The Evaluation Team will give a written recommendation for the selection of a Preferred Proponent or Preferred Proponents to the City.

### 4.2 Evaluation Criteria

The Evaluation Team will compare and evaluate all Proposals to determine the Proponent's strength and ability to provide the Services in order to determine the Proposal which is most advantageous to the City, using the following criteria:

<b>Experience, Reputation and Resources</b>	<b>Weighting</b>
The Evaluation Team will consider the Proponent's responses to items in Schedule C-2.	<b>35%</b>
<b>Technical</b> The Evaluation Team will consider the Proponent's responses to items in Schedule C-3 and Schedule C-4.	<b>40%</b>
<b>Financial</b>	<b>25%</b>

The Evaluation Team will consider the Proponent's response to Schedule C-5.	
<b>Statement of Departures</b> The Evaluation Team will consider the Proponent's response to Schedule C-1.	

The Evaluation Team will not be limited to the criteria referred to above, and the Evaluation Team may consider other criteria that the team identifies as relevant during the evaluation process. The Evaluation Team may apply the evaluation criteria on a comparative basis, evaluating the Proposals by comparing one Proponent's Proposal to another Proponent's Proposal. All criteria considered will be applied evenly and fairly to all Proposals.

#### **4.3 Discrepancies in Proponent's Financial Proposal**

If there are any obvious discrepancies, errors or omissions in Schedule C-5 of a Proposal (Proponent's Financial Proposal), then the City shall be entitled to make obvious corrections, but only if, and to the extent, the corrections are apparent from the Proposal as submitted, and in particular:

- (a) if there is a discrepancy between a unit price and the extended total, then the unit prices shall be deemed to be correct, and corresponding corrections will be made to the extended totals;
- (b) if a unit price has been given but the corresponding extended total has been omitted, then the extended total will be calculated from the unit price and the estimated quantity;
- (c) if an extended total has been given but the corresponding unit price has been omitted, then the unit price will be calculated from the extended total and the estimated quantity.

#### **4.4 Litigation**

In addition to any other provision of this RFP, the City may, in its absolute discretion, reject a Proposal if the Proponent, or any officer or director of the Proponent submitting the Proposal, is or has been engaged directly or indirectly in a legal action against the City, its elected or appointed officers, representatives or employees in relation to any matter, or if the City has initiated legal action against any officers or directors of the Proponent.

In determining whether or not to reject a Proposal under this section, the City will consider whether the litigation is likely to affect the Proponent's ability to work with the City, its consultants and representatives and whether the City's experience with the Proponent indicates that there is a risk the City will incur increased staff and legal costs in the administration of the Contract if it is awarded to the Proponent.

#### **4.5 Additional Information**

The Evaluation Team may, at its discretion, request clarifications or additional information from a Proponent with respect to any Proposal, and the Evaluation Team

may make such requests to only selected Proponents. The Evaluation Team may consider such clarifications or additional information in evaluating a Proposal.

#### **4.6 Interviews**

The Evaluation Team may, at its discretion, invite some or all of the Proponents to appear before the Evaluation Team to provide clarifications of their Proposals. In such event, the Evaluation Team will be entitled to consider the answers received in evaluating Proposals.

If the City selects a Preferred Proponent or Preferred Proponents, then it may:

- (a) enter into a Contract with the Preferred Proponent(s); or
- (b) enter into discussions with the Preferred Proponent(s) to attempt to finalize the terms of the Contract(s), including financial terms, and such discussions may include:
  - (1) clarification of any outstanding issues arising from the Preferred Proponent's Proposal;
  - (2) negotiation of amendments to the departures to the draft Contract, if any, proposed by the Preferred Proponent as set in Schedule C-1 to the Preferred Proponent's Proposal; and
  - (3) negotiation of amendments to the Preferred Proponent's price(s) as set out in Schedule C-5 to the Preferred Proponent's Proposal and/or scope of Services if:
    - (A) the Preferred Proponent's financial Proposal exceeds the City's approved budget, or
    - (B) the City reasonably concludes the Preferred Proponent's financial proposal includes a price(s) that is unbalanced, or
    - (C) a knowledgeable third party would judge that the Preferred Proponent's price(s) materially exceed a fair market price(s) for services similar to the Services offered by the Preferred Proponent as described in the Preferred Proponent's Proposal; or
- (c) if at any time the City reasonably forms the opinion that a mutually acceptable agreement is not likely to be reached within a reasonable time, give the Preferred Proponent(s) written notice to terminate discussions, in which event the City may then either open discussions with another Proponent or terminate this RFP and retain or obtain the Services in some other manner.

