services in excess of the Goods and Services ordered in writing by the City.
- 3.4 The Contractor will provide the Goods and perform the Services with that degree of care, skill and diligence normally provided by a qualified and experienced practitioner providing Goods and performing services similar to the Services, and on the understanding that the City is relying on the Contractor's experience and expertise. The Contractor represents that it has the expertise, qualifications, resources, and relevant experience to supply the Goods and Services.

3.5 The Contractor will deliver the Goods free and clear of all liens and encumbrances in the manner and to the destination stipulated. In the event of the Contractor's failure to meet this condition, the Contractor will, on written notice from the City, forthwith return all monies paid by the City on account of the Goods and in addition the City may by written notice terminate this Agreement without liability, and in such event, in addition to the above, the Contractor will be liable for any and all expenses or losses incurred by the City resulting from such failure.

4. TIME

4.1 The Contractor acknowledges that time is of the essence with respect to the provision of the Services and accordingly the Contractor will provide the Goods and Services within the performance or completion dates or time periods as agreed to in writing by the City and the Contractor. The Contractor agrees to provide the Goods and Services in accordance with the time schedule indicated in the Order. If at any time the Contractor discovers that the time schedule cannot be met it will immediately advise the City in writing and propose a revised time schedule for approval by the City representative.

5. FEES

5.1 The City will pay to the Contractor the fees as set out in this Agreement (the "Fees"). Payment by the City of the Fees will be full payment for the Goods and Services and the Contractor will not be entitled to receive any additional payment from the City.

5.3 For greater certainty, costs of general management, non-technical supporting services, all insurance, import duties and taxes, brokerage, royalties, handling, general overhead, profit and all other charges are included in the Fees.

5.4 Should the customs duties or taxes payable by the Contractor on the Goods supplied hereunder be increased subsequent to the receipt of quotation, excerpts of which are set out in Schedule B – Quotation Extracts, the amount of the said increase, without markup will be added to the Fees and will be paid by the City to the Contractor.

5.5 Alternatively, should the customs duties or taxes payable by the Contractor on the Goods supplied hereunder be decreased subsequent to the receipt of quotation, excerpts of which are set out in Schedule B – Quotation Extracts, the amount of the said decrease will be deducted from the Fees and will be credited by the Contractor to the City.

5.6 The Fees will be in Canadian funds, F.O.B. Destination, Freight Prepaid to the Delivery Point.

5.7 If the Contractor does not have an office in Canada and does not provide to the City a waiver of regulation letter, the City will withhold the 15% withholding tax deduction from all payments in accordance with Article XII, Canada – United States Income Tax Convention, 1980.

- 6.2 If the City reasonably determines that any portion of an invoice is not payable, then the City will so advise the Contractor.
- 6.3 The City will pay the portion of an invoice which the City determines is payable within 30 days of the receipt of the Invoice, except the City may hold back from payments 10% of the amount the City determines is payable to the Contractor until such time as the Contractor provides its final report to the City; and
- 6.4 If the Contractor offers the City a cash discount for early payment, then the City may, at the City's sole discretion, pay the portion of an Invoice which the City determines is payable at any time after receipt of the Invoice.
- 6.5 In an effort to support sustainability, reduce risk and improve customer service, the City has introduced an electronic fund transfer (EFT) option for Contractors. Electing to participate in this program will allow Contractors to receive their payments directly into their bank accounts, reducing risk of fraud and improving the timeliness of their payment receipt.

The Contractor will determine the number of days and hours of work required to properly and completely perform the Goods and Services. The Contractor is primarily responsible for performance of the Goods and Services and may not delegate or assign any Goods and Services to any other person except as provided for in the Order. The Contractor will be solely liable for the wages, fringe benefits, work schedules and work conditions of any partners, employees or sub-contractors.

10. CONFIDENTIALITY AND DISCLOSURE OF INFORMATION

10.1 Except as provided for by law or otherwise by this Agreement, the Contractor will keep strictly confidential any information supplied to, obtained by, or which comes to the knowledge of the Contractor as a result of the provision of Goods or performance of the Services and this Agreement, and will not, without the prior express written consent of the City, publish, release, disclose or permit to be disclosed any such information to any person or corporation, either before, during or after termination of this Agreement, except as reasonably required to provide the Goods or complete the Services.