### **5. GENERAL CONDITIONS**

#### **5.1 No City Obligation**

This RFP is not a tender and does not commit the City in any way to select a Preferred Proponent, or to proceed to negotiations for a Contract, or to award any agreement, and the City reserves the complete right to at any time reject all Proposals, and to terminate this RFP process.

Proponents are solely responsible for their own expenses in preparing, and submitting Proposals, and for any meetings, negotiations or discussions with the City or its representatives and consultants, relating to or arising from this RFP. The City and its representatives, agents, consultants and advisors will not be liable to any Proponent for any claims, whether for costs, expenses, losses or damages, or loss of anticipated profits, or for any other matter whatsoever, incurred by the Proponent in preparing and submitting a Proposal, or participating in negotiations for a Contract, or other activity related to or arising out of this RFP.

## **5.3 No Contract**

By submitting a Proposal and participating in the process as outlined in this RFP, Proponents expressly agree that no contract of any kind is formed under, or arises from, this RFP, prior to the signing of a formal written Contract.

The City's acceptance of any Proposal is contingent on having sufficient funding for the solution and a Contract with a Proponent. Proposals containing qualifications will be considered to be non-conforming Proposals in that they will fail to conform to the requirements of the RFP documents and on that basis they may be disqualified or rejected. Nevertheless, the City may waive any non-compliance with the requirements of the RFP documents, specifications or any conditions, including, without limitation, the timing of delivery of anything required by these RFP documents, and the City, at its discretion, may consider non-conforming Proposals and accept a non-conforming Proposal.
- (b) Where the City is of the view, in its sole discretion, that there is an ambiguity or other discrepancy which cannot be discerned or resolved from examining the contents of the Proposal, then whether or not such an ambiguity or discrepancy actually exists on the face of the Proposal, the City may, prior to Contract award, solicit clarification from the Proponent or accept clarification from the Proponent on any aspect of its Proposal. Such clarification may include the acceptance of any further documents or information which will then form part of the Proposal. The soliciting or accepting of such clarification (whether or not solicited) by the City will be without any duty or obligation on the City to advise any other Proponents or to allow them to vary their Proposal Prices as a result of the acceptance of clarification from any one or more Proponents and the City will have no liability to any other Proponent(s) as a result of such acceptance of clarification.
- (c) If the City considers that all Proposals are priced too high, it may reject them all.
- (d) The City, prior to awarding of any Contract, may negotiate with the Proponent presenting the lowest priced Proposal, or any Proponent, for changes in the solution, the materials, the specifications or any conditions, without having any duty or obligation to advise any other Proponents or to allow them to modify their Proposal, and the City will have no liability to any Proponent as a result of such negotiations or modifications.
- (e) The City and its representatives, agents, consultants and advisors will not be liable to any Proponent for any claims, whether for costs, expenses, losses, damages, or loss of anticipated profits, or for any other matter whatsoever, incurred by a Proponent in preparing and submitting a Proposal, or participating in negotiations for a final Contract, or other activity related to or arising out of this

RFP, including in the event the City accepts a non-compliant Proposal or otherwise breaches the terms of this RFP.

- (f) A pre-award meeting may be conducted with the preferred Proponent prior to award to confirm project details and expectations of the City.
- (g) Proponents are solely responsible for their own expenses in preparing and submitting a Proposal, and for any meetings, negotiations or discussions with the City, or its representatives and consultants, relating to or arising from the RFP. The City will not be liable to any Proponent for any claims, whether for costs, expenses, losses or damages, or loss of anticipated profits, incurred by the Proponent in preparing and submitting a Proposal, or participating in negotiations for a contract, or other activity related to or arising out of this RFP.

## SCHEDULE A - SCOPE OF SERVICES

**PROJECT TITLE: CONSULTANT SERVICES – SURREY INTERNATIONAL CHILDREN'S FESTIVAL STRATEGIC PLAN**

### 1. PURPOSE

The City of Surrey (The “City”) is seeking qualified and experienced Consultant to develop a comprehensive 5-year strategic plan for the future direction of the Surrey International Children’s Festival (the “Festival”).

Note: where the term “Plan” is referenced as an outcome of this work, this shall be understood as the written form of the strategic plan.

### 2. INTRODUCTION AND BACKGROUND

Among its many recommendations the 2018 Parks, Recreation and Culture’s 10-year strategic plan calls for the development of a strategic plan for the Surrey International Children’s Festival (Service Area: Culture, Special Events S 1.5). Now approaching its 15th year the SICF has not engaged in a strategic planning process since its inception.

#### **Current Vision/Mandate**

The Surrey International Children’s Festival (SICF) inspires young hearts and minds to greater possibilities and celebrates our rich and diverse cultural heritage through performing and visual arts experiences.

The SICF has seen some significant growth, particularly over the last 5 years. The Festival is one of the City’s 5 major events and the only arts-based festival for children south of the Fraser River. Currently the Festival serves schools from within the School District 36 Surrey (SD36) as well as a small number of schools from across the lower mainland, from Abbotsford all the way to West Vancouver and several municipalities in between; SD36 makes up the bulk of attendees. Average attendance over 3 days is approximately 15,000 people. The Performing Arts presentations are of the highest professional calibre and feature international and Canadian artists as well as emerging talent from the local community. The Festival is presented through the City’s Arts Services section of the Culture Division of the Parks, Recreation and Culture Department. A wide variety of other City departments provide support for the event. Over 300 volunteers, 90% of which are between the ages of 14-19, are key contributors in facilitating the event and are responsible for performing a wide scope of roles in all areas. Volunteers are trained and mentored by professionals resulting in strong levels of engagement.

In recent years the Festival has partnered with the City’s Community Recreation Youth Services to provide a variety of year round community outreach programs. These have included the Cirque Surrey program, a circus skills mentorship program for at-risk youth, Bannock and Books, an indigenous education program in partnership with SD36, and Break it Down, a hip hop program for youth. Together, these programs are part of the Festival’s Community Roots Program which includes the highly successful Make a Memory program which subsidizes less

advantaged schools with tickets and transportation to the Festival. The program is supported by private businesses in the community including the primary sponsor, the Toronto Dominion Bank.

In addition to sponsorship for the Community Roots program the Festival is supported by a range of corporate sponsors including current presenting sponsor, Prospera Credit Union, and annual funding from the Department of Canadian Heritage Canada Arts Presentation Fund (CAPF).

### **Purpose of Strategic Plan**

The project aims to create a comprehensive 5-year strategic plan that will provide future direction for the SICF, acknowledging current trends, anticipating challenges and opportunities and future priorities.

The Plan will identify priorities and model for Festival structure, including:

- (a) review the artistic vision, mission and mandate;
- (b) analyze programming;
- (c) assess marketing and sponsorship initiatives; and
- (d) examine Festival operations and their viability, capacity and sustainability into the future.

The Plan will provide a road map with clear direction for the future and articulate the SICF's strengths and contributions in the context of the City's municipal cultural planning and community development, and within the context of the goals and objectives of the City's PRC 10-year plan. The Plan will provide measurable short, medium and long term achievable goals and objectives for the Festival with assigned responsibilities for implementation.

## **3. SCOPE OF SERVICES**

### **STRATEGIC PLANNING OBJECTIVES AND OUTCOMES**

#### **STEP 1: Establish a Vision & Model for Community and Key Stakeholder Engagement**

The Consultant will engage key Festival stakeholders and community members in dialogue to help establish future Festival model and direction. This process would clarify aspects, such as:

- (a) Festival structure / model including
  - Length of Festival - special event with limited scope (i.e. 3 days), or year-round arts engagement initiatives and programs or some combination thereof.
  - What is the impact of these potential models on the Festival, the community and other City of Surrey programming?
  - How is the Festival's capacity and sustainability affected by these potential models? What are the needs for financial and human resources (HR)?
- (b) How the Festival exists within the City of Surrey's operations, Culture Division including Surrey Civic Theatres, Surrey Art Gallery (future IAM), Museum of Surrey, Heritage Services, Community Art program and the City's other Special Events.

- (c) The Festival's relationship with national partners including member festivals of the Canadian Children's Festival Association and the Department of Canadian Heritage.
- (d) The Festival's relationship with SD36; building school participation across the district. What relationship is important to them? What should we be providing?
- (e) How is the Festival being marketed? What are the needs for effective advertising and communications?
- (f) Where does the Festival fit in the PRC 10-year Plan, how does it contribute to the goals and objectives of the Plan, what initiatives for the Festival are indicated in the Plan and how will those initiatives be implemented.

  - Site accessibility – walkways, tent decking, universal change rooms, quiet zones;

  - Analyze financial history particularly pertaining to ticket prices and sponsorship revenues versus expenses – examine potential vulnerabilities and contingencies; and
  - Box office technology, ticketing equipment, particularly on site on Festival Days, self-serve ticket kiosks (reduce line ups).

#### **7.5 Consultant Responsibilities**

The Consultant acknowledges that any requirements by the City as to the amount of coverage under any policy of insurance will not constitute a representation by the City that the amount required is adequate and the Consultant acknowledges and agrees that the Consultant is solely responsible for obtaining and maintaining policies of insurance in adequate amounts. The insurance policy coverage limits shall not be construed as relieving the Consultant from responsibility for any amounts which may exceed these limits, for which the Consultant may be legally liable.

The Consultant shall place and maintain, or cause any of its sub-consultants to place and maintain, such other insurance or amendments to the foregoing policies as the City may reasonably direct.