10.2 The Contractor acknowledges that the City is subject to the *Freedom of Information and Protection of Privacy Act* of British Columbia and agrees to any disclosure of information by the City required by law.

10.3 The Contractor agrees to return to the City all of the City's property at the completion of this Agreement, including any and all copies or originals of reports provided by the City.

11. WARRANTIES

11.1 The Contractor warrants that the Goods shall be free from defects in design, materials, workmanship and title, shall conform in all respects to the terms of this Agreement, shall be fit and suitable and perform satisfactorily for the purposes and under the conditions made known to the Contractor by the City or which were reasonably inferable. The Goods shall

be at least equal to the higher of national standards or codes (such as, by way of illustration, CSA or ASTM), or standards and codes customarily applicable at the place where the City will use the Goods. The Goods shall be of the best quality, if no quality is specified. This general warranty is independent of and without prejudice to any specific warranty or service guarantee offered by the Contractor or third party manufacturer or supplier of the Goods in connection with the purpose for which the Goods were purchased. The Contractor shall assign to the City any warranty or service guarantee offered by a third party manufacturer or supplier of the Goods. Notwithstanding this assignment, if at any time up to one year from the date of delivery or installation (if applicable) the City determines the Goods or any part do not conform to these warranties, the City shall notify the Contractor within a reasonable time after such discovery, and the Contractor shall then promptly correct such nonconformity at the Contractor's expense. Goods used to correct a nonconformity shall be similarly warranted for one year from the date of installation. The Contractor's liability shall extend to all liabilities, losses, damages, claims and expenses incurred by the City caused by any breach of any of the above warranties.

- 11.2 The Contractor warrants and guarantees that Goods delivered under this Agreement do not infringe any valid patent, copyright or trademark, foreign or domestic, owned or controlled by any other corporation, firm or person, and agrees to indemnify and save harmless the City and all of its elected and appointed officials, officers, employees, servants, representatives and agents (collectively the "Indemnitees"), from and against any and all claims, demands, causes of action, suits, losses, damages and costs, liabilities, expenses and judgments (including all actual legal costs) by reason of any claim, action or litigation arising out of any alleged or actual infringement of any patent, copyright or trademark, foreign or domestic, relating to the Goods supplied under this Agreement.

12. INSURANCE AND DAMAGES

- 12.1 The Contractor will indemnify and save harmless the Indemnitees from and against all claims, demands, causes of action, suits, losses, damages and costs, liabilities, expenses and judgments (including all actual legal costs) for damage to or destruction or loss of property, including loss of use, and injury to or death of any person or persons which any of the Indemnitees incur, suffer or are put to arising out of or in connection with any failure, breach or non-performance by the Contractor of any obligation of this Agreement, or any wrongful or negligent act or omission of the Contractor or any employee or agent of the Contractor.
- 12.2 The indemnities described in this Agreement will survive the termination or completion of this Agreement and, notwithstanding such termination or completion, will continue in full force and effect for the benefit of the Indemnitees.
- 12.3 The Contractor will, without limiting its obligations or liabilities and at its own expense, provide and maintain throughout this Agreement the following insurances in forms and amounts acceptable to the City from insurers licensed to conduct business in Canada:
- (a) commercial general liability insurance on an occurrence basis, in an amount not less than five million (\$5,000,000) dollars inclusive per occurrence against death, bodily injury and property damage arising directly or indirectly out of the work or operations of the Contractor, its employees and agents. The insurance will include cross liability and severability of interests such that the coverage shall apply in the same manner and to the same extent as though a separate policy had been issued

to each insured. The insurance will include, but not be limited to: premises and operators liability, broad form products and completed operations, owners and Contractors protective liability, blanket contractual, employees as additional insureds, broad form property damage, non-owned automobile, contingent employers liability, broad form loss of use, personal injury, and incidental medical malpractice. The City will be added as additional insured;

- (b) automobile liability insurance on all vehicles owned, operated or licensed in the name of the Contractor in an amount not less than three million (\$3,000,000) dollars per occurrence for bodily injury, death and damage to property; and
- (c) professional errors and omissions liability insurance in an amount not less than two million (\$2,000,000) dollars insuring all professionals providing the Services from errors or omissions in the performance of the Services.

12.4 The Contractor will provide the City with evidence of the required insurance prior to the commencement of this Agreement. Such evidence will be in the form of a completed certificate of insurance acceptable to the City. The Contractor will, on request from the City, provide certified copies of all of the Contractor's insurance policies providing coverage relating to the Services, including without limitation any professional liability insurance policies. All required insurance will be endorsed to provide the City with thirty (30) days advance written notice of cancellation or material change restricting coverage. To the extent the City has an insurable interest, the builder's risk policy will have the City as first loss payee. The Contractor will be responsible for deductible amounts under the insurance policies. All of the Contractor's insurance policies will be primary and not require the sharing of any loss by the City or any insurer of the City.

12.5 The Contractor acknowledges that any requirements of the City as to the amount of coverage under any policy of insurance will not constitute a representation by the City that the amount required is adequate and the Contractor acknowledges and agrees that the Contractor is solely responsible for obtaining and maintaining policies of insurance in adequate amounts. The insurance policy coverage limits shall not be construed as relieving the Contractor from responsibility for any amounts which may exceed these limits, for which the Contractor may be legally liable.

12.6 The Contractor shall place and maintain, or cause any of its subcontractors to place and maintain, such other insurance or amendments to the foregoing policies as the City may reasonably direct.

12.7 The Contractor hereby waives all rights of recourse against the City for loss or damage to the Contractor's property.

13. CITY RESPONSIBILITIES

13.1 The City will, in co-operation with the Contractor, make efforts to make available to the Contractor information, surveys, and reports which the City has in its files and records that relate to the Goods and Services. The Contractor will review any such material upon which the Contractor intends to rely and take reasonable steps to determine if that information is complete or accurate. The Contractor will assume all risks that the information is complete and accurate and the Contractor will advise the City in writing if in the Contractor's judgment the information is deficient or unreliable and undertake such new surveys and investigations as are necessary.

- 13.2 The City will in a timely manner make all decisions required under this Agreement, examine documents submitted by the Contractor and respond to all requests for approval made by the Contractor pursuant to this Agreement.
- 13.3 If the City observes or otherwise becomes aware of any fault or defect in the Goods and Services, it may notify the Contractor, but nothing in this Agreement will be interpreted as giving the City the obligation to inspect the Goods or review the Contractor's performance of the Services.

14. DEFICIENCIES

- 14.1 The City shall have a reasonable time to inspect and to accept the Goods and Services. The City may reject any Goods or Services not in accordance with this Agreement, whether due to damage resulting from improper packing, loading, unloading or otherwise. The City shall notify the Contractor of rejection of the Goods whereupon the Goods will be held subject to the disposition by the Contractor. Any costs or expenses incurred by the City as a result of the rejection of the Goods or Services are, immediately upon written demand by the City, payable by the Contractor, and may be set off against any payments owing by the City to the Contractor
- 14.2 The City may hold back from payments otherwise due to the Contractor up to 150% of a reasonable estimate, as determined by the City, on account of deficient or defective materials. This holdback may be held, without interest, until replacement Goods are received or such deficiency or defect is remedied.

15. DEFAULT AND TERMINATION

- 15.1 In the event the Contractor does not deliver the Goods or perform the Services by the date specified in this Agreement, then:
- (a) the City reserves the right to terminate this Agreement, in whole or in part, and in the event of such termination no payment will be owing by the City on account of this Agreement and the Contractor will be liable for any and all expenses or loss resulting from such failure or delay and will return all monies paid by the City; or
 - (b) if the City does not terminate this Agreement for late shipping or delivery, the City may deduct and setoff from any payments owing to the Contractor all additional costs the City reasonably incurs on account of the late shipping or delivery.
- 15.2 The City may by written notice at any time cancel this Agreement with respect to Goods which, as of the date of cancellation, have not been shipped.
- 15.3 The City may at any time and for any reason by written notice to the Contractor terminate this Agreement before the completion of all the Goods and Services, such notice to be determined by the City at its sole discretion. Upon receipt of such notice, the Contractor will perform no further Goods and Services other than the work which is reasonably required to complete the Goods and Services. Despite any other provision of this Agreement, if the City terminates this Agreement before the completion of all the Goods and Services, the City will pay to the Contractor all amounts owing under this Agreement for Goods and Services provided by the Contractor up to and including the date of termination, plus reasonable termination costs in the amount as determined by the City in its sole discretion. Upon payment of such amounts no other or additional payment will be owed by the City to

the Contractor, and, for certainty, no amount will be owing on account of lost profits relating to the portion of the Goods and Services not performed or other profit opportunities

15.4 The City may terminate this Agreement for cause as follows:

- (a) If the Contractor is adjudged bankrupt, or makes a general assignment for the benefit of creditors because of its insolvency, or if a receiver is appointed because of its insolvency, the City may, without prejudice to any other right or remedy the City may have, terminate this Agreement by giving the Contractor or receiver or trustee in bankruptcy written notice; or
- (b) If the Contractor is in breach of any term or condition of this Agreement, and such breach is not remedied to the reasonable satisfaction of the City within 5 days after delivery of written notice from the City to the Contractor, then the City may, without prejudice to any other right or remedy the City may have, terminate this Agreement by giving the Contractor further written notice.

15.5 If the City terminates this Agreement as provided by Section 15.4 then the City may:

- (c) enter into contracts, as it in its sole discretion sees fit, with other persons to complete the Services;
- (d) withhold payment of any amount owing to the Contractor under this Agreement for the performance of the Services;
- (e) set-off the total cost of completing the Services incurred by the City against any amounts owing to the Contractor under this Agreement, and at the completion of the Services pay to the Contractor any balance remaining; and
- (f) if the total cost to complete the Services exceeds the amount owing to the Contractor, charge the Contractor the balance, which amount the Contractor will forthwith pay.

15.6 The City will not accept nor be responsible for any restocking charges for any Goods shipped to the City and then, for whatever reason, returned to the Contractor pursuant to this Agreement. The Contractor is to bear all costs including shipping and handling of returned Goods.

16. CURING DEFAULTS

16.1 If the Contractor is in default of any of its obligations under this Agreement, then the City may without terminating this Agreement, upon 5 days written notice to the Contractor, remedy the default and set-off all costs and expenses of such remedy against any amounts owing to the Contractor. Nothing in this Agreement will be interpreted or construed to mean that the City has any duty or obligation to remedy any default of the Contractor.

17. DISPUTE RESOLUTION

17.1 The parties will make reasonable efforts to resolve any dispute, claim, or controversy arising out of this Agreement or related to this Agreement ("Dispute") using the dispute resolution procedures set out in this section.

17.2 Negotiation: The parties will make reasonable efforts to resolve any Dispute by amicable negotiations and will provide frank, candid and timely disclosure of all relevant facts, information and documents to facilitate negotiations.

- 17.3 Mediation: If all or any portion of a Dispute cannot be resolved by good faith negotiations within 30 days, either party may by notice to the other party refer the matter to mediation. Within 7 days of delivery of the notice, the parties will mutually appoint a mediator. If the parties fail to agree on the appointment of the mediator, then either party may apply to the British Columbia International Commercial Arbitration Centre for appointment of a mediator. The parties will continue to negotiate in good faith to resolve the Dispute with the assistance of the mediator. The place of mediation will be Surrey, British Columbia. Each party will equally bear the costs of the mediator and other out-of-pocket costs, and each party will bear its own costs of participating in the mediation.
- 17.4 Litigation: If within 90 days of the request for mediation the Dispute is not settled, or if the mediator advises that there is no reasonable possibility of the parties reaching a negotiated resolution, then either party may without further notice commence litigation.

18. WCB AND OCCUPATIONAL HEALTH AND SAFETY

- 18.1 The Contractor will, at its own expense, procure and carry full Workers' Compensation Board coverage for itself and all workers, employees, servants and others engaged in the supply of the Goods and Services. The City has the unfettered right to set off the amount of the unpaid premiums and assessments for the Workers' Compensation Board coverage against any monies owing by the City to the Contractor. The City will have the right to withhold payment under this Agreement until the Workers' Compensation Board premiums, assessments or penalties in respect of the Goods and Services have been paid in full.

However, in no case will the City be responsible for ascertaining or discovering, through inspections or review of the operations of the Contractor or otherwise, any deficiency or immediate hazard.

- 20.3 The City may require that shop drawings be submitted by the Contractor for review prior to the delivery of the Goods. The City may require that a qualified registered professional engineer stamp and approve a shop drawing prior to submission. Any review of shop drawings by the City will not relieve the Contractor from its obligation to deliver Goods in full compliance with all requirements of this Agreement.

21. APPLICABLE LAWS, BUILDING CODES AND BY-LAWS

- 21.1 This Agreement will be governed by and construed in accordance with the laws of the Province of British Columbia. The City and the Contractor accept the jurisdiction of the

- 38.1 This Standing Offer program will be in effect for a period of one (1) year (the "Term").

39. ALLOCATION OF SERVICES

39.1 The Contractor may be allocated Goods and Services depending on the City's needs. The City does not, in any way guarantee work. The allocation of Service assignments will be at the sole discretion of the City and the Contractor shall not have any claim for compensation, expense, damage or loss of profit from the City for any failure of the City to allocate any portion of the Services to a Contractor or to use its own City crew to perform any portion of the Services.

It is every employers and contractors responsibility to ensure that staff and public are protected from workplace hazards.

As a contractor to the City of Surrey, you are expected to conform to the requirements of the Workers' Compensation Act, the WCB Occupational Health and Safety Regulation and to all federal, provincial and local laws and regulations. The City of Surrey Building Owner, Project Manager, and the Manager, Occupational Health & Safety or designate have the authority to order an unsafe act to cease or to have an unsafe piece of equipment removed from the premises or, in extreme situations, to shut down a job entirely. Any City of Surrey Employee that observes a safety infraction by a contractor performing work for the City of Surrey should bring it to the attention of a manager immediately or Occupational Health & Safety (604-591-4131).

The following information is provided as typical City of Surrey requirements, but does not relieve the contractor from complying with all applicable local, provincial and federal laws, regulations and bylaws.

PERSONNEL

1. You are expected to inform your employees of any potential hazard in the workplace and advise of appropriate action to be taken should a hazard be found or a fire or accident occur.
2. Contractors will restrict persons invited on the premises to employees only. No families or friends are permitted.
3. The contractor will advise the City of any on-site accidents involving the contractor's employees, or injuries to others caused by the contractor's business.

SAFETY MANAGEMENT SYSTEM

1. Contractors will ensure their employees utilize proper safety equipment and clothing as required for job site activities.

3. Contractor must Identify workplace risk and implement suitable controls.
4. Contractor must provide safety training and education to staff and have training records available for review.

8. The qualified safety coordinator must participate in the City of Surrey OHS Orientation or attend the Prime Contractor's Orientation.

WORK AREAS –City Facilities

No work by contractors shall occur in any area without prior consent of the City of Surrey Manager, Civic Facilities or his designated representative. Work during normal business hours of the City shall not create undue noise, smells or otherwise unduly disturb the work of City of Surrey staff or the public. If an activity requires that a disturbance is likely, the contractor shall whenever possible only do that work outside normal business hours.

All activities that create a hazard (i.e. work from a ladder, removal of a floor tile, emission of VOC's, etc.) to persons outside the contractor's supervision shall have warning devices, delineation or barriers, sealed spaces, etc. as would normally be required to protect any person from that hazard.

SAFETY ATTITUDE

Your safety record and attitude are important criteria used to judge your qualification for future bidding on solicitations with the City of Surrey.

You can help ensure employee safety and your eligibility for future business with the City if you exhibit and practice a "Safe Work - Safe City" attitude.

The City of Surrey is concerned about the health, safety and wellbeing of all employees and contractors. It is essential we maintain a healthy, safe and productive work environment.

All Employees & Contractors:

It is everyone responsibility to:

- ❖ know and comply with WCB regulations and
- ❖ follow established safe work procedures
- ❖ immediately report any work related injury to his/her supervisor; and to the city representative
- ❖ not remain on the work site while his/her ability to work is in any way impaired
- ❖ report unsafe acts and conditions to their supervisor
- ❖ correct unsafe conditions immediately whenever it is possible to do so
- ❖ take reasonable care to protect your health & safety and the health and safety of other persons who may be affected by your act's or omissions at work

An employee must refuse to work if continuing to do so would endanger the health and safety of the employee, fellow employees or others. The worker must immediately report the circumstances of the unsafe condition to his or her supervisor or manager. If the unsafe condition is not remedied or the issue is not resolved the Manager, Occupational Health & Safety must be contacted.

A common sense approach usually resolves the issue.
